

The Snyder County Historical Society to Host Heritage Day on August 17

By Kay Poeth

The Signature Quilt at the Snyder County Historical Society brings history to life. See all the hand-stitched names on the Crazy Quilt at Heritage Day on August 17 from noon- 4 pm.

Heather Hibbs of Treadle Treasures will be a demonstrator and presenter at Heritage Day at the Snyder County Historical Society located at 30 East Market Street in Middleburg.

Local performer Bob Gift will provide musical entertainment from 3:15-3:45 pm at Heritage Day on August 17 at the Snyder County Historical Society.

On Sunday, August 17, 2025, The Snyder County Historical Society will host its first Heritage Day from noon- 4 pm at the Historical Society building in Middleburg.

According to library historian, Esther Klinger, "The library receives a lot of visitors from around the U.S. searching for their ancestors and yet there are many Snyder Countians who have never been to the Historical Society or know about this 'gem' in their own back yard!" The goal of Heritage Day is for people to connect with the history of Snyder County through programs, presentations, historical demonstrations, museum tours, and entertainment. "This will be a fun family event. We are hoping to turn this into an annual event," added Klinger.

During the afternoon, the Demonstrations include:

- Museum tours- on your own; Sue Boardman, who is a certified Gettysburg Battlefield Guide, will be available in the Civil War Room along with a Civil War re-enactor.
- Richard Nornhold- Snyder County Rifles
- Mike McWilliams/SAR- Canal information and artifacts
- Heather Hibbs/Treadle Treasures- Colonial & Victorian Toys
- The Susan Family- Rope Making, Tape Loom
- Iva Kressler- Bobbin Lace, PA Dutch Crewel, Tatting
- Gerhard Kurtz WWII Soldier as portrayed by Nathan Hart
- Bill Lynch/Penn's Creek Pottery- Pottery making
- Snyder County Historical Society Library- Learn about resources available for searching your family history/ genealogy
- Melissa Boonie- Midd-West AP Class Project
- Daughters of the American Revolution/Daughters of Union Veterans
- Northumberland County Historical Society
- Book Authors- Guy Graybill, Bonnie Swinehart, Jim Campbell, Marsha Hubler
- Rodney Ries: Historical Magic

There will be presentations throughout the event as well. At 12:30-1:15 pm- "Colonial & Victorian Toys" by Heather Hibbs; 1:15-1:45 pm- "Ice Cream Trivia" by Heather Hibbs; 2:00-3:00 pm- Musical Entertainment by Bob Gift Entertainment, and 3:15-3:45 pm- Native American Artifacts Display by Kim Mattern.

Various food stand will be open during the event including McClure Boy Scout Troop 408 selling sandwiches and beverage; Trinity United Methodist selling cookies,

brownies and other baked goods; and Ethan Bobb of Middleburg Boy Scout Troop 415 selling ice cream to help support his Eagle Scout Project to reburnish the Soldiers' Memorial building.

Mark your calendars for Heritage Day at the Snyder County Historical Society on Sunday, August 17 from noon- 4 pm. Located at 30 E. Market Street in Middleburg, for questions call 570-837-6191.

Penns Creek & Beaver Springs Senior Community Centers Receive Grants

Edited by Kay Poeth

Recently, the Pennsylvania Department of Aging announced a \$3 million investment in 436 Senior Community Centers (SCCs) across the Commonwealth to help ensure older adults are supported in familiar, local places with services to stay healthy and connected to their communities.

"Pennsylvania's Senior Community Centers are a cornerstone in our communities and a pillar of daily life for the older adults they serve. A center may provide the only interaction that an older adult has some days, and we want to make sure that our centers are welcoming, inclusive assets to the local area," said Secretary of Aging Jason Kavulich. "The projects funded by both the competitive and non-competitive grants will help the recipients enhance the programs and services already in place as well as create new opportunities to welcome current visitors and attract new consumers."

The competitive grants help SCCs fund larger-scale projects such as updating and modernizing facilities, providing new health and entertainment programs, upgrading technology, and enhancing nutrition services. Since the competitive grants normally fund larger scale projects, the non-competitive grants allow smaller needs to be met and more SCCs to benefit from the funding. A total of 396 SCCs were granted a non-competitive award of \$2,525 per center.

The grant funding is appropriated by the General Assembly with proceeds from the Pennsylvania Lottery.

There are more than 450 Area Agency on Aging-affiliated Senior Community Centers throughout Pennsylvania that provide a variety of offerings, such as nutritious meals, educational opportunities, transportation services, financial and insurance counseling, and exercise programs.

In Snyder County, grants were awarded to Penns Creek Adult Resource Center in the amount of \$35,590 for Capital Improvement Renovations and to Beaver Springs Senior Center in the amount of \$10,200 for Capital Improvement Renovations.

Neighborhood News

By Kay Poeth

Paxtonville News

Paxtonville Road Yard Sales will be held on August 14-16 so mark your calendars and plan to shop til you drop.

Congratulations to the winners of the Paxtonville Washer Tournaments. Earning bragging rights and a cash prize for first place was the team of Howie Ritter and Nelson Longacre. Taking second place was the team of Gary and Austin Bennett. Coming in third place was the team of Justin Mattern and Tim Moyer. Over 30 teams participated in this annual event held in the park.

Kay and Don Poeth enjoyed a long weekend of family reunions on Kay’s side. It was Kay’s mission to meet and learn (and maybe remember) names and faces of the younger generations. It was a bit challenging with 100 attendees at the Lenhardt Reunion and over 60 at the Tobin Reunion. Thank goodness for the wonderful weather.

Sam Herman adds another candle to his cake on August 14 as he completes another rotation around the sun.

Middleburg News

The West Snyder Rotary Club will be selling “Mr. Sticky” sticky buns during the Middleburg Carnival. Please come out and support both the Middleburg Fire Co. and the West Snyder Rotary Club, August 5-9, showcasing the community spirit and dedication to service that these organizations embody. Don’t miss the chance to enjoy a treat while contributing to meaningful local initiatives!

The Middleburg Carnival runs from August 5-9. Lunch daily from 11 am- 1 pm (except Saturday). Parade steps out at 6:30 pm on Thursday, August 7. On Friday don’t miss the fireworks at 9:30 pm. Jackpot Bingo at 10 pm. Rides provided by Sunshine Shows Amusements.

Mark your calendars for Heritage Day at the Snyder County Historical Society on Sunday, August 17 from noon- 4 pm. Connect with the history of Snyder County through programs, presentations, historical demonstrations, museum tours, and entertainment in this family-friendly event. Located at 30 E. Market Street in Middleburg, for questions call 570-837-6191.

