Back to School Fun Festival Brings Selinsgrove Community Together

By Bonnie Page

Chrissy Sampsell, Gina Burns, Ellie Sampsell, Libby Wright, Julia Burns and Ben Stebila represented the Selinsgrove Marching Band at the Back-to-School Fun Festival on September 13, 2026.The group helped bring some Seals spirit to the festivities with a soda ring toss for all to enjoy.

Isaac Page takes his chance at the dunk tank, hoping to make a splash by dunking Dr. Moyer, principal of Selinsgrove Elementary School, during the Selinsgrove Area School District's Back to School Fun Festival on September 13, 2026.

The Selinsgrove Area School District welcomed students and families back for another school year with an afternoon filled with laughter, activities, football and community spirit during the Back-to-School Fun Festival on September 13, 2026.

There was something happening around every corner as children and families enjoyed a variety of activities. One of the biggest attractions was the dunk tank, where school principals and other brave volunteers took their turns on the seat. Students eagerly lined up for their chance to hit the target and send a familiar face splashing into the water, bringing plenty of laughter and cheers from the crowd.

The festivities also included an inflatable bounce obstacle course, Chinese auction, soda ring toss, and many other fun activities. The popular cake wheel stand featured a variety of cakes, cookies and other sweet treats and added to the many activities families could enjoy throughout the day. An ice cream truck offered a sweet treat for families enjoying the day.

The excitement extended to the football field, where the Selinsgrove Seals Youth Football teams were taking on Shamokin. The games added even more energy to an already busy day, giving families the opportunity to cheer on the young athletes while enjoying the festival activities.

Students, parents, school staff and volunteers all helped create a welcoming atmosphere. Whether children were testing their aim at the dunk tank, bouncing through the inflatable course, trying their luck at a game or watching youth football, there was plenty to keep everyone entertained.

More than simply a day of games and treats, the Back-to-School Fun Festival provided an opportunity for the school and surrounding community to come together. It gave children a chance to reconnect with friends and families an opportunity to enjoy time together while celebrating the beginning of a new school year.

With football on the field, laughter at the dunk tank, and smiling faces throughout the festival, September 13 was a day filled with Selinsgrove school and community spirit.

Project Linus to Host Fall Make A Blanket Day

By Kay Poeth

The Fall Project Linus Make A Blanket Day will be held on Saturday October 24, 2026, from 9:30 am-2 pm at Faith Lutheran Church on Rt. 45, west of Lewisburg. Volunteers are needed and invited to participate in this worthwhile community service projectto make blankets for sick, hurting and traumatized children in our local area. No experience is needed.

"All of our blankets are given to kids living in Union, Snyder, Northumberland, Columbia, Montour and Lycoming counties. Some blankets will go to children in emergency rooms and hospitals to calm then and make them feel comfortable. Some go to kids going into foster home or other new situations to help them feel at home. Other blankets will go to kids who must sleep in their coats to keep warm. Our blankets are a hug when they need one most.The kids are always amazed that they get to keep the blankets and take them home," explains Pat Warren, Project Linus Coordinator for the Central-Susquehanna Valley Chapter.

"The quilters and sewers will be assembling quilts. Quilts tops are ready to have backs and batting sewn on, and then need to be knotted to finish," reports Warren, "If you have never done this, we will teach you what to do. If you want to sew, you may bring your sewing machine or reserve one of ours by calling 570-966-3675," notes Warren.

Another group will work on no sew fleece blankets, fringing the edges and then knotting the fringes. This is very simple. Volunteers need no special skill. "Just tie a knot; we will show you how," adds Warren.

Completed, new, handmade washable blankets that are quilted, crocheted, knit, or fleece, may be dropped on Make A Blanket Day. Blankets earmarked for the Janet Weis Center must be laundered. Laundry agreements are available at drop-off. Other drop off sites and times are listed on the Project Linus web site in the Find A Chapter section under Central Susquehanna Valley Chapter.

"We hope to make or collect between 150 and 200 blankets on Make A Blanket Day. We deliver over half of our blankets between October and December. We delivered over 1000 during that period last year. When children receive one of our blankets in a hospital or emergency room setting, they are thrilled. Our blankets distract the children and make them easier to treat. Our blankets are the hug they needed. We thank you for all the joy you help us spread," says Warren.

