2026 Memorial Stair Climb: Honoring Courage With Each Step

By Kay Poeth

The 2026 Memorial Climb was held at Midd-West High School Stadium on September 12. Firelighters from the area and community members were invited to participate.

The 2026 Memorial Stair Climb was a tribute to the 343 FDNY firefighters who lost their lives responding to the World Trade Center attacks. The goal of the Memorial Stair Climb is for each participant to climb 2200 steps which is the equivalent of the 110 stories, symbolizing the height of the Twin Towers, and the heroic efforts of the 343 firefighters who died during the September 11, 2001 attacks. It is a time to honor the fallen firefighters' sacrifice, courage, commitment and service to others.

The 2026 Memorial Climb was held at Midd-West High School Stadium on September 12. Firelighters from the area and community members were invited to participate. Firefighters were encouraged to participate in the stair climb in full gear. Three firefighters from Northumberland and Caleb Peterson from Reliance Hose completed the challenge in full gear.

Approximately, 15 people participated with additional spectators. Rep. David Rowe and Diane Ginter, President of the Pennsylvania Fallen Firefighters Foundation (PAFFF), gave opening remarks. Zachary Peterson offered the Opening Prayer.

Rep. Rowe noted in his remarks, "It is estimated that 100 million Americans are too young to have personally witnessed the tragic and horrific events of 9/11/2001. Events like this are critically important to remind the next generation of the events of that fateful day and of the courage shown and sacrifice made by first responders who risked their lives in the line of duty." Rowe continued by saying, "Thank you to Caleb Peterson, Diane Ginter, and the Reliance Hose Company #1 for organizing this event!"

The Memorial Stair Climb was scheduled for 8:46 am, the time that the first Tower was hit on September 11, 2001.

The event was organized by 17-year-old Caleb Peterson,a Junior firefighter, with assistance from with Reliance Hose Company #1 in Middleburg. Caleb is working towards obtaining his EMT certification.

The Memorial Stair Climb was sponsored by Middleburg Title & Tag and the Foor Family. Additional donations were provided by Wenger's Grocery Outlet, Master's Beverage, Cole's Hardware, and Nina's Italian Grill. All proceeds raised will be donated to the PA Fallen Firefighters Foundation to build the Pennsylvania state memorial, to ensure those firefighters who made the ultimate sacrifice would be permanently honored and never forgotten.

Crash Closed a Portion of Main Street in Middleburg

Drivers were advised that South Main Street (SR 522) was closed between Water Street (SR 522/SR 104) and South Wassau Road, in Middleburg, on Wednesday morning September 30, 2026 for an overturned tractor trailer. A detour was setup using Paxtonville Road. The road was closed for several hours for clean up.

Special Workshop & Evening Dance to Feature Contra and English Country Dance

Gaye Fifer, a nationally known caller will lead both an afternoon workshop for English Country Dance and Contra Dance from 2-5 pm and an evening program beginning at 7 pm with a mix of both on Saturday, October 10.

Countryside Contra Dance and Bloomsburg English Country Dancers are sponsoring a special workshop and dance event on Saturday, October 10, at the Donald Heiter Center, located at 100 N. 5th Street in Lewisburg. Registration for the workshop and for the evening dance is required. Registration information will be available through Facebook for either group or by emailing lewisburgcontra@gmail.com.

Gaye Fifer, a nationally known and accomplished caller from Pittsburgh, will lead an afternoon workshop for English Country Dance and Contra Dance and an evening program with a mix of both. An active dancer herself, Gaye understands the subtleties of making dances particularly satisfying for dancers. Her instructions are clear and concise. An easy smile and delightful sense of humor are part of Gaye's relaxed, pleasant style at the microphone.

Live music will be provided by Bruce Young from State College and Jill Smith from Lancaster. Live music is the heartbeat of an English country dance and Contra Dances, turning simple walking steps into a shared experience.

The English Country Dance and Contra Dance workshop will be from 2 to 5 pm. The evening dance featuring a mix of English Country Dance and Contra Dance will start at 7 pm and run till 10 pm. There will be a dinner break between the workshop and evening dance. Dinner will be on your own.

Admission to the workshop is $10 for adults, $5 for students age 17 and up (with student ID) and free for those 16 and under. You can sign up for both the workshop and the evening dance for the reduced fee of $20. ($10 for students).

English Country Dancing is a traditional social folk dance style that originated in England and dates to the mid-1500s. All dances will be taught and called by Gaye Fifer. The workshop will be an introduction to the figures called. The evening dance will build on that workshop.

Contra Dance uses figures or patterns that are similar to square dancing but unlike square dancing, any even number of people can dance because Contra Dancing is done in long lines of two people instead of squares of 8 people. It has mixed origins from English country dance, Scottish country dance, and French dance styles in the 17th century. Sometimes described as New England folk dance or Appalachian folk dance, contra dances can be found around the world.

Countryside Contra Dancers hosts dances on the second Saturday of every month from September through May. All dances are held at the Heiter Center in Lewisburg.

CHASE DIETZ DOES IT AGAIN AT WILLIAMS GROVE, NATIONAL OPEN THIS WEEKEND

Chase Dietz of York PA made it two wins in a row on Friday night at Williams Grove, but this time he had a little bit of luck. Chase did it all earlier in the night setting fast time in time trials, and then he won his heat race, and later won the 6-lap dash that set up the first six rows for the feature. He led the early laps of the feature, but on lap three Justin Whittall overtook Dietz and was leading the feature and pulling away from Chase. Then with less than ten laps to go Whittall came to a spinning stop in turn three and was out of the feature with mechanical issues on his #67 410-sprint. Chase assumed the lead and led the rest of the way for his third win on the year at the Grove. His eight-career win there and his 22nd win this season. Chase admitted in victory lane how lucky he was. "This was Justin's race to win. He was better than us and was pulling away from me until he came up lame with only a few laps left. We will take it. I have been in those situations leading and lost because of a flat or something else. I hope we are doing this good and a little better for this coming weekend when the WOO series will be here. I won the race last year on Friday, but the big one on Saturday. It is the one I really want to win". Logan Rumsey placed second, with Dylan Norris, Buddy Schweinbinz again in the Kreitz #69K and Lance Dewease in the top five. Reece Raudabaugh of Boiling Spring PA, drove his #1J 358 sprint car to a easy win in one of his very few starts in this division. Reece has been running with the 305-sprint series most of the season. "We had this 358-engine sitting in back of the garage and thought let's give it try on Friday night. Boy, am I glad we did the thing ran great all night and I was told I had a big lead most of the race". Noted Reece. Brock Hammaker was second and clinched Rookie of the year honors in the 358-sprint class; third was Chance Hendershots with Eli Tuckey and Adam Carberry in the top five. With his 12th place finish in the feature Derek Locke of Mechanicsburg Pa wraps the 358-sprint points title his fourth of his career at the Grove.

