## Beaver Springs Fire Company's 100 Year Anniversary Celebration

*By Kay Poeth*

2026 is the year for anniversary celebrations! On August 29, 2026, from 4-9 pm, Beaver Springs Fire Company is celebrating their 100- Year Anniversary with a time of fun, fellowship, and festivities at Spring Township Park, where the original Firemen's Carnival started! There will be two bounce houses for the youngsters, food vendors, a band, and fireworks! Of course, the playground will be open for the youngsters.

At 3:30 pm, members of the Beaver Springs Fire Company will escort the hose cart to the park with a member walk.

At 4 pm, Fire Chief Erik Markley will ring the Beaver Springs Fire Company's fire ring to kick off the festivities! Afterwards, the original fire company's hose cart will be on display. It was restored by Andrew Snook for his 2025 Eagle Scout Project. Check out the anniversary merchandise available for purchase including tee shirts, travel mugs, and Beaver Springs Fire Company Commemorative Coins.

Fire company ceremonies and presentations will be intertwined throughout the evening at 4 pm and 6 pm. The Modern Outlaw Band performs at 5 pm and 7 pm. Enjoy the spectacular fireworks show at 9 pm.

Munch on delicious complimentary (free) firehouse hot dogs and birch beer. Visit other food vendors for other snacks. Enjoy the community and fellowship, and jam to the music of Andre Wagner Sound during the intermissions.

In addition, stroll down to the Open Houses at the Beaver Springs Senior Center, the MAC Y, and Christ Church.

Long-time, retired, and active members are encouraged to attend this centennial celebration and be recognized as part of the fire company's history.

Bring your lawn chair and plan to spend the time celebrating the 100th Anniversary of the Beaver Springs Fire Company on Saturday, August 29 from 4-9 pm at Spring Township Community Park (Elm Street Park).

## Scenes from the 58th Annual Richfield Dutch Days

*By Kay Poeth*

The 58thAnnual Richfield Dutch Days was held on July 22-25 in Basom Memorial Park. This year honored the Richfield Fire Company's 100 Years of Service to the community as well as celebrating America's 250th Anniversary. The fire company had a display at the event.

Parade night is always popular and featured many patriotic tributes. Children scrambled for candy. A wide array of floats, tractors, antique cars, and more entertained the crowds that lined the parade route. The family of Gary Graybill acted as Honorary Grand Marshal in his memory.

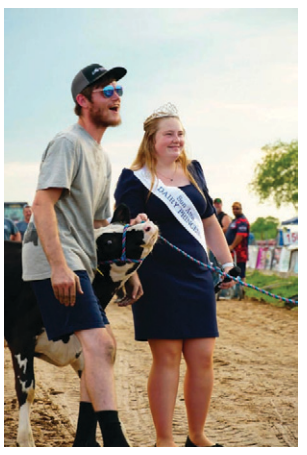
The annual Name Quilt Auction is another popular event. This year it honored the Richfield Fire Company. It was a stunning quilt.

The Stars & Stripes Cornhole Tournament was another favorite competition, complete with bragging rights.

This year's festivities included food including their famous beef pot pie, games, rides by Sunshine Shows, a Chinese Auction, shopping at the Dutch Days Country Store,nightly entertainment with an Elvis Tribute one evening, a Saturday parade, and fireworks by Skyshooter

## S.U.N. Area Dairy Promotion Raises $681 for Fill a Glass with Hope

*Written By: Madyson Reich, S.U.N. Area Dairy Princess*



The SUN Area Dairy Promotion team partnered with the Snyder County Tractor Pullers for a successful "Kiss a Cow" fundraiser to benefit Fill a Glass with Hope, a charitable program of the Pennsylvania Dairy Princess and Promotion Services that helps provide fresh milk to families in need through Pennsylvania food banks.

Throughout the evening, spectators had the opportunity to vote for their favorite truck or tractor puller by placing donations into their contestant's collection jar. The friendly competition brought plenty of excitement as fans supported both their favorite pullers and a great cause.

At the end of the event, Matt Mace, driver of the truck "Lil' by Little," collected the most votes with $526 in his donation jar, earning the honor of kissing Oreo, the dairy cow. Altogether, the fundraiser raised an impressive $681, all of which will support Fill a Glass with Hope and its mission of providing fresh, nutritious milk to families experiencing food insecurity.

The fundraiser was organized by the SUN Area Dairy Promotion team, represented by Dairy Princess Madyson Reich and Dairy Miss Emmalyn Reich. The pair enjoyed sharing the importance of dairy nutrition with attendees while encouraging support for a program that makes a meaningful difference in communities across Pennsylvania.

The SUN Area Dairy Promotion team extends its sincere gratitude to the Snyder County Tractor Pullers for allowing them to host the event, to all of the truck and tractor pullers who participated, and to everyone who made a donation. The community's generosity helped turn a fun evening of competition into an opportunity to provide wholesome dairy products to families in need.

Events like the "Kiss a Cow" fundraiser demonstrate the generosity of the agricultural community and the positive impact that can be made when people come together to support a worthy cause. Every dollar raised helps Fill a Glass with Hope continue its mission of ensuring more Pennsylvania families have access to fresh, nutritious milk.

# Free BALM Family Recovery Course for Residents of Snyder/Union Counties Who Are Affected by Another's Substance Use/Addiction

Susquehanna Valley Mediation will be offering a FREE in person 8-week Family Recovery course starting Tuesday, August 25, 2026, for residents of Snyder and Union Counties who are affected by another's addiction. The course will be taught by BALM (Be A Loving Mirror) coach Stacey Karchner who has been helping families for over 8 years. BALM evolved around the fact that those struggling with addiction are human beings and deserving of love just as any other person is. Research shows when the family gets well, the loved one has a much better chance of getting and staying well. The role of the family is crucial. The brains of those with addiction are hijacked by a drug (believing it is needed to survive) and in turn the family's brains are hijacked believing they can control or fix, and they become obsessed with the outcome. The family needs just as much, if not more, recovery as the loved one.

