Spectacular Sights at This Year's Halloween Parade in Selinsgrove

By Jamiee Joiner

Top left photo - This little cutie, Ellie Eaton, of Middleburg, had a full bucket of candy and was so excited when she saw Sponge Bob Square Pants and even more so when she saw Patrick Star! Top right photo - My favorite, the always impressive Pleasant Valley Express steam engine. Bottom left photo - An awesome truck with neon lights and cool rims. Bottom right photo - Selinsgrove's Little League All Stars with their great sign, "Is this heaven? No, it's Selinsgrove."

Top left photo - These two beauties, Tiffany Scicchitano and Trinity Shannon, served up delicious food and drinks at Bot's Tavern just before the start of the parade. Top right photo - The Knoebels float shined brightly down Market Street. Bottom left photo - A sweet monster truck impressed the crowd. Bottom right photo - I saw this guy, Trevor Haines, of Selinsgrove, taking a break from the parade with his friend from Selin's Grove Brewing.

It was another amazing night in Selinsgrove as huge crowds of people convened on Market Street to enjoy this year's Halloween Parade held on Tuesday, October 20th, 2026. We could not have had better weather as it was a perfectly brisk fall evening, and by the amount of people in attendance, everyone agreed and was ready for some Halloween Parade fun!

The Selinsgrove Police Department led the procession, and once again, the night was filled with big fire trucks and emergency vehicles from all over the area blaring their sirens and horns and getting the crowd energized. Kids were quickly filling their buckets with candy and sampling a variety as they collected it.

Highlights of the night always include the incredible sights of creativity and effort that school bands, sports teams, non-profit organizations, local businesses, and political candidates put into making the best floats, having the coolest costumes, or having an impressively decorated vehicle in the parade.

Some of the standouts from this year's parade included Knoebel's brightly lit float which you could see coming through the darkness of the evening. Roto Rooter's toilet bowl float brought a funny sight and toilet flushing sounds as it passed by. Gym Stars always impress with their live action float featuring gymnasts jumping on a trampoline. I really enjoyed Selinsgrove Little League's 8–10-Year-Old All Star District 13 Champion Baseball Team which featured the team on a float with a sign that read, "Is This Heaven? No, it's Selinsgrove." So clever with their take on Field of Dreams.

There were some really flashy jacked up pickup trucks with bright undercarriage lighting and sweet rims which were also lit up with neon lights. There was an illuminated spider which glided down the street, and many adorably costumed dogs participating in this year's event. Villager Realty and Ritz Craft had tiny homes on wheels, and Studio by J had a skeleton filled float doing a barre workout down Market Street.

Even after all these years of watching the Selinsgrove Halloween Parade, my ultimate favorite remains the steam engine from Pleasant Valley Express. Nothing tops it for me. Just the sight of the steam and sparks flying into the air brings a level of excitement to the night and is such a spectacle to see. A big shout out to Travis Teates and the Pyle Family for repeatedly wowing the crowd and sharing the steam engine with all of Selinsgrove!

It proved to be another fun-filled night in town, and more than anything, the Selinsgrove Halloween Parade brings people together. It is so nice to see old friends and talk to new people while enjoying the night out. A big thank you goes out to Chris Kenawell and his team from State Farm Insurance for organizing the parade and to Selinsgrove Projects, Inc. for hosting this exciting night!

Congratulations to all of the winners throughout each category of this year's parade, and Happy Halloween everyone!

Outside burning beats inside. Every time.
There's a reason we build campfires outside and not in our living rooms. It's just fact, there's a much safer, cleaner, and more comfortable option. When it comes to wood burning heat...we say, take it outside.

