Booked for the Evening: Snyder County Libraries Fundraiser

By Kay Poeth

Mark your calendars for "Booked for the Evening" hosted by Snyder County Libraries on Saturday, October 3, 2026, from 5:30-8:00 pm at Shade Mountain Winery, Middleburg. This fundraiser celebrates the fusion of art and wine while supporting a great cause!

"We felt the name change to "Booked for the Evening" was needed to reflect our impact on literacy within our community, especially since we are a library system. Part of our mission statement strongly points to our dedication to providing many resources including enriching literacy among our community, "Booked for the Evening" definitely embodies literacy awareness," noted Toni Dilks, Branch Manager-Gelnett & SCL Head of Patron Services.

Tickets are $30 per person, or $50 per couple; this includes 2 glasses of wine or beer and heavy hors d'oeuvres. Bid on a selection of meals, services, lessons, vacations, experiences and items donated by local artisans, craftsmen, library patrons and businesses in the silent auction. After the 50/50 cash raffle, the raffle for floral arrangements will be held.

The goal again this year to raise is $25,000.00. Bidding will start on September 28 and conclude at 8pm on October 3. The Gelnett staff and library board have worked together to plan and present this annual fundraiser. Bidding is both in-person and online for the silent auction.

"This is one of the most important fundraisers for Snyder County Libraries with the cash raffles and silent auction, and it's also a chance to meet with friends and enjoy good food, music from Brian P. Kelly, and the incredible photography of Jenna Miller," said SCL Executive Director, David Bauman. All proceeds provide critical support for the four Snyder County Libraries in Selinsgrove, Middleburg, Beavertown and McClure.

Enjoy live music by Brian P. Kelly who is a pianist, song arranger, editor, and attorney who resides in Selinsgrove. A graduate of Wilkes University and Villanova Law School, Brian has worked in records management, computer networking, general law practice, and criminal defense. A talented pianist, Brian regularly performed on piano and keyboard at several restaurants, bars, masses, weddings, benefits, and parties since 1997. Brian will entertain attendees throughout the evening with his cheerful and calming tunes.

Featured artist, Jenna Miller, is a photographer based in Central Pennsylvania, selling fine art photo prints. She will be on site showing her and selling pieces. She attended Lock Haven University, University of Edinburgh, and University of Illinois while studying history and library science. Jenna takes her camera with her wherever she goes. She specializes in travel, plant macro, and animal photography and has photographs from local and abroad. Jenna is also an employee of Snyder County Libraries, working in cataloging and circulation at the Selinsgrove location. You can peruse Jenna's portfolio at jennamphoto.com.

You may purchase tickets in person at the Rudy Gelnett Library in Selinsgrove, online at booked26.givesmart.com, or at the door the night of the event. Admission is free to access the auction online. Then bid remotely. Bid early! Bid generously!

Mark your calendars for Saturday, October 3 and plan to attend Snyder County Libraries "Booked for the Evening" from 5:30-8:00 pm at Shade Mountain Winery, located at 16140 Route 104 in Middleburg.

McClure Bean Soup Parade

By Kay Poeth

The Midd-West Marching Mustangs were a musical highlight in the Bean Soup parade.

Stacy Garrity, the Republican candidate running for Governor, and Rep. David Rowe shared several floats in the parade and walked the parade route greeting area residents.

The eerie Bannerville Haunted Hayride floats were a spooktacular part of the parade.

The McClure Bean Soup Parade provided spectacular variety of interesting and unique entries. Chairs and spectators lined the parade route for this small-town tradition. The parade showcased the Midd-West Marching Mustangs, McClure Troop 408, an array of fire trucks, tractors, floats, antique cars, bicycle riders, walking groups, and of course lots of candy for the children. The Bannerville Haunted Hayride floats were spooktacular as well. There was definitely a patriotic theme this year in honor of the 250th Anniversary of the Nation evident in many of the participants.

Stacy Garrity who is running for Governor and Rep. David Rowe campaigned together. Garrity commented, "I am so happy to be here in Snyder County. It's one of the more rural counties. It makes me feel right at home because I am from Bradford County, one of the most rural counties in the Commonwealth. And what you guy do here for ag and community… it shows. And, I just appreciate all of you."

After the parade the crowd swarmed around the Bean Soup grounds sampling the delicious food featuring Civil War style bean soup, trying their hand at the games of skill on the fairway, visiting the exhibits, chatting with friends, and screaming as they braved the thrilling rides.

They had the opportunity to ask questions directly to the judge about what the position entails and education required for that position. Students also toured the courthouse and learned about all the local government functions it holds such as the Union County jail, Union County Sheriff's office, Prothonotary, Tax assessment, Treasurers office, Probation and District Attorneys' offices. They also learned the differences between a Magisterial District Court and County court within our legal system.

PSP Seeks Owners of Seized Gold and Additional Victims

September 17, 2026

The Pennsylvania State Police (PSP) Troop F Milton is trying to identify the owners of approximately $200,000 in gold bars currently being held as evidence and anyone else told by people posing as federal officers to buy gold or cash and hand it to a courier.

On September 10, 2026, Troopers stopped a silver 2004 Honda Accord, California registration 9TTS143, on Interstate 80 near mile marker 203. Gold and an identity-theft affidavit were found in the car. Two occupants were taken into custody. A victim later said that the Honda looked like the car used to pick up gold on September 3, 2026. Two occupants were taken into custody. A victim later said that the Honda looked like the car used to pick up gold on September 3, 2026.

Investigators believe some of the gold bars were taken from other victims on September 9 or 10, 2026. Earlier on September 10, before the stop the Honda was in Coudersport and Smethport area.

Callers claim to be ICE, DHS or other federal officers and have used names such as Andrew Hall or John Allott. They tell the victim a criminal case is tied to their Social Security Number, that they must cooperate and stay silent and often Telegram and text "I am okay" every two hours. The victim is then told to pull bank or retirement funds, buy gold, wrap it, and give it to a person in a tinted out-of-state car.

