Snyder County Historical Society to Host Heritage Day on August 15

By Kay Poeth

Creative do-nothings, rag dolls, metal spinners, clay marbles and wooden dice kept children occupied. Children young and old still love these simple toys! Heather Hibbs or Treadle Treasures encourages visitors to explore and play!

2026 has been the year to explore the rich history of our nation and our local communities as we celebrate America250PA. The Snyder County Historical Society invites the public to step back in time for an amazing day of learning, discovering our heritage, and understanding our roots. On Saturday, August 15 from 11 am- 5 pm, the SCHS will offer an array of memory-making moments.

It will be a day filled with programs, demonstrations, hands-on activities, self-guided museum tours, and entertainment. This family-friendly event will showcase pottery-making, chair caning, looms and spinning, antique rifles, vintage toys, beekeeping, magic shows, Revolutionary War, Civil War and WWII Re-enactors. Also,

The Canal Demonstration will captivate visitors as Captain Mike McWilliams demonstrates how the canal system worked.

at the event local authors Guy Graybill, Jim Campbell, Edna Cravitz, Marsha Hubler, and John Moore will chat with visitors about their books. The Selinsgrove History Association, and Daughters of the American Revolution (DAR), Daughters of Union Veterans (DUV) and SAR will talk about their organizations.

Captain Mike McWilliams will captivate visitors with his demonstration of how the canal system worked on a large model as well as chat about many of the artifacts at his booth. Richard Nornhold will showcase manufactured Long rifles especially his collection of "Snyder County" rifles. Brandon Folk, portraying a medical staff member of the 147 PA Regiment, will discuss Civil War Medicine on the upper level in the Civil War Room.

Archeologist Kim Mattern will have a display of Native American artifacts, many of which were sourced from local fields. Kim will also identify any artifacts that visitors bring along and help them to label their origin. Alex Wolf will display the 18th Century canoe he built and the challenges along the way. Frances Appleman will demonstrate Tape Loom Weaving. Rodney Ries will display magic items and demonstrate tricks of the trade.

Peter Gardner will demonstrate the art of chair caning with a display several different pieces. The Northumberland County Historical Society will display a model of Fort Augusta and volunteers will be on hand to answer questions about the fort. There will also be a docent/guide

answering questions in the Roush Room of the museum. Many visitors are enthralled by the model of Rolling Green Park and the Crazy Quilt on display.

Another exhibit "What Is That?" will feature 5 unusual objects from the museum collection. Visitors can make their guesses. All entries with 3 or more correct answers will be eligible for a drawing to win a one-year membership to the Society.

Bob Gift, a local musician, will perform from 12:15-1:00 pm. In addition to her collection of Vintage and Colonial Toys, Heather Hibbs will present an interesting and amusing program, "Granny's Panties" at 2:15-3:15 pm. Wayne Biller will give tours of the Motz Log Cabin at 1 pm and 3 pm. Author Chats will be given throughout the afternoon beginning at 11:45 am with Guy Graybill, 1:15-Edna Cravitz, 1:45- Jim Campbell, 3:30- Marsha Hubler and 4:00- John Moore.

The Snyder County Historical Society library will be open for visitors. There is a wealth of local history and genealogy available at the library. Due to donations of documents and photos, the collection is ever evolving. Visit the library for suggestions and materials for researching genealogy and family history.

According to library historian, Esther Klinger, "The library receives a lot of visitors from around the U.S. searching for their ancestors and yet there are many Snyder Countians who have never been to the Historical Society or know about this 'gem' in their own back yard!"

Food will be available for purchase. McClure Boy Scout Troop 408 will be serving sandwiches and fries, Trinity United Methodist Church will have baked goods, David Boonie will be selling ice cream to benefit his Eagle Scout project and Pressed & Blessed will serve cold pressed juices.

Mark your calendars for Heritage Day at the Snyder County Historical Society on Sunday, August 15 from 11 am- 5 pm. Located at 30 E. Market Street in Middleburg, for questions call 570-837-6191.

REASON #0017

TO HEAT WITH A CENTRAL BOILER OUTDOOR FURNACE

Outside burning beats inside. Every time.

There's a reason we build campfires outside and not in our living rooms. It's just fact, there's a much safer, cleaner, and more comfortable option. When it comes to wood burning heat...we say, take it outside.

College Enforcement & Public Awareness Initiative

As the fall semester begins at colleges and universities, Liquor Enforcement Officers from the Pennsylvania State Police, Bureau of Liquor Control Enforcement, will be working with both local and state police in an effort to target underage drinking in and around campuses with our jurisdiction. Officers will be meeting with selected campus administrations and campus enforcement authorities in an effort to reduce underage consumption of alcohol and pre-empt alcohol-related problems at colleges and universities. Officers will also be meeting with many liquor licensees in college and university areas in an effort to promote awareness, improve relations, and reinforce preventing sales of alcohol to minors and other alcohol violations.

State laws pertaining to the purchase, possession, consumption, or distribution of alcohol will be aggressively enforced. Any person under the age of 21 found in possession of or consuming, alcoholic beverages will be cited under Pennsylvania's underage drinking law. Pennsylvania's under age drinking law is a summary offense and carries a potential fine of up to \$500 and up to 90 days imprisonment for the first offense. The fine increases up to \$1,000 for subsequent offenses. Entry into an ARD or pre-adjudication program counts as a conviction.

Every effort will be made to arrest any person(s) that supplies alcoholic beverages to person under the age of 21. Any person, including parents, found supplying alcohol to anyone under the age of 21 will be charged with furnishing alcohol to minors, a third degree misdemeanor under PA Title 18. The penalty for the first offense is a minimum fine of \$1,000 and up to one year imprisonment. The fine for a second or subsequent offense is a minimum of \$2,500. Any person charged with this section will be fingerprinted and photographed as part of the arrest process. The arrest will then be part of a permanent criminal history.

Any questions concerning this matter should be directed to District Office Commander, Sergeant Reeve A. Mott, at 570-433-3959, during normal business hours.

Beaver Springs Fire Company to Celebrate 100 Years of Service to the Community

By Kay Poeth

The Beaver Springs Volunteer Fire Company is celebrating 100 Years of dedicated service to the community in 2026. Let's step back in time to a century ago and see what the first years of the Beaver Spring

Volunteer Fire Company looked like.