HAGERSTOWN RAN A TWO-DAY SHOW CALLED OCTOBER FEST, LINCOLN RAN SPRINTS, ANNOUNCER RETIRES

This past weekend Hagerstown speedway leased the track to Short Track Super Series promoter Brett Deyo, who was trying to relive the Octoberfest event that was run at Hagerstown speedway for many years racing super late models, Big Block Modifieds and Small Block Modifieds and 410-sprints. The event has not been run at Hagerstown for years, so Deyo was giving it bit of a shot. He lined up Big Block Modifieds, and 602 crate Modifieds, Limited late models for the Sunday program. 358 Modifieds and Crate late models were on Saturday, with the Big Block and 602-crates having timed hot laps for the fastest two getting a chance at the redraw for Sunday's race. The weather felt like Octoberfest and this time three divisions of Modifieds, and two different types of late models. No 410-sprints, they raced at Lincoln speedway on Saturday, and no super late models because they were involved in a big event at West Virginia Motor speedway. The car counts were good for the weekend, but the fan count was not as good as in years past. It was to be a Friday and Saturday night event, but rain in the area on Friday moved everything back a day making racing Saturday and Sunday afternoon. Saturday the show for the 358-Modifieds and drew a strong field of 37 drivers with Darren Smith of Binghamton NY scoring the 30-lap feature win and the $3,000 top prize. Smith who had just won the Big Block Modified race at Oswego speedway where he won $54,000 added to his fall list of money events. Billy Pauch Jr of Frenchtown NY was second, with Billy Osmun of Milford NJ, young 16-year-old Bryce Bashore of Bethel Pa and Ryan Godown of Ringoes NJ in the top five. A big number of drivers on hand were doing double duty racing twice in the three Modified divisions over the weekend. Sunday was the final point race for South region of the STSS season at Hagerstown with a close point battle going into the final race. They will run the North Region Final this coming Thursday at Orange County speedway, as a part of the Eastern States weekend. The race on Sunday for the big blocks was for 50 laps with $7,000 going to the winner. Matt Sheppard and Alex Payne both had race in Canada on Saturday night made it to Hagerstown for the Sunday show, and it worked for both as they finished 1-2 in the feature. Matt Sheppard of Savannah NY led all fifty laps for the feature win but it was not easy as lapped traffic gave some problems for the leaders at different times during the feature, but just when it looked like a problem a caution would come out for driver spinning or getting flat tires. Sheppard moved out to a big lead near the end of the race with Alex Payne of Canandaigua NY placing second with Louden Reimert of Oley Pa, Billy Pauch Jr and youngster Logan Watt of Boyertown Pa. in the top five. Saturday winner Darren Smith was sixth with Ryan Krachum of Neshanic Station NJ, Alex Yankowski of Covington Township Pa , Jordan Watson of Milford Del and Dillion Steuer of Bohemia NY in the top ten. The points battle going into the feature was close with Michael Maresca of Baldwinsville NY leading by twelve points. Maresca was doing what he had to do and kept near to Alex Yankowski who second in points Michael was running behind him for the early part of the race and then with lapped traffic Michael went past him four fourth place with Alex drifting back in the field to ninth spot. It all looked good for Maresca until less than ten laps to go his #7 MM gave out and knocked him out of the race which he was credited with a 20th place finish (which then gave the title to Alex Yankowski), 482 to 468 for Maresca. Going into this race at Orange County on Thursday Matt Sheppard leads Yankowski by 602-576. The 602 Crate Modified feature was won by Joe Toth of Upper Makefield PA, over Bryce Bashore, Adrianna Delliponti of Norristown Pa, Robbie Emory of Milton Del and Jesse Hirthler of Boyertown Pa.

In the late model part of the weekend AJ Miller of Fultonville NY lead all 20-laps of the crate late model feature collecting the $1,000, with Davin Kaiser of Winchester Va, Brady Neff of Hagerstown Md, Mason Diaz of Manessa Va, and Avery McMellen of Hagerstown Md in the top five. AJ lives in Modified County and does most of his racing in that division, but he likes to race the late models better than the Modifieds. " I like the way the car feels and is easier to drive, but I live so far away from any tracks that run them. It took me five hours to get to Hagerstown to race. Good friend Ryan Krachum was talking to me about the late model and he is thinking of getting a car for his son to race, next season." Sunday, the limited late model feature began dominating by Brian Booze until a caution came out and with the double file restarting when Booze bobbled a bit on the restart he fell back to fifth place. Jakob Piper took full advantage of the situation and grabbed the lead and went on to score the $15,000 winners share his first ever win at Hagerstown. "I would not have won if not for that restart. Brian just slipped out of the rubber on the track and that is all it took. I would not have beaten him if not for that. I feel bad for him, but I have never won a race at Hagerstown and I am so glad I finally got a win here". Jakob of Mercersburg Pa has won races in both Super and limited late in the past but never at Hagerstown. The team might head to Natural Bridge speedway for a $10,000 to win show. Brian Booze of Greencastle was second with Jimmy Jesmer of Pasadena Md, Wes Bonebrake of Hagerstown Md and Jonathan Raley of Hollywood Md in the top five. Raley and Kyle Lear were able to double up their racing. Racing along with Kyle Lear at Potomac on Saturday and then making the trip to Hagerstown for Sunday. During the Sunday event the word got out that Buddy Armel of Winchester Va will be placed into the National late model Hall of Fame with others as part of the class of 2027. Buddy, who was at the track over the weekend, watched his grandson race at Crate late model to an 8th place finish on Saturday, while on Sunday Tommy son of Buddy drove to a 10th place finish. Tommy had a wrap of the famous S-3 that his dad drove for years winning two track title and 81-feature wins at Hagerstown speedway.