UPDATE
September 21, 2026

Through investigative means a 74 year old female, of Rixford, PA was identified as a potential victim/owner of the seized gold. Contact was made with the victim who confirmed she had been scammed. The victim related initial contact was made by the fraud organization over a pop-up on her home computer in July 2026. The victim informed PSP that for the next few months she was made to believe her identity and bank accounts had been compromised. The victim stated that she was instructed to remove her life savings from her accounts and purchase gold. The victim met with the Honda and the two suspects on September 10, at a bakery in Rixford, PA. The victim handed over a package containing approximately $200,000 (43 ounces) of gold to the suspects. The victim said that prior to this incident she had already provided the fraud organization with another $59000 in cash in two separate transactions.

PSP is currently looking for other potential related victims to this fraud organization. Two suspected but currently unknown victims are listed below:

WILLIAM GROVE HAD A WILD NIGHT OF RACING TWO PA POSSE RACES THIS WEEKEND FOR SPRINTS

Last Friday night was the Kevin Gobrecht Memorial for the 410 sprints, along with a special $2,500 to win for the 358 sprints, with 32 drivers in the 410 class and 23 in the 358 class with both classes having time trials. The first official heat race did not start till 8:30. Things moved quickly after that, except a high number of red flags for flips. The first was for the 3D of Dave Grube flip in his heat race. The program moved along until the third 358-sprint heat when Kenny Edkin who was driving the Schnoke #29 did a small roll in turn two. Driver changes were also happening on this night with Buddy Schweinbinz driving the Kreitz Friday night and also Saturday at BAPS Motor speedway. Preston Lattomus was in the Westbrock #1W normally driven by Buddy. Both drivers made the feature, with Preston flipping just under the bridge on the back stretch at the start of the feature. Schweinbinz led the feature for a number of laps until Freddie Rahmer slide past. But before Freddie could build up some distance, he slides over the cushion in turns three and four which let Chase Dietz slide by both he and Buddy for the lead. Before the feature came to an end, Logan Rumsey misjudged the inside of turn one and hit the guard rail and rolled over while he was running in the top five. Doug Hammaker had nowhere to go and hit the outside fence knocking him out of the feature. Dietz led the rest of the way for the feature to win his second at Williams Grove and his 21st of the season. Freddie Rahmer placed second with Austin Bishop, Schweinbinz and Danny Dietrich in the top five. At the start of the 358-sprint car feature there was a bad crash with six drivers involved, and as was the case with all the other accidents. None of the drivers were hurt. Cras of #77 Steve Owings, 70D Brock Hammaker, 22B Josh Tuckey, and the 2 of Denny Gross were all out of the race. 1A of Chase Gutshall made repairs and went back out for the restart of the feature, coming back for an eight-place finish. Andy Best led the whole 25-laps for his first win of the year at the Grove and second overall at the speedway. Austin Reed was second holding off a hard charging Derek Locke who was third, then came Dylan Smith and Cody Fletcher in the top five. This Friday it will be a WOO series tune -up race for the 410-sprint to get ready for the World of Outlaws retune to the track for the last time this season on Friday and Saturday October 2-3. The 358 sprints will have their final points show this Friday with the title to be decided between Derek Locke who has a 30-point lead over Austin Reed with Cody Fletcher another 50 back.

Saturday at BAPS speedway Cameron Smith drove to his victory of the season at the speedway holding off Troy Wagaman, Chase Dietz, Logan Rumsey and Danny Dietrich. This was a PA Posse points race, while the race scheduled for Sunday at Path Valley was rained out. The Friday night race at Williams Grove and the Saturday night race at Lincoln will both be PA Posse point races. Going into this weekend the standings look like this Chase Dietz 1208, Danny Dietrich 1151, Troy Wagaman 1148, Justin Whittall1000 and Lance Dewease 884 in the top five with Ryan Smith, Cameron Smith, Freddie Rahmer, TJ Stutts and Logan Rumsey in the top ten. Including this weekend there are nine point's shows left in the season which ends with the show at BAPS on Saturday November 14th. Lincoln has three more show Baps and Selinsgrove two each, Williams Grove and Bridgeport speedway one each. After this Saturday Lincoln Speedway will come back with a Wednesday night September 30th for a PA Posse race.

This weekend for the late model side of things, Bedford speedway will be running their ninth annual Keystone Cup, with Limited late models 305-sprints Semi-lates and four cylinders in action. Saturday will be the super late models with the race paying the winner $20,000 to win, Pure Stock and Crown Vics will also be racing. The event for the super late models will pay $8,000 for second $2,500 for fifth $1,400 for tenth and $1,000 to take the green. The track will have time trial, heats a B-main and feature for the supers with a special practice session for those drivers on Friday night. Jeff Rine won this race two times in 2018 and 2022, with single wins going to Rick Eckert 2019, Gregg Satterlee 2020, Max Blair 2021,Kyle Hardy 2023, Mason Zeigler 2024 and Trevor Feathers last year. Feathers hurt his motor the other week and does not plan to race this Saturday unless he gets a ride. Trevor did win the Bedford points and won two features during the season. Other winners this season Justin Weaver, Matt Sponaugle, Gregg Satterlee, one win each with two wins going to Jeff Rine, Mason Zeigler, and Spike Moore. Max Blair is racing with the Lucas Oil series this year and will miss these events but still look for plenty of top shelf drivers to be on hand for the big payday.

Anyone remember a driver by the name of Justin Zimmerman who ran in the 358-sprint at Selinsgrove in the early 2000's and did ok he was from the state of Texas and lived in Selinsgrove for a number of years. Was watching some High Limit racing on Flo where they also had a wingless sprints group called the Powri series. Justin, who is now 42 -years-old, made all three nights of the feature for this group with his #1Z wingless sprint. Justin placed 4th on Thursday night and second on Friday, which meant he had enough points to make the feature for the Saturday night big show. Justin got caught up in a wreck during the feature but was able to continue and drove to a 5th place finish. He won a heat race on Thursday. When they did an interview with him he stated how out of breath he was because he as not raced that much this year. He still managed to do a great job and ended up in the top ten in points for his weekend's action.