Because of the profound effect the BALM had on Stacey's journey, she took intense training to become a BALM Family Recovery Life Coach and help other families get to the BALM sooner than she got to it. The course Stacey will be teaching is a component of the BALM year program consisting of 12 lessons. Lessons include topics such as The Crucial Role of the Family, Boundaries and Leverage, How to Help Motivate Change, Enabling vs Helping, Responding vs Reacting, Mindfulness and more. Family members find a new perspective and learn new ways of acting, being and speaking without anger and judgement, becoming their loved one's best chance at recovery. Many families are at their wits end and do not know what to do, and that is where Stacey and the BALM come in to help.

The weekly course starting August 25 is held at the Union County Resource Center, 480 Hafer Rd, Lewisburg, PA from 5:30-7:30pm for 8 weeks. For every single person that abuses drugs, 4- 10 others are impacted. Sign up today to make a difference! To find out more about the course or to enroll email skarchner9@gmailcom or call (814)360-7590.

# PHIL WALTER CLASSIC WAS A CLASSIC AT CLINTON COUNTY SPEEDWAY

***Justin Whittall being congratulated by Phil Walter who holds the record of the most wins at Clinton County speedway winning the race honoring him. Photo by Debbie Gastelu***

The 5th annual Phil Walter classic for 410-sprint cars was held last Saturday night at Clinton County speedway on beautiful evening with a fill pit are of race cars and a great crowd in the stands. The sprint part of the program was also a PA Posse Points series race, which had a good number of drivers in the Posse point's standings on hand for the event. The event drew a field of 36-sprints with 35 of them having 410-engines and one driver with a 358 engine. Also on hand was a special for the four-cylinder class which also had 36 drivers on hand for the evening's races, Pro-Stock had two features to run one from a make-up on August 7th and a regular show which was paying more than a normal purse with $500 going to the winner of the feature. Things started out with time trials for the sprints with Brett Strickler of York Pa was making his first ever start at the speedway setting fast time with a clocking of 13.076 in group A while Ryan Smith clocked in at 13.170 in group B. Both Brett and his brother Jordan race most of their events a two-time winner of this race was second, with pole sitter Cameron Smith third, followed by Tyler Ross and Strickler. At Lincoln speedway on Saturday nights, Brett adapted quickly to the Clinton County surface. Brett went on to finish fifth in the feature while Jordan did not make it to the A-main. Heat races went to Mike Thompson of Newton Pa., Tyler Ross of Lincoln University Pa., Justin Whittall of Vincentown N.J. and Billy Dietrich of Aspers Pa with the consolation going to Domenic Melair of Warrington Pa. Eight drivers were in position to make the redraw for the feature with Cameron Smith of Spring Grove Pa driving the Tim Gladfelter #69 on the pole, with Mike Thompson on the outside. Fast time Brett Strickler was third with Freddie Rahmer in fourth. The feature went 35-laps, with great battles all over the place on the 3/8-mile oval. Feature winner Justin Whittall started in the eighth spot and worked his way around traffic to grab the lead and the $7,500 top prize for his effort. Ryan Smith, who has won two of these races in 2021 and 2025, was second, with pole sitter Cameron Smith third Tyler Ross and Strickler in the top five. Two drivers who have won this event were not on hand Garret Bard won it in 2024 and Dale Blaney a winner in 2023, Billy Dietrich won this race in 2022.

Pro Stocks ran two features with AJ Hoffman of Richfield scoring the wins in both features, beating Kyler Stahl in the first one and A Y Schilling in the second one. This now gives Hoffman eight wins on the season at Clinton County AJ also won the lone heat race for the division on Saturday night in the Pro-Stock class. With two more races for this division, this Friday and August 28th. In the Four-Cylinder special event that paid the winner $1,500, with two drivers coming all the way from the state of North Carolina to race a few from New York State. Pole sitter Josh Frantz of Reynoldsville Pa led most of the feature to take the win and the big money pay out. Chris Anderson of Rockhill Pa, a one-time winner at Clinton this year, was second with Chaz Smith of Parker Pa third followed by Shane Seville of Mill Creek and Andrew Ricketts of Jersey Shore in the top five. The Four-Cylinder class still has a make-up feature from August 7th before the season ends. Zak Kline leads the points with 2420 over Coty Maines with 2255, then Jimmy Moyer at 2110, with defending champ Larry Beachel at 2020. 71 different drivers have competed in at least one race this season. This Friday night is a special for the limited late model class for the Lenny Stroud Memorial with extra money on the line for this event, it will be the last late model race for the season for this division. Going into Friday night Joe Lusk of Linden is leading the points by ten over three-time winner George Dixon Jr with JR Toner back 70 and Maddox Smith back 90.