Happy 11th Anniversary to Dustin and Casey Snook who stroll down Lovers Lane on August 9. May the honeymoon never end.

Happy Birthday to Judy Yeater who keeps getting better and better with each candle added to her cake. The more candles the brighter the glow and more wishes come true.

Happy Sweet 16 to Leah Houtz who celebrates her special day on August 14 with a little sugar and spice and everything nice.

Beavertown News

The Beavertown Historical Society Museum will feature Ted Herman’s World War II exhibit, showcasing military uniforms and additional wartime artifacts from other sources. The exhibit will be open from 1-3 pm on the following Sundays: August 10 & 24. The book “Beavertown’s Snapshots in Time” will also be available at the museum for a donation of \$45. To reserve a copy or for more information, contact Karen Burns at 570-658-7385. The museum is located at the Beavertown Borough Building, 111 West Walnut Street, Beavertown, PA.

Helping Hands, Helping Others, Inc. will be holding a food give-a-way on Tuesday, August 19 starting at 10 am at Beaver Lutheran Church, located at Rt. 522 at the west end of Beavertown. They are not government funded so there are no income limits. They are a 501-C3 non-profit, all donations are appreciated and can be sent to PO Box 151, Beavertown, PA 17813.

On August 8, Peggy Rubillo will be licking icing off her fingers and huffing and puffing out candles...so many candles.

Lindsay Dressler will be serenaded by the Birthday Song on August 9 as she renews her membership in the Foxy 40’s Club.

Happy Birthday to John Jordan who dances the Birthday Jig straight to the cake and ice cream on Aug. 12.

McClure News

Happy 1st Birthday to Henry Scott Patches who celebrated his special day on July 26 with a family party attended by Grandparents, Aunts, Uncles, and Cousins. Since his birthday was “The Big One” his mother baked a cake designed with a wave. There were surfboard decorations and monthly photos on a poster. A balloon arch was fitting for the King of the Birthday Cake. Everyone including Henry enjoyed the slip ‘n slide and kiddie pool. Little man, may your giggle be contagious and your birthday cake be sweet – just like the past year has been with you in it! Henry is the son of Ryan and Hannah Patches. He is the grandson of Tina and Scott Felker and Renee Patches.

Guess who I met in the lobby of the Choice Hotel in Edinboro? Travis Weader and Michele Creel who were visiting the campus and surrounding area. I was there for family reunions. What a surprise! We chatted about different sights to see. And, Brittany and Brandon Folk were just in the area as well enjoying all the nature offerings at Presque Isle, one of my favorite spots.

Obituaries

Russell Leroy “Rusty” Entz, Jr., 82, Selinsgrove

Rusty entered into eternal rest on Thursday, July 31, 2025, at Sunbury Skilled Nursing and Rehabilitation Center.

Born on April 2, 1943, in Jersey Shore, PA, Rusty was a son to the late Russell and Pearl (Wilson) Entz.

A proud veteran who served honorably in the United States Coast Guard, Rusty dedicated a portion of his life to protecting our nation’s waters and upholding the values of service, duty, and integrity.

As a cherished member of Wesley United Methodist Church, Rusty was known for his quiet faith, his willingness to help others, and his steady presence in all that he did.

Rusty was a member of the fire police for DH&L Fire Company in Selinsgrove, as well as the American Legion Post 25.

Rusty also had a lifelong love of slow-pitch softball, a game he enjoyed both for the camaraderie and the competition. Whether on the field or in the pews, Rusty brought people together with his good nature, sense of humor, and dependable spirit.

Rusty is survived by his loving wife, Jean Entz; daughters Sheri (Jeff) Hoke of Kratzerville and Dana (Rick) Grubbs of Rhode Island; sister Betty Coffey; and his two dogs, Kallie and Marley. He was preceded in death by his parents.

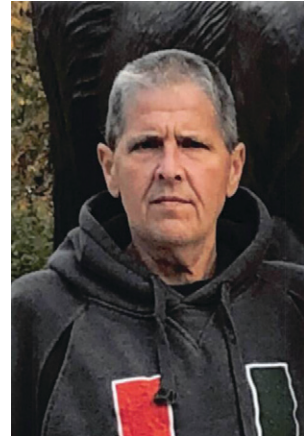

A visitation will be held on Monday, August 4, 2025, from 1-3 PM at the V.L. Seebold Funeral Home, 601 North High Street, Selinsgrove where the memorial service will begin at 3:00 PM with Pastor Steve Hoke officiating.

Military honors will follow at the funeral home.

In lieu of flowers, memorial contributions can be made to The Michael J. Fox Foundation for Parkinsons Research at www.michaeljfox.org.

V.L. Seebold Funeral Home, 601 North High Street, Selinsgrove handled arrangements.

Wayne A. (Shum) Shambach, 56, of Middleburg

The overly anal, buck-toothed dutchman lost his years long battle with cancer on Tuesday, August 4, 2025.

He was born on September 27, 1968, in Lewistown, PA. He was the son of Carolyn (Kratzer) Young and the late Kenneth Shambach.

On August 27, 2022, he married the former Beth A. Keister, who survives.

He was a 1986 graduate of Middleburg High School and SUN Area Vo-Tech. He worked way too many years at Wood Mode before his diagnosis.

He was a member of Zion Fellowship Church in Middleburg and the Middleburg Moose Lodge 1229. He was also a member of Shade Mountain Golf Course for many years before stupid cancer took that from him.

He enjoyed golfing, playing his goofy game on his phone and hunting with his buddies. His greatest joy by far was spending time with his friends and family.

In addition to his wife and mother, he is survived by a son Brandt (Chelsey) Shambach; daughter Sara Shambach and fiancé Johnny Brown; stepson Brandon (Lisa) Keister and stepdaughter Courtney Kreider; sister Kris

(Wade) Kratzer and stepsisters Vickie Ritter and Judie (David) Steinbacher; as well as four nephews and a pile of great nieces and nephews. His grandchildren, Beckham, Jordan, Scotti, Bryson, Matthew and Spencer were the world to him.

He was preceded in death by his stepfather Marlin “Gene” Young.

Please do this guy a favor and do not grieve but celebrate!

I had a very fulfilling life. For anybody who’s life I touched, know that you touched me more. Life can be very simple if you’re just kind to one another. Lastly, always do your best to have a great day, and if you don’t ... try harder tomorrow!

A viewing will be held on Friday August 8, 2025, at Zion Fellowship Church, 1366 Zion Road, Middleburg from 6-8 PM.

Funeral services will be conducted on Saturday, August 9, 2025, at 11:00 AM with Roger Clotfelter officiating. Burial will follow in Zion Church Cemetery.