This Weekend the season comes to a close at Williams Grove with two nights of the National Open with the WOO of outlaws in town for the two-day show. On Friday night, the winner will collect $12,000 for the feature win while on Saturday the winner will get $75,000. Also, after Saturday the track will crown its 410-track champion, with Troy Wagaman Jr leading Chase Dietz by 140 going into this weekend's action with Danny Dietrich another 380 back. So far in the four WOO series races run at Williams Grove Kasey Kahne in Macri 39 scored a win back in May as did David Gravel. In July two races were won by Buddy Kofoid, and Gravel again. Justin Whittall with a second back in May and Logan Rumsey with a second in July and Daryn Pittman in the Kreitz #69K a second in July also have been the best runners for the Posse against the WOO series. David Gravel will be the favorite of the WOO series side having won the open in 2017 and 2024, with two wins in four races, and a third in the other July race. Buddy Kofoid, Sheldon Haudenschild, and Carson Macedo are other top WOO drivers expected to be up front. Also reports have Anthony Macri is expected to be back in the family owned #39M for this weekend's races, with Daryn Pitman in the Kreitz #69K.

The Four Crown championship was run at Eldora speedway last weekend with 410-sprints Wingless 410-sprints Silver Crown cars and Midgets. In the 360-sprint action Jason Shultz of Carlisle PA was on hand driving the Kirk Ritter of Middleburg #35 with Jason placing second in the first heat, which helped him start on the pole for the feature where he placed fifth in the feature behind Parker Price Miller Anton Gennetten, DJ Christis Zane DeVault. USAC sprint was won by Kyle Cummins on Saturday over Justin Grant, with Briggs Danner of Allentown PA driving the Tim Houge #39 won the Thursday night feature. Briggs also drove in the Silver Crown event, placed 7th in the feature with another PA driver Carmen Piergo of Stoystown finished 8th in the feature that was won by Daison Pursley, over Brady Bacon, and Matt Westfall. The High Limit feature was won by Ryan Timms on Friday night over Gio Schelzi, Tanner Holmes, Brady Bacon and Tyler Courtney with Saturday feature going to Rico Abreu over Scelzi, Timms, Aaron Reutzel, and Holmes. Holmes scored the feature win at Kokomo speedway in Indiana on Sunday night a make-up race from last week, which is part of the mid-week series of races put on by the High Limit series. Chase Randall, Daison Pursley, Kasey Jedrzejek, and Justin Peck in the top five. With his 12th place finish, Brent Marks of Myerstown PA is that series points champion with 846 points to 831 for Aaron Reutzel.

Weather took care of most of the weekends racing events with Hagerstown , Winchester, Lincoln and Path Valley all getting rained out. One track that survived was Bedford which was able to get their two-day show in the books.

Things started out on Friday with the Limited late models running a special race with Spike Moore getting his third win of the season and second in a row in this class over Kyle Lear. Kyle who won the points championship by 63 points over Gunner Walls. George Dixon Jr was second in the feature with Gunner Walls, Brian Booze and Shawn Shoemaker in the top five. Saturday with bad weather all around. Bedford pressed forward and got their final race of the season in the books. It was the running of the Ninth annual Keystone Cup race paying $20,000 to win for the super late models and $1,000 to take the green. 33-drivers signed in for the night's action with Mason Zeigler setting fast time over the two groups of qualifying. Mason also won his heat race along with Gregg Satterlee, Hayes Mattern and Trevor Feathers with JT Spence winning the B-main. The event started with 25 drivers with Spike Moore getting track provisional to start the feature. Gregg Satterlee started on the pole and led all 55-laps of the feature, with only a few close calls during the feature. Gregg dealt with lapped traffic in a race that had only one caution for a flat tire on the JT Spence #91. Near the end, Mason Zeigler who started 6th , got to the back on Satterlee. However, with the track taken rubber there was no room to make a pass as the lapped cars were just as fast as the front runner. Gregg followed a pair of lapped cars for the last ten laps of the feature. Winner Gregg Satterlee was not in his usual Rocket chassis but in a car designed by Brian Daugherty. It was only the third time Gregg drove the car and got the win and his second keystone cup win the other in the 2020 race. Overall Satterlee has 12 feature wins this season with seven coming at Selinsgrove, two at Bedford and one each at Hagerstown, Port Royal, and Lincoln. Mason Zeigler drove from his sixth starting spot to a second. Zeigler won this race in 2024. "The redraw did us in again it has bit me a few times this year. Maybe I could have made it a better race, but till I got to Gregg late in the race the track was rubbed up". Zeigler will be racing the next three Weekend with special race at PPMS speedway near Pittsburgh, Eldora speedway and West Virginia Motor speedway, with all three races sanctioned by the Lucas Oil series. Trevor Feathers picked up a ride in the Roland/ Mann #72 thanks to their regular driver Tylor Emory calling Trevor and asking him drive there XR2 Rocket chassis. Trevor drove to a third-place finish and loved the way the car performed. "I have a XR1 rocket but after driving this I may have to think about things a little different for next year." Trevor will drive this car a few more races yet this year. Hayes Mattern and Justin Weaver rounded out the top five with Andrew Yoder, Jason Covert, Trevor Collins Dylan Yoder and Jakob Piper in the top ten.