How about the deal Kyle Larson pulled off on Saturday night. Kyle raced two nights at Knoxville for the Nationals but would not make it for the Saturday final where he was scheduled to start on the pole The NASCAR race was to be run at Richmond speedway on Saturday night and Kyle was committed to run that race which he did placing sixth at the finish. Then he was informed that Knoxville sprint car nationals were in a rain delay and that his Hendrick NASCAR team had planned to fly him out to Iowa for him to make the race. Not only did he get there in time, he went out and won the Nationals for the fourth time in his career, picking up the $2,000,000 in prize monies. Regional drivers Brett Marks of Myerstown Pa was ninth in the feature while Chase Dietz of York Pa was tenth. Sheldon Haudenschild was second to Larson with Kasey Kahne, James McFadden and Logan Schurhart, a WOO series regular from Hanover in fifth, and Daryn Pittman of Owasso OK. Driving the Kreitz #69K placed 22nd in the feature, the car owner is out of Sinking Springs Pa

Two tracks locally and one nationally ran super late model races with the roof off the top of the cars, so that fans could get a better look at how drivers are moving around in the car. The National race was held at Batesville speedway in Locust Grove Arkansas for the annual Topless 10 event, with a first-time winner of the race Dan Ebert of Lake Shore Minn. He picked up the win and the $50,000 top prize which was a Lucas Oil series touring race. The series is off this weekend and then they will be in Pennsylvania on the weekend of August 28-29 for two nights of racing at Port Royal speedway. Lernerville speedway in Saver Pa had the roofs off the super late models with Drake Troutman of Hyndman Pa getting his first win with his new team and car owned by Jerry Foster, collecting $4,500 for his feature win over Brock Pinkerous and Logan Zarin, Alex Ferre and Levi Yetter. Bedford speedway also ran topless with Greg Spike Moore driving the Jim McBee owned #11m getting the feature win, his second this year at Bedford. Matt Sponaugle, Trevor Feathers, Shawn Shoemaker and Justin Weaver were in the top five.

Had a nice talk with Luke Hoffner on Saturday night about his buddy Red Farmer who is 93-years old and still owns a late model. Luke explained that Red is done racing his car in warm-ups this year. That is when he (Red) realized that he could not do it anymore. Jim Cowboy Kennedy, who just passed away this year at 91-year-old, had always hoped that Red would hang it up so he could be the oldest driver still racing. His dream just fell short with Cowboy passing at the age of 91. Luke also told me that these two drivers did get to meet each other many years ago, but Luke could not remember where it was. The Kennedy Memorial race was held back on August 7th at Clinton County, which was won by Jim Pattock. Luke informed me that Red will still be a car owner and would like Luke to come down to Alabama to race his car sometime. Luke usually drives it or his own car in January each year at Red's hometown track Talladega Short Track for the Annual Ice Bowl event.

# Troy Wagaman, Austin Reed and Tony Jackson Pick upp Wins at Selinsgrove on Friday Night

*By Jeff Ulrich*

Troy Wagaman of Hanover Pa. drove to the 410-sprint car feature win on Friday night at Selinsgrove Speedway as part of the triple header program. For Wagaman Jr it was his first ever win at Selinsgrove. Austin Reed of Newberrytown Pa scored his win in the Joe Whitcomb Memorial 358-sprint car feature which was also his first career win in the 358 sprints for Reed. Austin does own three 305 sprint car feature wins at the speedway. Tony Jackson of Newville Pa won the wingless sportsman feature to round out the nights racing action.

Wagaman Jr got the jump from his outside front row starting spot, beating pole sitter Justin Whittall to the line at the end of the first lap. Wagaman Jr worked his way through lapped traffic and had good restarts during the couple of cautions that happened during the feature. A long stretch of green flag laps helped Troy pulled away from Justin Whitall and later a charge by Logan Wagner for his third overall win of the season on the local scene. "Mike Heffner was very happy about us getting the win at a track he used to help promote for seven years. The car was set up perfectly. My crew did an outstanding job with it. It was a dream to drive, and the track was in great shape. You could run anywhere on the track, and the car would work in any of the many grooves the track had". Quoted Troy who won the race by 2.2714 second over Logan Wagner who held on for second in a rare Selinsgrove start for the Harrisonville Pa drivers. He was driving the family-owned #55, Whittall of Vincentown N.J. settled in for third, with Freddie Rahmer of Salfordville PA ( whose father owns 54 career feature wins at Selinsgrove while Freddie has just one so far in his career at Selinsgrove, was going back and forth with Whittall during the latter part of the feature for third but in the end settled for fourth. Lucas Wolfe of Mechanicsburg Pa with his best run of the season since taken over the Trone #39 four weeks back in fifth. Rounded out the top ten were Mark Smith of Sunbury Pa, Austin Bishop of Morgantown Pa, JJ Loss of Hanover, Derek Hauck of Allenwood Pa and Buddy Schweibinz of Tuckahoe N.J. Heats for the 33 Car field went to Whittall, Bishop, Kody Hartlaub new driver of the #77, and Lucas Wolfe, Australian driver Ryan Newton won the B-main. Ryan had to change engines in his #66 after time trials, which the team got done in time for him to make the first heat, but Newton stated things did not feel right and went to the pits early. With Chase Dietz racing out at Knoxville Iowa over the weekend where he did place tenth in the feature on Saturday night is no longer Selinsgrove 410-sprint points leader. Mark Smith with a 60-point lead over Ryan Taylor, with Austin Bishop in third and still three point races left in the season, with the next 410 sprint race set for Sunday night August 30th. Justin Whittall had fast time during the time trials with a clocking of 15.892. Wagaman Jr was second at 15.925, the one lap track record is held by TJ Stutts with a time of 15.428 for an average speed of 123.578