At Lincoln speedway on Saturday night Danny Dietrich of Gettysburg Pa scored his third win of the season there getting $15,000 for the win, with Chase Dietz of York Pa second Anthony Macri of Dillsburg PA, Cameron Smith pf Spring Grove Pa, and Dylan Norris of Hanover Pa in the top five. Missing again on this night was Freddie Rahmer who lost two engines two weeks ago at the Williams Grove National open and still did not get them back to go racing. Chase Dietz did not have to worry about points on the final night with Freddie not in action, Dietz, a ten time winner this year at Lincoln, clinched the points title over Rahmer who on for second in the standings over Danny Dietrich, Cameron Smith and Troy Wagaman. Dietz had won the Williams Grove at Selinsgrove title already and is still in line to maybe with the points at BAPS speedway which has two-point shows left this year this coming Saturday and Saturday November 14th.. The 358-sprints also had a tight points battle going into the final show of the year at Lincoln. Chase Gutshall won the first feature of the year with Dylan Smith second, and with his third place finish Jayden Wolf wins the title over Cody Fletcher 3270-3055. Cody placed out of the top ten in the feature. Brock Hammaker was fourth with Logan Spar fifth in the feature. Wayne Harper the long-time announcer at Lincoln speedway, announced that he is going to retire from his job at Lincoln speedway after working at the track for over forty plus years. Wayne is a great guy and will be missed at Lincoln. Wayne also did some announcing at Williams Grove over the years in the sport.

This coming Saturday at BAPS along with the 410-sprints will be a special race for the Britton Finkenbinder Memorial for the 358-sprints paying the winner $3,000 to win with $325 to start the feature. Racing will start at 3pm with warm-ups for the double sprint show starting at 2pm. Also, this Saturday the Hidden Valley speedway will run a super late models paying the winner $3,500 to win Jason Covert, the other super late model races the track had back in May. Potomac Maryland speedway will close out their season with a ULMS series race paying the winner $6,500 in a race title the Daryl Hills Memorial. The ULMS points as already been won by John Lee who has 2050- to 1710 for second place Bryan Bernheisel . Greenwood Valley Action Track near Millville wilh two more Saturday nights of racing October 24th and October 31st. With that event having a Halloweens theme to it the tracks race a number of Micro-Sprint classes and Go Karts . There are also two events left at McGrew Bid Motorplex speedway on the ground of BAPS speedway. This Friday they will have a Trunk or Treat free Grandstand night with four divisions of Micro-sprints in action. Saturday will be the final race of the year with nine divisions of small car action to close out the season for the second-year track.

Lewisburg YMCA Coaches Clinic Brings Division I Expertise to Local Coaches

Tricia Fabbri, former Head Coach, Quinnipiac University Women's Basketball; Trevor Woodruff, Head Coach, Bucknell University Women's Basketball will be among the featured presenters at the Next Level Strong Coaches Clinic on Saturday, Oct. 24 and Sunday, Oct. 25.

Basketball coaches from across the region are invited to the Lewisburg YMCA for the Next Level Strong Coaches Clinic on Saturday, Oct. 24 and Sunday, Oct. 25. The clinic will take place at 120 Hardwood Drive, with check-in beginning at 8:15 a.m. and sessions running from 9 a.m. to 5 p.m. each day. Oct. 24-25 event will offer strategy sessions, program development discussions and networking opportunities for basketball coaches from across the region.

Featured presenters include Trish Fabbri, the longtime Head Women's Basketball Coach at Quinnipiac University; Trevor Woodruff, Head Women's Basketball Coach at Bucknell University; Zack Smith, Head Women's Basketball Coach at Lock Haven University; and Mike Nestor, Head Men's Basketball Coach at Lock Haven University, along with additional collegiate coaches from across the region.

The clinic is designed to give basketball coaches an opportunity to learn from a variety of collegiate programs and explore ideas they can apply to their own teams. Sessions will focus on areas including player development, offensive and defensive strategy, scouting, practice planning, film breakdown and team culture.

Kathy Fedorjaka, Director of Basketball Operations at the Lewisburg YMCA, said, "Every coach brings different experiences and a different way of looking at the game. We wanted to create an opportunity where coaches could hear those different perspectives, ask questions and leave with ideas they can use within their own programs."

Presenters from both men's and women's collegiate programs will take part throughout the weekend. In addition to Quinnipiac, Bucknell and Lock Haven, coaches representing the University of Scranton, Elizabethtown, York and Bloomsburg will contribute to the clinic.

The weekend will also include networking lunches on both days. These breaks will give attendees an opportunity to continue conversations with presenters, exchange experiences with other coaches and build relationships throughout the basketball community.