Hayes Mattern of Beavertown had a good Saturday night of racing at Bedford speedway, a track he has not raced at since the 2022 season had a solid night at Bedford with having the third fastest time trial in Group B then going on to win his heat race. After the pill draw Hayes started fourth in the feature and was sticking with the top group of cars passing one and staying in sight of the leader Gregg Satterlee. A restart hurt him and he fell back to fourth place and that is where he finished but again was staying in track of the lead trio of Satterlee, Zeigler and Trevor Feathers. "We cannot hang our heads after went down tonight we hung with a good group of regional racers that run these types of races all the time. We did a few changes on the car, but not too many and the car was pretty solid the whole night", Noted Hayes. With the good run could have more races at Bedford on his schedule for the 2027 season. "We will have to wait and see what the Selinsgrove and Port Royal schedules look like first and then decide". The was the final race for Hayes this season , who at Selinsgrove his hometown track he had Six top ten and five top five runs at the track this season.

Andrew Yoder of Middleburg Also had a good night at Bedford, placing second in his heat race behind heat and feature winner Gregg Satterlee. Andrew stayed in the or near the top five all features long and ended up with a sixth-place finish. Andrew placed fourth in super late model points at Selinsgrove and third in the limited late model points where he scored two limited late model feature wins. His cousin Dylan, also of Middleburg, started the feature at Bedford in 19th spot after placing fifth in the second heat and went on to score a 9th place finish. Dylan has been in his dads Jim #27 for the last half of the season after his roll over in a feature race at Selinsgrove earlier this summer. Dylan was sixth in the final point standings at Selinsgrove and fifth at Port Royal.

Jason Shultz, as we told you in my column what he did at Eldora has been running most of the 410-sprint show at Selinsgrove with one fourth place finish his best run. Jason scored a 360-sprint car feature win at Port Royal speedway back on July first beating Adam Carberry and Michael Walter, and also a 360-sprint feature win on July 10th at Selinsgrove beating Seth Snoke and Michael Walter who is from Selinsgrove. Jason drives for Middleburgh resident Kirk Ritter.

Ken Duke of Winfield won a championship last weekend and did not even have to race. Not that he wanted to end that way. The Pass 305-sprint series was scheduled to race at Hagerstown on Saturday for the last series point race of the season, but the weather had that race getting cancelled. Chris Dolan would have to have a major turn of event to take the title away from Duke had the race been run. Duke has also won the series titles in the 2016, 2019, and 2024 season, and was the IMCA National series champion in the 2019 season, he finished the points season with two wins eight top fives and 18 top ten finishes in 26 races, with the series getting rain out 11 times. Duke also placed sixth in the final 305 sprint points standings and is sitting in second place in the Selinsgrove points with two point shows left in the season on October 9-10. Chris Dolan is 180 points in front of Duke.

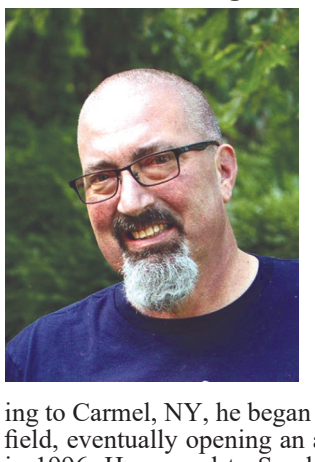
Shawn Steven Arbogast, 53, of Mt. Pleasant Mills



Shawn Steven Arbogast, 53, of Mt. Pleasant Mills, PA, passed away peacefully Thursday, September 24, 2026, surrounded by family and friends. Born January 18, 1973, in Binghamton, NY, he was the son of the late Steven Eugene Arbogast and Thelma Mae (Hollenbach) Arbogast.

Shawn graduated from Union-Endicott High School in 1991. After moving to Carmel, NY, he began his career in the automotive field, eventually opening an auto body shop in Peekskill in 1996. He moved to Snyder County, PA in 1998 and took pride in carrying on his family's farming legacy on their farm in Middleburg, which held a special place in his heart. Shawn loved watching his daughters discover the simple joys of farm life that meant so much to him growing up.

In February 2013, Shawn met the love of his life, Jacqueline, and they married in August 2017. Together, they built a life rooted in love, hard work, and dreams of someday moving to the Southwest after an unforgettable trip to Sedona, AZ.

Since 2013, Shawn spent his days behind the wheel, most recently as a fuel hauler for Shine Transportation. He loved taking in the sights along the open road. His travels took him near and far, including trips to Connecticut, where he treasured visiting his sister and nieces.

True to his Arbogast and Hollenbach roots, Shawn was determined and never one to back down from a challenge. Shawn loved being surrounded by family, especially those who loved and accepted him just as he was. He found his greatest joy in simply being together, laughter, and the comfort of those he loved unconditionally.

Shawn is survived by his wife, Jacqueline Arbogast, of Mt. Pleasant Mills, PA; his daughters, Karleigh Arbogast, of Dickson, TN, and Makayla and Averie Arbogast, of Selinsgrove; his stepson, Zachary Flory, of Mt. Pleasant Mills; his sister, Amber (Gordon) Russo, and nieces, Elianna and Addyson Russo, of East Granby, CT; extended family and dear friends; and his beloved dogs, Tank and Sophie.

Shawn, you are deeply missed. We find comfort knowing you were welcomed into eternal life by Mom and Dad and so many who loved you and went before you. We love you and will hold you forever in our hearts until the day we meet again.

To honor Shawn, take in the beauty along the way, give a wave and a little extra respect to the truck drivers who keep us moving, and never miss a chance to find humor in the little things.

A Celebration of Shawn's Life will be held on Sunday, October 11, at 1:00 p.m. at New Hope Baptist Church, 8709 US-522, Middleburg, PA.

In lieu of flowers, donations in Shawn's memory may be made to the Max Vincze Foundation at https://max-vfound.org/, supporting research for new treatments for NUT carcinoma.

Anthony "Tony" Jon Aumiller, a beloved husband, father, grandfather, and friend, passed away on August 24, 2026, after bravely facing heart problems for several years.

Born on April 21, 1956, in Beaver Springs, PA, Tony was the cherished son of the late Norma June and Joel Aumiller. Tony's life was a beautiful tapestry of love, family, and service. He was the devoted husband of Jacqueline K. Aumiller, with whom he shared 23 years of marriage filled with joy, gardening, and the companionship of their many adored pets. Together, they created a life brimming with shared passions and laughter. A proud graduate of West Snyder High School's Class of 1974, Tony dedicated 25 years of his career to the Selinsgrove State Center.