In the summer of 1926, a fire broke out in Beaver Springs. Fortunately, it was discovered in time to prevent devastating destruction and loss. Local citizens, spearheaded by Palmer S. Mitchel, James B. Spangler, Anthony Herman, and Roy C. Kline, petitioned for an organization to obtain firefighting equipment to protect the local community from the danger of fire.

The Beaver Springs Volunteer Fire Company was organized on October 18, 1926 and incorporated in 1927. The newly-formed fire company first met in the Ladies Band Hall until a suitable space was found. In the fall of 1926, the group purchased a building and lot from W.S. Kline. The former whip factory operated by M.O. Felker was remodeled. The first floor housed the fire equipment and a kitchen while the second floor had a meeting room that was also used as a dining room to serve public suppers. A hand-operate elevator was used to convey dishes and food to the second-floor dining room. The original fire hall was located where Rayauda's Restaurant stands today.

In 1936, a ½ acre plot of land was purchased from A.C. Herman at the cost of \$100. Herman then donated \$50 toward the construction of a new fire hall on Center Avenue. The two-story fire hall housed fire trucks and ambulances on the first floor as well as the well-equipped kitchen. On the second floor, the large meeting room/dining hall was located. It could accommodate 150 diners. The new fire hall was completed in October 1938 and is the site of the current fire hall!

Due to the lack of space, in the summer of 1969, an \$8000 addition was built to house fire trucks and tanker. In the late 1980's another addition was built to extend the space needed.

The first piece of fire apparatus was a two-wheeled hose cart purchased at Burnham. The cart was purchased by Ira J. Smith and was donated to the fire company. It was a Hand Hose Cart used to haul hose from the fire hall to the scene of the fires. It has been restored by Andrew Snook for his Eagle Project and will be on display at the 100 Years Celebration.

Another early piece of equipment was a Model T Ford Fire Engine with a Darley Pumper and hose purchased for approximately \$750. In 1930, it was sold to the Thompson-town fire company for \$300. According to John Kauffman, "The one famous story about that piece of equipment is there was a big fire over in town here, and they couldn't get it started. Back in those days, you could push it to jump-start it. They finally got it jump-started, but the boys were tired from getting the truck started until they got to the fire, and obviously, they worked there, but it took a lot of energy to even get the equipment started!"

In November 1930, the fire company purchased a new Buffalo Engine with a Hale Rotary Pump. It was in service from March 1931 to 1952. During the dedication of the Buffalo Engine, there was a parade with several visiting fire companies and bands. Judge Potter of Middleburg was the guest speaker.

In 1926, firefighters and residents were alerted of fires and emergencies by ringing a large steel tire. Purchased from Standard Steel Works in Burnham, it was hung on a frame at Kline's Garage. When the first fire hall was completed, it was moved there. Now, it hangs at the end of the lane leading to the fire hall. A huge sledge hammer is used to strike the steel tire, its clang travels quite a distance. The steel tire alarm will be rung to kick off the festivities at the 100 Years Celebration.

In addition to the Beaver Springs Fire Company, the Ladies Auxiliary of the Beaver Springs Fire Company was organized in the summer of 1927 with the mission to help support the fire company financially to obtain new equipment and maintain current equipment. On July 14, 1938, the Beaver Springs Ambulance Club began with a Packard ambulance received from I.D. Aurand & Son. In 1947, the Ambulance Club purchased a 1937 La Salle. This purchase was invaluable during WWII when no doctors were available in Beaver Springs and the surrounding areas.

To learn more about the Beaver Springs Fire Company, Ladies Auxiliary, and Ambulance Club, the 1956 "Beaver Springs Sesqui-Centennial Celebration", the 1906 "History of Beaver Springs and Centennial Souvenir Book", the 1976 "Beaver Springs Area Bicentennial Souvenir Booklet", 2006 "Spring Back in Time/Beaver Springs Bicentennial History Book 1806-2006", and "Tapestry of Our Lives: Beaver Springs Bicentennial History Book 1806-2006 Vol 2" are great resources. They are available for purchase by contacting Deb Kline at 570-658-4603 or visiting The Snyder County Historical Society's history room on Thursdays from 10 am-3:30 pm.

2026 is the year for anniversary celebrations! On August 29 from 4-9 pm, Beaver Springs Fire Company is celebrating their 100- Year Anniversary with a time of fun, fellowship, and festivities at Spring Township Park, where the original Firemen's Carnival started! There will be two bounce houses for the youngsters, food vendors, The Out-law Band, and fireworks!

GREAT NIGHT OF RACING AT SELINGSGROVE SPEEDWAY, WOO SPRINTS AT WILLIAMS GROVE

A pit area full of race cars, a nice crowd on hand for kids at Selingsgrove. Things were good for last Saturday nights racing program for the four-division show. 23 super late models along with 23 East Coast Wingless 360-sprints, 24 PASS 305 sprints, and 17 limited late models, for an action-packed night of racing. The wingless sprint feature was run first, with Kenny Miller of Morgantown Pa jumping out to an early lead but all eyes were on Christian Bruno of Deptford N.J. who started back further in the field but was charging his way to the front. Bruno made the winning pass in the third and fourth turn using a slide job on leader Miller with Bruno hitting the fence with his right rear tire. It slowed him down for a second then moved past Miller and on to win his second of the season for the traveling series. Kenny Miller stayed second with Kyle Spence of Bridgeton N.J., Dave Dreveck of Reading Pa. and Curt Stroup of Richfield in the top five. The super late model feature was next up with outside front row started Lane Snook of Port Royal getting the early lead and pulling away from the field. Snook was pulling away from the field until a couple of cautions slowed the action done. Gregg Satterlee of Indiana Pa started sixth in the feature but was not moving for much in the early part of the race. On lap seventeen a big crash occurred when Justin Weaver spun in between the third and fourth turn and collected Dylan Yoder of Middleburg. The contact sent Dylan into a series of roll overs, landing on his roof. After a few tense moments, Dylan crawled out of his car and was ok. The car..... not so much. Jeff Rine Danville, Shaun Jones Shermansdale and Jim Yoder Selingsgrove, Dylan's dad, were also involved, with none of the drivers continuing in the feature. On the restart Satterlee grabbed the top spot from Snook and went on to score his sixth feature win at Selingsgrove this year. "Those cautions played in our favor tonight for sure. I have never had a season like this winning that many races at one track during the year. There are four more races for the supers here at Selingsgrove and I hope to make all of them" Quoted Gregg. Lane Snook held on for second. "I am happy and disappointed about second. Just made the wrong lane choice on that last restart, but Gregg is a veteran driver and has seen these situations more than I have. But we will keep learning". Hayes Mattern of Beavertown who set fast time and won his heat race settled for third. With Matt Cosner of Ridgeley WV. and Chris Casner of Mifflintown in the top five. The PASS 305- sprint car feature went to Chad Phillips of Gratz Pa who was making only his second start at the speedway this year. Phillips and his 98 sprint car held on to the lead for most of the race which had a number of yellows, but Chad was up to the challenge. He scored his first ever feature win in the 305-sprint class. Chris Dolan of York Pa. made a last lap pass for second over Mike Melair of Warrington Pa. with Doug Dodson of Middletown Pa. and Logan Spahr of Lewisberry in the top five. This Friday Selingsgrove will have a two-division show of Super late models and Limited late models.