The ULMS did not get to race at Selinsgrove speedway on Saturday night do to wet Grounds, but on Friday night they did race at Outlaw speedway in Dundee N.Y. with Tim McCreadie scoring the feature win which was his third of the season. The two other have been on the WOO series one at Volusia Raceway Park in February and at Selinsgrove back in May. Gregg Satterlee was second with Max McLaughlin third in the Glen Styer #8 Brock Pinkerous #555. Jon Lee was fifth, Bryan Bernheisel, Dylan Yoder, Michael Lake, Rick Eckert and Andrew Yoder were in the top ten. It is a shame Selinsgrove was not able to race with top drivers like that on Friday who might have headed to Selinsgrove on Saturday. The next race for the series will be on October 24th at Potomac Speedway in Maryland for the Daryl Hills Memorial paying the winner $6,500 to win. Jon Lee leads the points with 2050-points over Bryan Bernheisel 1710, Daryan Lewis Ken Schaffer and Kevin Smith in the top five.

How about a shout-out to some Mifflinburg athletes! The girls tennis team won their first and second matches of the year over Bloomsburg by the same 4-1 score in a rare double-header. Alice Grill, Holly Swartz and Breonna Zimmerman swept their singles matches for Miff.

Lewisburg swept the Miff girls 5-0 but were upset by (3-8) Milton 3-2. The Selinsgrove netters beat Mifflinburg 4-1 as Grill got the Cat´s only win by defeating Alexis Hoot in a super tie-breaker 11-9.

The Mifflinburg girls golf team made history in winning the golf program´s first girls victory ever in beating Benton 150-160 at Shade Mountain. Charlotte Hamilton, Colbie Loss and Madison Mayeski won the first of many matches as all three are freshmen.

The Midd-West boy linksters won 171-182 over Selinsgrove led by River Knepp´s 41, Brady Gunkle and Gabe Romig´s 43 and Cameron Swineford´s 44. Grove lost 189-175 to Shik despite a 44 from Quinton Davis. Lewisburg´s Bryce Bussom´s 1-under par 34 led the Dragons (6-1) over Warrior Run 169-171. Miff´s Calen Loss carded a 40 to help beat Bloom 189-192.

The Lewisburg boys and girls cross-country teams went 2-1 and the Mifflinburg boys and girls went 0-3 in a quad-match with Danville and Montoursville. Tyler Confer finished third and Kaelyn Bozella fourth for the Green Dragons. The Selinsgrove boys split their tri-match with Warrior Run and Central Mountain as Zach Lauver finished third. The Grove girls beat Central Mountain 19-36 with Lake Dent, Isabel Clark and Ashtyn Lukens all on the medal stand.

Lewisburg boys soccer is starting to find its way as they handed Selinsgrove their first loss of the year 1-0 on Jack Kohl's goal. Lewisburg followed that up with a 3-0 win over Altoona as Keegan Crosby had three points and Everett Good two assists.

Selinsgrove (6-2) suffered their second 1-0 loss coming up short against State College. The Seals beat Miff 4-0 with four different players scoring goals. It was a tough week for Miff soccer as they lost three games last week by a combined 12-0 score. Midd-West lost to Central Columbia 2-0 following their big match with Lewisburg.

The girls from Midd-West soccer won 1-0 over Miff and still remain undefeated at 5-0-1 after beating Juniata by the same 1-0 score. Midd-West has only given up one goal so far this year.

Congrats to Lewisburg coach Emaleigh Greb getting her first win on the pitch with a 3-1 victory over Montoursville.

The Grove soccer girls tied Shik 3-3 in a great game where Morgan Wenzel scored two goals. Wenzel did it again in a 4-1 win over Abington Heights but this time it was sister Addison who totaled five points in the win. Reagan Moll had two goals in a 4-1 win over South Williamsport to put the Seals at 4-1-1.

Mifflinburg field hockey swept Columbia County by beating Bloom 4-2 and Central Columbia 5-4. Four different girls lit the lamp against Bloom and Kira Shoemaker had two goals in the win over Central. Shoemaker tallied her 50th career goal in a 1-0 win over (1-7) Newport to keep the Wildcats undefeated.

Midd-West beat Grove in a taut, defensive game as Veyda Trego scored the only goal in the fourth quarter with an assist from Maesyn Franquet. Selinsgrove shutout Shik 3-0 earlier in the week as freshmen Emma Moyer scored two goals equaling four points in the win. Moyer finished her week by scoring another four points for the Selinsgrove football team in their win over Central Mountain. Moyer is the placekicker for the team. How great is that?

That football game was a 44-0 demolition over Mountain to get the Seals back to an even record. Grove displayed a balanced offensive attack and a stout defense, fifteen Central penalties didn´t hurt either.

The Grove D held Central to 68 total yards with sophomore linebacker Jet Hollenbach leading the way with eight tackles. When QB Rocco Amato did drop back to pass it was usually a TD. Jonathan Neidig caught three passes totaling 86 yards and 2 TDs. Isaac Thomas ran 14 times for 89 yards and 2 TDs. The Seals will travel to Williamsport Friday night.

Loyalsock jumped out to a 42-0 lead over Midd-West in the first fourteen minutes. A sick defensive secondary allowed six TDs in the first half. The Mustang´s linebackers played really good per coach Jeff Janovich… "Our linebackers haven´t filled like that all season, they didn´t quit." The real issue was the back half of the defense as a starting cornerback couldn´t go at the last minute due to illness.

Running backs Mason Fultz and Noah Kratzer each scored rushing TDs in the fourth quarter. Midd-West will host undefeated Bloomsburg this Friday.

The opening kickoff was a portent of what was to come as Southern Columbia beat Lewisburg 61-8. Southern kicked the ball off and both Dragon kick returners thought the ball was going to roll into the endzone for a touchback. Southern recovered it on the 1-yard line and scored a play later.

The top-ranked 2A team in the state scored on nine of their eleven possessions. The fact Lewisburg was playing their third-string QB didn't help the cause. First-stringer Xavier Carter is still injured and backup Jett Jamison tweaked his knee and only played in the first series. Welcome to the fire Patrick Fleck, taking his first snaps without several O-linemen that were out due to injury. The Dragons will play Warrior Run Friday in Turbotville.

Mifflinburg came out after halftime and took control of a game they were leading only 7-0. The Cats scored three TDs in the third quarter leading to a 36-0 shutout of Hughesville. The third quarter barrage was a 5 yard TD run by Landon Moser, a 6 yard TD catch by Luke Brubaker and a 45 yard pick-six by Isaiah Kurtz. Moser ran for 167 total yards and QB Brennen Snyder finished with 3 TD passes.