Upon his retirement, he found his way to the sunny shores of Myrtle Beach, drawn by the warmth of his daughters and grandchildren. Tony's legacy is lovingly carried forward by his daughters, Renee Mencken and her husband Scott, and Dayna Booth and her husband Travis. He was also a cherished stepfather to Arielle Ard and Holly Gonzalez, alongside her husband Chris Jarrell. His life was further enriched by nine treasured grandchildren: Grace, Luke, Elijah, Samuel, Oliver, Isaac, Zeke, Silas, and Carmen, who brought boundless joy to his days. He is also survived by his siblings, Joy Wagner and her husband Noah, and Dexter Aumiller and his wife Robin; and several nieces & nephews.

A man of many passions, Tony was an avid fisherman who found peace on the water with his best friend, Allie. His adventurous spirit was marked by the pride he took in an alligator skull, a trophy from his memorable catch. Tony's green thumb was evident in his flourishing garden, especially his beloved tomato plants. He was a true enthusiast of US history and the weather, and cherished the simple pleasure of sharing coffee with his close-knit circle of friends every Tuesday and Friday. His commitment to community and fraternity was exemplified by his active membership in the Master of Middleburg Lodge No. 619 F. & A.M. of Pennsylvania. Tony's leadership and wisdom earned him the esteemed title of Past Master in 1994, and he further distinguished himself by becoming a 32nd Degree Mason in the Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction. He lived out the values of reverence for God, justice, tolerance, and service to humanity. Tony's kindness, patience, and ever-present smile were hallmarks of his generous spirit. He never missed a moment to support his grandchildren, attending every game, concert, play, and birthday with pride and love.

A remembrance to honor and celebrate Tony's life will be held on August 30, 2026 at the Cooper House, 6011 Dick Pond Road, Myrtle Beach, SC at 2:00pm.

In lieu of flowers, the family kindly requests donations to the Grand Strand Humane Society, in Tony's memory, continuing his legacy of generosity and compassion for pets.

As we bid farewell to Tony, we remember a life well-lived and a heart that touched all who knew him. His memory will forever remain a guiding light for those he loved and those who loved him.

Hollidaysburg Veterans Home Christmas Collection Being Held

By: Kay Poeth

Each year the Union County Veterans Foundation's holds a Christmas collection to benefit the Hollidaysburg Veterans Home. 100% of the donations benefit the residents.

This year, the Christmas Collection is being held in honor of Guy Stover. He has many connections to the Union County WW2 Honor Roll, Veterans, and the Hollidaysburg Veterans Home. Guy passed on April 19, 2026 at the age of 94. "He never looked for praises. He was never one to boast. He just went on quietly working, for the ones he loved the most."

Guy was a proud Army veteran who served during the Korean Conflict, the Forgotten War.

He was in the U.S. Army from March 31, 1953- March 30, 1955. Al Hess, one of the founders of the Union County WW2 Honor Roll, and Guy were "joined at the hip buddies."

"Guy was the caretaker of the Union County WW2 Honor Roll and the grounds from the day it was dedicated. He cared for it like it was his very own: weeding, trimming the bushes, picking up any foreign objects, and mowing the lawn right up to the last year," said Doug Walter. Both Tracy and Doug Walter miss their monthly visits from Guy when he would stop to pick up his check for his caretaking duties.

Guy was also the first person to ask "What do you need me to do?" if there were any special projects being planned.

"Guy was always a part of our trip to Hollidaysburg when we made the delivery of donations," explained Walter. "The young lady we interact with is Emily McDowell. We are to the point, after all these years, we meet and depart with a hug. The year Emily and I first hugged, Guy quickly quipped, 'Do I get a hug too?' Of course, he got one!"

The Union County Veterans Foundation is accepting, new with tags, sweat pants and tops in sizes Small to 3X. Donations of gift cards from Weis Markets, Giant and Walmart are also being accepted. Cash and checks should be made out to the Hollidaysburg Veterans Home. All money is deposited in a general fund to treat the residents with special meals and day trips. The gift cards are used for special treats including birthday cakes and other party items. One HVA newsletter featured a gorgeous cake purchased with one of the gift card donations.

For more information on the benefit or the program, contact Doug Walter by email at: maeppa@ptd.net or call 570-713-8919. Send check earmarked HVA to Union County Veterans Foundation at 916 Washington Avenue, Lewisburg PA 17837. Donations can also be dropped off at the Veterans Day Ceremony being held on Saturday, November 7 beginning at 11 am Mifflinburg Park. Robert Lauver is the guest speaker.

Free Workshop for People Joining Medicare

People who are new to Medicare are invited to attend a "Get Ready for Medicare: The Basics for People Who Are Joining", a free community workshop on October 7th, 2026 from 11am-noon at Herr Memorial Library, 500 Market Street in Mifflinburg. This event is sponsored by the Northumberland & Snyder/Union County PA MEDI programs in coordination with the Pennsylvania Department of Aging.

This workshop is specifically designed to assist people who will be enrolling in Medicare, either because they will turn 65 years old or because they receive Social Security disability benefits. The workshop is also appropriate for spouses and caregivers.

Roughly 100,000 Pennsylvanians enroll in Medicare each year. Many struggle to make the right decisions about their coverage because they do not have clear information. The Medicare enrollment process is complex and there are key decisions that must be made according to strict deadlines. There are also programs available that can help Medicare enrollees save money. Beneficiaries are encouraged to take advantage of this opportunity to get information from highly trained people who will offer unbiased advice.

To register, please call 570-524-2100. The Union-Snyder Agency on Aging is a local affiliate of PA MEDI, a program of the Pennsylvania Department of Aging, the designated State Health Insurance Program (SHIP) in Pennsylvania. SHIPs receive grant funding from the Centers for Medicare and Medicaid Services to provide direct, local assistance to Medicare beneficiaries through one-on-one, counseling sessions (both in-person and over the phone), presentations, and public education programs.

PA MEDI is a free service provided by the PA Department of Aging and is funded in whole or part by a grant through the Administration for Community Living

The Selinsgrove girls soccer team is rolling as they won three games this past week without allowing a goal. Sisters Addison and Morgan Wenzel scored both goals and Addison added an assist in a 2-0 win over Troy. Earlier in the week Addison scored the winning goal in a 2-0 shutout of State College. Morgan had five points in a 5-0 win over Central Mountain. Lewisburg split their two games last week beating Montoursville 3-1 and falling 8-1 to Central Columbia.

