Drinks for Pink Benefits Breast Cancer Programs at Geisinger

By Kay Poeth

Drinks for Pink: Raise a Glass/ Raise Awareness was spectacular success in raising funds for breast cancer programs, raising $7800.

Drinks for Pink: Raise a Glass/ Raise Awareness was spectacular success in raising funds for breast cancer programs. Held at the Selinsgrove VFW Post 6631 to support those in the fight against breast cancer, those who survived breast cancer, those families affected by breast cancer, the event highlighted October as Breast Cancer Awareness Month.

Drinks for Pink, sponsored by Kristine Horten of Bowen Agency Realtors for the 3rd year and hosted by Drew Kelly from 94KX, welcomed over 150 people to the event. Drinks for Pink featured specialty drinks Pretty in Pink and Tickle Me Pink with a portion of the proceeds being donated back to the fundraiser. Street Swing LLC food truck offered yummy foods.

"My goal was $1000 this year and we had $800 raised before even opening the doors!" exclaimed Horten. "We raised a total of $7800 between donations and community members offering to match donations." All the funds raised go to Geisinger for their Breast Cancer programs.

Drinks for Pink brought the community together to raise awareness and support the fight against breast cancer. T-shirts sales were held prior to the event sponsored by Starr Financial Services, Chic Bow-Tique, Bryan Davis Trucking LLC & Building Solutions. Prize giveaways from 94KX enticed donations and one of the prizes included Penn State tickets. Even Milla Cassidy from the Breast Cancer Coalition attended to support the event.

"I am humbled and thankful to everyone who came out to support Drinks for Pink. My goal was $1,000, and we ended up raising an incredible $7,800! I can't thank the Selinsgrove VFW and VFW Auxiliary enough for their support," said Horten. "Being able to host this event just two weeks after my own Breast Cancer surgery made it even more special. I'm so grateful for everyone who helped make this possible!"

Corn Bin Fire in Jackson Township

Local fire departments were dispatched for a corn bin fire at 6:27 AM on Tuesday morning at 140 Breon Rd. in Jackson Twp. Snyder County.

The corn inside the bin was burning and the fire was hot enough to make the sides of the metal bin glow red in several places. Fire crews started operations with a handline and a grain vacuum provided by the farmer in an attempt to empty the bin. This proved to be ineffective so the decision was made to cut holes in the side of the bin to help with removing the corn. After the holes were cut, fire crews used the master stream on Mifflinburg's Tower to help flow the grain out through the holes cut in the bin sides. The whole operation lasted for 4 hrs.

The corn inside the bin was a total loss but the bin itself was thought to be repairable. Mr. Smith, the farm owner, gave a heartfelt "Thank You" to all the local firefighters who came out to help.

The following departments were on scene to assist with the operations: Kratzerville, New Berlin, Penns Creek, Kreamer, Middleburg, Mifflinburg and Mt. Pleasant Mills.

Union-Snyder Community Action Agency Joins WNEP's Feed-A-Friend Food Drive

Union-Snyder Community Action Agency (CAA) is proud to once again participate in WNEP's Feed-A-Friend Campaign, an annual community food drive that helps provide meals and support to neighbors experiencing food insecurity during the Thanksgiving season and beyond. The 2026 campaign runs from November 2 through November 23 and supports families throughout Northeastern and Central Pennsylvania.

As the designated Feed-A-Friend agency serving Union and Snyder Counties, CAA is collecting nonperishable food donations at several convenient community drop-off locations:Citizen's Electric, Roupp Funeral Home, Selinsgrove Ford, SUNCOM Industries and Union-Snyder Agency on Aging.

Community members are encouraged to donate nonperishable food items such as pop-top canned vegetables, soups, pasta, rice, peanut butter, cereal, and other shelf-stable products. All donations collected locally will help support individuals and families in Union and Snyder Counties who are facing food insecurity during the holiday season.