For coaches in the region, the clinic offers access to a type of professional development experience that can often require significant travel. By bringing collegiate coaches to Lewisburg, attendees can take part in two full days of instruction, discussion and networking much closer to home.

"We hope coaches leave with more than a notebook full of plays," Fedorjaka said. "Whether it is a new idea, a different approach or a conversation with another coach, we want everyone who attends to leave with something meaningful they can take back to their program."

Coaches may register for one or both days through the Greater Susquehanna Valley YMCA website. Individual registration is $125 for one day or $200 for both days, with group registration options also available. For the complete clinic schedule and registration information, visit GSVYMCA.org or call 570.556.4191. Questions about the clinic may be directed to Drew Kauffman.

We all knew that this Lewisburg/Bloomsburg game would be a shootout with stellar offensive play. It didn't disappoint as Bloom held on to a 36-32 win to stay undefeated. Both teams scored in all four quarters, they combined for more than 900 yards of total offense, they tallied 40 first downs and had six plays go 40 yards or more for a touchdown.

Dragon's Jaylen Walker had 254 all-purpose yards and 3 TDs and the man throwing the ball to him threw for 206 yards and 4 TDs. It was the two picks Xavier Carter threw in the fourth quarter in Bloom territory that prevented Lewisburg (4-4) from the upset. Freshman running back Ethan Coleman had 136 yards on 16 carries. Lewisburg plays in Milton again this Friday and Seal fans will be big Green Dragon fans.

Selinsgrove (3-5) is still in the playoff hunt with Milton after beating Danville 38-22. It was the 600th win in the rich history of Selinsgrove football. Rocco Amato passing to Jonathan Neidig was the key as they hooked up for three TDs on 11 catches and 140 yards by Neidig. Amato ran for two more TDs and Isaac Thomas rushed for 130 yards on 21 carries. Grove will host Tamaqua (4-4) in a must-win game Friday.

The Mifflinburg (6-2) defense held Midd-West (1-7) to 79 total yards in their 47-0 shutout and 327th career win. Cats running back Landon Moser more than tripled the Midd-West total yardage by running for 239 yards and scored on a scoop-six for the second consecutive week.

Jackson Marr returned to the field after being injured in the first game of the year and caught a 37 yard TD pass from Brennan Snyder. Miff will host a really good Montoursville team on Friday that is looking for revenge from last year's D4 3A title game they lost 35-12. Midd-West travels to winless Central Columbia.

The Miff boys soccer team ended its season with a 3-1 win over Shamokin and ended the year at 4-13-2. Surprise,surprise…Lewisburg has not won in their last two matches. They had a scoreless tie against Hazleton and lost 3-1 to Midd-West. Lewisburg ended its regular season against Montoursville Wednesday.

This was a HUGE win for Midd-West as Lewisburg beat them by the same score earlier in the season. Goals by Ace Kidd, Nathan Horst and Abram Sellers led the Mustangs to victory. Earlier in the week Midd-West shut out Hughesville 7-0 as Parker Eppley and Jacob Sellers both had hat tricks and Evan Devine four assists.

Selinsgrove (8-8) soccer has lost five straight after losing 2-1 to Warrior Run. Braydon Mack scored the lone goal for Grove that has to regain their momentum for the district tournament.

Miff girls soccer (5-11) beat Central Mountain 2-1 behind Parice Shuck and Lyla Moyer goals. They lost 3-0 to both Lewisburg and Loyalsock but finished their week on a high note by beating Mt. Carmel 3-2.

Lewisburg (6-7-3) had a really good week in beating Miff and Warrior Run 3-2. Their biggest win for the week was a surprising 3-3 tie to powerhouse Midd-West who is 13-2-2 overall. Midd-West is winless in their last three games and ended the regular season against Muncy. Warrior Run beat them 2-1 earlier. Is it possible the big loss to Grove caused two more non-wins?

The Grove girls have not lost since their first game of the year (12-1-3) and shutout Montoursville 2-0 behind Joslyn Zacharda and Morgan Wenzel goals. They have two games left as they get primed for a district title.

Our strong contingent of field hockey teams are getting ready for the post season. Our four schools went 12-2 last week in preparing for the post season. Mifflinburg (15-1) shutout Bloom 5-0, Mifflin County 1-0 and Line Mountain 3-0. The Cats also beat Southern Columbia 6-0 Tuesday night. Kira Shoemaker totaled nine goals and Kenley Flickinger three in the four games.

Selinsgrove (11-7) shutout Mifflin County and Milton by the same 2-0 score. Nora Moyer and Peyton Scoviak scored the goals against MC which qualified the Seals for districts. Lexi Stoneburg had three points in the Milton game. Moyer assisted in both goals in a 2-1 win over Central Mountain. Grove made things interesting in closing out their regular season with Kinsey Erb assisting Violet Shaffer for the lone goal in the fourth quarter.