Williams Grove had two days of the World of Outlaw sprint cars Friday nights program drew a field of 43 drivers with WOO regular Michael Kofoid of Pennsgrove CA winning the feature over Darynn Pittman of Owasso Ok driving the Kreitz #69K second current points leader David Gravel of Watertown CT third followed by Logan Schuchart of Hanover and

Brent Marks of Myerstown Pa. Local drivers Anthony Macri of Dillsburg and Logan Rumsey of Manchester were next in line sixth and seventh. With Chase Dietz of York Pa. eighth. Saturday Gravel scored the feature win over Schuchart, Logan Rumsey third his best ever effort against the WOO series. He also set fast time on the night. Dylan Norris of Hanover Pa was fifth. The WOO series will be back at Williams Grove for the National Open weekend on October 2nd and 3rd. This Friday Williams Grove will have a regular show for the 410-sprints and the 358-sprints.

In other racing action on Friday night Bedford speedway ran the Gary Martz Memorial. Martz was a racer and after his racing days began to build late model racing chassis. Jeff Rine got the lead at the start of the feature and then held off a late race charge by Trevor Feathers of Winchester Va to score his second super late model win of the season and his 40th career win at Bedford. He is the tracks all-time leading feature winner. JT Spence of Winchester Va was third followed by Matt Cosner, and Shaun Shoemaker of Mount Union Pa. Bedford will be off this Friday but will be back on Friday August 14th for a show of Super Late Models and Limited late models. Big Diamond held a race last Friday, while given their main division of racing the 358-Modifies the night off. The track ran the 602-crate Sportsman Modified with the win going to Ryan Garver who started in the 12th position for the feature and scored his fourth win of the season, Matt Martino and Kevin Fitzpatrick third. Two Roadrunner features were run with Chuck Fayash scored his second win of the season over Alex Schoffstall and Joey Brennan. The second feature came down to three cars battle for the top spot most of the twelve-lap feature with Kris Ney making his first start of the season picking up the feature win Schoffstall and Brennan. This Friday Clinton County will be in action after begin off last Friday for Fair preparations. They will be racing the 305-sprints in the Jim Kennedy Cowboy Memorial, paying the winner \$2,000 to win and \$300 to start the feature. Pro-Stocks will have two features. One make-up from July 3rd and a regular feature. 270-micro sprints and Four-Cylinders will also be racing.

Found another Speedweek race worth writing about. It was the 39th annual Indiana 410-wingless sprints week with racing at nine different tracks in ten days, and they got all of the events in. One close call was Circle City getting rained out on Sunday, but they used Monday to make up the race. Things started, with the second night of racing a record 71-drivers signed in. First night feature went to Justin Grant over Jake Swanson, the night of 71 drivers went to Mitchel Moles over Logan Seavey. Night Three went to Kevin Thomas over Grant, with night four Grant for the win over Kyle Cummins, night five was Brady Bacon over Logan Seavey. Night six was Jake Swanson over Kyle Cummins Brady Bacon, Grant and Mitchel Moles. Night seven went to Kyle Cummins over Brady Bacon, Kevin Thomas Jr, Grant and Swanson. Night eight went to Robert Ballou, over Moles, Grant, Swanson, and Hunter Schurerburg. The final night went to Grant over Bacon, Cummins, Moles and Tomas. Most of these names should be familiar, if you followed the Eastern Strom this summer in our area. Briggs Danner from Allentown was driving the Tim Houge number 39, for all nine races with his best finish Fourth one night, along with a sixth, and eight, a ninth place run along with , thirteen sixteen, twice 18th, and 20th. Another Allentown Pa driver Gavin Miller competed in a few races with runs of sixth twice, a third, seventh, and ninth. Kyle Cummins who won the Eastern Storm points, was also the points champion for this series. With 569 to Justin Grant 562 and Mitchel Moles 545.

Just announced the SCD Management Group that is in their second season of running Selingsgrove speedway will not be back for the 2027 season. An agreement with the Selingsgrove Fair board could not be reached with the terms the group wanted. With that being said, the Fair Board has decided to look for new operators for the speedway, which is celebration the 80th year of racing this season.

Funding Increase for Educational Gratuity Program, Expanding Support for the Children of Pennsylvania's Veterans

This is the second year in a row the Shapiro Administration increased funding to the Education Gratuity Program to meet growing demand

The Shapiro Administration secured an additional \$50,000 in funding in the 2026-27 budget to further expand the Department of Military and Veterans Affairs's (DMVA) Educational Gratuity Program, providing more support to the children of Pennsylvania's veterans.

"These grants can help to alleviate the financial burden families face when their children graduate from high school and look toward higher education," said Pennsylvania's adjutant general and head of the DMVA Maj. Gen. John Pippy. "DMVA strongly encourages eligible families to apply now for assistance this upcoming semester. Your sacrifices have been immense and this is one way for Pennsylvania to show its continued honor and support of your family."

The initiative, which stands as one of DMVA's most impactful, provides financial assistance to children of honorably discharged wartime veterans who have service-connected total and permanent disability, or children of veterans who died in service during a period of war or armed conflict. The program has assisted nearly 1,200 students since the Fall of 2015.