'Project Linus also has supplies to share. "We recently received the contents of one blanketeer's sewing room – a lot of fabric and other supplies. Another lady who passed away had told her daughter to give us all her yarn; we received 2 clothes hampers full. We also have batting."

Mark your calendars for October 24 from 9 am- 2 pm for Project Linus Make A Blanket Day. Volunteers and organizations are invited to come and help a few hours or all day.Volunteers, elementary age and older, are invited to attend and help make lives warm and cozy- one blanket at a time. A free lunch of soup and sandwiches will be served. For more information, email Pat at Wplcsvpl@windstream.net or phone 570-966-3675.

Ronald Bryan Reich, 86 years, of Winfield

Ronald Bryan Reich, 86 years, 1 month, and 25 days old, entered Heaven at his home on October 1, 2026, surrounded by his family on his childhood farm at 642 Tame Deer Drive, Winfield, Snyder County. He passed away after a long battle with cancer. We take comfort in knowing that he is now with the Lord.

Ronald was born in Kreamer, Pennsylvania, a son of the late Marvin and Catherine (Smith) Reich. On June 21, 1958, he married Jeanette E. Gemberling, and they shared over 65 years of marriage.

He was a 1958 graduate of Selinsgrove High School. His first occupation, outside of working on his parents' farm, was as a milk tester in Danville, Pennsylvania. He later took over his family's farm, where he and his wife spent their lives farming together. For over 50 years, Ronald also sold Pioneer seed corn; he loved making deliveries and sharing long conversations with his customers. Dedicated to his agricultural community, he served on committees at the local A.S.C.S. office, was a lifelong member of the Snyder County Farm Bureau, was a member of the Selinsgrove Young Farmers (winning many awards), and helped lead the Eager Beaver 4-H Club.

Ronald truly loved talking to anyone he met and telling stories and jokes. He was a wonderful husband, father, grandfather, and great-grandfather who deeply loved his family. He was an avid deer hunter and jokingly remarked that there was "no winning" in a house full of girls; despite this, he always prioritized them, made them happy, and took them on many memorable vacations. He also had a passion for animals, raising a wide variety of both domestic and exotic species over the years.

A devout man of faith, Ronald taught Sunday School for over 50 years and held numerous positions at Hummels Church, including chairman of the board, as well as serving on the building, cemetery, and various other committees. He was the church's oldest attending member and fondly remembered when it was just the original, small white church building. In his younger days, he was also an active member of Gideons International.

Ronald is survived by his four daughters and their husbands: Carolyn A. and Brian Shirk, Brenda L. and Bruce Craven, Kathy M. and Robert Waite, and Debra K. Nace-Metzger and Todd Metzger. He is also survived by 12 grandchildren and their families, 20 great-grandchildren, his sister Jean Zechman, and his brothers Robert and Richard Reich.

He was preceded in death by his beloved wife, Jeanette; an infant brother, Donald; a brother, Joey Reich; and his late son-in-law, Scott Nace.

A visitation will be held from 6:00 to 8:00 p.m. on Friday, October 9, at Hummels Church, 427 Sassafras Road, Middleburg. The funeral service will take place at 11:00 a.m. on Saturday, October 10, at the church, with Pastor Seth Beech, Steve Smith, and Ronald's brother, Robert Reich, officiating. Burial will be private at Hummels Church Cemetery.

The family wishes to extend their heartfelt thanks to everyone who helped care for Ronald and his farm. In lieu of flowers, memorial contributions may be made to the Gideons International, Hummels Church, or Samaritan's Purse.

Arrangements are being handled by Hummel Funeral Home, Middleburg.

Ronald "Ron" Shaffer, 66, of The Woodlands, TX

"Life is a River, and it carries you into your future, whether you want to go, or not."

An easy smile, a quick laugh and a playful spirit is a brief description of our Ronnie, Ronald to his mom, and Ron to most everyone else. Sadly, Ron Shaffer, 66, of The Woodlands, Texas, left this world on September 22, 2026, surrounded by love and faith of his wife, Daphane and sister, Donna, after a daunting battle with Creutzfeldt-Jakob Disease (CJD).