Midd-West (14-4) handled Shik 3-1 as Maesyn Franquet, Veyda Trego and Audrey Resseguie all scored a goal. The Mustangs continued their torrid stretch to districts with a 2-0 win over a vastly improved Milton team. Franquet and Trego had the two goals. Midd-West lost to a tough Susquenita (12-2-1) team 3-2 as Alaina Boney and Trego scored the Mustang goals. It should be noted Susquenita handed Mifflinburg their only loss of the year 6-0.

Lewisburg (9-7-1) beat Warrior Run 2-0 and lost 1-0 to Central Columbia. They picked up a nice 1-0 win over Bloom with Cadence Shoeman scoring the only goal on an assist from Chloe Kerr..

Shikellamy hosted the PHAC cross country championships last weekend. Danville won the boys team title with Lewisburg third and Midd-West fifth. The Williamsport girls won the team title with Lewisburg third, Grove fifth and Midd-West sixth against a very deep talent pool.

Lewisburg's top finishers were Hugh Ikeda 4th, Tyler Confer 6th and Laelyn Bozella 10th. Midd-West had Grant Boop 5th and Lyncoln Hoffman 7th. Top Grove girl finishers were Lake Dent 8th and Isabel Clark 9th.

One of the great things about cross country is the clock determines who wins. Watching football last weekend was an embarrassment to all referees and rules officials. It used to be the ref 'swallowed the whistle' at the end of a game. This means that unless there was a clear penalty, let the play on the field determine the winner and loser.

There was a last play hail-mary in the Miami/Florida St. game where holding was called on an offensive linemen. I spoke to a few local football coaches who said it depends on who the ref was but they would argue that call every time if it went against them. What made it worse was on the next play when you didn´t give any chance to Florida State, the ref ruled an interception. The review clearly showed the receiver and defender both had control of the ball. In baseball the tie goes to the runner and in football, mutual possession goes to the offense. Why have replay if you don't have the guts to make the correct call.

The BYU/Notre Dame game ended with a pass interference no-call, which rarely happens. The game also ended with one second left on the clock. I can live with the PI not being called as there are too many of these calls and as I said earlier, let them play. After the Michigan game-clock fiasco earlier this year you would think they would have the timing of a football game figured out.

I understand that none of us are perfect and we can all be better, especially football refs with all the advancements in video technology and replays. I am not a fan of stopping the flow of a game for video review, but you have to get the call right if you have the means to do so. There is so much at stake in these games including jobs, passionate fans and above all else….gambling.

They used to say "on any given Sunday," and you can add Saturday to that as well with all the upsets college games last weekend. Get used to it because of more parity due to NIL and the transfer portal. Next year with the expanded playoffs (huge mistake) the five top 10 teams that were upset would still make the playoffs. This year there is no guarantee with the current twelve team format which keeps the regular season viable.

The NBA tipped off this week and it´s my least favorite professional sports league. Wake me up when the playoffs start and I'll get my basketball fix from Fordham University. The NY Knicks will not repeat as champions and the Sixers should be a fun watch but will not make it past the second round of playoffs. LeBron teams never win in the first year. Is Joel Embiid hurt yet?

The Oklahoma City Thunder will return to win the title as the Spurs Victor Wembanyama showed last year he isn't ready for primetime in the playoffs. Don´t be surprised to see the Thunder playing the Toronto Raptors in the finals.

Who knew that Usain Bolt was a stamp collector and enjoys a spot of tea while knitting?

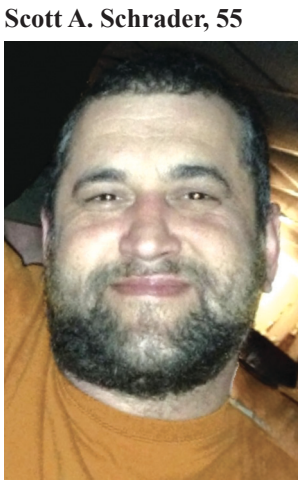
Scott A. Schrader, 55



Scott A. Schrader, 55, passed away suddenly on Oct. 18, 2026. He was born April 14, 1971 in Lewistown, PA. He was the son of the late Mildred (Dolly) Bickel & James Bickel and Carl Schrader and the late Vera Schrader.

He attended West Snyder High School.