In lieu of flowers, memorial contributions can be made to Geisinger Hospice, 1253 North Susquehanna Trail, Selinsgrove, PA 17870 or to The V Foundation, www.v.org.

Selinsgrove REC Receives Impactful Grants

With grant funding from wonderful organizations, the REC is able to keep its doors open during these hot summer months, continue to provide food security and socialization, and offer a safe place to be when youth are not in school and while families are working.

The Selinsgrove Regional Engagement Center (REC) is proud to announce it recently received a \$1,000 grant from SCI - Coal Township’s Inmate Life-Line Program. Started in 2016, the SCI-Coal Township LifeLine Program is a program for inmates serving sentences of 10 years to life in which members raise money through sales of items not typically found in the commissary and donate those funds to nonprofit organizations. This program promotes positive interactions, opportunities for self-improvement, social responsibility, and community service.

“We are humbled and extremely grateful for this grant. I reached out to tell

them about the REC and how our programs promote and develop similar values. I’m honored they found us worthy of their funds,” says REC President, Kelly Feiler.

The REC also received \$4,000 in funding from the Community Giving Foundation’s Patricia H. and Richard E. Garmin Field of Interest, Irwin Lentz Field of Interest and the Selinsgrove Unrestricted Fund for their Free Afterschool and Summer Drop-In Program for Youth in Grades 3-12. The summer program currently has over 70 youth registered to attend anytime between 12-6pm on Monday through Friday.

With grant funding from these wonderful organizations, the REC is able to keep its doors open during these hot summer months, continue to provide food security and socialization, and offer a safe place to be when youth are not in school and while families are working. Feiler says she looks forward to making them proud with the results of the programming.

Duke Outduels Tebbs for Race Saver Sprints Victory

Edited by Debbie Gastelu

Mill Hall; PA – Ken Duke Jr of Winfield returned to victory lane for the eighth time in his career in the RaceSaver Sprint Car division. Denny Fournay of Lock Haven was victorious in the Pro Stocks; Quinn Roberts won the 270 Micros and Larry Beachel of New Columbia won the 4 Cylinder Stock Cars.

Ken Duke started alongside Reed Thompson for the start of the 25-lap Sprint Car main event. Duke took the early lead with Everett's Jarrett Cavelet quickly advancing from this sixth starting spot up to the second position. By lap ten, Duke was leading Cavelet with Matt Tebbs, Christian Rumsey and Timmy Bittner in the top five. The leaders encountered lapped traffic by lap number 11, which slowed Duke's momentum allowing Cavelet and Tebbs to close in on the race leader.

By the midway point of the race, the top two, Duke and Cavelet had a lapped car separating them from the rest of the top five including Tebbs, Rumsey and Bittner. On lap 22, Tebbs challenged Cavelet and took the runner up position. On the final lap, Bittner spun in turn two to bring out the caution. The one-lap shootout provided Tebbs and Cavelet with a chance to challenge for the lead on the final lap. Duke flawlessly restarted the race and kept Tebbs at bay to cruise to the victory.

Mike Gray and Ronnie Ergott started on the front row of the Pro Stock main event. Third place starter, Denny Fournay charged to the front by the completion of lap one. Fifth place starter Cory Long quickly moved to second place. By lap five, Fournay was leading Long, Larry Knight, AY Schilling and Noah Kissinger. A caution occurred on lap number ten slowing the field.. Two laps later, Long slowed and came to a stop on the speedway to bring out another caution. Fournay once again held off the challenge and brought home the win.

Garrison Zook led the opening laps of the 270 Micro Sprint feature. On lap six, Tyler Clowes stopped on the speedway to bring out the caution. Following the restart, Quinn Roberts made a pass for the lead. By lap number ten, Roberts was leading Zook, Mason McAndrew, and Mac Wert. McAndrew took the second position on lap eleven. Roberts led the final laps to earn the win over McAndrew, Zook, Wert and Michael Petock. Sixth through tenth were Jillian Maurer, Hunter Zimmerman, Chase Roberts, Andrew Petock and Colton Guiher.

Larry Beachel quickly raced to the front of the 4 Cylinder feature to lead the first circuit. Garrett Lucas ran in second place with Scott Englert in third. The top three remained unchanged throughout the entire 12 lap event. Beachel's win was the second of the week, as he also claimed Tuesday night's event.

lutions before crossing homeplate. I'm sure with today's metrics they can measure this, but 300 sounds like a lot.

I have never been a fan of pre-season college football rankings. It would be more equitable to the game if you waited until the fifth week of the season for an initial ranking. There are too many top 10 matchups early on which is great. How far do you drop the teams that lose? Probably not as far as you should because they played a top team.

An amalgamation of three pre-season polls has Texas, Ohio St, Penn St, Georgia and Oregon as their top 5. It's not surprising they are all SEC and B1G teams. Those two conferences are slowly taking over college football. It won't be long until Clemson and Notre Dame join them.

Bruce Feldman is a national sports writer and has compiled a 'Freaks List' since 2005. This list chronicles the strongest, fastest and most physical players in college football. Saquon Barkley was #1 in 2017.

Penn Staters on this year's list are DT Zane Durant at #8 and RB Nick Singleton at #19. Feldman says Durant's twitchiness off the ball and his lateral movement is what makes him special. Singleton's speed and strength compares favorably to Barkley's. Nick broke Saquon's legendary RB squat record by doing 665 lbs and benched 425 lbs to Barkley's 405.

Other Lions in the top 100 of the Freaks List are LB Tony Rojas at #30, CB Elliot Washington at #47 and TE Khalil Dinkins at #71.

In the past I dismissed the Savannah Bananas baseball team as I have always been a baseball traditionalist. In recent years, the Bananas have become an inescapable phenomenon, a traveling revue that mixes the charm of old vaudeville, the creativity of the Globetrotters and the fan loyalty of the Grateful Dead.

They are currently selling out Fenway Park and Camden Yards in Baltimore. They have a sold out weekend coming at Yankee Stadium, in jaded, too-cool-for-school New York City. I couldn't change the channel when I stumbled across them on TV last week. There's something odd and interesting in watching a pitcher on five foot stilts!

Katie Ledecy continues to widen the gap as the greatest women's swimmer of all time. Ledecy once ruled all the freestyle races from the 200M to the 1500M. Katie's main focus now is on the 800M and 1500M, both of which she won at the World Championships in Singapore.

Ledecy has won the 800M in every World and Olympic event she has entered since 2013. Katie has taken the gold medal in every 1500M that she has competed in since 2010. Ledecy will now take a break and reset for the LA Olympics in 2028.