Born on February 25, 1960, in Sunbury, Pennsylvania, Ron was the fifth of six children and the only son of John E. "Jack" and Phyllis Shaffer. As the only boy, with five sisters, he loved and tormented them mightily, and quite often a bb gun was involved. He excelled in multiple sports at Selinsgrove High School, earning a football scholarship to Juniata College where he graduated in 1982. However, it was working with his father in the plumbing business that helped him get his first job with Owens-Corning Fiberglass. Home in Selinsgrove, Pennsylvania was always a place to get grounded, no matter if living in Louisiana, Tennessee, California, Texas or Netherlands! He shared 39 wonderful years of marriage with his beloved wife, Daphane. Together they built a life centered on love, laughter, adventure, and enduring friendships.

Fiberglass opened up avenues for Ron, at first selling Fiberglass Tubs & Showers in Memphis, TN then selling Fiberglass Storage Tanks in California. For nearly four decades, working with a lot of the same people, he moved from California to Houston and the Netherlands, then back to Houston. He really enjoyed the relationships he made at Containment Solutions and ultimately retired as an Executive for N.O.V. in 2021. His leadership, integrity, and ability to build lasting relationships were hallmarks of Ron's career. Whether celebrating someone's successes, quietly offering support during difficult times, or making everyone around him laugh, Ron had a remarkable gift for making people feel important and valued.

Retirement allowed Ron to devote more time to the things he loved most. An avid golfer and admirer of the outdoors, he found peace in nature and treasured time spent at the small mountain home he and Daphane enjoyed in Brevard, North Carolina. There, surrounded by the beauty of the Blue Ridge Mountains, he embraced the slower pace of life and created cherished memories.

Ron's legacy is that he will be remembered as an exceptional and devoted son, husband, brother, uncle, friend and co-worker. He had a playful spirit that could brighten any room, a quick smile that put others at ease. A generous heart that knew no limits. His kindness was genuine, his loyalty unwavering, and his willingness to help others was simply a part of who he was.

In addition to his mother, Phyllis, of Selinsgrove, Ron is survived by his wife, Daphane; his 5 sisters, Patti Jenkins and Linda Dressler, both of Selinsgrove, Shirley Shaffer of Shavertown, PA, Donna Shaffer-Micucci of NH and Karen Shaffer Penny of MD; five brothers-in-law; and many nieces, nephews, great-nieces and great-nephews. He was preceded in death by his father, John E. Shaffer.

As a man who liked to dress in golf attire or at the least, comfortably, please come ready to Celebrate this wonderful man, in whatever you like.

Family and friends are invited to celebrate Ron's life on Oct. 17th at Forest Park – The Woodlands Funeral Home & Cemetery, 18000 I-45 South, The Woodlands, TX from 1-4 p.m.

Or attend the Pennsylvania Service October 24th from 1:30 to 4:30 @ Faith United Methodist Church, 20 Musser Lane, Selinsgrove, PA 17870

FLASHBACKS

Workers take a break from rebuilding the Beavertown Railroad depot to have their photograph taken on a summer day sometime in the first decade of the 20th century. Their saws and other hand tools can be seen leaning against the lower building at the left. An inquisitive young boy looks on. The depot served the Sunbury and Lewistown Railroad, which was completed in 1871. As many as 50 trains passed through town each day.