Scott always lived life on the edge. Throughout his life, he had a passion for farming and trucking which carried him across the country. He covered many miles but always seemed to return home. His love of trucking later led him to become an ASE certified diesel technician working on big rigs, which led to him becoming an Assistant Manager for a truck stop. As he aged, his passion for farming took over which led him to work on various farms throughout the area. Seeking job stability, he later became a fork-lift operator for various companies, most recently working for Niagara Bottling Company. Scott hoped to one day raise cattle on his own farm. He had a great sense of humor and was a hard worker.

In his spare time he enjoyed watching and participating in tractor pulls as well as cooking. He was quite the food critic, nobody's cooking was as good as his own. He was part of the Buffalo Valley Antique Machinery Association and the Middlecreek Valley Antique Association, where he square danced with the Middlecreek Tractor Swingers.

WOW Supports Missions & Uplifts Neighbors in Need

Attendees of the WOW (Women's Outreach Works) of Messiah Evangelical Lutheran Church of New Berlin held its third public outreach event pack donations for the three featured organizations.

WOW (Women's Outreach Works) of Messiah Evangelical Lutheran Church of New Berlin held its third public outreach event on September 23rd at the New Berlin Fireman's Social Hall. The picnic style gathering drew 78 attendees and featured presentations from three regional service organizations: The Beacon Ministries Free Shop of Lewisburg, DIG in Milton and Union County Giving Closet of Lewisburg. Each presenter shared heartfelt messages about their specific missions and the positive impacts on the lives of those they serve. Their words inspired attendees to consider new ways to support one another and uplift neighbors in need.

Christy Brouse, speaking on behalf of The Beacon Ministries Free Shop shared that their desire is to give everyone the chance to live a dignified life, which includes being able to take care of their personal needs. A once monthly distribution is held on the 3rd Saturday of each month from 10 am- noon and is made possible through generous donations and the dedicated support of 22 volunteers! On average, they provide personal hygiene items and the "Big 3" of toilet paper, laundry detergent and dish soap to over 200 individuals/94 households. These are necessary items that cannot be acquired through WIC. To learn more about this ministry and how you might support them and/or share with a neighbor in need, please call (570) 524-0809 or visit: www.beavermethodist.org/beacon-free-shop-html or call

Emily Gorski, founder and director of DIG (short for dignity) Furniture Bank, located in Milton, shared their mission to restore dignity and promote stability by redirecting gently used furniture and household items to local families in need at no cost. This organization lives out its mantra of "There is enough for everybody." They believe that a furnished home lays the foundation for stability, confidence, and lasting change. To learn more about how to support DIG through donations of household items or monetary contribution and/or utilize their services, go to digfb.org or call (570) 658-9880.

Allison Collins, founder and director of Union County Giving Closet shared that their 501(c)(3) nonprofit organization provides new or gently used clothing to children age newborn through grade 12 whose families are enrolled in the Union County Food Bank program. Allison lovingly acquires personal preference information so that she can curate clothing packages of 9 outfits, twice each year for the children referred to their agency. All of this is made possible through the generosity of donors. For more information on supporting these children in need, please visit Union Giving Closet on Facebook or call (570) 524-4419.

Following the presentations, attendees engaged in conversation to process what they learned and share ideas on ways the WOW organizers may move forward to strengthen connectivity of these and other outreaches across our communities. Our next WOW event, "A Flurry of Faith" will be held January 20, 2027 with a snow date of January 27. Stay tuned for more information!

Juniata Christian School Hosts Grandparents Day

Juniata Christian School students welcomed loved ones into their classrooms for the school's annual Grandparents' Day, Wednesday, Sept. 23. Grandparents spent time with students creating crafts, assisting in classroom activities, reading together, and enjoying a scavenger hunt.

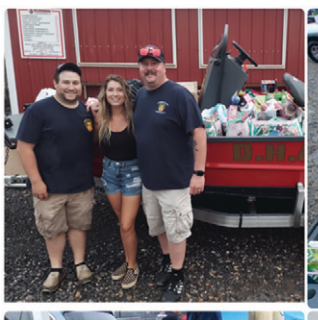
Community Generously Supports Toy Drive

By Jamiee Joiner



When Kelsey Folk first launched her online custom clothing and personalized merchandise business, Dirt & Dahlia Custom Apparel, she celebrated her business birthday celebrations quietly with just herself, her baby, and a cupcake. Marking the business's fourth anniversary this year, however, Folk decided to trade a quiet moment for a full-scale community celebration with a charitable cause at its heart.

Folk organized a community night and birthday bash at the Selinsgrove Speedway to gather toy donations for local children. The decision to host this event at the racetrack came easy. Kelsey's dad has been bringing her there since she was three years old. She grew up at this racetrack, and it's like she's got racetrack dirt in her blood. It's truly a family affair as she now brings her daughter to the racetrack as well, and some of the friendships she has made throughout her lifetime have started there.