The Cats D was impenetrable as Hughesville rushed for a negative 45 yards on 37 attempts. The competition will get tougher on Friday as Mifflinburg will host Loyalsock.

If any NFL scouts say that Ole Miss QB Trinidad Chambliss is too small to play in their league they are as misguided as those that wrote off Doug Flutie forty years ago. The only thing more impressive than Trinidad leading the Rebels over LSU last weekend was the fact the home fans in Oxford didn't storm the field. I hope Michigan fans took note after they went crazy in the Big House after a loss.

Connie Herrold Sorenson, 80

Connie gave her corner of the flower garden back to us all on September 10, 2026, in Parker, CO. It is filled with more beautiful blooms than when she found it, and the seeds she planted will continue to flourish in her likeness and memory.

Growing up in Port Trevorton, Pennsylvania, along the meandering Susquehanna River, Connie Lou was raised in an environment that instilled the values of family, thoughtfulness, spirituality, and nature. She was the loving daughter of Eugene and Roxanna Herrold, whom she doted on until their final days.

Connie was the most thoughtful, dependable, strong, and loving woman. She lifted all those around her—family members, friends in need, or the occasional lost cat or dog. Her unwavering optimism was evident and she possessed an uncanny ability to make people feel cared for, capable, and loved. Connie inspired those she touched to rise up, be better, do better, and keep moving forward. A life dedicated to creating and giving to others, Connie cherished nothing more than making those around her feel loved and supported.

Her innate nurturing spirit led her to nursing school at Temple University, and afterward, she joined the United States Air Force. Her first assignment at Whiteman Air Base in Missouri found her caring for wounded soldiers returning home from Vietnam. Deeply proud of her service, she wrapped her country in the same care she gave to everyone she loved.

Connie continued her education, earning her BA in Psychology from Chaminade University in Honolulu and then a Master of Health Care Administration from Central Michigan University. Strong, determined, and unwavering—a force to be reckoned with—she worked her way up to hospital CEO and then Regional Vice President of psychiatric hospitals. Through the years, she moved with her family around the country, doing the important work of restructuring struggling hospitals and providing better care to those in the community. Before retiring, Connie managed Sunrise Assisted Living on the East Coast and later served as Head Start Health Manager in California.

You could say, over the course of her career, she tended to people of all ages and circumstances—from soldiers and patients living with mental illness, to our aging population and young children from low-income families. Caring for others was not simply her profession; it was her calling.

She found joy in her garden and in creating beautiful things with her hands. Her intricate quilts live in the homes of family, friends, and lucky recipients across the country—each one unique and a reflection of her artistry, patience, and incredible craftsmanship. Connie made a house a home, filling it with comforting smells, beautiful textiles, art, plants, and her warm presence. Never a week passed without fresh-baked chocolate chip cookies, home-cooked meals made with herbs from the garden, and flowers arranged on the table—everything placed thoughtfully, purposely, and without unnecessary extravagance.

Connie is survived by her loving husband, James Sorenson; her children, Rebecca Musielak and Suzanne Wahl (Chris); her grandchildren, Noah, Chloe, Charlie, Rebecca, and Tess; and her sister and brother, Trudy Comes (Joe) and David Herrold Sr. (Sarah), along with her beloved nieces and nephews. She was preceded in death by her parents, Eugene and Roxanna Herrold.

She will return to her childhood home in Pennsylvania, to be laid to rest beside her parents in Witmer Cemetery, Port Trevorton, among the rolling hills of the countryside she called home. A funeral service will be held on September 26, 2026, at 12:00 noon at V.L. Seebold Funeral Home, 601 N. High St., Selinsgrove, Pennsylvania, with Rev. David Keyworth officiating. Interment with military honors accorded by the Selinsgrove VFW Post 6631 & the Selinsgrove American Legion Post 25 will immediately follow. Visitation will be from 11:00 am – 12:00 noon prior to the funeral service.

In lieu of flowers, the family requests donations to Cure Alzheimer's Fund in Connie's memory at www.curealz.org.

Elroy Mengel, Selinsgrove

Elroy passed away peacefully on September 13, 2026, at the age of 94, surrounded by his family. Born March 6, 1932, Elroy lived a life marked by faith, service, hard work, and a deep desire to share the Gospel of Jesus Christ with others.

Elroy attended Freeburg High School and spent 20 years as co-owner of Apple and Mengel Fruit Farm and 10 years as owner of Susquehanna Sprinkler Company.

At the center of Elroy's life was his faith in Jesus Christ. For 62 years, he was a devoted member of Richfield Life Ministries Church, serving his church family in many roles throughout the years. His service included four years as a deacon, eight years as a youth leader, and time as President of the Church Council and Sunday School Superintendent.

Elroy's desire to share the Gospel extended beyond his local church. He was actively involved with the Snyder County Gideon Camp, serving at different times as both president and treasurer. For 15 years, he also helped facilitate Bible distribution at Susquehanna University. Whether through church leadership, Bible distribution, or conversations with those around him, Elroy's greatest desire was for others to know the hope he had found in Jesus Christ.

During the final 10 years of his life, Elroy devoted much of his time and energy to the building project at Richfield Life Ministries Church. He was grateful to see those years of work come to fruition when the congregation moved into its new facility this past year.

Elroy is survived by his wife, Jean Mengel; his two daughters, Sherry Ferster and Brenda Arch; four grandchildren; and eleven great-grandchildren.

In lieu of flowers, the family asks that memorial contributions be made to The Gideons International in Elroy's memory: Gideons International of Snyder County, PO Box 382, Selinsgrove, PA 17870.

A Celebration of Life Service will be held at Richfield Life Ministries, 53 Mill Road, Richfield, PA, on October 3rd, at 11:00 am. A luncheon will follow the service.

Arrangements have been entrusted to George P. Garman Funeral Homes, Inc., Mt. Pleasant Mills, PA.

Harvey W. Kramer II, 77, Selinsgrove

Harvey entered into eternal rest on Thursday, Sept. 17, 2026, at his residence surrounded by loving family.