As children of veterans who've served in America's longest war – the 25-year-long Global War on Terror - reach college age, the amount Educational Gratuity Program applications are swiftly rising. The DMVA has observed a 100% growth in applications over the past two years.

"A special feature about this grant program is that it can be applied to colleges, trade schools and apprenticeships all across the commonwealth," said Brig. Gen. (PA) Maureen Weigl, deputy adjutant general of Veterans Affairs. "DMVA wants to see that finances are not a deciding factor when it comes to advancing your education. It is of utmost importance that military children have an opportunity to succeed in life, especially those whose family has sacrificed while in uniform."

The Educational Gratuity Program supports both children of honorably discharged wartime veterans with service-connected total and permanent disabilities, and children of veterans who died in service during a period of war or armed conflict. The eligible child must be between ages 16 and 23, must have lived within the Commonwealth of Pennsylvania for at least five years prior to application and must attend a school within the commonwealth. All applicants must demonstrate a financial need. Eligible applicants can apply for up to \$4,000 total — \$500 across eight terms or semesters — for each qualified child. To apply, contact the County Director of Veterans Affairs for the county in which you reside.

Fall practices for our high school students will be starting next week with football and band camps followed by soccer and field hockey the next week. To most it's a true signal that summer is over as they begin preparations for their games and shows.

Two-a-days in the hot and humid weather of August and the many hours of practice might seem brutal right now. Rest assured you will fondly remember your school practice weeks in the years to come.

It's getting your 8 to 5 practice steps in for marching band or being so sore no matter how much you pre-trained for your sport in June and July. It's laying on the practice field early in the morning waiting for the coach to emerge from the locker room in his bright orange windbreaker. It's shinguard tans, Sheetz runs and skit nights. It's team bonding by going for ice cream with your teammates as the sun sets. These memories will stay with you forever.

As our high school students will be prepping for a run at a possible league title, major league baseball teams made trades at the deadline to fortify their post season rosters. I understand non-LA Dodger fans are upset because the best team in baseball just traded for the best pitcher in baseball in Tarik Skubal.

I have no ill-will as every other team had the opportunity to get Skubal but it was a no-brainer for LA. They have the deepest and best minor league system and had no problem giving up their top prospects for Skubal. The Dodger's payroll tax this year is \$180M which is higher than the total payroll of twelve other teams in the Majors. The Dodgers just want to win more than any other team, no matter the expense.

The baseball trade deadline received a lot of attention this week but there's another developing story that could wreak havoc on college sports teams. The NCAA created what they are calling the '5 for 5' rule which will allow student athletes to compete for five full seasons within a five year eligibility window. Traditional redshirts and medical hardship waivers are removed. The clock can only be paused by pregnancy, active military service or official religious missions. The NCAA was going to begin this starting in the fall of 2027.

Athletes from the 2022 recruiting class who had completed their four years of eligibility under the previous rules were not grandfathered into the new plan. Multiple players recruited in 2022 later challenged the NCAA with lawsuits... surprise, surprise. Last weekend a federal judge in Denver issued a preliminary injunction forcing the NCAA to grant a fifth year of eligibility to those athletes who exhausted their years of play this past college school year.

This means that thousands of student-athletes nationwide will now be allowed a fifth season of play. This includes all sports in college and those that are looking to transfer. This also means that two-time national wrestling champ Levi Haines will be returning to Penn State to try and win his fifth Big Ten individual title.

Of course, the NCAA is expected to appeal to the U.S. District Court ruling and is urging Congress to pass the

'Protect College Sports Act.' Politics muddling with the NCAA ... what could go wrong? Expect more changes to this evolving story.

Indiana football coach Curt Cignetti had people talking after the BIG media days. Cig's quote "When we fall short, we say, 'We fell short.' We don't cry a river and whine and complain. And that's why we're (The Big Ten) the best." That was a clear shot at the SEC and everyone in the south took notice. Cignetti's confidence and ego is why people love him or hate him and he has every right to show such bravado. If you dig a little deeper you can discover Cig's winning ways are more than just his ability to evaluate talent and play to their strengths.

Indiana football was the sports story of last year. Now that they've reached 'Big Boy' status in college football it's time they start scheduling as such. Since Cignetti became head coach at IU in 2024, the Hoosiers are the only Power Four (P4) school to not play another P4 opponent or Notre Dame outside the Big Ten during the regular season. They don't have any non-Big Ten P4 schools scheduled through the 2032 season.

Indiana was scheduled to play Virginia in 2027 and 28 but paid UVA a \$500k buyout and replaced the Cavaliers with Kennesaw State and Austin Peay. Indiana was set to play Notre Dame in 2030 and 31 but those games were cancelled at the behest of Cignetti last Monday. The ND games were scheduled before Cigs was hired by Indiana.

Cignetti's reasoning is he wanted to schedule like the SEC does and only focus on his nine conference games. Last year the SEC changed their scheduling rules to play nine league games instead of eight and they are required to schedule at least one P4 opponent or ND outside the conference. Indiana has six open dates in the early 2030's to add an out of conference P4 team but don't expect the alpha coach to play an alpha schedule.

In closing, I've been wanting to write about this for months. Is it just me or has ESPN 'jumped the shark?' This is the network that gave us Australian rules Football, Mel Kiper Jr., Dick Vitale and Chris Berman's nicknames. The 'must see watch' was 'The Big Show' hosted by Dan Patrick and Keith Olbermann every Sunday night in the 1990's. All of the Sportscenter hosts back then were knowledgeable journalists that all had different styles.

Over the last ten to fifteen years ESPN has become more about entertainment and ratings. I understand that ESPN stands for Entertainment and Sports Programming Network. ESPN's studio shows focus on debates by way of 'hot takes' rather than pure objective reporting. The egotistical Stephen A Smith is nothing more than a name-dropper who forgot to bring his journalistic chops with him when he left the Philadelphia Inquirer after covering sports for sixteen years.

I used to really enjoy Kirk Herbstreit talking about college football before he began bringing his dog with him to every appearance. The proverbial last straw for me was last weekend when their main event they were broadcasting was WWE's summer slam fiasco.

My disdain towards ESPN will wane with the start of the college football season, even though they are currently the network shill for the SEC. They still give us MACtion on Tuesday nights. Thank you for allowing me to get that off my chest!