Just as the event was getting started, the rain started pouring down, and this was not just a light rain, this was the heaviest rain we've seen in our area in quite some time. Everyone was soaked despite having a pop-up tent or not, but that didn't stop the good time, the good vibes, or the good cause that they all got together to celebrate. Having personally donated 131 toys to the DH&L Fire Company's annual Christmas drive the previous year, her goal for this event was to reach at least 200 items, and just like the rain, the donations poured in, and local vendors and community members turned out to support the effort. The birthday bash not just surpassed its initial goal, it knocked it out of the park, gathering over 560 toys!

All items collected during the event were donated to the DH&L Fire Company's toy drive to support the Snyder County Children and Youth Christmas toy giveaway. I cannot think of a better and more generous way to spend a business birthday celebration!

Susquehanna University Chorale and Choir to Present Combined Concert

Susquehanna University's Chorale and Choir will perform a combined concert at 2:30 p.m. Sunday, Nov. 1, in Stretansky Concert Hall in the Cunningham Center for Music & Art. All performances are free and open to the public.

The University Chorale, under the direction of Amy Caron, adjunct voice instructor, will perform a program of pieces from contemporary composers. These songs include Bob Dylan's "The Times, They are A'Changin'" as arranged by Adam Podd, Dolly Parton's "Light of a Clear Blue Morning" as arranged by Craig Hella Johnson, and Jacob Narverud's "Ad Astra." The concert will feature performances by senior soloists Isabella Lapetina, of Middleburg, Pennsylvania, and Jason Petersen, of Cambridge, Massachusetts.

Under the direction of Amy Voorhees, associate professor of music and director of choral activities, the University Choir will perform the program "Still Waters, Voices Rising." This program explores the journey from quiet reflection to shared expression and the ways individual voices rise together to create something greater than any one voice alone. Its component pieces feature works by Anders Edenroth, Ola Gjeilo and Jans Pieterszoon Sweenlinck.

Following the Choir's performance, Voorhees will lead the University Chamber Singers in performances of works by Johann Wilhelm Hassler, Paul Williams & Kenneth Asher and Charles B. Lawlor.

Snyder County 4-H Horse Judging Team Earns State Honors and Advances

Snyder County House Judging Senior team members will compete in October at the Quarter Horse Congress 4-H Horse Judging Contest after winning first place in Pennsylvania at the June competition

Chloe Renard

Hannah Weikel

Gradie and Cali Shaffer

SELINSGROVE, Pa. –Talented Snyder and Northumberland County 4-H members have earned the opportunity to represent Pennsylvania on the national stage following outstanding performances at the Pennsylvania 4-H Horse Judging Contest.

The Snyder County senior team, consisting of Cali Shaffer, Gradie Shaffer, Hannah Weikel, and Becca Willis, captured first place in the Senior Team Division at the state contest. The team is coached by Angelina Shaffer.

The Pennsylvania 4-H Horse Judging Contest challenges youth to demonstrate their knowledge of equine conformation, movement, breed standards, performance disciplines, and horsemanship. Contestants evaluate classes of horses, rank them according to industry standards, and provide oral reasons to defend their decisions. The contest is designed to strengthen critical thinking, decision-making, communication skills, self-confidence, and equine science knowledge while fostering sportsmanship and educational growth among 4-H members.

As state champions, members qualified to represent Pennsylvania at two prestigious national events.

All American Quarter Horse Congress Horse Judging Contest

The team will compete at the All American Quarter Horse Congress Horse Judging Contest, held October 13-15, 2026, at the Ohio Expo Center in Columbus, Ohio. Team members representing Pennsylvania will include: Cali Shaffer, Gradie Shaffer, Hannah Weikel, Becca Willis

Eastern National 4-H Horse Roundup

In addition to the team championship, several Snyder County members received top individual honors at the state contest, earning the opportunity to represent Pennsylvania at the Eastern National 4-H Horse Roundup, scheduled for November 6-8, 2026, in Louisville, Kentucky:

1st Place Senior Individual – Gradie Shaffer, Snyder County

2nd Place Senior Individual – Cali Shaffer, Snyder County

4th Place Senior Individual – Hannah Weikel, Snyder County

Joining the Pennsylvania delegation for the Eastern National 4-H Horse Roundup will be Chloe Renard of Northumberland County.

Pennsylvania's 4-H Horse Judging Program helps youth develop valuable life skills while deepening their understanding of horse selection, management, training, and performance evaluation. Through competitive judging contests, participants gain experience in observation, analysis, decision-making, and public speaking while building relationships with fellow 4-H members from across the Commonwealth.