Lewisburg boys soccer (9-1) shutout Central Mountain 4-0 with 18 shots-on-goal against one and Jack Kohl had an assist and two goals. The Green Dragons followed that up with a 5-0 win over Milton thanks to Eli Abunassar´s hat-trick.

Lewisburg´s main competition Midd-West is (8-2) after picking up three easy wins last week. They beat Shik 5-0 with well-balanced scoring, five players scored a goal with Gabriel Romig getting three points. The Mustangs beat Sock 5-1 with Abram Sellers having three goals and an assist. Ten players scored points in a dismantling of Shamokin 8-0 led by Evan Devine's five points. Mifflinburg (1-8-2) lost 5-0 to Hughesville and tied Shik 1-1.

Midd-West field hockey (7-2) were hanging onto a 1-0 lead with Aubrey Resseguie's goal in the first quarter. They added three more in the final five minutes to beat Northwest 4-0. They beat a tough Milton team 3-1 as Josephine Boyd had two assists.

Selinsgrove also beat Milton 1-0 on a Violet Shaffer goal with under three minutes left. Shaffer had six points in a 7-1 win over Danville in a good team effort by the Seals. The highlight was a goal from all-state goalie Bella Furgison.

A side note about Milton… They were never really good in field hockey and are currently 6-4 after playing the really good trifecta of Midd-West, Miff and Grove this past week and could have won two of them.

I met their coach, Brandee Krall five years ago when she started coaching at Milton and she told me they would get better. That´s an understatement as they held their own against our local powers. Congrats coach Krall for keeping your word.

Miff's Amelia Fluman's goal in the final two minutes beat that vastly improved Milton team 1-0. Earlier in the week they beat Southern Columbia 8-0 in their first game on the much anticipated and needed new turf field. Clearly Maize Sauder liked the faster pace as she scored four goals and Kira Shoemaker and Ansleigh Thompson each scored twice.

Miff coach Emily Stauffer said ¨I am so excited that our girls finally have a home surface that is going to better prepare us for the post season. I am excited to see our transition from a grass team to a turf team.¨

This was never more evident when host Mifflinburg stayed undefeated in shutting out yearly nemesis Selinsgrove 1-0 in overtime Monday night. Freshman Kenley Flickinger scored on a feed from Shoemaker 8:16 into OT. I cannot remember the last time Selinsgrove didn´t have a shot on goal.

Lewisburg (6-2-1) is peaking at the right time as they haven't lost in their last six games. They beat a good Central team 2-1 as Cadence Shoeman scored both goals and Anna Lutze had both assists. It was a scoreless tie against an evenly matched Bloom (5-3-1).

The Seals golf team beat Miff 380/409 in a tri-meet with Shik who beat them both. Grove's Tanner Fry shot a 92 and Miff´s Calen Loss a 93. The Cats lost to Warrior Run 181/195 despite Loss's medalist round of 42. Calen´s younger sister Colbie shot a 47 for a 159/179 win in the girl´s match. I´m not sure their father Jed could beat either one anymore…? Lewisburg (7-1) beat Montoursville 173/184 because of Bryce Bussom´s one over 35.

Lewisburg girls tennis lost 3-2 to Hughesville where No. 1 singles Dayssi Weis won 6-2,6-3. Weis was the only Green Dragon to score a team point in a 4-1 loss to Central Columbia. Mifflinburg (2-11) lost 5-0 to Muncy.

In boys cross-country, Midd-West swept a quad-meet with Danville, Shore and Bloom. The Mustangs placed three in the top 5 with Grant Boop first and Lyncoln Hoffman second. The girls beat Danville 20-39 with top of the lineup depth. Six of the top 7 finishers were from Midd-West led by Evelyn Weiser, just a fifth of a second behind the fastest time.

The Lewisburg boys (8-3) and girls (9-2) beat both Selinsgrove and Shik in a tri-meet. Thomas Graham and Tyler Confer led the boys finishing first and second. Grove lost to Shik 17-46.

The Dragonettes squeaked by Grove 28-29 despite three Seals in the top 4. Lake Dent beat Lew´s Kaelyn Bozella by 2 seconds to take first and Isabel Clark and Ashtyn Lukens finished 3rd and 4th for Grove. The difference was Lewisburg placed three runners in the 10th-14th spots and Grove had just one.

We just entered the Fall season this past week and America´s best summertime city has both of their teams in the baseball playoffs. The Chicago White Sox set a modern-day record (since 1901) for the most losses (121) just two years ago. Their brethren from the North Side of Chicago are in the playoffs thanks to league MVP Pete Crow-Armstrong. Will there be a Papal visit to Chicago soon?

I´m pulling for both Chicago teams but I think the Brewers will play the Dodgers and the Tampa Bay Rays will face the Yankees to go to the World Series. Don't expect to see Aaron Judge play, but New York's starting pitchers will get them to the AL title games.

They say in baseball that 34 is the new 24, I don't agree. Judge is 34 and has been injured most of the year. The core players of the Phillies… Harper, Turner, Schwarber, Nola, Wheeler and Realmuto are all north of 33 years old. The Phils barely made it into the playoffs and won´t get past Atlanta in the first round.

Speaking of injuries, a solid backup QB is like insurance in the NFL; you don't realize how important they are until you need them. Five starting quarterbacks have left games in the first two weeks, some for the year and others for a week or four.

The NY Giants were talking playoffs after their week one win over the Cowboys with exciting, second year QB Jaxson Dart leading the offense. Dart is gone for the year and affable backup Jameis Winston is not the answer, nor is newly acquired J.J. McCarthy. The Giants will now be lucky to win six games unless a Charlie Batch or Nick Foles type enters the locker room.

Injuries are one of the reasons the NFL is also known as ´Not For Long´ as every week a different team shows up. The Falcons dismantled the Packers Thursday night after their offense never reached the red-zone in their first two games.

The Bears scored 59 points in week one and only 3 in their second game. I know QB Caleb Williams pulled a hamstring but that wasn't until midway through the fourth quarter. Third-string QB Case Keenum filled in quite well for the Bears in scoring 27 points in upsetting the Eagles Monday night.