Next week I will let you know how Penn State can win their first CFB National Championship in 39 years. Until then your questions and comments are always appreciated at theviewfromhear74@gmail.com and on X ... @theviewfromhear

Insanity ... doing the same thing over and over and expecting a different result. I have been a Pittsburgh Pirate's fan for over a half century and I can no longer be a fan until the owner sells the team.

When the Pirates draft a very good player and he has success early on the refrain is always "he will be a Yankee in three years" or "he will be traded in two years." Paul Skenes is the current example.

Last week the Buccos traded three above average players under contract for another year (David Bednar) four more years (Ke'Bryan Hayes) and three years of salary arbitration (Bailey Falter). What they got in return is a catcher for the Yankees in double A and a bunch of single A players none of which are rated a Top 100 prospect. I still believe they should have traded Skenes before he has Tommy John surgery.

Major league baseball had two contrasting events last weekend. They erred with the MLB Speedway Classic in trying to play an actual real sport where cars go around a track. Bristol Motor Speedway, the home of racing's fastest half-mile, ended up hosting baseball's slowest half-inning. Rain ruined an already bad idea and it took two days to finish the game.

Further north in Philly the fans were introduced to their new closer Jhoan Duran. The atmosphere at Citizens Bank Park was cranked up even higher when Durantula made his Phillies debut. Duran got his first save on just four pitches. I cannot explain the scene when Jhoan took the mound but you have to see it for yourself, preferably at night. I hate spiders and fire but this was baseball at its best.

Trading for bullpen help was the focus at baseball's trading deadline for contending teams. The Phillies got Duran and a really good plug and play defender in Harrison Bader. Both New York teams added relievers that will get them both to the playoffs. The Mets and Phils should be a fun fight to the finish.

The San Diego Padres traded their top prospect, short-stop Leo De Vries to the A's for the most electric young closer in Mason Miller. No team got better hitting than my new favorite team, the Seattle Mariners. They reacquired power hitting third baseman Eugenio Suarez and two weeks earlier first baseman Josh Naylor.

The Boston Red Sox and Chicago Cubs were underwhelming at the trade deadline and as a result will not be going deep in the playoffs. I'm not sure the Detroit Tigers got that much better. I have always liked Charlie Morton and watching him throw his curve against Philly was great viewing. ESPN said his curveball has 300 revo-

Lane Snook Keeps Winning in Limited Late Models, Selinsgrove gets Ulms Series Race in

Clinton County ran two races last week tied in with the annual Clinton County Fair saw Tuesday night, July 29th a four division show with the limited late models the headline division, along with Pro-Stocks 270-micros and four-cylinders. Lane Snook scored his first ever Clinton County win in the 25-lap limited late model feature which was his thirteenth win of the season and first ever in three attempts to win at the fairground's speedway. Snook followed up his Friday night win with another win at Port Royal, his third season there. At Clinton County Lane admitted the luck of the pill draw was the key to the win. Which was the number one pill and sat on the pole for the feature. He led every lap for the win over George Dixon, Joe Lusk, Andrew Yoder and Jim Yoder. Cody Lear was racing close to Snook until a tangle with a lapped car ended his night. The next race for the limited will be on Friday August 15th for the Len Stroud Jr. Memorial race which will have extra money on the line for the division. Snook has indicated he will come back to that race. AJ Hoffman, of Richfield, scored the 15-lap Pro-Stock feature win his second of the season. The current point leader beat Denny Fourney, AY Schilling, and Larry Knight. Second place Fourney did one better on Friday night scoring his first ever Clinton County Pro-Stock feature win. Denny has a few wins in the limited late model, but since switching to Pro-Stock it was his first career win there. Another first happened in the 270-micro sprint feature where Jillian Maurer scored her first ever Micro Sprint feature win holding off three-time winner Jeff Weaver, one of the top micro drivers in the area. Ross Perchak, Michael Petock and Mason McAndrew. Larry Beachel scored double wins in the four-cylinder class with Tuesday and Friday wins. Also, on Friday Ken Duke, Jr of Winfield scored his first 305-sprint feature win of the season at Clinton County and then he went from the 3/8 little track down to Hagerstown speedway in Maryland to score another feature win at the fast ½ mile track. Ken's win on Friday was his eight wins of his career at the Fairground oval and that ties him with Scott Lutz for the most in 305-sprint action. Duke held off Matt Tebbs, Christian Rumsey, Jarrett Cavalet and last time winner Dale Schweiikart for the win at Clinton. In 270-micro action on Friday Quinn Roberts, who was making only his second start of the season on Friday, scored the feature win over Mason McAndrew, Garrison Zook, Mac Wert and Michael Petock. This weekend is another double show at Clinton County with a regular show on Friday with the Laurel highlands 305-sprints, Pro-Stocks, 270-micro-sprints and Four Cylinders. Then on Saturday, the second appearance of the 410-sprints along with 270-micro sprints and an open competition four-cylinders race. Billy Dietrich won the other show back on July 11th over Ryan Smith, Lucas Wolfe, Brock Zearfoss and Logan Rumley. Look for a solid field of sprints with Port Royal shut down for the events taking place at Knoxville Iowa this weekend a few 360-sprint and 305-sprint drivers will also be in action with the 410-sprints. Friday Selinsgrove got there ULMS series race in just like the Appalachian Speedweek show both events had been rained out on their original dates and had to use other dates to get the show in. 23-super late model drivers were on hand with Mason Zeigler getting his first career feature win at Selinsgrove over Greg (Spike) Moore, Rick Eckert, Gregg Satterlee and Ryan Montgomery. Mason led all but one lap in the feature when Spike Moore went under the flag stand on lap 33 with the lead but Zeigler came back in the final two laps of the 35-lap feature to get the win. Back in the 2019 season he led a feature for close to 50 of the 52 laps in the Ronnie Keister Memorial race when Rick Eckert slipped by with two to go. Mason got some redemption for his featured win in the ULMS series race, which he leads the point standings going into the next race for the series on August 31. The next event for Selinsgrove will be on Friday August 15th with twin 20's action for the 410-sprints along with the PASS 305-sprints. The winner of the twin 20's will receive \$3,000 with the winner of the first feature drawing a pill for the invert order for the second feature. If a driver can sweep the night, he would cash in \$6,000 dollars. The next race for the super late models will be on Sunday August 31st. A Sunday for the Paul Long memorial paying the winner \$6,300 to win the feature. Limited late models and street stocks will also be in action that night. There will more racing action in the month of September at Selinsgrove with a three-day show on the 11-12-13 involving super late models Wingless Sportsman. PASS 305-sprints, Street Stocks, 410-sprints in the Jim Nace Memorial and Limited late models, plus two other Friday night shows, and a Friday night show in October for the 410-sprint and a 360/358 sprint car challenge event for the Kramer Williamson Memorial event.