Hey Phillie fans, your team was wise to get Luis Arraez from San Fran, he's going to help you more than a fifth starter. Nola will be fine. Comments and criticisms are welcome at theviewfromhear74@gmail.com or on X @theviewfromhear

2026-27 SUN Tech Cosmetology Students Complete Summer Program

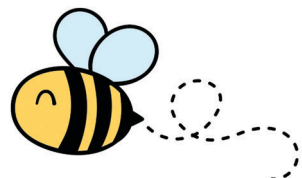

From left to right, back row, Dalyla Drake, Sarah Fry, Brynlee Jordan, Kylie Shaffer, Kristen Miller, Adriana Valentin, Carly Faulhaber, Evilyn Chambers, Dakota Martinez, Lillyien Haas, Karley Weiser, Makenna Kratzer, Cheyanne Quackenbush, Amyah Lee, Mrs. Plummer, Alissa Jenkins; front row, Madeline Bowers, Ava Yoder, Avery Ritter, Sophia Shafer, Bethany Reed

20 Students from Midd-West, Shikellamy, Mifflinburg, Lewisburg, and Selinsgrove spent seven weeks learning the fundamentals of cosmetology. They spent the summer learning the principles of hair designing, hair cutting, and the use of chemical texture services. The program is offered to students who have completed 11th grade and entering their senior year. The summer program is designed to not only teach the students the basics, but to also help complete the needed 1250 hours that the State of Pennsylvania requires for cosmetology licensing. Due to their participation in this program, students will be able to accumulate the hours necessary to become a licensed cosmetologist while still earning credits towards their certificate of completion and high school diploma.

Obituaries

Dina Annette Shaffer, 59, Port Trevorton

Dina passed away unexpectedly in the comfort of her home on Monday, July 27, 2026.

Born to the late Lee Ewig and Ora Mae Snyder, Dina was a graduate of West Snyder High School.

On January 28, 1984, she married the love of her life, Michael Todd “Mike” Shaffer.

Together they built a life centered on love, family, and hard work until Mike’s

passing on December 28, 2021.

Dina worked alongside her husband on the family farm and also provided transportation for members of the local Mennonite community.

Above all, Dina was a loving and devoted wife, mother, and Memaw.

Her grandchildren were the light of her life and she treasured time spent camping with them and cheering for them at sporting events and 4-H activities

She was happiest when she was caring for others and creating memories with those she loved. Dina had a knack for making every holiday, birthday, and family gathering feel special through her thoughtful planning and attention to detail. She also found joy in reading and tending to her beautiful flower beds.

Dina leaves behind her loving children, Michael Lee Shaffer, Andrew (Emily) Shaffer, and Robin (Travis) Derr; six beloved grandchildren, Trevor, Leah, Bradley, Bentley, Declan, and Delaney; and many extended family members and friends who will cherish her memory.

While her children and grandkids will deeply miss Memaw, they find comfort in knowing she has been reunited with Papaw. As a family they will continue to live out the legacy left by Mike and Dina of love, hard work, and devotion to family for generations to come.

In addition to her parents and her beloved husband, Dina was preceded in death by her younger brother, Kevin Ewig.

A Celebration of Life service will be held at the discretion of the family.

Arrangements by the V. L. Seebold Funeral Home, 601 N. High Street, Selinsgrove.

Gerald E. Reichenbach, 82, Mt. Pleasant Mills

Gerald passed away on Wednesday, July 29, 2026.

He was born on July 27, 1944, to John and Sally (Willow) Reichenbach. He married his surviving wife, Florence (Brown) on June 8, 1963. They spent 63 wonderful years together.

Gerald spent many years as a dairy farmer and later in life was a security night watchman. He loved hunting, fishing, country living, country music, and the Philadelphia Phillies & Eagles.

Above all, his greatest joy came from the time spent with his children and grandchildren.

Also surviving are his children, Dwight Reichenbach, Rick (Heather) Reichenbach, and Sally (Michael) Snook; grandchildren Zackary (Alicia) Reichenbach, Alexandria Reichenbach, Caitlin Reichenbach, Jacob Reichenbach, Dylan (Rachel) Snook, Hunter Snook, Nash Snook, and Cloe Snook; great-grandchildren Scarlett Reichenbach, June Rebuck, Roman Rebuck, Aubrielle Snook, Quinleigh Snook, Giuliana Smith, Ethan Smith, Ellia Smith, and Emmylou Burke; one brother Robert (Lois) Reichenbach; and a sister in law, Vicki Reichenbach.

In addition to his parents, he was preceded in death by his brother, Kenneth Reichenbach.

Services will be held privately at the convenience of the family.

Arrangements are by Hummel Funeral Home, 574 Hill Street, Middleburg.

Wanda J. Hile, 61, Mt. Pleasant Mills

Wanda entered into enteral rest on Wednesday, July 29, 2026, at her residence.

Born on October 15, 1964, in Meiserville, she was a daughter of the late Lester L. and Shirley M. (Sheriff) Stroup. On September 18, 1982, she married the love of her life, Brian M. Hile, who survives.

She was a 1982 graduate of Selinsgrove Area High School.

Wanda began her working career at the local sewing factory and later was employed for Excel Homes from 1996-2024 where she retired.

Wanda enjoyed traveling, visiting the casino, tending to her flowers and garden, and, above all, spending time with her family. Her greatest joy in life was her grandchildren, who truly were the center of her world.

In addition to her husband, she is survived by a son, Matthew (Caitlyn) Hile; brothers Darwin Stroup, Donald (Sharon Rauch) Stroup, and Dennis (Audrey) Stroup; a sister Sharon (Dwayne Brady) Hile; and two grandchildren Nicolai and Avalynn.

The family would like to express their sincere appreciation to Wanda’s hospice team, Bonnie, and Brenda for the care they provided to Wanda.

Arrangements are by Hummel Funeral Home, 574 Hill Street, Middleburg.

Paul J. Heimbach, Fernandina Beach, Florida

Heimbach and second wife Mary Ann Heimbach.

Paul was born on Christmas Day 1938 in New Columbia, Pennsylvania. Following graduation from Selinsgrove High School, he attended Penn State University until a decision led him to join the US Air Force.

Following his marriage to Donna on April 24th,1959, he attended Air Force Language School at Syracuse University, New York where he studied the Bulgarian language and was named class valedictorian. He delivered his valedictorian speech in Bulgarian, amazing!