Johanna Geyer of Selinsgrove Ford, a CAA partner site for this year's drive, said, "Since 1953, Selinsgrove Ford has proudly served as a family-owned and operated business, and our mission is to turn our core values into collective action for the community. Today, food insecurity remains a pressing challenge for many local families, which is why we are honored to host the 'Fill a Ford' food drive benefiting the Union-Snyder Community Action Agency Food Hub. We believe that nobody in our community should have to worry about where their next meal is coming from. We are proud to stand alongside our neighbors to help close the hunger gap, and as a small token of our appreciation, we are offering a service discount to anyone who drops off a non-perishable food donation at our showroom."

WNEP's Feed-A-Friend Campaign has helped provide food assistance to thousands of families across the region, and community support is especially important this year.

Donations will be accepted through November 23, 2026. Residents who are unable to donate food are encouraged to contact CAA to learn about additional ways to support local food security efforts.

Families in Recovery & Walking Free Clubhouse to Host 3rd Annual Sober Skate Night

In recovery, we need to learn how to have fun again while staying sober. Doing something active together in this type of environment is so good for the soul," said Families in Recovery Program Director Shawnee Robel.

And then there was one. Just like last year the only remaining team playing high school football in our reading area are the Mifflinburg Wildcats. They dispatched Danville 43-14 and a big thanks to Midd-West, Miff will host Athens this Friday for the opportunity to win their second straight D4 title.

The Mustang's season ending win over Holy Redeemer moved the Cats district power ranking to the second seed and Athens fell to third in the D4 3A rankings.

Danville hung around in the first half thanks to four Miff fumbles, ¨we didn't take care of the football, which hasn't been an issue¨ per Cats coach Cody Botts. Miff was leading 22-7 but Danville recovered one of those fumbles on the Cat's 30 yard line. Danville was looking to make it a one-score game until Miff's calling-card all year showed up.

Two plays after the fumble, Jackson Marr returned an interception 95 yards to put the game away 29-7 at halftime. Miff relied on their other asset of a balanced offensive attack in the second half with Landon Moser scoring on a 6 yard run and Seth Hartman scoring on a 51 yard catch and run.

The Wildcats from Athens come to Mifflinburg with a 10-1 record and a veteran squad with an even more balanced offense of 1771 yds rushing and 1927 passing than Miff's 2538 rushing and 1635 passing. My prediction is a Wildcat win! Miff is ranked #14 and Athens #19 in the state 3A rankings.

Throw out the records when rivals play as Selinsgrove valiantly fought the Shik Braves in losing on a field goal as time expired 20-17. The D4 4A semi-final was tougher than one loss Shik expected. Grove's Gabe Paradis had a 74 yard TD catch in the third quarter and anxiety suddenly descended on Shikellamy stadium.

Shik had their best season since 1979 (10-1) and suddenly they were in a dogfight against their cross-river (3-8) rival Selinsgrove. When the game ended, Grove lost by a foot, the foot of Brave´s kicker Ryan DePhillips.

Lewisburg´s football season came to an end in a first round loss to Montoursville 14-0. The high flying Dragon offense never got untracked as they were held to just 124 total yards. Four turnovers and twelve penalties didn't help the cause either. The bright side is the basketball players were able to hit the hardwood a week early.

The cross-country state championships were held last weekend. Midd-Wests Grant Boop was the highest local finisher at 29th, his running mate Lyncoln Hoffman finished 78th. Lewisburg boys had Hugh Ikeda Shields at 37 and Tyler Confer 43. Lewisburg girls had Ella Beal 87th and Kaelyn Bozella 149th. Grove´s Lake Dent was 36, Isabel Clark 88 and Ashtyn Lukens 155.

Midd-West girls soccer lost 5-0 to undefeated Central Columbia in the D4 2A district final. It was Central´s sixth straight district title in soccer. They opened state play against Northwestern Lehigh on Wednesday.