Other action has been Jason Geesaman picking up his fourth in a row in the Selinsgrove Street Stock class beating AJ Stroup of Evandale, Brandon Moser and Aidren Mitch. Jonathan Preston became another new winner in the 410 sprint car division last Saturday at Port Royal with leading all 25-laps for his first ever Port Royal win beating Jeff Halligan, Brock Zearfoss, Steve Buckwalter, and Devin Adams. Danny Dietrich scored the win at the Lou Blaney Memorial at Sharon Speedway last Saturday night. Then his team headed out to Knoxville for the 360 nationals and will stick around and run the Knoxville Nationals for the 410-sprints this weekend, along with some other local talent will also be on hand. Preston became the 12th different driver to win a sprint race this year at Port Royal, Anthony Macri and Ryan Smith have two wins with single wins going to Mike Walter Jr, Brent Marks, Aaron Reutzel, Chase Dietz, Logan Wagner, his dad Mike Wagner, Lance Dewease, Troy Wagaman Jr, Justin Whittall and now Preston. Friday night at Williams Grove Mike Norris became the seventh different 410-sprint car winner there this season beating Freddie Rahmer, Jeff Halligan, Tyler Ross and Brock Zearfoss. Anthony Macri has three wins with single wins going to Cameron Smith, Lance Dewease, Chad Trout, Danny Dietrich, Troy Wagaman Jr and Norris.

Zeigler, Moore and Geeseman Win at Selinsgrove Speedway

By Bert Wojcik

A picture-perfect Friday night at Selinsgrove Speedway for the return of the Jay's Automotive United Late Model Series featuring the Selinsgrove Ford Super Late Models in a non-points event. After blowing a tire in hot laps, Chalk Hill, PA's Mason Zeigler would get his 3rd ULMS Feature win of the season in a thrilling finish. Defiant, PA's Gregory "Spike" Moore would take home the debut of the United E-Mods Series UMP style Modifieds feature, and for the third time this season, Annville's Jasen Geeseman would win the Superior Homes Street Stocks.

23 Jay's Automotive ULMS Super Late Models signed in for action with Zeigler and Beavertown, PA's Hayes Mattern starting on the front row. Mattern set quick time with a 20.700 and gained an extra \$150 from Integra Shocks. Zeigler would get the jump on Mattern and get out to an early lead for the first several laps. A great five car battle would shape up with Spike Moore, New Oxford's Rick Eckert, Indiana, PA's Gregg Satterlee, Jonestown's Jim Bernheisel, and Danville's Jeff Rine during a five-lap period where multiple times cars were three-abreast fighting to crack the Top 3. Eckert would be the one to take that battle and rocket into the third spot. Mattern then spun to bring out the caution on lap 14.

On the restart, Moore would get around Hookstown, PA's Logan Zarin for the third spot momentarily before Zarin cleared Moore and set his sights on Plainfield, NY's Chad Homan for the third spot. Satterlee would get around Zarin as Moore would find his way around Eckert for the second spot. 11 laps remaining as Zeigler hit lap traffic for the second time in the feature. Over the next three laps, and almost three and a half seconds behind Zeigler, Moore would begin taking off a second per lap to be within a second of Zeigler with only five laps left. Moore would lose a little bit of time due to the lap car of Tristin Neiderer. Zeigler was finally able pull away and get his first career Selinsgrove Ford Super Late Model win at Selinsgrove Speedway.

"I think I slowed down faster than he was expecting," Zeigler said in High Caliber Cranes Victory Lane regarding the contact with Hayes Mattern. "I didn't even know he was there. I hate that for him. Lap cars man. I tried to be polite but guess we need to be more aggressive with them because they almost cost me \$7,500."

14 Superior Homes Street Stocks signed in for the night. It took less than a corner for Geesaman to make his way from 5th to the lead, going three-wide to pass everyone in sight. No one would touch Geesaman as he walked the field on the three restarts during the feature to take his third win in the last four events he's raced at Selinsgrove, this one coming in dominating fashion

The UEMS Modifieds were the last feature on the card, unfortunately only bringing 9 cars with them for their debut on the big half mile. Spike Moore, who pulled double duty, would take the lead into three and four to take home the feature event for the UEMS modifieds with Mifflintown, PA's David Stremme, Concord, NC's Cole Hilton, Warren, PA's Dan Davies, and Dixon rounding out the Top 5.

Lane Snook Wins in Late Models, Maurer Defeats the Guys for Career 1st 270 Victory

Edited by Debbie Gastelu

Snook took the lead while Lear battled with third place starter George Dixon. On lap number two, Andrew Yoder spun to bring out the caution flag. On the restart, Dixon was able to secure the second position, but Lear took it back on lap six.

By lap ten, Snook was leading, Lear, Dixon, Joe Lusk, and Jim Yoder. A lap 12 caution gave Snook an open track he again tried to distance himself from Lear. Lear started to close in on the leader, as Snook once again caught the rear of the field and he began to maneuver through lapped traffic. The slower cars forced Snook to change his approach which put Lear in a position to attempt to make a bid for the lead. As the leaders came to start finish line, Snook passed a lapped car on the inside, and Lear decided to go to the outside for the possible move to win the race. However, there was not enough room and Lear's car tangled with the lapped car and hit the front stretch wall ending his run for the night. Snook raced to the win over Dixon, Lusk, Anderw Yoder and Jim Yoder.

Jillian Maurer started on the pole for the start of the 270 Micro Sprint feature event and led the first lap with Michael Petock, Nathan Bacon, Tyler Clowes and Mac Wert running in the top five. Jeffrey Weaver worked his way up through the field, secured the third position by lap number eight and took over second by lap nine. With one lap remaining, the caution came out, Maurer flawless restarted the race and hit her marks for entry and exit of the turns to claim her first career victory.

Lock Haven's Denny Fourney led the opening lap of the Pro Stock feature event. A lap two caution collected Cory Long, Rich Fye and Tommy Dawson while running in the top five. With the restart, AJ Hoffman powered around Fourney to take the lead by the completion of the next circuit. Hoffman continued to lead the remaining laps to earn his second victory of the season.

Garrett Lucas took the lead of the Four Cylinder main event at the drop of the green flag. By the completion of lap number five, Larry Beachel made a pass for the lead with Scott Englert following in his tire tracks, shuffling Lucas back to third. The top three remained in that order until the checkered flag waved.

Tabby Welshans Memorial Golf Challenge

Simona Napoli Lovik, Owner/Manager, Dairy Queen, Selinsgrove; Bryce Kile, Marketing Assistant, W&L Subaru; Fritz M. Heinemann, President/Andy Russell Charitable Foundation (retired); Meghan Balum, Marketing Manager, W&L Subaru & Collision Center invite all to attend the first Tabby Welshans Memorial Golf Challenge.