Penn State squandered a 17 point lead and were upset by Wisconsin last week. I know many of you thought about making the playoffs in Matt Campbell´s first year as coach, me included. Reality hit hard with many calling for a coaching change after one loss. Pump the brakes, Campbell will be just fine though I still think Bob Chesney (UCLA) would have been the best choice and said as much three days after Franklin was fired last year.

When I initially saw this year's schedule I thought the best case scenario was two losses. When I factored in so many players transferring in and out and new personnel in all departments, I thought five losses is a reality. The two losses in the best case scenario were Northwestern and USC, guess where Penn State plays this week? The new stadium, at night, on a Friday after an inexplicable loss on homecoming and an extra day's rest for Northwestern doesn´t bode well for the Lions.

We might be turning our attention to Penn State hockey and wrestling earlier than we thought. Please don't blame coach Matt Campbell. He will get an offensive line that is up to B1G standards. He will not feel an obligation to those players that came with him from Iowa State. He will better comprehend the levels of importance of all the different voices he is hearing from.

Campbell will address Penn State's non-con schedule to have better teams, at the least, two FBS teams every year. They have played only three games against FBS schools the last five years, West Virginia twice and Auburn. In the next two years they play Syracuse twice and the likes of Maine, Ball State and UMass.

I understand the need for ´payout games´ and the income generated by paying a MAC school $1M to come to Happy Valley twice. I also know many longtime season ticket holders that will not be renewing their tickets due to the increase in ticket prices and parking costs.

Stadium renovations, NIL and having to support all the other sport programs at Penn State is expensive. Currently they have basically three scrimmage games before league play starts and this has to change to maintain attendance levels. Penn State needs to schedule better quality teams for the paying public.

I still stand by the fact the first college football rankings should come out after the fifth game and voters need to be drug tested. Questions and complaints will be answered at theviewfromhear74@gmail.com

When Recovery Became a Mission

By Debbie Gastelu

Derrick "Porky" Cook who resides in Selinsgrove has been attending Selinsgrove Speedway since he was 14 years old. Now, at age 35, it's safe to say he has done almost every job imaginable at the track—short of being the announcer, race director, or promoter.

Over the years, he has worked the food stands, mowed grass, operated tow trucks and push trucks, worked as a corner flagger, and acted as a track handyman, doing everything from installing guardrails to handling pre- and post-race facility preparation. You name it, he's probably done it.

He was fortunate to work for many years under Charlie Paige, the longtime promoter of Selinsgrove Speedway through 2015. Derrick gives Paige much of the credit for the opportunities he was given at the track. Under Charlie's guidance, Derrick became the Turn 1 flagger in 2009, moved to Turn 4 in 2011, and eventually took on the role of Pit Steward. Beyond the big track, he also served as a corner flagman at the Raceway Park, occasionally stepping up as head flagman for micro races.

In 2016, Derrick shifted roles from track official to pit crew member, joining Blane Heimbach's 410 sprint car team.

Two months into the 2023 season, then-Speedway Promoter Stephanie Baker approached team owner Jeff Creasy about the track's need for a safety director. Knowing Derrick's extensive safety background and deep knowledge of Selinsgrove Speedway, Creasy encouraged him to accept the position while allowing him to continue helping with the sprint car whenever time permitted.

Derrick has proudly held the title of Selinsgrove Speedway Safety Director ever since.

When promoters Colin Rice, Paula Long Shick, and Jenna Mowery took over the speedway, they kept Derrick on as Safety Director and offered their full support for his leadership. Derrick takes that responsibility incredibly seriously, which brings us to the heart of his story.

This past winter, Derrick underwent surgery to remove a brain tumor on December 22, 2025. Thankfully, the procedure was a complete success, though his recovery sidelined him from work for two months.

Rather than spending that time idle, Derrick decided to turn an unexpected setback into an opportunity to improve safety at the place that had been such a large part of his life.

With the full backing of the Selinsgrove Fair Association, Derrick spent his recovery reaching out to companies and sending roughly 25 sponsorship proposals seeking help upgrading the speedway's aging safety equipment. Those efforts ultimately resulted in six commitments.

His primary goals were to replace the safety team's outdated and worn-out fire safety suits—some of which were more than 15 years old—and upgrade the track's rescue tools and fire suppression systems. Through the support of sponsors and local businesses, two of those three major goals became a reality.

Disposal Management Services (DMS trash) sponsored fire safety suits for the team, while Allen Grace of Hot Shoe Racewear provided the suits at a discounted price, allowing the track to purchase 11 new suits. Selinsgrove Fair Association board member Cory Naugle of Whistlin' Dixie Transportation purchased six additional suits during the middle of the season.

Fire Rescue Products and AMKUS Rescue Systems stepped up to provide new battery-powered extrication tools.

The Fire Store, a nationally recognized public safety company specializing in fire, EMS, and police equipment, also came on board, providing new extrication gloves and fire-resistant hoods for every team member. The company also served as the title sponsor for First Responders Night in July.

Other local businesses contributed to the effort as well. Cooper Electric of Selinsgrove donated new Milwaukee power tools, while Hilly Ridge of Mt. Pleasant Mills continued its support of the speedway by donating a UTV to help ensure a rapid response to emergencies anywhere on the property.

Packers Concessions donated additional batteries for the new extrication tools, while Kratzer Insurance purchased six new fire safety suits specifically for the ambulance crews.

What makes the improvements even more meaningful is that Selinsgrove Speedway's safety crew consists entirely of volunteers. Every member is a trained firefighter or EMT. Most are local volunteer first responders, while one dedicated member drives an hour each way to work every race.

Among them is Randy Arbogast, an original safety crew member who has served the speedway for over 40 years.

"These guys deserve all the credit," Derrick said. "They all come on their own time and continue to want to get better. You are only as good as the team behind you, and I feel really good going into each event."

The dedicated crew members are Brent Bachman, Nathan Eichner, Owen Dauberman, Darvin Yoder, Zach Hackenberg, Randy Arbogast, Mark Carl, Lukas Ramer, Zach Flory and Micah Stauffer. Not pictured are Dustin Sampsell, Joe Ramer, Sean Thibodeault and Aron Hummel.