Austin Reed drove to the win in the 358-sprint car feature in dominate fashion taken the led from the start from his sixth place starting spot, and pulled away to big lead during the feature which had only one caution. For Austin, it was an easy drive with not much traffic to deal with in the small fourteen car field. For Reed in his second season driving in the 358-sprint car class it was his first career feature win in the division with his number 34 racecar. Austin scored the win by 2.423 seconds, Andy Best of Dover DE made a late race pass of Chase Gutshall of Middletown Pa for the second spot, with Gutshall settling for third then came Brock Hammaker of Grantville Pa, and Bryn Gohn in the top five. Sixth through tenth went to Jacob Gallaway of Gardners Pa, Dylan Smith of Mohrsville Pa, Colton Moyer of Carlise Pa, Brent Warner of Shoemakersville Pa and Will Brunson of Middleburg Pa tenth. It was the first time out racing this season for Brunson. The two heat races went to Reed and Gallaway the 358 sprints were the main division at Selinsgrove from the 2001 season until the end of the 2022 season, with Pat Cannon the leading feature winner with 49 wins, second is Blane Heimbach with 41. Twelve of the fourteen starters completed all 20-laps

The wingless Sportsman had the best up-front battle on the night for the first twelve laps of the twenty-lap feature. Steve Wilbur of Mechanicsburg and Tony Jackson of Newville ran side by side for most of the first part of the feature before Jackson started to pull away from the battle in the non-stop feature, winning by 1.938 seconds over Wilbur. Brett Perigo of Stoystown Pa was third with Marty Brian of Ephrata and Shane Smith of Dallastown in the top five. Two local drivers Chad Thomas of Middleburg and Curt Stroup of Richfield placed ninth and tenth in the feature. The wingless Super Sportsman will make one more appearance at the speedway on Sunday September 6th.

It was a successful weekend for two local drivers and owner taking checkers with one driver doubling up on the same night.

Winfield's Ken Duke, Jr won for car owner Doug Lucas from Middleburg for the very first time competing at Big Diamond Speedway on Friday night running in the 305 PASS Series.

"This was a long journey. The last time I stood in victory lane with a car with my last name on it was 40 years ago at Selinsgrove. Getting this win 20 minutes from where I grew up is amazing. I'm not sure it's still totally sunk in yet. It was a dream night" stated an elated Doug Lucas.

"The Lucas Racing #90 has such a great history in sprint car racing, and Doug has worked very hard to carry that family tradition forward. I watched the Lucas Racing sprint car race at Selinsgrove Speedway when I was a kid, and seeing the effort Doug has put into bringing this car back to the track, I couldn't be happier to help get it back to victory lane. Doug pours his heart and soul into this car. We've been close on a couple of occasions, but I honestly couldn't think of a better place to get him his first win as a car owner than at the track where he grew up just a few miles down the road. That made this win even more special," stated Ken Duke, Jr.

At Clinton County Speedway on Saturday night, Richfield's AJ Hoffman doubled up and won both Prostock features. One feature was the original scheduled event, but a rainout from previous weeks was run to make that up and AJ took advantage of both races and to top that off won an extra $200 bonus for winning both features from fans Steve and Karen Kerstetter for his efforts.

"I want to thank the Kerstetter's for putting up the bonus money for winning both features. Winning one feature is a great night in itself, but winning two in the same night is icing on the cake, not to mention the bonus" stated AJ.

# Whittall Wins 5th Annual Phil Walter Classic at Clinton County Speedway

***410 Top Three - The top three finishers at the Clinton County Speedway during the PA Posse 410 Sprint Car Series L-R Phil Walter, all time feature winner at Clinton County; Ryan Smith (2nd); Justin Whittall (1st) Cameron Smith (3rd) & Jason McCahan, speedway promoter***

Mill Hall, PA – Justin Whittall of Vincetown, NJ became the 5th different winner of the Phil Walter Classic for the PA Posse 410 Sprint Car Series on Saturday night at the Clinton County Speedway. The win earned Whittall a $7,500 pay day presented by Allison Crane and Rigging. Josh Frantz of Reynoldsville won the SCDRA 4 Cylinders while AJ Hoffman of Richfield won both of the Pro Stock feature events.

Cameron Smith of Spring Grove and Mike Thomsp-son of Newtown led the field of 410 Sprint Cars to the green flag for the start of the 35 lap main event. Smith quickly took the lead. On lap number three, the caution flag waved when Thompson did a 360 spin in front of the field in turn number two. Smith led the field back to green with fast timer of the night, Brett Strickler of York, Freddie Rahmer of Salfordsville, Ryan Smith of Fleetwood and Tyler Ross of Lincoln University running in the top five.

Whittall, who started eighth, utilized the top side of the speedway and entered the top five by the completion of lap four. Camerson Smith continued to lead as Strickler and Rahmer battled for second and third while defending race winner Ryan Smith and Whittall battled for fourth and fifth. A lap seven caution involving Brandon Rahmer, Mike Thompson and Kasey Weaver slowed the field once again. Following the restart, Whittall moved into the fourth spot and set his sights on Rahmer. On lap nine, Whittall moved into the top three and controlled the second position by lap number 10. By lap 15, Smith was being pressured by Whittall as Strickler, Rahmer and Ryan Smith completed the top five.

On lap 16, Whittall made his pass for the lead as the front runners were approaching lapped traffic. On lap 18, Rahmer and Ryan Smith were battling for position, as Ryan Smith made the pass out of turn four, Rahmer's car slowed on the speedway with a mechanical issue to bring out the caution. On the restart, Whittall was challenged by Cameron Smith but was able to hold off the challenge. Ryan Smith moved into third and began to challenge Cameron Smith. With five laps to go and in lapped traffic, Ryan Smith took the runner up position from Cameron Smith. The event's final caution waved when Lance Dewease and Buddy Schweibinz tangled in turn two.

Whittall pulled away slightly from rest of the field as Ryan and Camerson Smith battled for the second and third positions. Tyler Ross joined the battle for top three as the laps counted down. Whittall claimed his first victory at the 1/3-mile oval with a margin of victory of 2.45 seconds.