The Bucknell University Golf Course will host the first Tabby Welshans Memorial Golf Challenge on Friday, September 12, at 10:00 am, with registration and breakfast refreshments starting at 8:30 am, in honor of Tabby Welshans. Tabby was a beloved Selinsgrove youth whose courageous life continues to inspire a community. Tabby Welshans, 11, passed away this past spring following a brave battle with an inoperable brain tumor. Her indomitable spirit, bright smile, and the joy she brought to everyone around her continues to live on in the hearts of family, friends, and all who knew her. The Memorial Tournament is a celebration of that spirit and a way to ensure her legacy endures.

Proceeds from the event will go toward establishing the Tabby Welshans Memorial Scholarship, which will be awarded annually to a graduating Selinsgrove Area High School Senior who embodies the kindness, courage, and community mindedness that defined Tabby's life. The first \$1000 scholarship was awarded at this year's class day ceremony to Hannah Rowe.

"The idea is simple but powerful," said Simona Napoli Lovik, Owner/Manager of the Selinsgrove Dairy Queen Grill and Chill, and a member of the organizing committee. "We want to turn our grief into good. Tabby loved people, and she made the world brighter. Through this scholarship, we hope to light the path for future students just as she lit ours."

Meghan Balum, W&L Marketing Manager, announced that participants in the tournament will have the opportunity to win numerous exciting prizes, including a new 2025 Subaru Forester valued at \$34,000, generously provided by W&L Subaru, for the first person scoring a hole-in-one on the #10 hole during the tournament. "This isn't just a golf outing- it's a chance to come together for a cause, to honor a child who touched so many lives, and to help a deserving student pursue their future," Balum commented.

The Memorial Golf Challenge will feature a four-person scramble format, breakfast and lunch refreshments, Welcome Gift Bags, raffle prizes and contests and a special tribute to Tabby and her family. Golfers, sponsors, and volunteers are all welcome and encouraged to participate. Team spots and sponsorships are still available.

For additional information; to register, or to donate to the scholarship fund, please contact Fritz M. Heinemann at 570-428-5411 or fritzheinemann@gmail.com or visit Team Tabby Facebook page for more details.

Contributions and registration information may also be sent to the following: Meghan Balum, W&L Subaru, 535 Point Township Drive, Northumberland, PA 17857. Checks should be made out to the PAA Foundation, memo: Long Arms of Love.

"Through her time with us was far too short, Tabby's impact will be everlasting," said Ms. Balum. "No setback could shake her faith and she taught us that true strength is not just in fighting but in smiling through the storm. She never let her illness define her; instead, she defined herself through kindness, courage, and an unwavering belief in something greater."

All contributions and donations are tax deductible to the extent allowed by IRS regulations.

Winfield's Ken Duke Jr Winner at Clinton and Hagerstown Speedways

By Debbie Gastelu

Ken Duke Jr from Winfield wins two races over the weekend. Family and crew visits Ken in victory lane at Hagerstown Speedway by dominating the race by passing all but 8 cars! Pictured is Ken Duke, Sr. Sandy Duke, Ken, wife Donna Duke and stepson Tyler Clowes. Photo by Debbie Gastelu

If you are familiar with the IMCA Racesaver 305 sprint car series, you will know that the competition is extremely tough and on any given night as car counts can reach well over the 24 allowed starting positions for a feature and just making the feature is a win in itself.

This past weekend, racers had the choice of a few different race tracks to compete at and Ken Duke, Jr. made the right choices by not only competing at Clinton County Speedway on Friday and then on Saturday competing down at the Hagerstown Speedway in Maryland but winning both races!!!

"We just struggled so much in the first half of the season. We worked so hard to get better and we have been able to see progress the last few weeks, but this weekend, everything just came together. I couldn't be prouder of our team. We had a lot of bad luck this year so it was a great feeling to see what we could do when we got some breaks and have things go our way. I'm looking forward to seeing what we can accomplish during the rest of the year" stated Ken.

In recent weeks, the team had to deal with a crash and a blown motor both happening at Port Royal on separate nights which really put a hurting on the pocket book as losing an engine is detrimental for any race team. The race at Clinton County; Ken was able to draw the pole, but that doesn't mean a guaranteed win with the competitors that were on hand breathing down his neck. Ken had to hold off a few top runners and deal with lapped traffic to secure his 8th win at Clinton County speedway. Ken was extremely happy to have one of his sponsors Dan Stimely of River Valley Builders join

him in victory lane. Dan has sponsored Ken's car since 2022. River Valley Builders is also a huge supporter of the Laurel Highlands and PA Sprint Series and also supports many other local racers.

The race at Hagerstown Speedway found Ken drawing the 6 spot to start the feature event. Ken got a great start and was able to pass 3 cars at the get go. The team had the #67 car on rails as Ken was able to take the lead after just a few laps. He continued running fast passing cars the entire race and eventually passed all but 8 cars at the end.

"Outside of our hometown track, Hagerstown Speedway is my favorite place to race. We have been working hard on our slick track setup, and we had the car as close to perfect as you can get in the feature. Once I took the lead, I just focused on keeping the car straight and putting as many lapped cars as possible between and 2nd place," said Ken.

To say the least Ken Duke, Jr and his team have definitely turned their season around. Of course, the hard work of the crew and family members makes it all happen along with sponsors that help the team make it to the next race. They are Fairfield Chevrolet Cadillac, Chris Kenawell-State Farm Agent, River Valley Builders, Bud Godek Auto Body, Susquehanna Valley Auto Glass LLC, Tom Tice Powder coating, Kleen Mist Car Wash, Blud Lubricants, J&J Auto Racing, Isabella Restaurant and Cocktail Lounge, Edward Jones, Sheri Marshall, Seth's Racing Engines, VP Racing Fuels.

Focus Central PA Hosted Industrial Site Selection Guests

On May 5-7, Focus Central Pennsylvania, a regional economic development marketing alliance with the mission to attract investment that cultivates economic growth in Central Pennsylvania welcomed several site selection consultants and industrial real estate experts for a tour of multiple rail-served industrial sites and community assets through the region.

The site selection consultants were members of the Site Selectors Guild, the only association of the world’s foremost professional site selection consultants. Guild members provide location strategy to corporations across the globe and for every industry, sector, and function.

The tour events were held at the Rusty Rail in Mifflinburg, an intricately restored industrial factory turned into a thriving destination brewery, restaurant, and event venue. The tour guests were joined by community, economic development, industrial and infrastructure leaders to learn more about industrial sites and comparative advantages the Central PA region offers to support competitive growth projects seeking a site location.