The Selinsgrove girls finally won that elusive D4 3A district title by beating Danville 2-1. Addison and Morgan Wenzel each scored goals for the Seals who became the first team since 2005 to win both the league and district titles. They lost 6-1 to Crestwood in the first round of states.

Midd-West boys soccer had no problem in winning their first D4 soccer title since 2023 with a 3-0 shutout of Athens. Athens only had one shot on goal vs 23 from the Mustangs. Parker Eppley had two unassisted goals and Abram Sellers had a goal off of Lucas Pyle's assist.

Tuesday night they hosted D3 power Conrad Weiser (24-1-1) in their first state playoff game and were shutout 1-0.

Lewisburg boys soccer has outscored their last four opponents 16-0. Williamson (14-3-2) played a much better team than they were used to in the Northern tier. The Warriors from Tioga gave up a season high 3 goals against Montoursville. Lewisburg hung a 9 spot in their 9-0 shutout in the D4 2A semis.

The Dragons faced a much tougher team in undefeated and aggressive Central Columbia for the district title. Keegan Crosby's lone goal held up as Dragon goalie Gabe Pawling had three saves in his 57th career shutout. Central's aggressive tackling led to four yellow and one red card in the second half. Lewisburg faced Lake Lehman on Wednesday in their first game to repeat as 2A state champs.

Selinsgrove field hockey won their 35th district title with a 2-1 win over Midd-West. Mustang Maesyn Franquet scored the games first goal and Sealette Nora Moyer answered with her own goal. Ella Heath got the game winner off a feed from Emma Moyer. Grove's goalie Bella Furgison was outstanding as Midd-West led in shots 7-3 and corners 9-2.

Grove hosted D3 Oley Valley in states and lost 2-1. The Seals left it all on their home field in their final game of the season. Senior Alexis Stoneburg scored on a tip of a Nora Moyer shot to tie the game 1 minute before halftime. Oley Valley scored the game winner with one minute left in the third quarter. District 4 is good in field hockey but District 3 is great.

Midd-West opened states against perennial power Greenwood from D3 and hung tough early before falling 4-1 to end their season. Greenwood beat Oley Valley 3-1 on Halloween as a point of reference. Nothing to be ashamed about Midd-West as you have placed yourself among the top teams in district 4.

ESPN got their way as college football will be going to a 24 team playoff starting next year. I don´t care how you parse this decision and tell me it's good for the game. Last weekend there were seven games involving ranked teams and they were all important to make this year's 12 team playoff format. With 24 teams next year, all fourteen of those teams will be in next year's playoffs….yes, even Ohio State, Missouri and Ole Miss.

The magnitude of stakes during the regular season will be nonexistent. College football is currently the only sport that a game during the regular season affects the entire sport. The only good thing about this change is requiring Power 4 schools to play ten other Power 4 schools. This means at least one out of conference game not against the likes of Temple, Buffalo or Marshall.

From 1936 to 1997 polls and Richard Nixon decided the national champ in college football. AP sports writers had a poll and the UPI and coaches had their own. No bias here! There were years when two schools won championships which led to the BCS era from 1998 to 2013. This used computers and human polls. The playoffs started in 2014 with four teams and were expanded to twelve teams two years ago.

Changes recently have been fast and furious and I would prefer an eight game playoff where all regular season games count as would your schedule. This would force teams to play other equitable talented teams. All the games will be shown on ESPN which is no longer a good thing. That just means more Kirk Herbstreit and his dog along with Pat McAfee. Money…now what was your question?

While we´re talking about changes, let´s have a collective push to go back to tradition. An avid reader of this article

Obituaries

Carol Wagner, 80, of Penns Creek

Carol Wagner, 80, of Penns Creek passed away peacefully on November 8, 2026, at her home surrounded by loving family.

She was born in Lewisburg, PA on October 13, 1946, a daughter of the late Raymond and Arla (Mitchell) Gotshall. She was a graduate of Middleburg Joint High School, then attended Empire Beauty School for cosmetology. She worked as a beautician at her own salon, as well as being employed at Hi-Li in Penns Creek, Tara Lee in New Berlin, and retired at Rotech in Mifflinburg. She was never seen without her hair, makeup and nails perfectly done.