"Lap traffic was interesting, I've been waiting for this one all season," said Whittall in victory lane. I'll take this one. It's a confidence builder." Ryan Smith, Cameron Smith, Tyler Ross, and Brett Strickler completed the top five. Sixth through tenth were JT Ferry, AJ Flick, Billy Dietrich, Lucas Wolfe and Mark Smith.

Josh Frantz of Reynoldsvile and Zak Kline of Mill Hall started on the front row of the 4 Cylinder main event. Third place starter Justin Williamson of Huntingdon passed the front row starters to lead the first lap. By the completion of lap number five, Williamson was leading Frantz, Shane Seville of Mill Creek, Kline and Camden Frantz of Reynoldsville. On lap 10, Williamson was still leading with Josh Frantz waiting to make a move. Frantz got his opportunity on lap 12, when he took the lead. Lap 14 the caution flag waved when several cars were involved in an incident in turn four. Eighth place starter Chris Andersonof Rockhill advanced into the top three on lap 17. Lap 22, Williamson brought out the caution flag. The restart had Frantz leading Anderson, and Chas Smith of Parker. Frantz would hold off Anderson for the win worth $1,750. Anderson finished second followed by Smith, Seville and Andrew Ricketts, who set fast time in time trials. Sixth through tenth were Kline, Adam Bales, Hunter Flook, Tyler Watson and Tiana Anderson.

Kyler Stahl of Watsontown and AY Schilling of Linden led the Pro Stock feature to the green flag. Schilling took the early lead for the first three circuits. Hoffman, who started fourth, took the lead on lap number four. The top three consisted of Hoffman, Schilling and Cory Long of Selinsgrove. Long moved into second on lap six. The top two ran side by side for several laps with Long passing Hoffman on lap 11. Long brought out the caution on lap 13, giving the lead back to Hoffman. Hoffman would hold on for the win over Stahl, and Schilling.

In the second Pro Stock feature, Schilling led the first eight laps with Hoffman and Long battling for the second position. The battle for second was intense with Hoffman and Long swapping positions for several laps. Hoffman eventually secured second and passed Schilling on lap 9. Hoffman would hold on to win his second feature of the night over Schilling and Long.

The speedway will host the annual Len Stroud Jr. Memorial on Friday, August 21st for the Limited Late Models. It is the final points race for the Limited Late Models. Also on the card will be the Pro Stocks, 270 Micros and the 4 Cylinders. Gates open at 5PM, hot laps at 7 and Racing at 7:30. She was born November 17, 1942 in Lewistown, a daughter of the late Walter R. and Esther M. (Romig) Camp. In 1958 she married Rev. Carl A. Reich who preceded her in death on November 6, 2000.

Lucille attended Beaver Vocational High School.

She was a member of Our Lords Lighthouse Church where she played the piano.

Lucille helped her late husband Carl with his ministry by playing piano and anything that needed to be done at the churches he served which included the Church of the Open Door in Evandale, St. Thomas Brethren in Christ Church, Mt. Pleasant Mills, and at St. Peter's Independent Bible Church, Beavertown.

She worked as a nurse's aide at Rathfon's Nursing Home and Penn Lutheran. Lucille also worked at Saylor's Shirt Factory, Kinney Shoes, Abundant Blessings Daycare, and Apex Homes until her retirement.

Lucille provided loving care for her mother Esther for ten years until her passing in 2010.

In her free time, she loved dancing at country jams, tractor pulls, camping, cooking, baking, playing cards, and board games. She loved Easter and hiding eggs for the family Easter egg hunts. Lucille was always known to be a perfectionist at whatever task she took on.

Surviving are two children, Douglas Reich and his companion Abby Yorks and Dora (Samuel) Geise; four grandchildren, Brittany Kurtz and companion Adam Krisak, Lisette Reich, Lindsey Reich and companion Nathan Stroup and son Cole; Darren Reich and their mother, Laurie Reich; three great-grandchildren, Adrianna and Aailyah Shadle and Hailey Kurtz; brother-in-law, Lloyd Swanger; sister-in-law, Phyllis Reich; and numerous nieces, nephews, and cousins.

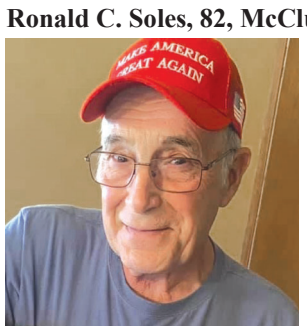
## Ronald C. Soles, 82, McClure



Ronald died Thursday August 13, 2026, in his home after a courageous battle with cancer for more than 3 years.

Ron was born at home in Beaver Springs, PA on September 20, 1943. He was the 7th of eight children born to the late Charles and Grace (Goss) Soles. With families still trying to recover from The Great Depression, his entry into this world was paid for with a ham from a pig raised on the family farm.

Ron married Vivian Solomon on May 15th, 1982-celebrating 44 years together this past May.

Ron retired from the maintenance department at Amp Inc. in Selinsgrove after 32 years of service. He was a member of the Ridge Lutheran Church of McClure.

Ron was raised to value and take care of everything he had. He worked from sun-up to sun-down and there wasn't anything he couldn't fix. "Why buy new, when you can take care of what you have?"He was one of the few men remaining who you could turn to when you needed help with anything from fixing an engine, to wood working, electrical, plumbing-you name it, he could do it. Both of his daughters are better people today because they had to "hold the flashlight for dad".