WILLIAM GROVE NATIONAL OPEN FOR 410-SPRINT HAD A GREAT WEEKEND

The two-day show for the 64th running of the National open started last Friday night with 56 drivers signed in for the night's action, and a very large crowd on hand. Two groups had time trials with WOO regular Buddy Kofoid setting overall fast time at 16.421 in group A while Chase Dietz was fastest in group B at 16.472. After Time trials, up first was a non-qualifiers race for the sixteen drivers that did not make the cut for the four heat races. The top four from this event would be added to the back of each heat giving 11 cars each for the heat races. Not one of the four, Tyler Ross, Matt Campbell, Brie Hershey or Sye Lynch, made any ground in the heats which took the top five for the feature with Kofoid, David Gravel, Chase Dietz and Cameron Smith. Winning the heat, the C- Main went to Freddie Rahmer with him and Mike Thompson starting at the rear of the B- main which was won by Emerson Axsom. The eight-car dash to set up the first four rows of the feature was won by David Gravel, Justin Whitall and Anthony Macri. Winning the 25-laps feature and the $12,000 top prize was Gravel who scored his fifth open weekend feature. It puts him one win up on Steve Kinser, Lance Dewease and Keith Kauffman. The win for Gravel was his third at the speedway this year. Justin Whittal got the jump on Gravel at the start of the feature and was pulling away until lapped traffic slowed down his effort with Gravel getting past him on lap nine. He went on to win the race over Anthony Macri, Justin Peck, Buddy Kofoid and Chase Dietz. For Saturday action, 54-drivers signed in for racing and another big crowd on hand all wanting to see a PA Posse driver win over the WOO series. A couple of High Limit series drivers were also on hand with them having the weekend off. Over all 13 WOO series drivers were on hand with 9 High-Limit drivers and Pa Posse driver in the middle 30's for drivers in action over the weekend. The night started with Chase Dietz setting fast time with the non-qualifiers race going to Chris Windom, Windom also won the C-main with Brady Bacon winning the B-main , with heat races going to Lance Dewease, Bill Balog, Daryn Pittman in the Kreitz #69K and Donny Schatz. Bill Balog won the dash to start on the pole for the feature. Balog led from the start and was 1.5 second in front when the second yellow of the race happened. Balog had to pit handing the lead over to Chase Dietz who led the rest of the way and collecting $75,000 for his 24th feature win of the season. Dietz also scored the tracks championship with 4730 to Troy Wagaman Jr 4440. Going into the weekend Wagaman was leading the points but he failed to qualify for any features over the two nights and lost the title. Danny Dietrich, Lance Dewease and Freddie Rahmer were in the top five in points. Dietz scored the feature win by .257 over Donny Schatz Justin Peck, David Gravel and Dyran Pittman. Chase Dietz ends up with four feature wins this year with Gravel having three wins. That wraps up the racing season at Williams Grove for the 2026 season.

Before the Grove action Lincoln speedway held a Wednesday night September 30 with 31 410 sprints and 21 358-sprint in action. Chase Dietz went on to score his tenth win at Lincoln this year, which at the time was his 23rd feature win of the season. With his win he becomes the track new point leader with one race left on Saturday October 17th . Freddie Rahmer, who was leading the points was knocked out of the race while running third with a flat tire he now trails Dietz by 130. Anthony Macri, on his return to racing from another injury rode home in the second spot making a late race pass of Troy Wagaman for the spot Matt Campbell and Dallas Schott were in the top five. In 358 sprint action Jayden Wolf scored his fourth 358-sprint car feature win of the season, which ties him with Cody Fletcher for feature wins. Wolf also took over the points lead by 70-points over Fletcher who had been leading the points most of the season. Steve Qwings placed second in the feature with Chance Hendershot, Bryn Gohn and Brock Hammaker in the top five.

Made my first trip to the McGrewBid Motorplex track which is on the inside of the bigger track. They race a number of 600-micro sprint sand Jr sprints on different nights during the season. This was a special Thursday night event with before the WOO Outlaw race at Williams Grove on Friday. 600-Micro winged sprint feature went to Randy Kunkle, who ran side by side with Cayden Blain for most of the feature. In one of the heat races Brayden Benjamin flipped in his heat, but they rolled the car back over and he finished the heat. In Jr Sprints, Aylin Witmer hit the front stretch wall very hard, but after getting the ok from her mom, she went back out and placed second in that same heat. Witmer went on to score the feature win which I was told that she wins a lot of the Jr Sprint features there. Tim Buckwlater's, son Aiden, was third in that feature the first time at the track. Tim has a number of feature wins in 600-micro sprints Speedsters, and small block modifieds, at different speedways in the area. Dominic Schmidt won the wingless 600-micro feature while Barrett Bressler won the Restricted 600-micro feature. Three more races are on the tracks schedule for this year Saturday October 17th and 31st and a Friday on the 23rd.