His first duty assignment in the Air Force led him to Germany where he flew intelligence collection missions on a C-130 aircraft listening to Bulgarian radio signals over the Black Sea. After Donna graduated high school in 1959, she travelled alone to join Paul in Germany. Their son Philip was born in September of 1960 in Wiesbaden, Germany. They returned to the United States for his next assignment, an Air Force officer program at Michigan State University, where their son Tom was born in March of 1963. Paul graduated from Michigan State University with a degree in Political Science and attended Officer Training School in Texas where he was commissioned into the Air Force as a Second Lieutenant. The family moved to Denver, Colorado where Paul attended Air Force intelligence school. In 1966, the Air Force sent Paul to Korat Air Base, Thailand where he served as an intelligence officer for an F-105 squadron during the Vietnam Conflict. He returned a year later with quite a moustache and many photos of beautiful Thailand.

Paul’s Air Force career led him to Lowry Air Force Base, Colorado, Offutt AFB, Bellevue, Nebraska and the Pentagon, where he retired as a Major after 22 years of service on July 1, 1980. He then joined the Defense Intelligence Agency as a civilian working in information technology until 1986. Later he was one of 3 individuals who founded Lumintel Corporation, which focused on maritime intelligence systems support to 22 US Federal Government agencies. After Lumintel, he joined Synectics Corporation in Fairfax, Virginia where he continued work in national security until he retired.

Paul and Donna then became “Snowbirds”, enjoying their summers in McClure, Pennsylvania and winters in Kissimmee, Florida. He organized and led many Heimbach Family reunions and Civil War battlefield tours. Later they decided to relocate full time to their home in Kissimmee where they enjoyed life together until Donna met her Lord in June of 2016.

During COVID, Paul re-connected with an old family friend, Mary Ann Olson and they were married in August of 2020. They lived happily in Fernandina Beach, Florida until she met her Lord in October 2023. His final days were comfortable at Discovery Village in Jacksonville, Florida. He had many friends in Fernandina & Jacksonville, including Larry and Margie Armstrong who were especially close to Paul, helping him often on his final journey.

Visitation was9:00 a.m. to 11:00 a.m. on Wednesday August 5, 2026 at the Hummel Funeral Home, 574 Hill Street, Middleburg followed by the funeral service at 11:00 a.m. with Rev. Gary Wayne Heimbach officiating. Burial with full military honors will be in Mifflinburg Cemetery, Mifflinburg.

Donald “Donnie” L. Brubaker, Sr., 75, Liverpool

Donnie entered into rest unexpectedly at home on Wednesday, July 29, 2026.

He was born August 26, 1950, in Lewistown, a son of the late Melvin Brubaker, Sr. and Maybelline (Chambers) Brubaker. On October 19, 1991, he married Penny (Shope) Brubaker.

A service was held August 2, 2026.

Jodie L. Newton, 56, Liverpool

Jodie entered into rest on Wednesday, July 29, 2026, at home surrounded by her family, after a courageous battle with breast cancer.

She was born October 9, 1969, in Altoona, a daughter of the late Robert C. Weidlich and Susan I. (Cummings) Byers. On July 1, 2023, she married Joseph “Joey” Newton, III, who survives.

A service was held August 1, 2026.

David H. Griffith, 92, Chapman Twp, Snyder County

David passed away on July 30, 2026 at Nottingham Village, Northumberland.

David was born on March 8, 1934 in Ephrata, PA to John “Clem” and Annie (Hornberger) Griffith.

A viewing was held August 3, 2026.

Nancy B. (Barner) Arnold, 89, Liverpool

Nancy entered into rest on Sunday, August 2, 2026, at Stonebridge Health & Rehab Center, Duncannon.

She was born April 27, 1937, in Harrisburg, a daughter of the late Paul E. Barner and Daisy (Craft) Mulligan. On June 14, 1956, she married Clifford E. Arnold, who survives.

Family and friends are welcome from 11:30 a.m. to 12:30 p.m., Friday, August 7, 2026, at Good Shepherd Lutheran Church, 1000 N Front St., Liverpool, a funeral service will be held at 12:30pm.

FCFP Launches Will Week to Help People Plan for the Future

Community initiative offers 15% off qualifying estate planning services while encouraging charitable giving through the PA Giving Pledge.

First Community Foundation Partnership of Pennsylvania (FCFP) is launching Will Week, a community initiative taking place August 10–14, 2026, that encourages individuals and families to create or update their wills while learning how they can support the causes they care about through the PA Giving Pledge.

Coordinated by FCFP in partnership with local attorneys, Will Week connects individuals and families with trusted legal professionals throughout the region. Those who contact a participating attorney between August 10 and August 14 and mention the code “FCFP Will Week” will receive 15% off qualifying estate planning services. While the call must be made during Will Week to receive the discount, appointments may be scheduled for a later date.

“Many people know they should have a will, but they aren’t sure where to start or assume the process will be difficult or expensive,” said Stephanie Steinbacher, Director of Donor Experience & Philanthropy at First Community Foundation Partnership of Pennsylvania. “Will Week is designed to remove some of those barriers by connecting individuals and families with trusted attorneys who can help them create a plan that reflects their wishes and protects the people and causes they love.”

As part of the initiative, participants will also learn about the PA Giving Pledge, a statewide campaign led by the Pennsylvania Community Foundation Association (PACFA) that encourages Pennsylvanians to consider leaving at least five percent of their estate to charitable causes that strengthen the communities they call home.

According to PACFA, more than \$418 billion is expected to transfer between generations in Pennsylvania by 2030. If just five percent of that wealth were directed toward charitable giving, billions of dollars could remain in local communities to benefit nonprofits and expand their impact for years to come.

“We often think of a legacy as something we leave behind, but it’s really something we build throughout our lives,” said Jennifer D. Wilson, President and CEO of First Community Foundation Partnership of Pennsylvania. “A charitable gift in your estate plan is a powerful way to ensure the values, causes, and communities that have shaped you continue to thrive for generations. We’re grateful to the attorneys participating in Will Week for sharing their expertise with our community and partnering with us to make estate planning more accessible for individuals and families across our region.”