Before each racing season begins, the safety crew and ambulance personnel participate in a mandatory annual refresher course. They practice extrication procedures, including removing a driver from a sprint car, pre-plan equipment placement, practice responses to fuel fires and review protocols for medical emergencies involving spectators.

The racing community has taken notice.

"Coming to the speedway knowing the training the safety crew does and how serious Pork takes his job is a comforting feeling," said 305 sprint car driver John Braim.

Fellow 305 sprint car driver Erick Knopp, who was professionally extricated from his race car by the crew during the 2025 season, echoed that praise.

"Derrick and his team take great pride in what and how they do it, and do very well at it," Knopp said. "Selinsgrove should be honored to have him and his team."

And the work is not stopping with the improvements already made.

Looking ahead to 2027, Colin Rice will take over as the new promoter of Selinsgrove Speedway and has asked Derrick to return as Safety Director for another season. Derrick has already begun working on the next chapter for the safety program.

Planning is underway for First Responders Night in 2027, and Derrick has already started reaching out to businesses and potential sponsors to help fund the crew's next round of projects.

One of the biggest goals is replacing and upgrading a safety truck that has served Selinsgrove Speedway for nearly 20 years. The crew also hopes to replace one or two of the track's aging fire suppression systems.

With much of the crew's personal protective equipment and rescue tools upgraded, Derrick sees the safety truck and fire suppression systems as the next major steps toward modernizing the speedway's emergency response capabilities.

Derrick (Porky) Cook from Selinsgrove keeps a close eye on the racing action. Photo by Debbie Gastelu

For Derrick, however, the improvements are about more than new equipment. They are about making sure the volunteers responding to an emergency have the equipment, training and resources necessary to protect the drivers, race teams and fans that come through the gates.

"Selinsgrove Speedway will always be home," Derrick said. "This place is my happy place. I grew up in the pits, and my wife, Mckenzie, grew up in the stands. It's funny how all these years later I'm still working in the pits and she's selling tickets at the VIP booth. I've met so many people here who have become my second family."

"And we're just getting started. I have big goals for this safety crew in the future."

Derrick emphasizes that he cannot thank Charlie Paige and Jeff Creasy enough. Without their early guidance, trust and support, he says he would not be where he is today.

What began as an unexpected medical setback ultimately gave Derrick an opportunity to focus his energy on something that mattered deeply to him. The two months that temporarily kept him away from his normal work helped set in motion improvements that will benefit Selinsgrove Speedway's safety crew, competitors and fans for years to come.

And if you're ever at the races, Porky still isn't difficult to find.

Just look for the guy flying around the speedway on his four-wheeler, seemingly everywhere at once—and usually the first person headed toward the scene when the yellow or red flag comes out.

For The Earth- Soft Landing Experience

The upcoming "For the Earth" Soft Landing Experience will be held on Monday evening, October 12 at 7 pm at the Elias Center for the Performing Arts, 212 South 5th Street in Mifflinburg.

Soft Landings are diverse native plantings under a keystone tree (or other regionally appropriate native trees). These plantings provide critical shelter and habitat for one or more life cycles stages of moths, butterflies and other beneficial insects such as bumblebees, fireflies, lacewings and beetles. In addition to plants, soft landings also include leaf litter, duff and plant debris.

Participants will learn about the profound ecological impact of creating soft landing areas in their yards and gardens. They will then work together in gardening teams to develop soft landing designs using images and descriptions of native species of trees, ferns, grasses and perennial flowers.

That evening, For the Earth will also have native tree saplings available to take home to plant this fall courtesy of a generous For the Earth Friend who donated $300 for the purchase of these trees. Each will be counted toward For the Earth's goal of planting 3,000 Native Trees over the next 5 years.

If you care deeply about the environment, please join us in healing the planet together one patch at a time. We invite you to contact us at fortheearth2@gmail.com to be included in our contact list to receive weekly For the Earth updates.

Susquehanna Valley Mediation to Host Story Circle Training

Susquehanna Valley Mediation (SVM) will host two Story Circle facilitator training sessions in October for community members interested in learning to be facilitators.

Seasoned Story Circle facilitator Jerry Stropnicky will lead both training sessions from 5 to 9 p.m. on Wednesday, Oct. 21, at the Union County Resource Center (480 Hafer Rd., Lewisburg) and from 10 a.m. to 2 p.m. Thursday, Oct. 29, at the Community Action Agency (713 Bridge St., Selinsgrove). Participants can select either session. A meal will be provided at both trainings. The training is free and there is no previous experience necessary.

A Story Circle is a simple process of bringing people together to share their stories. It provides an opportunity to connect, listen, and be heard. Story Circles can be centered around specific themes, be organized for specific groups, or be completely open.

"Humans have been telling stories as long as we've been gathering. In a world where we often do more talking than listening, Story Circles give people a chance to do something that we've been doing for generations and yet can feel somewhat unfamiliar in today's busy world," said Susan Jordan, executive director of SVM. "SVM has held Story Circles in nursing homes, schools, health care settings, libraries, churches, homes, and more! Everyone has a story. The more facilitators we have, the more Story Circles that are able to be offered in the community."

To sign up for either story circle training, or to learn more about story circles, go to https://forms.gle/WeyMbrYdoALSncgw5, call 570-374-1718 or email Lauryn Longacre at rrcoordinator@svmediation.org or Registration link: https://forms.gle/KBCigUehRVtZCKbA9

Museum Invites Families to Set Sail for "Pirates & Pumpkins" This Halloween

Ahoy, mateys! The Lewisburg Children's Museum (LCM) is inviting little pirates, pumpkin lovers, and their grown-ups to celebrate Halloween with a day of hands-on fun during Pirates & Pumpkins on Saturday, October 31, from 10:00 AM to 2:00 PM sponsored by Dries Orchard.

This family-friendly Halloween celebration will transform the Museum into a playful mix of pirate adventures, pumpkin experiments, creative activities, and plenty of opportunities to learn, imagine, and play.

Families can look forward to activities both inside and outside of the Museum, including launching pumpkins with a pumpkin catapult, testing their balance as they walk the plank, making music with a Makey Makey pumpkin piano, decorating pumpkins, creating pirate-inspired crafts, trying their hand at pumpkin pounding, and more.