The team is also working diligently to raise funds to support travel, lodging, and participation expenses associated with these national competitions. To date, team members have successfully conducted two fundraisers, with additional fundraising activities currently being planned. Community support plays an important role in helping these youth take advantage of these educational opportunities and represent Pennsylvania on the national stage.

Individuals and businesses interested in supporting the team may make a contribution to the Snyder County 4-H Foundation. Donations may be mailed to Snyder County 4-H Foundation, 713 Bridge Street, Selinsgrove, PA 17870, Attn: Kathy Weller. The Snyder County 4-H Foundation is a 501(c)(3) charitable organization, and contributions may be tax deductible as allowed by law. Information about upcoming fundraisers and opportunities to support the team can be found on the Snyder County 4-H Facebook page, where fundraising updates and event announcements are regularly posted.

"Being the first Snyder County team in 25 years to earn this recognition shows the dedication of these young people and reflects many hours of study, and practice. As they prepare to represent Pennsylvania at both national competitions, the team continues its fundraising efforts and welcomes support from individuals, businesses, and community organizations throughout the region," shared Snyder County 4-H Educator Kathy Weller.

Snyder County 4-H is proud of these members and their coach for their outstanding achievements and wishes them success as they represent Pennsylvania at the All American Quarter Horse Congress and the Eastern National 4-H Horse Roundup.

For more information about supporting the team or about the Pennsylvania 4-H Horse Program, contact the Snyder County Extension Office or visit extension.psu.edu.

FLASHBACKS

S.S. Baker was more commonly know as Doc, perhaps because he manufactured his own "medicines", which he sold for "illness and injuries." His McClure store, shown in 1906, was called a "racket shop" and sold "a little bit of everything." The building also served as a lodge hall for the Red Men, a popular fraternal organization at the time.

FCFP Fall Grant Opportunities to Strengthen Communities Due Nov. 1

First Community Foundation Partnership of Pennsylvania (FCFP) is inviting nonprofits to apply for fall grant opportunities supporting community life in Lewisburg, and positive youth development across five counties. Applications for all three grant cycles are due November 1, 2026, for programs or projects scheduled to begin in 2027.

"FCFP is excited to offer a variety of grantmaking programs to our local nonprofits, especially funding opportunities that address specific needs or enhance neighborhoods in the community," said Betty Gilmour, FCFP's Director of Grantmaking. "These current grant cycles offer nonprofits a more strategic approach to funding requests, possibly allowing for greater success in receiving dollars for their program."

The Lindig Lewisburg Foundation Fund has $5,500 available for projects benefiting the religious, charitable, educational, cultural, recreational or economic welfare of the Borough of Lewisburg. Established by the late Charles F. Lindig through his estate, the fund supports civic projects that benefit borough residents. Organizations outside Lewisburg may apply only if a major function of their program or project serves the borough. Organizations that have received funding from this fund within the past five years are not eligible.

Century Fund for Strong Neighborhoods- One $25,000 grant is available for an initiative supporting Positive Youth Development for adolescents ages 13 to 17 in Lycoming, Montour, Northumberland, Snyder or Union counties.

Positive Youth Development focuses on building young people's strengths, leadership and ability to shape their own futures. Programs should engage teens as active partners in their development.

Established in 2016 through FCFP's 100th anniversary campaign, the Century Fund for Strong Neighborhoods supports civic, economic development, recreational and youth initiatives throughout the five-county region.

Applicants must be qualified to receive tax-exempt contributions under IRS requirements. Eligible applicants generally include 501(c)(3) organizations and qualifying units of local government. Organizations without 501(c)(3) status may work through a qualified 501(c)(3) organization willing to serve as their fiscal sponsor.

Visit FCFPartnership.org/grants for grant guidelines and application information. All applications are due November 1, 2026. For questions, contact Betty Gilmour, Director of Grantmaking, at BettyG@fcfpartnership.org or 570.321.1500.

Drinks for Pink: Breast Cancer Awareness

By Kay Poeth

October is Breast Cancer Awareness Month. Drinks for Pink will be hosted at the Selinsgrove VFW Post 6631 on Thursday, October 29 beginning at 5 pm. Raise a Glass/ Raise Awareness as we support those in the fight against breast cancer, those who survived breast cancer, those families affected by breast cancer.

This year we are especially sharing in support of Kristine Horten. "For the past two years, I've been honored to host Drinks for Pink with the incredible support of the Selinsgrove VFW and VFW Auxiliary, bringing our community together to raise awareness and support the fight against breast cancer. This year, the event holds a much deeper meaning for me personally, as I was recently diagnosed with breast cancer and am now recovering from surgery, making this cause closer to my heart than ever before.," said Kristine Horten.

Adults ages 21 and older are invited to attend.