Born on Sept. 15, 1949, in Shamokin, he was a son to the late Harvey and Viola (Orner) Gilligbauer Kramer.

Harvey married the love of his life, the former Desiree Kratzer, on June 2, 1980, who survives. The couple met in 1979 when Desiree was 22 years old at the mall (a place they both said they would never work at) and were married a year later. It was love at first sight.

At that time, Harvey worked third shift at Mountain View Manor as well as Holiday. Two months later, Harvey and Desiree opened their own business and lived a fantastic life together. "To marry your best friend and to grow old together is the absolute best way to serve our Lord" – Desiree

The two sang in church and choir and helped to start two churches. In addition to the music ministry, Harvey served on the board at two churches.

Harvey was employed at Selinsgrove Center where he retired.

Left to wait for the Lord's call is his wife, Desiree; mother-in-law, Betty Kratzer; brother-in-law, Jonathan Kratzer; sister Jane Reed (Chuck) & family; brother Charles Kramer & family; niece Crystal Arbogast & family; and adopted sons Bradly Brosious and Montana White.

In addition to his parents, Harvey was preceded in death by a sister, Patricia Golda and two sons, Harvey W. Kramer III and Joshua A. Kramer.

A viewing will be held on Tuesday, Sept. 22, 2026, from 9-11 am at First Baptist Church, 115 S. Fourth Street, Sunbury followed by the funeral service at 11 am with Pastor David Dressler and Steven Barnhart officiating.

In lieu of flowers, memorial contributions can be made to Samaritans Purse at www.samaritanspurse.org

Arrangements are under the care of V.L. Seebold Funeral Home, 601 N. High Street, Selinsgrove. Share online condolences at www.seeboldfuneralhome.com.

Warren L. Fisher, 83, Selinsgrove

Warren Lewis Fisher died September 15, 2026. He was born August 10, 1943, son of James M. and Doris (Bair) Fisher of Williamsport, PA. Warren remembered bicycling from Poco Farm Road to pick strawberries in fields near the Susquehanna River, being a counselor at Boy Scout Camp Kline, and fishing in trout streams north of Williamsport.

After course work at Cornell University and work as a brick layer, Warren graduated from Lycoming College. In 1970, he married Ann Nussbaum Primrose. Warren earned his Ph.D. in Economics at the University of Connecticut in 1973.

Warren traded part-time teaching and brick laying while in graduate school for teaching economics at SUNY-Fredonia, 1972-1980. He worked in Washington, D.C. for the U.S. Fish and Wildlife Service, 1980-1988. He then chaired the Economics Department at Susquehanna University for several years, building its faculty, expanding course offerings, and advising students. He retired in 2004 to pursue other interests.

Warren usually tied his own flies for fly fishing in Penns Creek and other local streams. He served as Secretary for the R.B. Winter chapter of Trout Unlimited for many years. Then he discovered fishing for salmon in the streams on Prince William Island, Alaska. He and Ann fished there each summer for 20 years.

He enjoyed learning to play musical instruments, particularly the upright bass, guitars, and autoharps. He was a member of the Frosty Valley Dulcimer Friends, Black Bear Crossing, and Susquehanna String Theory bands. This interest led to woodworking; he made about 50 autoharps. He and Ann went to music festivals; for about 15 years Warren served on the Board of Directors of the Mountain Laurel Autoharp Gathering.

Warren enjoyed time with his extended family, especially on the St. Lawrence River or in northern Wisconsin during summer vacations. He and Ann also traveled often with friends.

He was fond of nature and being outdoors. He and Ann had a home built in the woods so they could watch turkeys, turtles, hummingbirds--and the deer that browsed flowers and shrubs. He liked mowing lawn and cutting firewood in the summer—to feed the family room wood stove in winter.

Warren is survived by his wife Ann Fisher, his stepson Ross Primrose, his sister Janice (Art) Yingling, his sister Holly (TA) Keys, and 17 nieces and nephews on both sides of the family.

A memorial/remembrance event will be held at 11:00 am, Saturday October 17, Unitarian Universalist Church, 265 Point Township Road, Northumberland PA, with lunch about 12:30 pm. Attendees will be invited to share a tune, a fishing adventure, or comments about Warren.

In lieu of flowers, the family suggests donations to the Middle Susquehanna Riverkeeper Association (https://www.middlesusquehannariverkeeper.org/) or Journey to Justice (https://journeytojustice23.com/).

Family assisted by the V. L. Seebold Funeral Home, 601 N. High Street, Selinsgrove.

Gloria J. "Sis" Mull, 81, Selinsgrove

Gloria passed away on Tuesday, Sept. 22, at WellSpan Evangelical Community Hospital, Lewisburg.

Born May 1, 1945, in Sunbury, she was a daughter of the late James W. And Shirley M. (Hare) Carr. She attended Sunbury High School and on Nov. 30, 1962, married Gary L. Mull, who preceded her in death on May 19, 2003.

She was employed for nearly 40 years at the Sunbury Community Hospital, where she served as manager of the laundry. Sis enjoyed doing woodworking and crocheting and was an avid Nascar fan.

Surviving is a daughter, Brendi (Tommy) Harris; a son Bryon Mull and Sharyn Mull, whom she considered a daughter; six grandchildren, Nathan, Sasha, Bryon Jr., Brysha, Ryan and Michael; four great-grandchildren, Miah, Janelle, Janessa and Jayce; two sisters, Patsy (Pete) Tinsley and Debra Stroup and her companion, Michael; six brothers, James "Butch" Carr, Robert Carr, Tedd (Linda) Carr, Carl "Boucher" (Marilyn) Carr, Jeffry (Tina) Carr, and Gary (Becky) Carr, and a sister-in-law, Marilyn Slough.

She was preceded in death by twins in infancy, Troy and Loye; a brother, William "Bill" Carr and a sister, Cathy Weaver.

A viewing will be held on Friday, Sept. 25, from 10 a.m. to noon at the Hummel Funeral Home, 574 Hill St., Middleburg, followed by a graveside service in Globe Mills Cemetery, Middleburg.