Participating attorneys include:Apfelbaum Kula, P.C., Casale, Bonner, Hillman, & Southard, P.C., The Crossland Group, Groover and Lobos, LLC,Lovisky& Cressman, LLC, Malee Law Firm, P.C. , Marshall, Parker & Weber, LLC, McCormick Law Firm, McNeerney, Page, Vanderlin & Hall, Raup & Sholder Law Offices, Scott A. Williams and Steinbacher, Goodall & Yurchak.

Susquehanna Cares Calendar to Connect Residents with Local Resources

Central Susquehanna Opportunities, Inc. (CSO), in partnership with Community Giving Foundation and Susquehanna Kids, has launched Susquehanna Cares, a free online calendar designed to help residents find local programs, services and community resources across Union, Snyder, Northumberland, Montour, and Columbia counties.

The Susquehanna Cares Calendar, found at csocares.org, provides a centralized location for information about community resources, including food assistance, clothing resources, health and wellness services, community programs and other support opportunities available throughout the region.

The calendar was developed by Susquehanna Kids and is now hosted by CSO following collaboration through the Nonprofit Executive Team (NET), convened by the Community Giving Foundation, and through the help of Foundation grant support. The partnership brings together organizations with a shared goal of making it easier for residents to find and access available services.

“Susquehanna Cares reflects the power of collaboration in meeting the needs of children and families across our region,” said Megan Bair, CEO of CSO. “Through this partnership between Community Giving Foundation, Susquehanna Kids and CSO, we are creating new opportunities for our community to connect with local resources that can help individuals and families thrive.”

“Susquehanna Kids is a local platform that helps families find activities, classes, camps and community events,” said Colleen Bowman, Founder and CEO of Susquehanna Kids. “As we built out our activities calendar, we kept coming across information about food pantries, clothing closets and other community resources, so we created a separate calendar to make sure those opportunities had a place to be shared. Through our work with NET and the Community Giving Foundation, we connected with CSO and quickly saw that Susquehanna Cares was closely aligned with their mission of connecting residents with resources. We’re excited that the calendar will remain free and accessible while giving more organizations an opportunity to share the services and support they provide to our communities.”

The Susquehanna Cares Calendar is free for residents to access and for organizations to submit eligible resources and events. Susquehanna Kids will continue sharing the calendar with families who visit its website, while CSO will serve as the primary home for the resource moving forward. Nonprofits are encouraged to include the link on their websites or resource lists to grow the calendar’s visibility.

Residents and organizations can learn more about Susquehanna Cares by visiting www.csocares.org.

2026 Faylor Lake Loop Trail Race - Race for Environmental Education!

By Kay Poeth

Pictured here are Male winners in the 3.75-mile race: 2nd place- Wyatt Sherman, 3rd place- Aiden Parker, and 1st place- Grant Boop.

Winners in the 7.5-mile course, are the Top 3 Male finishers: 2nd place- Connor Weaver, 1st place- Jadon Zook, and 3rd place- Liam Bradley.

The Top 3 Female finishers of the 7.5-mile course are: 1st place- Ann High, 2nd place- Emily Kline, and 3rd place- Kim More.

The 7th Annual Faylor Lake Loop Trail Run hosted by the Snyder County Conservation District for environmental education was held on Saturday July 18 in Beaver Springs. 116 runners braved the rain and compete. Runners competed in either the 3.75-mile course or the 7.5-mile race.

Whether the racers were running for the cause, the view, or the challenge, every step supports the Snyder County Conservation District's Environmental

Shown here are Female winners of the 3.75-mile race: 2nd place female - Evelyn Weiser and 1st place - Janelle Werner. Missing from photo is 3rd place winner- Katelyn Felix.

Outreach Programs for youth such as Kids' Enviro Camp, Snyder County Trout in the Classroom, 2nd grade ecology days, Mid-West Outdoor Education, and many more. Thanks to each and every race finisher for making the Faylor Lake Loop Train Run so successful.

The trail race provided a rainy but picturesque view of the lake and an invigorating run by winding through an old farm field, mature timber stands, across the breast of the dam, and through a shallow water crossing (less than 6 inches). Awards were given to the top three male and female finishers for each distance.

Congratulations to the winners of the 3.75-mile race. In the male division, taking 1st was Grant Boop. Coming in 2nd was Wyatt Sherman. Third place honors went to Aiden Parker. In the female division, Janelle Werner of Beavertown came in 1st place. Taking 2nd place honors was Evelyn Weiser. Earning 3rd place was Katelyn Felix.

Alumni Association Distinguished Alumni 2026 Culver Supports 2026-27 State Budget

The Selinsgrove Area High School Alumni Association is pleased to announce our Distinguished Alumni recipients for 2026. The four alumni recognized this year include Louise Reggia Lynn - 1962, Art Maurer - 1960, Jatoya Troutman - 2006, and Brandon Longacre - 2000. Our four recipients represent the characteristics of a Distinguished Alumni as well as represent our current "Entrepreneurial" theme

Art Maurer went on to graduate from Penn State and then earned his Doctorate in Food Science from Cornell University. He joined the Department of Poultry Science at the University of Wisconsin-Madison's College of Agricultural and Life Sciences teaching poultry and food science. While at CALS, he made major contributions to 13-state Midwest Undergraduate Poultry Science Center of Excellence and receiving their Outstanding Advisor Award in 1991. His research interests focused on poultry products technology including processing, preservation, quality, marketing, and product development. Art's international impact began with his doctoral research at the University of the Philippines which included dehydration of food and poultry meat. He also conducted research in laboratories and food science programs in Australia, New Zealand, Nicaragua, and Argentina. Art Maurer passed away in 1998.