He truly enjoyed hunting and fishing and has the trophies to show for it. He took great pride in his home and property. And in later, retired years, was probably the #1 customer at every local discount grocery store in the area-he couldn't drive by one without stopping to take a look! LOL

In addition to his wife, he is survived by two daughters-Cynthia Ream and her companion Bill Boone of Yeagertown and Nicole Spotts and her husband Denny Spotts of Lewisburg. One Son- Brian Soles of Shamokin Dam. Four Grandchildren- Abby, Clint, Ashley, and Kaiden. Five Great Grandchildren. And one Brother- Wayne Soles of Royersford who just celebrated his 100th Birthday!

In addition to his parents, he was preceded in death by two brothers- Jim and Pete and four sisters-Dorothy, Isabelle, Miriam, and Darlene.

He will be sorely missed by his family and friends. The world will be a little worse off having lost another great man from ageneration of outstanding ethics and morals that no longer exists.

A special thanks to the wonderful hospice staff, along with Allen, Brenda, Darlene, and Delbert who made it possible for Ron to remain in his home and assisted with keeping him comfortable until the end.

Per Ron's wishes, services will be private. A celebration of life will be held at a later time for close family and friends.

Arrangments are by Hummel Funeral Home, 574 Hill Street, Middleburg.

# A River Rat's Ramblings: August 1957

*Edited by K By Jim Charles; Vol. 6, Story 9 ay Poeth*

Its mid-August and I'm wondering, "Where did the summer go?" We were so busy digging coal, playing baseball or crick chase, swimming, fishing or trading comic books on Earl Hollenbach's back porch.There were no new kids on our block, just Tim and I, Earl and John Kinney. Today, Earl lives in the house he was raised in, John built a house on 2ndStreet on land that was his family's strawberry patch. Brother Tim built a house where Wayne Gemberling lived on North Front Steet and I became the rebel and moved to South Front Street on the island.

It's said that parents are to give their children roots and wings.For the four of us, we had very short flights off the Isle of Que. Our roots are so deep they've grown into the bedrock under the island.

Next week The Selinsgrove Times will publish the room assignments for the Pine Street School.I hate to think that it's time to go back to school again.Brother Tim will be in fourth grade, John in fifth grade and Earl and I will be in sixth grade.

When Tim and I came in for lunch, mom informed us that instead of going to the playground this afternoon, Tim and I were to spend the afternoon cleaning our back porch of a summer's worth of rare and fine collectibles that the river and fields had provided.

When we were done with lunch, Tim and I went out, stood in our yard and surveyed the situation...where to start? We agreed we would start putting it back in an orderly manner. There was a metal cabinet that we left on the porch that had a multitude of items in, some lived there for years.There was an empty ash tub so we emptied the cabinet into the tub and cleaned the shelves in the cabinet.The tub was full of treasures, Indian artifacts, fishing items we had found in the river, two propellers from outboard motors, toys we found in the river and an assortment of stuff we didn't want to throw away and didn't know just what to do with it.The cabinet became our time capsule.We got most of our stuff put back on the porch in an orderly manner, except a wheel barrow, full of stuff we should save but not on the porch. Our ace in the hole was our two story, two bay barn that held such stuff and mom never came to the barn.

That was over 60 years ago.My nephew, Shane, now owns the barn and I'm sure some of the treasures Tim and I put there still remain.

Mifflin County finished in third place at the Babe Ruth World Series (age 13-16) in Branson, Missouri by beating the London Archers 11-7. Mifflin County came up one win shy of playing in the title game after losing 8-7 to Eagle Pass, Texas in the semi-finals.

Mifflin County had a chance down one with one out left in the game with the bases loaded. Camden Kauffman worked the count to 3-0 and a walk would have tied the game. Kauffman flew out on a 3-2 pitch to end the game. Mifflin finished their season with a win the next day in coming from behind to beat the Brits by scoring six runs in their last at bat for the 11-7 win and third place finish.

Mifflin got into the semis by shutting out Hanford, California behind Midd-West sophomore Haven Bridges one-hitter with seven K's and just two walks in a very tidy 97 pitch complete game.

The four Midd-West sophomores were an integral part of the Mifflin County team. Colton Aumiller, Max Trawitz, Maverick Smith and Haven Bridge combined for 19 hits, 16 runs, 8 RBIs and 5 extra base-hits. Mifflin County went 6 and 1 at their World Series debut and Midd-West pitchers won five of those games on the mound.

Another baseball player that had an even better debut last week was Joshua Baez for the St. Louis Cardinals. Baez announced his arrival to the Big Show in a big way. Baez hit three home runs in his first three at-bats against the Cubs. This has never been done in baseball history. There was another first-ever baseball player that passed away on the same day that Baez made history and that is Tommy John.

Most of you connect the name of Tommy John to the Tommy John surgery. Tommy wasn't a doctor but the first pitcher that had his ligament in his pitching elbow replaced with a healthy tendon usually from the patient's forearm or wrist. More than 2,500 professional baseball players have undergone Tommy John surgery since it was first performed on John by Dr. Frank Jobe in 1974.

What many fail to realize is that John was one of the best pitchers in baseball from 1963-1989 for the biggest markets in baseball … LA, Chicago and New York City. John finished his twenty-six year career with 288 wins and won more games after his elbow operation than before. He was good before the surgery and had a 29-10 record in the season and a half before his career was put on hold. John had a 6-3 record and 2.65 ERA in fourteen postseason games.

His 700 career starts are second only to Steve Carlton among left-handers. John also has the most wins of any pitcher not in the Hall of Fame except for Roger Clemens. We know why Clemens isn't in the Hall but it is a travesty that Tommy John wasn't elected shortly after his retirement! I cannot believe Tommy's not in Cooperstown on the groundbreaking surgery alone that has helped thousands of other baseball players. His career stats are better than Jim Kaat, Bert Blyleven and Jack Morris who are all in the Hall of Fame.