Last Saturday night at Path Valley they ran their final point shows for the season in a six-division show, with Gunner Wals winning the limited late model feature. His second of the year at Path and sixth overall. He has two at Bedford, one at Ports Royal and one at Big Diamond. Taylor Farlling was a close second after taking over that sport late in the race from JR Toner who got caught behind lapped traffic. Tommy Slanker and DJ Myers in the top five. With his fifth place finished DJ Myers wins the tracks point championship over Shyann Smith who did lead the points most of the season Myers had 221 with Smith at 202 Port Royal Champ, Jaxton Garman was third with 170, Cayden Ranck 1666, Gunner Walls 163. The four-cylinder car feature was won by Jeremy Ott, who also scored the win in the legends feature. Dakota Yeingst won the 270-micro feature over Clinton County Champion Mac Wert with Bradyn Kuhn third. Jim Young won the 600-micro feature over Brian Kramer and Randy Kunkle. 4-Cylinder strictly stock was won by Garrett Watkins over Justin Williamsons. The night produced 159 race cars with 21-Limited late models, 4-cylinder thunder cars had 34, 28 270-micros sprints, 20-600-micro sprints, 28 Legends and 24 4-cylinder stocks. Path Valley ends there season this weekend with a show for the Sprint car nationals on Friday featuring the 600-micros, 270-micros and wingless sportsman. Then on Saturday will be the fender nationals with Limited late models 4-cylinder thunder cars and 4-cylinder strictly stocks.

Four big events of racing this weekend with the Jim Nace Memorial at Selinsgrove this Friday and Saturday with the 410-sprint and 305-sprints in action both nights. Friday the 410' race for $6,000 to win while on Saturday they will race for $26,000 to win. The 305-sprints will race for $600 to win on Friday and $2,600 on Saturday. The Annual Blaise Alexander Memorial for micro sprints will also be run this weekend at the Greenwood Valley Action Track near Millville with 600 winged and wingless micros and three different divisions of 270-micro sprints in action also along with the 125 micros. The third event is a little out of the area with the running of the 54 annual Dirtcar Nationals for Big Block Modifieds and 358-Modifieds and Sportsman Modifieds, along with Pro-Stocks all of this will take place at Oswego speedway in New York. BAPS Motor speedway will also have two nights of racing this weekend with the running of the fall nationals Friday will have 358-sprints, Legends, Four Cylinders, 602 Crate Sportsman Modifieds Extreme Qualifying and Classic Cars. SPORTS NEWS

THE VIEW FROM HEAR

BY RON BOLT

I want to apologize for leaving out my recaps from our high school football games last week. I did not realize how many of you get the local high school scores here in The Union/Snyder County Times. October is the best and busiest sports month of the year and that's no excuse for my error. Speaking of errors…how about those Yankees in game two against the Rays? More on that later.

Two weeks ago Williamsport suffocated Selinsgrove in a 23-8 win that was determined in the first three drives of the game. Williamsport fumbled the first Grove punt and the Seals failed on fourth down at the 17 yard line. The Millionaires drove 87 yards to start the scoring and were leading 23-0 before Cael Badman scored with just over five minutes left.

Shamokin (6-0) QB and Wake Forest recruit Logan Steele led the top ranked team in the state to a 42-0 win over (2-4) Selinsgrove. Steele was recruited as an athlete by Wake and showed off his skills by rushing for 97 and 70 yard touchdowns. The Seals Badman ran the ball well in gaining 88 yards on 17 carries. Grove hosts their river-rival Shik Friday night.

Midd-West scored a couple TDs late after the hay was already in the barn two weeks ago. Bloom overwhelmed Midd-West early in outgaining the Mustangs 370-54 yards in the first half on their way to a 35-22 win. Bloom has a really good team.

Last week the Mustangs were hanging on to a four point lead 13-9 until Hughesville ran for two TDs as Midd-West fell 22-13 to the Spartans. D'Angelo Drumhellar scored on a 63 yard pass and run and Mason Fultz averaged 10 yards per carry and a TD. It´s not going to get any easier for Midd-West as they will travel to play the high-flying Green Dragons Friday.