Anglelina Miller of Richfield Celebrates her 104th Birthday on October 1st

By Kay Poeth

Happy 104th Birthday to Angelina Miller who renews her membership in the Centenarian Club on October 1. She resides in Richfield. She taught at Monroe Township Elementary for 21 years and has long been retired, of course! Virginia loves to dance and you may still see waltzing through her home.

Although Angelina grew up in Manila in the Philippines, Richfield has been home to her for many years. She came to Richfield in 1948 and claims that "Richfield is the best!" She truly embraced the Richfield community. She became a Girl Scout leader, a 4-H leader, a member of the Richfield's Women's Club, and on the Richfield Dutch Days Committee.

Angelina has been an avid traveler and has visited places across the globe! She has traveled extensively including trips to Australia, Europe, and Central America; however, Angelina considers Richfield home.

And, when Angelina heads to County Line Restaurant to celebrate her birthday this year, she will be entitled to 4% of her bill returned!

Back in 1922, pedal cars, ping-pong, and poker games were all the rage. Deviled eggs and devil's food cake were crowd-pleasers, and John and Mary were two of the most popular baby names. Bread cost 10 cents a loaf, butter was 43 cents a pound, and bananas were 30 cents a dozen.

What else was happening when Angelina was born? Warren G. Harding (R-Ohio) was the president of the United States and Calvin Coolidge (R-Massachusetts) was the nation's vice president. The average annual household income was about $2,160. The price of a new car was approximately $515. The average home was $6,296 and monthly rent was $15. Filling up a vehicle was 33 cents a gallon of gas and a first-class stamp cost 2 cents.

Back in 1922, many Americans bought everything from kitchen gadgets to home kits through mail-order catalogs issued from retailers like Sears Roebuck and Montgomery Ward. Mail order catalogs allowed the average American family to shop from the comfort of their home while keeping the household running "smoothly and up-to-date."

Wood-Mode, LLC Celebrates Employee Appreciation Day

By Kay Poeth

Wood-Mode, LLC's leadership team of Rod Hunter, General Manager; Nick Yoder, Business Manager; Bill French, owner; and Scott Groce, Plant Manager, greeted employees with gratitude during the annual Employee Appreciation Event.

Wood-Mode, LLC employees enjoy the annual Employee Appreciation Event honoring their efforts and the growth of the company.

Smiling faces serve the picnic style meal to the hard-working employees, retirees, and rep during the Wood-Mode Employee Appreciation Event; followed by a sweet dessert treat from Rita's Ice.

On September 3, 2026, Wood-Mode, LLC celebrated Employee Appreciation Day. Their Annual Employee Appreciation Picnic is where they get a moment to personally thank the many talented people who make Wood-Mode so special. "Yesterday was no exception as we shared good food, some laughs, visits from our reps around the country, welcomed retirees and topped it off with a sweet treat to top it all off. To our entire Wood-Mode family, we thank you for your dedication, talent and service and hope you know that we are only successful because of you!"

Wood-Mode's Employee Appreciation Day was celebrated in conjunction with its 7th year Anniversary of producing Fine Custom Cabinetry with a focus on American craftsmanship, quality construction, design diversity, and attention to environmental stewardship. The facility melds technology, automation, and skilled craftsmanship to create premier cabinets for its customers.

"Each year, we're committed to elevating the entire Wood-Mode family with the latest equipment and technology to produce uncompromising quality products for our customers," said Bill French, owner.

Gratitude and appreciation set the tone for the Wood-Mode, LLC gathering of leadership, employees, and sales reps celebrating the success of the company. Wood-Mode, LLC was established and opened in September 2019. Wood-Mode is the #1 consumer ranked custom cabinetry manufacturer in the United States with 500 plus certified kitchen and bath dealers nationwide.

"Our employees have been wonderful. They make us who we are!" explained Rod Hunter, General Manager. "Wood-Mode, LLC currently employs 600 team members at the facility. The rebrand has helped us move in a positive direction, and we've been grateful for the consistent investments to upgrade our infrastructure."

All employees and Wood-Mode, LLC retirees were invited to the celebratory anniversary luncheon held at the Kreamer Recreation Field. The event was catered by Banty Rooster at Ard's Farm Catering. Hartley Chips provided snacks, and dessert was provided by Rita's Ice. The Wood-Mode leadership team of Rod Hunter, Scott Groce, Nick Yoder, and owner Bill French personally greeted employees and guests with gratitude. Each employee also received a Wood-Mode T-shirt.

"It's nice to see the guys you used to work with. When you work for 45 years, you meet a lot of people," said retiree Donald Zechman. He teased Roger Hackenberg that he still has many years of work ahead of him as he is only in year 39.

Many employes expressed that Wood-Mode LLC is a great place to work. They also noted the impact on the local communities, local businesses, customers, dealers as well as for the employees.

"In my department, we work as a team," said Jackie Fetterolf of White Wood Sanding. "When things back up, we all work together to get it shipped to the next department.

"This is my favorite job ever," exclaimed Taylor Cold with 2 ½ years at Wood-Mode LLC. "I like the hours and consistent work. It's a good working environment."

Rick Mattern acknowledged the hard-working employees in the Assembly Department. "They are friendly, good to get along with, and fun to be around." He really enjoys the 4- 10 hour days with a 3-day weekend.

20-year Wood-Mode rep, Vince Hodshire marvels at the consistency of engineering and the high quality or workmanship. Wood Mood is the most highly engineered company; they stand behind their product. They really partner with the dealers and the product is beautiful."

"It's a great come-back story and has been life-changing with dealers across the country. I've never seen a company undergo an abrupt company closure followed by a change of ownership… Now, the company is stronger than ever. They are very in tune with their customers and they stay very current."

"I am very thankful to Mr. French, his leadership team, and all the employees for their work ethic. Wood Mode is the industry standard that competitors compare themselves to," added Hodshire.

Wood-Mode sales representatives had an opportunity to tour the factory and interact with the employees. They also had an opportunity to see some of the new equipment recently purchased. The annual sales meeting highlighted new products, marketing opportunities, overall business climate, and infrastructure updates.

Wood-Mode LLC has invested in multiple installations of solar power. These include a 2.5-megawatt solar field on 16 acres off Route 522, near the plant, and a 3-megawatt rooftop solar system, now on-line. Combined, the solar projects can now provide up to 75% of the facility's electricity needs. Wood-Mode, LLC continues to invest in renewable energy with two additional building rooftops at the facility.