Staying in baseball, this wild card playoff push is going to be fun to watch. There are seven teams in the AL vying for the third and last wild card spot, I feel pretty confident the Red Sox and Yanks are already in. Just three games separate the seven other teams.

There are five teams battling it out for two spots in the NL with the Cubs safely in. I know a lot of Phillie fans are concerned about making the playoffs and you have nothing to worry about. Are you reading this Dad? If the season ended today they are in. My only concern would be the Arizona Diamondbacks who you want to root against. The Padres are on a roll and the Marlins and Cardinals don't have enough to catch Philly.

Since football season is only days away, my two annual issues are once again at the forefront. Playing football on grass or turf and preseason college football polls.

There have been numerous studies that show NFL players get hurt more often on turf than on natural grass. This is especially true for non-contact lower-extremity injuries like ACL tears and foot or ankle sprains. Cleats catch or stick in the synthetic material rather than releasing like they do on natural turf.

The NFL, of course, maintains its broader tracking including contact and upper-body injuries are relatively similar between the two surfaces. Read that again … does that mean you have more concussions, broken arms and torn triceps playing on turf than grass? More than 90% of NFL players prefer playing on natural grass because their bodies feel less sore and recover faster when playing on turf.

Of local interest, Mifflinburg is just completing their new and long overdue turf stadium. There is talk they will continue to play football games for at least this year on the grass field at the high school. Soccer and field hockey will be playing on the new turf field.

I understand playing field hockey on turf as the game is faster and more exciting and Mifflinburg can finally host a track & field event. I do not understand soccer on turf as seven NFL stadiums removed their turf fields with natural grass for this year's soccer World Cup. All seven fields have been reverted back to turf for the upcoming football season. Is it because FIFA soccer players find it a softer and more comfortable landing when flopping?

Professional football teams have a few more dollars than the Mifflinburg Area School District. Tax payers in Mifflinburg have already questioned why the school even built the new turf stadium and will complain about maintaining the two fields for at least one year. My answer to that is simple, progress is difficult for some and if you attended a game at another local school the difference in viewing, accessing and comfort was an embarrassment. Mifflinburg needed this.

I have never been a fan of college football preseason rankings. No other sport has a poll to determine who the best team is, let alone ranks teams weeks before the games start. I understand it´s done to hype the upcoming season and for websites to get clicks. Just last year every poll had Penn State, LSU and Clemson ranked in their preseason Top 10. All three teams finished the year at 7-6. Indiana started the season ranked 19th.

Preseason rankings are flawed because they are largely speculative guesswork based on past reputations, recruiting hype and roster turnover. This is impossible with today's transfers and constant player rotation from team to team. The first rankings should come out after the fifth week of the season based solely on outcomes and who you played.

This is why I won´t give you my Top 5 or 10 but will tell you who is going to play in the championship game. The answer is, two teams from the state of Indiana and one of them isn´t Purdue. Will Indiana be able to beat Notre Dame to keep the B1G title streak alive?

Football starts in less than 10 days! Comments and questions are encouraged @theviewfromhear or theviewfromhear74@gmail.com

# Middleburg Kiwanis Hosted Successful 5K Run/Walk

*By Kay Poeth*

***52 participants sprint off as the 5K Race/Walk sponsored by the Middleburg Area Kiwanis Club gets underway. The event benefits the Seven Bridges District Scout Units and other Middleburg Area Community Youth Groups.***

And, they were off! 52 runners entered the 12th Anniversary 5K Run/Walk sponsored by the Middleburg Area Kiwanis Club on August 8. There was even a doggie brigade of walkers bringing up the rear. Only one child ran in the Kids Fun Run this year, Madlyn Lauver.

It was a slightly overcast morning but quite humid for the run.Barn swallows swooped across the farm fields, showing their displeasure of being disturbed by the runners. Each participant received a blue running shirt. Children who entered in the Fun Run received a medal.

Mike and Bella Parra were warming up prior to the race. "We are running as a family," explained Mike who began running during the pandemic and never stopped. About 2-3 months ago, after college, Bella "started getting back into running. I work at First National Bank in Middleburg. My boss, Justin Giorgio, is volunteering and I decided to participate."

The duo kept pace throughout the race until the finish line was steps away. Then, Bella with a burst scooted acrossjust before Mike. They laughed together over the finish.

Mikaela Lauver was running in her very first race. She had butterflies in her stomach. She is joining cross country this year.

Emily Kline who recently participated in the Faylor Lake Loop Run and placed second was eager to support the Kiwanis once again this year. She ultimately placed third in the women's overall for this event.

13-year-old Kylie Hassenplug was running for the first time in the Kiwanis 5K. She placed second in her age group.

***The Lauver family all competed in the Middleburg Kiwanis 5K and Kids Fun Run. Pictured here are Brian and Megan Lauver with daughters Madlyn (Kids Fun Run) and Mikaela.***

She was cheered on by her parents and younger sister, Bree.

For 10th grader, Jacob Acker, this was his first 5K. "I am quarterback for the Midd-West football team. So, the running helps me on the field." He was cheered on by his mother, Yvonne and sister, Nicole.

Justin Giorgio, Branch Manager at First National Bank, volunteered for the event. "We want to support the community and to raise funds for good causes in the area." His fiancé Eric and co-worker Bella participated in the race.

***Kudos to the Top 3 female finishers overall in this year's 12th Annual 5K Race/Walk sponsored by the Middleburg Area Kiwanis Club: Karli Arbogast-Hunter (21:08), Jenn Grove (22:47), and Emily Kline (23:36).***

Shelley Heasley commented that she has been running for 43 years. Michael Gordon quickly quipped, "That's longer than I have been alive!" The group chuckled.