The site tour and forum were made possible by the generous support of partners, Norfolk Southern and PPL Foundation. As two key comparative advantages the region has to offer competitive projects the tour emphasized the rail and electric power infrastructure in the region. SEDA-COG Joint Rail Authority, a nine-county joint municipal authority created to reserve rail service in Central Pennsylvania that owns and maintains over 250 miles of track has led to millions of dollars of industrial investment and the creation of thousands of quality jobs. North Shore Railroad Company, an award-winning short line operator, operates on the tracks owned by the SEDA-COG Joint Rail Authority, provides rail service to a va-

riety of businesses and industries, and moves aggregates, coal, grain, plastics, and more. These short lines connect to main lines Norfolk Southern and Canadian Pacific.

Power has risen quickly to be one of the most significant factors when industrial projects are seeking sites for expansion. Pennsylvania is the second-largest net supplier, after Texas, of total energy to other states. PPL Electric Utilities provides transmission and distribution service to a large portion of central and northeastern Pennsylvania is a national leader in grid reliability and has invested millions of dollars in infrastructure upgrades to improve reliability and capacity to include being recognized for implementing a first-of-its-kind innovation Dynamic Line Rating (DLR) technology to improve reliability and reduce costs. As part of the tour PPL Electric was able to provide estimated capacity, costs and time to serve each rail served industrial site for an expansion project.

As access to skilled talent has become a leading consideration for site location decisions for advanced manufacturing, the tour guests were hosted by Pennsylvania College of Technology President, Michael J. Reed and Vice President of Workforce development Alison Diehl for a tour of the premier college’s new electronics lab, advanced welding lab, machining lab and the Plastics Innovation & Resource Center. Guests was impressed with what Penn College offered and shared that this was one of the most impressive technical colleges they have ever toured.

In addition to highlighting the Central Pennsylvania region’s assets and competitive advantages for industrial growth, the regional team made sure to highlight the momentum of economic development in Pennsylvania to include the creation of a 10-year economic development strategy; the cutting of the Corporate Net Income (CNI) in half; launch of the PA Permit Fast Track Program; creation and implementation of the PA Sites program to build more pad-ready sites; roll out of the new Business PA team to be customer focused and responsive and much more!

Beaver Springs Senior Center Celebrates Opening of New Patio & Fitness Equipment

By Kay Poeth

The scrumptious buffet was a wonderful way to celebrate “Breakfast on the Patio” as the inaugural event unveiled the newly furnished patio.

Approximately 24 attendees enjoyed Breakfast on the Patio at the Beaver Springs Senior Center.

Carol Brening and David Hassinger use the new fitness equipment at the Beaver Springs Senior Center after breakfast.

Clients and special guests gathered at the Beaver Springs Senior Center on July 30, 2025, to celebrate “Breakfast on the Patio” as the inaugural event unveiled the newly furnished patio and fitness equipment.

“We are thrilled and deeply grateful to have received funding through the Department of Aging’s Senior Community Center grants. This generous support plays a vital role in enhancing the

quality of life for older adults in our community by strengthening the services and programs offered at our center,” said Holly L. Kyle, Executive Director of the Union-Snyder Agency on Aging, Inc.

This grant aligns with the Department of Aging’s mission to foster independence, purpose, and well-being among older adults by empowering senior centers to serve as vibrant community hubs. These funds help support a range of essential initiatives including facility upgrades, improved health and wellness programs, enhanced nutrition services, and modernized technology.

“Congratulations to the Beaver Springs Senior Center on their recent acquisitions! These improvements will be a wonderful addition to their facility, and I am happy to support the excellent work that they do for the seniors of our community,” said Rep. David Rowe.

“Thanks to this grant, our Beaver Springs Senior Center is now be able to offer updated exercise equipment, allowing participants to stay active and healthy in a safe, supportive environment,” noted Kyle. The fitness area is arranged to accommodate everyone with easy transitions between the treadmill, bicycle, and rowing machine. There was careful attention to detail.

“The fitness equipment is all brand new,” explained David Hassinger. “The reason that I use it is because I had a heart attack after my wife died. I can continue to do the same exercises I was doing in cardiac rehab at the hospital.”

“Additionally, the new outdoor patio furniture—including tables, chairs, and umbrellas—will provide a welcoming space for socializing, relaxing, and enjoying the outdoors,” added Kyle.

“The patio looks beautiful and I can’t wait to use it. It looks so inviting with the flowers. The umbrellas aid in shading the area,” said Pearl Reich of the 4 tables with umbrellas with seating for six at each dining spot.

Tim Mannino donated a Blackstone Griddle to the Beaver Springs Senior Center. “I am rustic camping and tenting in state parks throughout Pennsylvania. This griddle was too heavy and didn’t serve my needs. Luckily, the Senior Center could benefit from using it,” he explained as he grilled sausages.

Center Manager Tina Felker and her team prepared a scrumptious meal with much of the ingredients locally sourced. Pastor Kathy Mercado gave the blessing. Then Tina rang the dinner bell inviting everyone to breakfast on the patio. Everyone gathered at the various tables, laughing, and chatting together. The outdoor area was carefully thought-out with room for all.

“I am excited about what’s happening at the Beaver Springs Senior Center,” said Felker.

“When I walk into the Beaver Springs Senior Center, I see a village of western Snyder County residents gathering, socializing, and enjoying amazing food,” said Tiffany Snook, Community Service Manager at the Area Agency on Aging. “Thank you for always making me feel so welcome and that I belong!”

Kyle recognized Sen. Culver and Rep. Rowe as “the voice of seniors.” She offered sincere thanks to Senator Lynda Culver and Representative David Rowe for their continued support of funding opportunities like this, which directly benefit the well-being of older adults in our region.

“It is wonderful to see the Beaver Springs Senior Center utilizing the Senior Community Center Grant to create spaces that promote both activity and connection. The new patio furniture and fitness equipment will give older adults a welcoming place to enjoy the outdoors, stay engaged, and build relationships that strengthen our community,” noted Sen. Culver.

“As the state budget continues to take shape, we respectfully ask for their support of this year’s budget request to allocate \$30 million in PennCARE funds to the Department of Aging.

These investments are critical to sustaining and expanding the valuable services offered by senior centers across Pennsylvania.”

“Together, we can ensure that our older adults remain active, connected, and supported in every stage of life,” concluded Kyle.