In addition to Solar, installation of a new finishing system has been completed, the emergency alert system has been completely replaced and upgraded with strobe lighting and sound alerts.The dust collection system has been completely upgraded incorporating new technology.

Artists Capture a Picture-Perfect Selinsgrove at Plein Air Competition

By Jamiee Joiner

Left photo - Lucas Hewlett, of Mifflinburg, poses with his artwork which earned a first-place prize in the youth category. Top right photo - Chato Vazquez's first-place prize winning artwork of a Market Street scene. Middle right photo - Chato Vazquez, of Selinsgrove, working on his creation for the competition. Bottom right photo - Susan Boudman, of Bloomsburg, painting the former Potteiger House.

It was a beautiful morning in Selinsgrove as artists captured the beauty of Selinsgrove in their own perspective at this year's Plein Air Competition. In its sixth year and held on Saturday, September 19, 2026, a quick walk or drive downtown was met with a glimpse of busy artists at easels putting the beauty of our town on paper, on canvas, and on display for anyone interested in reveling in the view of our local treasures.

Making my way downtown, I found Susan Boudman, of Bloomsburg, painting a portion of the former Potteiger House. My attention was immediately captured as this was the first place I ever stayed upon my first visit to Selinsgrove before moving here. Not only are the outside front porch and yard adorned with beautiful hanging ferns, flowers, and shrubs, but the adjacent gardens throughout the side yard also create such an inviting and warm welcome. Now a private residence, this building's charm was a staple bed and breakfast in Selinsgrove for many years. I told the artist how my husband lived in the former Potteiger House for four months when we were in the process of relocating to Pennsylvania.

Boudman usually paints at her home studio but admitted that she looks forward to this event every year. Explaining to me on how she decided to paint this location, Boudman stated, "I drove out early this morning to try and find somewhere to paint. I kept driving past this place and finally decided on painting it because I loved the flowers and the colors."

Next, I ventured out to Market Street where I saw several artists creating beautiful pieces. I stopped to talk with Chato Vazquez who was diligently working on a street scene featuring several notable buildings. I inquired about how he decided to draw this portion of Market Street. He told me that he lives next door to BJ's and this is the view he regularly sees from his place and wanted to draw it. His artwork was amazingly impressive, and he was not even done with it yet. It was so detailed and so picture perfect. He truly captured some of the beautiful buildings of Selinsgrove using fine point markers during his second time participating in the Plein Air Festival, and to top it all off, he earned the first-place prize in this year's competition.

The next artist I encountered was nine-year-old, Lucas Hewlett, of Mifflinburg. He also drew a wonderful street scene from his perspective using colored pencils during his first time at the Plein Air Festival which earned him a first-place prize in the youth category. Chato Vazquez just happens to give lessons to this budding artist, and I look forward to seeing him continue his craft at future events.

After two hours of creating art, a delicious luncheon for all the participants was graciously hosted by All Saints Episcopal Church. Immediately following, the public was invited to view the artwork at Susquehanna University's Downtown Center located at 111 North Market Street and participate in a live auction conducted by Hassinger & Courtney Auctioneers of thespectacular creations. This was the first year auctioning off the works in this fashion, and art lovers were eager to take home an original piece created during the event.

The Selinsgrove Farmers' Market was just as bustling as downtown while Deb and Bri Smith, of the Greensmith Flower Farm, created a floral art installation at the market which was an incredible addition to the theme of the day. Visitors were encouraged to snap a picture in front of the magnificent displays they created. These ladies are always making Selinsgrove just a little more beautiful by adding a touch of their floral talents to the Commons.

This year's competition was organized by the Selinsgrove Chamber of Commerce and sponsored by Allen A. Shaffer Insurance and the Susquehanna River Valley Visitors Bureau and offered cash prizes to the winners.

Andrew R. Snook of McClure Troop 408 Awarded Rank of Eagle Scout

By Kay Poeth

Pictured here are Roger Snook and Jennifer Montgomery, his parents; Eagle Scout Andrew Snook, Don Cohick, presented the Eagle Charge; and Col. Gary Garay, a fellow Eagle Scout and guest speaker.

Andrew Snook of McClure Troop 408 holds a House of Representative Citation for achieving the rank of Eagle Scout.

Chief Erik Markley congratulates Andrew R. Snook for restoration work on the antique hand-pulled reel hose cart belonging to the Beaver Springs Fire Company.

Andrew R. Snook of McClure Boy Scout Troop 408 was awarded the rank of Eagle Scout on August 22, 2026, during an Eagle Scout Court of Honor held at St. Pius X Church in Selinsgrove. The ceremony was witnessed by family, friends, and the Scouting community. Some traveled from as far away as Massachusetts, Virginia, and California.

Andrew joins an elite group of young men who have earned the Eagle rank and have made the Scout Oath and Law a part of their character. The first Eagle rank was awarded in 1912 and less than 4% of Scouts ever achieve Scouting's highest honor. Many of our nation's greatest leaders in government, business, science, and the community are Eagle Scouts. The Boy Scouts of America is one of the nation's largest and most recognizable value-based organizations. Its programs are designed to build character and leadership, teach active citizenship, and to encourage personal fitness.

David Boonie of Troop 415 gave the Welcome followed by Father Kappes offering the Opening Prayer. Troop 408 performed the Presentation of Colors and the Pledge of Allegiance. Boy Scouts and leaders recited the Scout Oath where a Scout promises upon his honor to do his best to do his duty, first to God and his country; second, to other people, by helping them at all times; and third, to himself, by keeping himself physically strong, mentally awake, and morally straight. This was followed by them reciting the Scout Law: A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent.

Col. Gary Garay, a fellow Eagle Scout, was the guest speaker. Gary spoke about his Boy Scout experiences and positions at military bases around the world including Nicaragua, Bolivia, Ecuador, and Panama. Gary is an Eagle Scout and has served as Scoutmaster, Assistant Scoutmaster, Unit Commissioner, and Assistant Council Commissioner as well as overseeing all BSA units in Latin America and the Caribbean. He finished by saying "Congratulations to Andrew on this tremendous achievement and to everyone who supported him along the way."