Carol was always feisty, and she never lost that spirit through any hardship she faced. You never had to guess what she was thinking because she was never afraid to tell you exactly how she felt. She gave everyone around her many laughs with her quick remarks and ability to say what everyone was thinking.

Her greatest joy was being a grandma. Fondly known as 'Gram Cracker' to her granddaughter, she made sure everyone she met knew about her grandkids. Whether she was bragging them up or simply wearing a sweatshirt with their names on it, the pride she had for her family was obvious. Through over 30 years of being a gram, she never missed a single event, from cheering at her grandson's Little League baseball games, to the annual trips to Disney World with the family, to busting dance moves at her granddaughter's wedding. 'Grammy Daycare' was always open for her fur grandchildren, Phoebe and Sushi, and she never missed watching her horse grandchild, Rocket, run barrels.

She was a constant presence and source of never-ending support for her family. Her absence will never go unnoticed.

Through this heartbreaking loss, her family rejoices in knowing that she was reunited with her husband, Terry, just in time to celebrate 59 years of marriage on their anniversary next week. She and her husband set the foundation for a beautiful family that got to share countless memories, and they will forever be incredibly missed.

She is preceded in death by her parents, husband and sister-in-law Bonnie Mateljan. She is survived by her daughter, Andrea (Brian) Arbogast; grandson, Tyler (Chelcea) Arbogast; granddaughter, Karli (Blake) Hunter; niece, April (Jim) Clarke; great-nephews Austin and Thomas; and her dear friend, Patty Keister.

Due to Carol's wishes, private graveside services will be held in Penns Creek Union Cemetery.

Arrangements are by Hummel Funeral Home, 574 Hill Street, Middleburg.

Rep. David Rowe Hosted Veterans Appreciation Event

By Kay Poeth

Randall Bogar of Beavertown served in the US Marine Corps from 1971-73 during the Vietnam War. He enjoyed chatting with Rep. David Rowe during the Veterans Appreciation Event hosted at the Middleburg office.

Over 50 Veterans attended the Veterans Appreciate Event sponsored by Rep. David Rowe. "Pennsylvania is home to almost 800,000 Veterans and it was an honor to spend time with some of them and to thank them for their selfless service to our Commonwealth and our Country!"

The weather was beautiful for Rep. David Rowe's (R-85) annual drive-thru Veterans Appreciation Event! Over 50 Veterans attended the event on October 31 held at the Middleburg office.

Veterans and active-duty military personnel and their families from District 85 were invited to this event. They were greeted by Rep. Rowe and his staff including Dan Auker, Morgan Hoover, and Gayle Pletcher as well as volunteers Karl Zerbe, Brenda Auker, and Kay Poeth from The Snyder County Times. Rep. Rowe personally thanked each veteran for his/her service. Each veteran also received materials about state resources and veteran services. The veterans were treated to a gigantic and scrumptious breakfast sandwich from Eagles Wind, a donut from Dunkin and a choice of beverage.

"Our veterans have spent their lives serving our country and defending our freedoms and we owe them a debt of gratitude! That's why, for the third consecutive year, I've hosted this Drive-Thru Veterans event," said Rep. Rowe enthusiastically. "In addition to sharing a quick bite to eat, we also distributed information about state and community resources and answered any questions they may have."

As cars pulled in Rep. Rowe, greeted each veteran, shaking hands, posing for photos, and discussing concerns about issues. His goal was to make each veteran feel valued. Veterans also received a personalized certificate and a Veterans pin.

Many veterans had attended previous Veteran Drive Through Appreciation Events hosted by Rep. Rowe. They enjoy the personal recognition and services offered. Randall Bogar of Beavertown served in the US Marine Corps from 1971-73 during the Vietnam War. was Corporal Bogar was stationed at Camp Lejeune in North Carolina. "I enjoyed chatting with Rep. Rowe about veterans' programs and issues."