Those Dragons are on a roll with Xavier Carter back from injury and under center. Two weeks ago Lewisburg beat Warrior Run 43-14 as Carter threw for 248 yards and 3 TDs, ran for 58 and ended the game with a 141 passing rating! Drake Osunde and Jaylen Walker caught eleven of Carter's passes totaling 206 yards and a TD for each. Freshman Ethan Coleman ran for 160 yards and scored twice as the Green totaled 527 yards against the 3-2 Defenders who didn't play like their nickname.

Lewisburg and Loyalsock totaled 61 points in the first half, the Dragons added 28 more to score 61 themselves in their 61-42 victory. Believe it or not, neither team scored a point in the fourth quarter. In the third quarter all-everything Walker scored twice in twenty seconds with a 76 yards kickoff return and a 55 yard pick six.

Having a healthy Xavier Carter back at QB is making all the difference as he threw for 291 yards and 4 touchdowns, two to Walker and one each to Owen Fallon and Osunde. Both teams ended the game with identical 447 yards of total offense in one of the wildest games of the year.

Two weeks ago our other Union county school beat Sock 32-27. Miff coach Cody Botts said he would address the offensive line issues after the first game of the year. I´d say the O-lineman from his playing days at Miff and Lycoming knew what he was doing. The Cats ran for 312 yards and four TDs in a big 32-27 win. Hey Cody, call Penn State and see what you can do with their offensive line.

QB Brennen Snyder threw for 206 yards with Luke Brubaker catching four for 114 yards. Running back Landon Moser averaged over eight yards a carry for 205 and 3 TDs.

Mifflinburg (4-2) thumped Warrior Run 51-6 behind that improved O-line and their relentless defense…a combo that will win you a lot of football games. Moser and Seth Hartman averaged over 10 yards a carry totaling 178 yards. The Cats travel to Central Mountain Friday.

If you can believe it, the regular season is past the midpoint and three of our schools are positioned well for the post season. Selinsgrove should be qualified for 4A Districts with one more win. Mifflinburg and Lewisburg are both in for 3A Districts no matter the result of the year-end Little Brown Jug game.

The depth of really good runners on our cross-country teams showed up last week. The Lewisburg boys dominated their tri-meet with Bloom and Warrior Run with ten Dragons finishing in the top 15 and Tyler Confer leading the way. The Dragon girls won their quad-meet against Loyalsock, Bloom and Warrior Run with Ella Beal leading seven Lewisburg runners in the top 15.

The Midd-West girls got two wins in the tri-meet with Shik and Shamokin. Seven Mustangs finished in the top 15 led by Ashlyn Hoffman in second and Evelyn Weiser's third place finish. The Midd-West boys eked by Shik 29-30 as Grant Boop and Lyncoln Hoffman finished first and second as only one second was the difference.

The great barometer of where your cross country team stands is the fifty school NEPA Invitational held annually at Bloomsburg University. The Towanda boys and girls swept the team titles. Lewisburg girls finished 2nd, Midd-West 3rd and Selinsgrove 5th. Our local boys teams also did well with Lewisburg 4th, Midd-West 5th and Grove 21st.

Top individual finishers were Lake Dent from Selinsgrove 3rd, Lewisburg's Beal 8th and Kaelyn Bozella 11th and Midd-West Hoffman 13th out of 195 runners. Top local boys were Boop 3rd and Hoffman 7th and Lewisburg's Confer 8th out of 246 runners. Well done group.

The Grove and Midd-West girls soccer teams are positioning themselves for top seeds in Districts. Selinsgrove is currently #1 in 3A and Midd-West #2 in 2A. Undefeated Midd-West beat Shik 4-1 with two Ava Atkins assists and a goal. They continued their winning ways with 2-0 and 3-0 shutouts of Central Mountain and East Juniata. Aitkins had a goal in each game.

Grove shutout Shamokin 6-0 with Jozlyn Zaharda´s two goals and an assist. Hannah Boyer also scored on a penalty kick. The Seals tied Altoona 1-1 with Kaia Hoke's goal.