Local Karate Students Excel at New Cumberland Martial Arts Tournament

Congratulations to Ellie Watkins of Shamokin Dam, Beckett Krauss of Paxtonville, and Rev. Ryan Krauss of Paxtonville competed in New Cumberland at the 2025 Kazoku Isan Dojo Summer Open Tournament on July 19, 2025, bringing home six trophies between them.

Ellie Watkins of Shamokin Dam, Beckett Krauss of Paxtonville, and Rev. Ryan Krauss of Paxtonville competed in New Cumberland at the 2025 Kazoku Isan Dojo Summer Open Tournament on July 19, 2025, bringing home six trophies between them.

The tournament hosted martial artists from the Harrisburg area and beyond, with at least one competitor traveling from as far as Philadelphia to compete. Watkins competed in the teen girls’ beginner division, finishing third place in open-hand forms, and earning second place with her weapon form. Beckett Krauss came away with a third-place trophy for open-hand forms in the children’s beginner division. Ryan Krauss, Beckett and Ellie’s instructor, competed among adult black belt men, achieving second place in weapons, first place in open hand forms, and being named one of the tournament’s three Grand Champions.

These three train together alongside many other students at Krauss Traditional Karate, a small, local martial arts school that meets twice weekly at the Paxtonville Church social hall (where Rev. Krauss is also the pastor). Rev. Krauss is a 4th degree blackbelt and certified master instructor. He is delighted to see his students interested in competing with their peers and excelling in their training.

New students are welcome to try up to two free karate classes at any time throughout the year. Email: revrkrauss@gmail.com or visit: <https://www.facebook.com/kraustraditionalkarate>.

McClure Veterans Memorial Pool's 75th Anniversary Celebration

By Kay Poeth

Wendy Dombroskie, a representative from Senator Lynda Schlegel-Culver's office, presented board members with a citation from the State Senate celebrating the occasion, recognizing its volunteers past and present, and the pool's contribution to the community.

The Veterans Memorial Pool Board recognized a handful of prominent volunteers who have contributed countless hours and in meaningful ways to the pool's success. Board President Adam Ewig presented volunteers Nelson and Janet Will with a plaque to recognize their contributions and commitment of nearly 50 years of dedication as Wendy Dombroskie looks on.

During the 75th Anniversary, the Board of Directors served cake and cupcakes, chips, and drinks, held several fun-filled games/events such as hula hooping, retrieving a greased watermelon out of the pool, a candy scramble, and a water balloon relay all while a live deejay played tunes from the 50s, marking when the pool opened its gates, through present day hits. Several former lifeguards, concession stand workers, and board representatives from years past stopped by for a refreshing dip in the

pool, to reminisce about days gone by, and to celebrate this milestone occasion.

"It was a good day spent reminiscing with those that came for the event and sharing the history and story of the pool with folks that just happened to be there to enjoy a day at the pool," said Pool Board President Adam Ewig.

Efforts to establish the McClure Veterans Memorial Pool began in 1947, when Royal Kline, Wilson Dodd, and Joseph Dodd presented the McClure Chamber of Commerce with a proposition to build a swimming pool in West Beaver Township.

Throughout 1947 and 1948, the project was discussed. One suggestion was that the pool be built behind McClure High School. Later, the current site was chosen. Mr. C. F. Wagner, then president of the Purity Water Company, agreed to provide the water free.

The committee was composed of J. H. Dodd, C. C. Wagner, and Woodrow Mattern, P. E. Marshall, W. F. Conner Jr., C. F. Ewing, W. K. Dodd, S. E. Good, R. M. Baker, and R. W. Fisher helped to make the pool a reality. On February 25, 1948, the Chamber of Commerce approved to dedicate the pool to the Veterans of all Wars.

The pool opened to the public in 1950. The total cost to construct the pool in 1949-50 was \$5203.31. The first dip into the pool was taken by Boyd Dipperry and Roy Swanger.

McClure Veterans Memorial Pool is lauded as the only free admission pool in the state of Pennsylvania. The pool features a concession stand, diving board, sliding board and rain tree. Life guards are on duty. The McClure Veterans Memorial Pool Mini Golf is another favorite pastime for patrons at the pool.

Activities include three splash hops each season and swimming lessons. Fundraisers are conducted throughout the year including a Basket Auction & Chinese Auction, the Cruise Ride & Chicken BBQ, the Annual Memorial Golf Tournament, and parking at Bean Soup Week. The pool is also available for parties. Updates are posted on Facebook. The pool relies on donations and generosity of patrons and supporters to remain free.

During the McClure Veterans Memorial Pool's 75th Anniversary Celebration, Wendy Dombroskie, a representative from Senator Lynda Schlegel-Culver's office, presented board members with a citation from the State Senate celebrating the occasion,

recognizing its volunteers past and present, and the pool's contribution to the community. According to the Senate citation, "It (McClure Veterans Memorial Pool) has developed a strong reputation for the highest quality of service throughout its history and has become a model that is worthy of emulation. Over the years, those in leadership positions, as well as its lifeguards, concessionaires, and volunteers, have contributed in a tremendous way to its growth and development."

Snyder County Honored Corrections Professionals During Pretrial, Probation, & Parole Supervision Week

Snyder County honored community Corrections Professionals during Pretrial, Probation, and Parole Supervision Week on July 20-26, 2025 for their tireless work within the community.

Snyder County President Judge, Lori Hackenberg, Judge Michael Piecuch, and the Snyder County Board of Commissioners proudly join communities across Pennsylvania in celebrating Pretrial, Probation, and Parole Supervision Week, observed this year from July 20-26, 2025. This annual event, officially recognized by the American Probation and Parole Association (APPA), honors the

dedicated professionals working in community corrections who help keep our neighborhoods safe and support individuals on the path to successful reintegration.

The Snyder County Probation Department represents the very best of public service," said President Judge Lori R. Hackenberg. "Their dedication to justice, rehabilitation, and community well-being makes a measurable difference every day."

As part of this week, the Snyder County Probation Department was especially recognized for its tireless work within the community. Their officers go beyond supervision—they serve as mentors, counselors, and advocates, working with individuals to reduce recidivism and support successful reintegration into society. "These professionals are often the quiet force behind safer communities," said, Chief Probation Officer, Colin Devanney. "They help individuals change their lives while also keeping our county safe."

To officially recognize this vital work, the Snyder County Board of Commissioners has issued a proclamation declaring the week of July 20-26, 2025 as Probation and Parole Week in Snyder County, Pennsylvania. The proclamation encourages all citizens to "recognize and honor the dedicated professionals who serve in community corrections and contribute to a safer, stronger community."

Across the Commonwealth, counties are holding events and public acknowledgments to highlight the often-overlooked efforts of community corrections staff. These individuals serve not only as officers but also as mentors, social service liaisons, and advocates for positive change.