David Boonie was honored to perform the Trail to Eagle during the ceremony followed by Scoutmaster Andy Bobb presenting the Eagle Award to Andrew. Andy has been Andrew's Scoutmaster ever since he joined Troop 408. Andrew had earned 56 merit badges at the time of his Eagle Scout Board of Review. He plans to continue his journey in Boy Scouts by earning more merit badges and passing on the skills and knowledge he has acquired to the younger boys coming up through the ranks.

Andy Bobb presented the Eagle medal to Andrew's mother who then pinned it onto her son's uniform. After that, Andrew presented the Mother and Father pins to his parents, Jennifer and Roger. Andrew then placed an Eagle Scout Grandparent pin on Yvonne Snook. Andrew's Aunt Donna accepted another Grandparent pin in honor of his late "Mema", Marion Montgomery, who passed away before his Court of Honor. Next, Andrew presented Eagle Scout Mentor pins as a token of appreciation for people who have given guidance and were a positive influence in his life. Honorees were Scoutmaster Andy Bobb, Assistant Scoutmaster Norm Rigel, Deacon Chris Darrup, teachers Kathy Shellenberger and Stacy Hostetter, and his father, Roger Snook, who has been more than a father throughout Andrew's Boy Scout career.

Andrew received citations from State Senator Lynda Schlegel Culver, State Rep. David Rowe, U.S. Congressman Glenn "GT" Thompson, and U.S. Senator John Fetterman as well as congratulatory letters from several other people and groups. "Congratulations to Andrew Snook on earning the rank of Eagle Scout," states Sen. Lynda Schlegel Culver. "I was honored to join Andrew, his family and fellow Scouts for his Eagle Scout Court of Honor."

His parents then surprised Andrew with an American flag and a document that certifies that it was flown over the United States Capital on July 4, 2026, the 250th Anniversary of our Nation. As a commemorative piece of history from the year Andrew earned his Eagle Scout Award, it is sure to be a treasured family heirloom.

Don Cohick, recognized as an Outstanding Eagle Scout, was honored to give the Eagle Charge, a ceremonial pledge given to Scouts upon earning the rank of Eagle Scout, emphasizing honor, duty, leadership, and service to others. Forty-five years ago, in 1985, Cohick performed the Eagle Charge for Roger Snook during his Eagle Scout ceremony. Don asked all Eagle Scouts present to come forward to again accept the responsibilities of an Eagle Scout alongside Andrew, receiving the Eagle Charge for the first time.

Andrew opened his Eagle Scout Remarks with a quote from one of Formula One's greatest drivers, Ayrton Senna. "If you no longer go for a gap that exists, you are no longer a racing driver."Andrew encouraged the audience to be brave and to seize opportunities. He noted that "A scout is curious and should always take every opportunity they can because you never know when you only have one chance. You should always strive for more. A scout wants to be the best version of himself. I have gone for many gaps in my life that led to great things." Then he acknowledged the many opportunities that were placed in his path. "I tried Quizbowl and I am now ranked the 99th best player in the small school division. I went to the DECA state convention my freshman year and became state champion in Deca Quizbowl. If I didn't go to that first practice, I can't imagine how different my high school and scouting life would be."

Another example is when he saw a flyer in school for a new eSports team. "I said sure. Why not? Little did I know that I would be in many leadership positions as a founding member of the team, but I also became a varsity athlete."

In his scouting journey, Andrew said why not to 35 extra merit badges and achieved 7 palms setting the new troop record with more still to come. He currently has earned an additional five merit badges which will bring the total up to 8 palms. During summer camp, Andrew was able to teach the fine art of photography and got to teach others how to design games. Each opportunity was a choice to be bold and try something new.

The ceremony concluded with Deacon Chris saying the Closing Prayer. Then the Colors were retired and guests had the chance to enjoy a meal and celebrate with Andrew.

"In achieving this praiseworthy distinction, Andrew completed all portions of the Eagle Award program, which help a Scout to develop in the areas of leadership, service, and outdoor skills," noted Rep. David Rowe. "Through initiative and by his personal example, Andrew is a living testament to the virtues of duty and citizenship that he has so genuinely and readily displayed."

Andrew is a Junior at Midd-West High School where he is active in band, marching band, DECA, Quiz Bowl, eSports, and baseball. He was the Team Captain at Nationals for Quiz Bowl and was a state champion in the DECA Quiz Bowl category.

Andrew is the son of Roger Snook and Jennifer Montgomery of Beaver Springs. They are very proud of their son and can't wait to see what's in his future. He has helped his parents with fundraising events for the Beaver Springs Fire Company since he was little and "Andrew considers community service a natural part of being a citizen," said Roger. Andrew and his parents have recently applied to officially become members of the fire company.

Chris Crossley, of Snyder County (right), and Jake Shoup, of Lycoming County (left), were honored with the Star of Excellence Award by PennDOT.

At a ceremony held recently, Pennsylvania Department of Transportation (PennDOT) Secretary Mike Carrollrecognized 30 PennDOT employees for their outstanding performance with the Star of Excellence Award, PennDOT's highest recognition. Two employees-from PennDOT's District 3 which represents Bradford, Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan, Tioga, and Union countieswere among the honorees.

Our employees work hard to provide the very best transportation services to Pennsylvanians, and the millions of people who travel through the Commonwealth every day," said Carroll. "Our Stars of Excellence exemplify a dedication to public service and a strong work ethic, and I'm proud to honor them today."

Local winners Chris Crossley of Snyder County and-Jake Shoup of Lycoming Countywere honored this afternoon at an awards luncheon at the National Civil War Museum in Harrisburg.

"I congratulate Chris and Jake on their well-deserved Star of Excellence Award," said Eric High, District Executive. "Their dedication, strong work ethic, and unwavering commitment to public service shows in every project they touch. Their efforts have continuously improved the experience and safety of the motoring public. I thank them for bringing professionalism, integrity, and a positive attitude to every challenge."

Chris Crossley serves as a Transportation Equipment Operator Specialist (TEOS) in Snyder County, where he manages complex highway maintenance operations, operates specialized equipment, provides instruction, including formal classroom training, and performs a wide range of essential maintenance activities.