Lyla Moyer scored the lone goal in a Mifflinburg (3-6) win over Williamsport and Mia Reibsome had 15 saves. Lillian Beachy's goal wasn´t enough in a 2-1 loss to Milton. They also lost 6-2 to Shik.

Lewisburg split last week in beating Loyalsock 7-0 and losing 3-2 to Hughesville. Payton Spigelmyer and Madelyn Schwartz each had five points in the Sock match. Spigelmyer had both goals and Schwartz both assists in the Spartan loss.

The Lewisburg boys soccer team (11-1) is scoring like their football team by beating Danville 14-0. Noah Kettlewell had a goal and assist. For the second consecutive game Lewisburg didn't allow a shot on goal in beating Williamsport 2-0 on two Eli Abunassar assists.

The Seal boys beat Shamokin 6-0 after the girls did the same to Shamokin the day before. Braydon Mack had three goals and Josiah Bisaccia two assists in the shutout. They lost 2-0 at Altoona. Midd-West (10-2) had a big 7-1 win over Williamsport and an even bigger 4-1 win over county rival Selinsgrove. Evan Devine had five points and Nathan Horst three in their neighborly win.

Mifflinburg (3-10-1) shutout winless Bloom 1-0. How about a big shoutout to the Juniata Christian School boys soccer team. Their team is 14-1 this year following their 5-1 win over Millersburg. Jordan Lara and Julian Flores each had two goals and an assist.

In field hockey, Maesyn Franquet scored the game winning goal and assisted on the game-icing goal in a 2-0 over Muncy. Midd-West (10-3) followed that up by getting upset by Central Columbia 2-0. Then they had a surprisingly easy 6-0 win over Bloom where Sabrina Fegley had five points and Veyda Trego four. The balls kept going through the net with an 11-0 whitewash of Danville as Franquet and Trego each had six points.

Lewisburg (6-4-1) lost 2-1 to Line Mountain despite Abigail Madden's goal. The Dragons were shutout 3-0 by Selinsgrove behind the Grove's Violet Shaffer and Ella Heath getting three points each. Nora Moyer, Lexi Stoneburg and Sawyer Kovaschetz all had strong games in the midfield.

Six different Wildcats scored a goal in an 8-0 win over Shik with Amelia Fluman having three goals and one assist. Jillian Hoy added a goal and two assists.

Mifflinburg´s undefeated record is no more as they stepped out of D4 play and lost 6-0 to D3 defending state champion Susquenita. District 3 plays a game unfamiliar to what D4 is used to. For the last ten years District 3 has been by far the best field hockey district in the state.

You don't believe me? There have been 32 state final field hockey games played over the last ten years in the three different classifications. Schools from District 3 have won 17 of those and were runner-ups in 21 championship games. Palmyra, Hershey, Wilson, Donegal, Lower Dauphin and Greenwood are just some of the powers from District 3.

Speaking of power districts, it´s looking like the SEC reloaded and wants to rule college football again and prove to the country they are better than the Big 10. Half the schools in the top 10 rankings are SEC schools and they have half the top 18. The Big 10 has 2 in the top 10 and 3 in the top 18.

Depth is not only good for our local cross country teams, the depth of the SEC does indeed make them the best football conference in college. Alabama looks really good and Texas beat Ohio State earlier this year. Call me a homer, but at the end of the season, the National champ will be a Big 10 team for the fourth straight year.

The lack of Big Ten depth can be directly related to college football bluebloods who look more black and blue. Michigan, USC and Penn State are struggling mightily, some more than others.

When USC escapes Penn State´s whiteout this weekend that win will vault them to a possible spot in the playoffs.

Michigan is still hungover from their last second win that wasn't against Western Michigan. They have one of the highest paid QB´s that can´t pass and a first year coach who wishes he was back coaching at Utah.

I think the most dire situation is the one an hour west of us. I´m not saying Matt Campbell won´t get it turned around or that AD Pat Kraft shouldn´t have gotten rid of James Franklin. It´s a tough transition for new Penn State coach Matt Campbell with a tougher conference, greater scrutiny, a more demanding fan base and much higher stakes than he had at Iowa State.