Pennsylvanians Struggling With Heating Bills Are Urged to Apply Now for LIHEAP Assistance

The Energy Association of Pennsylvania (EAP), which represents 18 utility providers across the commonwealth, today reminded residents that the Low Income Home Energy Assistance Program (LIHEAP) is now accepting applications for the 2026-27 heating season.

The federally funded program, which opened Monday, Nov. 2, provides financial assistance to eligible households struggling to pay their heating bills. LIHEAP offers direct cash grants, as well as crisis grants for households in immediate danger of being without heat.

"As temperatures begin to fall, we want Pennsylvania families to know that help is available to keep their homes warm and safe this winter," said EAP President and CEO Andy Tubbs. "We encourage anyone who may be struggling with their energy bills to apply for LIHEAP and contact their utility provider to learn about other assistance programs. The sooner customers seek help, the more options may be available to them."

LIHEAP cash grants range from $200 to $1,000, depending on household size, income and fuel type. Grants are paid directly to the utility company or fuel provider and credited to the customer's account. Eligible households do not have to repay the assistance. Applications will be accepted through April 23, 2027.

Pennsylvania residents seeking LIHEAP assistance or additional information can contact:

- Their utility provider: Pennsylvania utilities offer a variety of customer assistance programs, payment arrangements and energy-saving resources. EAP's Be Energy Wise website, weatherizemyhome.org, provides utility contact information and additional resources.
- Pennsylvania Department of Human Services: Residents can learn more about LIHEAP, eligibility requirements and how to apply at https://www.pa.gov/agencies/dhs/resources/liheap or by calling 1-866-857-7095.

"Nobody should wait until they're facing a heating emergency to ask for assistance," Tubbs said. "Pennsylvania's utilities are committed to working with customers to help them manage their energy costs and maintain essential service throughout the winter."

A River Rat’s Ramblings: Hunting Memories 1957

By Jim Charles; Vol. 6, Story 12

Hunting season started the last Saturday in October. Dad still works at The State School and gets off work at 2:30 p.m. Tim and I get home from school by 3:30, which allows us to hunt until dark. We don’t go every day but two or three weekdays and every Saturday morning. This was a time when you could shoot at least one male pheasant every time you went afield.

My birthday falls on Thursday this week. It will be a small family party with just mom, dad, my sisters and brother Tim. I’ll be 11 years old and all I want for my birthday is a single shot 410 shotgun. I know I’m a year early, you must be 12 years old to buy a hunting license, but it was a different time back then. Thursday got here and I got a shirt, a pair of slacks, a pair of rubber hunting boots and a pair of gloves with a leather trigger finger. Dad went upstairs and when he came down, he had a box that had an H&R 410 Single Shot Topper Jr., printed on it. A 410-shot gun for hunting small game. I was big medicine. I was so happy, I don’t remember having cake and ice cream, but I’m sure we did. We had cake and ice cream for every birthday.

Friday night I got my hunting stuff together; new boots, hunting coat, gloves and a red hat. It was interesting back then as there were no requirements for fluorescent orange clothing and you wore whatever you had. I can remember seeing guys hunting with a long rooster tail feather stuck in their hat. Dad came out on the back porch, where I was, and said that tomorrow I could take my 410 along when we went hunting. Now I was really excited, enough that I could hardly sleep.

Saturday morning was crisp and clear and dad said we would hunt up along the river to Shady Nook and come back down along the railroad tracks. That should take us until noon. We started hunting in the corn field next to our house. In those days, a cut corn field was great cover to hunt as the corn stalks are bent over with fox tail grass growing in the field. We circled around Billy Gable’s farm building and walked under the train bridge to start our hunt. I won’t bore you with the details of the hunt, but I did shoot a rabbit and shot at two pheasants that my dad did get.

This was the start of a 69-year epic series of hunting adventures.