4th grader, Madlyn Lauver, was entering the Kids Fun Run. "I am so excited. I have been practicing running around the road along the pond." She came in first place!

The 5K started at the ballfield near Charles Park Lake and crossed the finish line by the Carnival food stand. Awards were given for overall male and female plus the top 3 in each of 9 different age groups including an under 10 group.

Happy Belated Birthday to Marie Walter who celebrated her 101th Birthday on August 4. She enjoyed an outing to McClure Night Out and was greeted by Rep. David Rowe who presented her with a House citation commemorating her 100th birthday. A few days later, Marie visited her friend Rosie Kahley at Celebration Villa in Lewisburg. Years ago, they use to camp together. Rosie is 94 and Marie is 101.

# Congratulations, Joshua and Bluecoats 2026 DCI World Champions!

On the evening of August 8 in Indiana, the grandson of Tom and Karen Burns, Joshua Burns, and the Bluecoats Drum and Bugle Corps won the Gold Medal at the Drum Corps International (DCI) World Championship!

The Bluecoats finished with an incredible score of 99.1 out of a possible 100 points, placing their performance in the record books as the third-highest score ever recorded in DCI World Championship history!

During the entire 2026 season, the Bluecoats never lost a competition in which they competed. What an incredible accomplishment! Their championship victory was the perfect ending to a truly phenomenal and undefeated season.

Congratulations to Joshua, and to his proud grandparents, Tom and Karen Burns! "We are so very excited and proud that Joshua was able to experience such an amazing ending to what has been an unforgettable dream season. What a wonderful achievement and a memory he will carry with him for the rest of his life!"

# Snyder County Night Out: Making Connections

*By Kay Poeth*

***The Enciso Robles family enjoy time together while visiting all the booth and exhibits at Snyder County Night Out.***

***Meeting local enforcement in a positive environment is one the goals of Snyder County Night. Pictured here is the Selinsgrove Borough Police Department.***

The goal of Snyder County Night Out is to make Snyder County a safer and healthier place to live and raise families. Snyder County Night Out provided free, family-friendly activities and information focused on safety, health and the well-being of residents and children in our community.

Residents of our communities came together for fun, food, music and free activities provided by civic, business, and community service organizations, health and medical facilities, law enforcement, fire, public safety, and local government agencies. Hosted by the Snyder County Coalition for Kids on August 11 at East Snyder Park, the event provided ample opportunities to meet neighbors and familiarize families with local organizations.

There was so much to see and do. In the enclosed grassy area, families explored a multitude of activities and organizations. The Union-Snyder CAA provided healthy snacks. Children browsed through the various boxes selecting free books at the Friends of the Library tent. At the United Way booth children played tic-tac-toe to win prizes. Girls field hockey offered a fun "Shoot a Goal" game while the girls soccer team had their own scoring game. Children made pasta bracelets at the Nurse-Family Partnership stand. A popular stop was the SC Children & Youth Pirate booth. Many kids were spotted wearing pirate hats. Many enjoyed decorating flowerpots and digging in the dirt to plant a flower to take home at Expectations Women's Center. Giggles and chuckles permeated the air as visitors tried to land a frog on a lily pad at the Whack A Frog game hosted by Bridges Alliance Church.

Central PA Dog Training Club and Pause 4 Paws enticed visitors to pet the pooches. At Central PA Dog Training Club one dog performed on a ball. Pause 4 Paws specializes in therapy visits and canine obedience training. The group concentrates on specialty needs such as abused children, foster children, addiction adults, autistic people and kids with disabilities, families who have lost children. "We want to put paw prints on those hearts that need mending and who need support."

The law enforcement section featured the Snyder County Sheriff's Office fitting bike helmets on children with over 200 helmets given away. They also had a fun pie in the face game. The Selinsgrove Police Department and the Pennsylvania State Police were also there. Fire trucks, ambulances, and other emergency vehicles were on display. The Stat Med Evac plane landed in the open field and was available to explore. There were even drone demonstrations.

The Central Region 9111 team was "excited to be out in the community… representing our 9-1-1 Telecommunicators and sharing a little about the important work happening behind the scenes every day."

"It was an opportunity to bring residents, families, first responders, law enforcement, emergency services, and community organizations together in a relaxed setting while building relationships that are so important before an emergency ever happens," noted Chad Aucker, Snyder County Interim EMA Director. "Strong communities are built through strong partnerships, and we were proud to be part of a great night in Snyder County!"

Other favorites included the Selinsgrove Area Marching Band kicking off the event with their dynamic performance. The YMAC in Beaver Springs operated the popular barrel ride with264 children hopping aboard for 29 trips. The playgrounds and the bounce houses were filled with children laughing. Of course, there were lines of hungry visitors for the free food.

Senator Lynda Schlegel Culver noted, "I enjoyed joining residents, first responders and community organizations for Snyder County's National Night Out. It was a beautiful night out and it was incredible to see a large crowd come out for an evening focused on community and public safety. The event included the Snyder County Emergency Mobile Command Center and a drone overhead, a helicopter landing for children to explore, demonstrations from the Central PA Dog Training Club and a performance of 'America the Beautiful' by the Selinsgrove Area High School Marching Band. It was a great opportunity to visit with constituents, reconnect with familiar faces and spend time with the organizations that serve our communities throughout the year."

The 14th Annual Snyder County Night Out was a time for the community to come together and discover how members can help one another. Many organizations worked together to make the event successful. Kids love it! Parents love it! It's a great community event.