Young buccaneers can also discover their pirate names, test their skills with pirate-themed challenges, and stop for a photo with Petey the Macaw and his sidekick Pirate Gary along the way.

"We wanted to create a Halloween celebration that feels like the LCM — playful, creative, hands-on, and just a little bit silly," said Natalie Bond, Experience & Engagement Director at the Lewisburg Children's Museum. "Pirates & Pumpkins gives families a chance to celebrate together while experimenting, creating, exploring, and making some great Halloween memories."

Costumes are encouraged, but not required. Families are invited to come dressed as pirates, pumpkins, favorite characters, or anything else their imaginations dream up.

Pirates & Pumpkins will take place on Saturday, October 31, 2026 10:00 AM–2:00 PM Lewisburg Children's Museum 815 Market Street, Suite 14 Lewisburg, PA 17837. Pirates & Pumpkins is sponsored by Dries Orchards.

Additional event details will be available through the Lewisburg Children's Museum's website at bit.ly/playatlcm.

Navigating the Challenging World of Dementia & Abuse Prevention

By Kay Poeth

Journey to Justice is Lynn Fiedler's voice with an army of volunteers dedicated to spreading awareness about elder abuse, advocating for elders, and making a difference in elder care. The mission of Journey to Justice "is to facilitate the protection of older adults who lack the capacity to protect themselves and may be at risk of abuse, neglect, exploitation, or abandonment."

On Sunday, October 25 from 2-4 pm, Lynn Fiedler M.ED. and Kim Rigel, RN, Gerontology BC will present Navigating the Challenging World of Dementia and Abuse Prevention at Shade Mountain Winery, located at 16140 Rt. 104 in Middleburg. Register by October 18.

This dynamic, impactful, and unique program is designed for anyone seeking further understanding of the dementia disease process and the challenges it presents. In addition, available resources will be discussed to help navigate the uncertain pathway as the disease unfolds as well as steps to follow, questions to ask, available resources to enlist.

Following the 1 ½ hour presentation will be a Q & A session, light refreshments, door prizes, and valuable bridge building. Seating is limited, so please register early.

Registration is required and due by October 18. To register, visit their Facebook page, Journey to Justice, or email: journeytojustice23@gmail.com. Everyone is welcome. No one will be turned away. This program is for everyone, regardless of age or whether you currently knows someone with dementia. Knowledge and preparedness are powerful, and Lynn and Kim have them to share.

Plein Air Children's Chalk Festival

By Kay Poeth

The sidewalk canvases stretched along the front of the Rudy Gelnett Memorial Library for the Plein Air Children's Chalk Festival.

The Rudy Gelnett Memorial Library was thrilled to host the Plein Air Children's Chalk Festival on September 19. The event included youngsters from Pre-K through Grade 5 to display their creativity and imagination. The sidewalk canvases stretched along the front of the library.

Nine children registered for the Chalk Festival. The weather was perfect with no rain and a perfect temperature for the young artists. The Gelnett Memorial Library judged the artwork. Each participant won a prize by earning either 1st, 2nd, or 3rd place. The 1st prize winner packets included a $25 gift card to Brushstrokes Studio. Prizes and snacks were provided by the Selinsgrove Chamber of Commerce and the Rudy Gelnett Memorial Library.

Oct. 19 Voter Registration Deadline Reminder

For information on how to register or to make a plan to vote, visit vote.pa.gov

Secretary of the Commonwealth Al Schmidt recently reminded Pennsylvanians that the deadline to register to vote in the Nov. 3 midterm election is just one month away.

"Registering to vote takes only a few minutes, and I urge every eligible Pennsylvanian who is not yet registered to vote to do so before the Oct. 19 deadline," Sec. Schmidt said. "Once you are registered, you can exercise your fundamental right to vote and let your voice be heard in the upcoming general election."

Eligible Pennsylvania voters will have the opportunity to cast a ballot for their U.S. House of Representatives seat, Governor/Lieutenant Governor, even-numbered state Senate districts, and all state House districts. The Department's candidate database lists candidates who are running for office.

"Ensuring that our elections are conducted freely, fairly, and securely, and that every eligible voter can make their voice heard, are top priorities of the Shapiro Administration," Sec. Schmidt said.

To be eligible to vote in the Nov. 3 election, a person must be:

- A U.S. citizen for at least one month before the primary,
- A resident of the election district in which the person plans to register for at least 30 days before the primary, and
- At least 18 years old on or before Nov. 3.
- Pennsylvanians who are already registered to vote can check their registration status online. They can also update their voter record with any name, address, or party affiliation changes.

Eligible Pennsylvanians also can get a voter registration application at the following locations:

- their county elections office,
- county assistance offices,
- Women, Infants & Children (WIC) program offices,
- Armed Forces recruitment centers,
- county clerk of orphans' courts or marriage license offices,
- area agencies on aging,
- county mental health and intellectual disabilities offices,
- student disability services offices of the State System of Higher Education, and
- Americans with Disabilities Act-mandated complementary paratransit providers.

· **Oct. 27:** Last day to apply for a mail ballot

· **Nov. 3:** Election Day. Polls are open 7 a.m.-8 p.m.; if in line by 8 p.m., stay in line, as you'll be able to vote.

·**8 p.m., Nov. 3:** Deadline for all mail ballots to be **received**

The Department's voter education toolkit provides ready-made graphics with election facts – in English, Spanish, Chinese, Russian, and Vietnamese – for stakeholders and the public to share online to further educate voters about the general election. The Department's voter information website, vote.pa.gov, is available in English, Spanish, and Chinese and offers a polling place locator and contact information for county elections offices. It also includes tips for first-time voters, mail voters, elderly and disabled voters, and members of the military.

In 2023, all PennDOT driver and photo license centers began offering automatic voter registration, which provides eligible Pennsylvanians with a convenient way to apply to register to vote when they obtain a new driver's license or ID card or renew their existing identification. The Shapiro Administration launched the automatic registration initiative as part of its ongoing commitment to ensuring free, fair, and secure elections.

Registered voters can also request a mail ballot online. Mail ballot applications must be received by a voter's county elections board by 5 p.m. Oct. 27. Voted mail ballots must be received by county elections offices by 8 p.m. Nov. 3.