Losing a homecoming lead to Wisconsin was bad enough but getting pushed around by Northwestern is a massive red flag. Penn State was outgained 506-291…even if this is a good version of Northwestern, that should never happen.

No matter what the Nittany Lions do the rest of the year, the what-ifs and recriminations will hound Kraft unless Campbell can prove next season that he´s the right guy for the job.

I thought the Yankees starting pitchers would get them far into the playoffs. They forgot that when a Rays hitter puts a ball in play, you have to field it!

In closing this week, I've had a couple people ask me if I use AI to write my articles. I do not use AI but something more powerful…. MB! Mrs. Bolt corrects my spelling and punctuation.

Lucas Mathews Creates Nature Playground for Eagle Scout Project

By Kay Poeth

According to Lucas Mathews of Troop 419, the caterpillar created out of spare logs was a favorite installation in the nature center for many children. His Eagle Scout Project was a bona fide hit with the youngsters.

Congratulations to Lucas Mathews who created a nature playground for Susquehanna Children's Center in Selinsgrove for his Eagle Scout Project. Lucas is a member of Scouting America Troop 419.

An Eagle Scout Service Project, or Eagle Project, is the opportunity for a Scout to demonstrate leadership of others while performing a project for the benefit of their community. This is the culmination of the Scout's leadership training, and it requires a significant effort on his part. The project must benefit an organization other than Scouting America, and it cannot be performed for an individual or commercial project in nature.

Bette Scott, SUMMIT's Community Relationship Manager, reached out to Troop 419 in Selinsgrove to see if any Eagle Scout candidates were interested in working on the Susquehanna Children's Center's nature playground. Lucas Mathews, a senior at Selinsgrove at the time, was very interested. He proposed a number of projects for the center's playground and his projects were approved by both SUMMIT and his Eagle Scout Board.

Lucas spent over 100 hours cutting logs and building items for the playground. Lucas built a music wall using live edge slabs and common kitchen items. He built a balance beam from a live edge slab supported by logs and a path of cut logs partially dug into the dirt for children to hop to and from the balance beam. He also built two raised garden beds, a caterpillar log train, log chairs, a weather station, a wooden tunnel, and a wooden teepee.

Lucas expanded his description of his work by stating, "This nature playground project included a log path, a wooden tunnel for the kids to crawl through, a log balance beam, a wooden teepee for climbing or playing under, a music wall consisting of various kitchenware, a weather wall with various paintings, 3 sets of log chairs and tables, 2 garden boxes, and 5 hollowed out logs for a ball toss game.And finally, out of the spare logs we made a caterpillar which ended up being many of the kids' favorite installation."

All the material and supplies weredonated. All the logs came from the property ofSandy and Steve Mathews, his grandparents.Every wooden item was sanded and sealed and sanded again to ensure it was completely safe from the weather, but more importantly, completely safe for the kids to play on and explore.

Thanks to Wood Mode, Lester E. Stuck Building Supplies, Alderfer Lumber & Live Edge Slabs, Weis, and Hempfield Behavioral Health for their generous donations. "And of course, my parents, Sara and Tim Corbin. This has been a long process which would not be possible without the dedication of everyone who helped me throughout this journey," noted Lucas.

"Lucas did a phenomenal job. His time, talent, and efforts will have children enjoying the nature playground for years to come," commented Doug Bertanzetti, Executive Director of SUMMIT Early Learning.Bertanzetti oversees SUMMIT Early Learning's network of early childhood and school-age programs in the area, focusing on delivering high-quality education and childcare services.

SUMMIT has been very flexible with Lucas during this project and he is grateful for their support and encouragement. "The best moment of this project is when they invited me back while all the kids were outside and playing on my project. Seeing the joy that my project has brought to all the kids at Summit, it cannot be understated just how much that moment meant to me. I could see in real time, the hundreds of hours of work were paying off!"

Bette Scott agreed. "Lucas did such a good job and it was clear he loved seeing the kids enjoying all that he created too."

Lucas Mathews, 17, is currently enrolled in his freshman year at Susquehanna University. He is majoring in Chemical Physics.