Jatoya Troutman studied cosmetology at SUN Area Technical Institute and spent over 15 years behind the chair serving clients, and becoming connected to her community. She never intended to become a business owner, instead entrepreneurship found her through the people, opportunities, and needs around her. In 2021 Jatoya and co-owner Erica Amato opened Stack'D Fit then in 2023 Diversified Vibe Salon and Spa was established alongside Kelsey Ritter and Lori Reichenbach. Jatoya then joined her aunt, Cyndi Romig, as a partner in event venue. The Barn on the Hill and most recently partnered with Erica Amato and Veronica John to open The Burn Bar in downtown Selinsgrove. In 2025, she was recognized as one of Inside Pennsylvania's Top 40 Under 40 for her leadership and community impact

Louise Reggia Lynn earned her Graduate Degree in nursing and then headed to Washington, DC where she worked and raised a family. She volunteered with art work and flowers for events, worked for flower shops, went to floral design school and ran a flower business from her home. After consulting a Career Counselor, she and found her interests ver-

fied her goal to open her own flower shop, Chevy Chase Florist. She organized a floral designers' association in DC and volunteered on the Washington Cathedral Flower Guild. Her career continued with a B&B business from her home, which led to the formation of a B&B Guild in VA. She continued to volunteer at the Washington Cathedral and served as the Hospitality Coordinator. In her 30th year on the flower guild, she manages 70 volunteers as one of 4 team leaders providing flowers for services, holidays, and events. Recently she was elected to the Management Board of the apartment complex where she lives and is the Grounds Chair, overseeing the 10 acre property gardens.

Brandon Longacres' entrepreneurial journey began by helping his grandfather sealcoat driveways on weekends which eventually inspired him to build a business of his own. After graduation, Brandon attended trade school before realizing that path wasn't for him. He then went to work in the construction industry while continuing to sealcoat driveways on evenings and weekends. In 2009, he made the decision pursue the RiteWay Seal Coating business full time. As the business grew, he saw an opportunity to provide more complete asphalt services expanding into paving, concrete and excavation. During COVID-19, he continued investing in the future of the RiteWay which has grown into a full-service contractor employing 35 to 40 people and serving customers throughout an eight-county region. Brandon also co-founded Legacy Motors Auto Group in Danville with business partner Andy Long "owner of W&L Subaru" combining his lifelong passion for automobiles with another business venture specializing in classic, performance, and specialty vehicles

The 2026 Distinguished Alumni will be recognized on the football field prior to the Homecoming Football game to be held Friday, October 9 as well as at our 2026 Recognition Banquet to be held in the High School cafeteria the evening of Saturday, November 7. Doors will open at 5:00 PM with the SAHS Food Service catered meal and Recognition Ceremony to begin at 6:00. Tickets will be available soon on-line, at the High School, Street Fair and from Eric Rowe start@ptd.net or (570) 765-8355.

SAVE THE DATE: The 6th Annual SAHS Alumni Association Golf Tournament - Friday, October 9th at SVCC. Tee-Off 10:00 AM. Forms available on line, High School, or Eric Rowe (570) 765-8355

HARRISBURG - Senator Lynda Schlegel Culver (R-27) supported the 2026-27 state budget passed by the General Assembly, which provides a Cost-of-Living Adjustment (COLA) to retirees, helps farmers, and increases funding for nursing homes as well as childcare workers. The final budget is a fiscally responsible agreement that does not impose any new taxes and maintains the Rainy Day Fund while utilizing previously appropriated but unused dollars.

"This year's budget, thanks in part to identified unspent funds within several state agencies, achieves a number of much-needed increases advocates have been seeking over the last several years," said Culver. "I am especially thankful that we were able to provide a COLA for pre-Act 9 retired teachers and state employees, as well as certain municipal police and firefighters."

Additionally, funding was included to assist essential services and workforces. Nursing homes will see an increase of \$188.6 million, while the Child Care Recruitment and Retention program is receiving an additional \$5 million and an additional \$10 million will be available for the Student Teacher Stipend Program.

"It is important for us to recognize and prioritize workforce development needs," said Culver. "We have heard for too long the need to help recruit childcare workers, which are an essential role in our early education system. Equally important is the continuation of the student teacher stipend to ensure we are developing and retaining teachers."

Key agriculture funding will also assist Pennsylvania's top industry that has faced hardships. "Our fruit growers saw crops destroyed earlier this year during a frost, resulting in significant revenue loss, and we have appropriated \$10 million in assistance for them," stated Culver. "Additionally, \$5 million is being dedicated to biosecurity and emergency response training for avian flu and other agricultural needs."

SV United Way Celebrates Successful Campaign, Sees Bright Spots for Future

The Susquehanna Valley United Way is proud to announce that its 2025–2026 Campaign has raised over \$560,000. Funds raised will directly benefit individuals in Snyder, Union Columbia, Montour, and Northumberland, counties.

Thanks to this generosity, \$250,000 will be distributed in direct allocations to local partners, supporting critical services in early and STEAM education, after-school programming, food security, mental health, housing and more across the five-county region.

A great deal of this success was made possible thanks to the outstanding support from local workplaces and their dedicated staff and leadership. While there are too many to name, a few key organizations such as PPL Corporation, Geisinger Health System, Weis Markets, Susquehanna University, SECA, Bucknell University, SEKISUI KYDEX, and UGI Penn Natural Gas played a vital role in the campaign's success.

PPL Corporation was this year's top campaign contributor, combining employee giving, corporate spon-

sorships, and matching gifts.

Board President Coleen Snover gave credit to the generosity of our community. "The success of this year's campaign reflects our community's commitment to supporting hardworking families who continue to face financial challenges," she said. "Every dollar raised will help provide critical resources, strengthen financial stability, and create pathways to opportunity. We thank our donors, volunteers and partners for demonstrating that when we unite around a common goal, we can create meaningful change."

Beyond the funds generated through the annual campaign, Susquehanna Valley United Way serves as a steward of significant grant funding that expands the organization's ability to create lasting community impact. During the 2025–2026 fiscal year, SVUW is managing more than \$1.1 million in active grants that support critical programs and services, including United in Recovery, Family Services initiatives such as Parents as Teachers, Triple P, Parenting Inside Out, and 24/7 Dads, Makerspace educational programming, the VITA Tax Program, and the Emergency Food and Shelter Program. Through these targeted investments, the organization helps address the challenges faced by ALICE (Asset-Limited, Income-Constrained, Employed) households and other vulnerable individuals and families throughout the five-county region.

Many nonprofits are seeing a dramatic increase in demand for their services, including Susquehanna Valley United Way. "Now more than ever, our local communities need us to lend a hand when possible," said Mark Stankiewicz, President and CEO. "The cost of living continues to be a big issue for families in the Susquehanna Valley and beyond, and we are committed to working together with other local organizations to tackle the issues and make real change for our friends and neighbors."

Stankiewicz also emphasized the need to work together with other organizations to be able to find the root cause of issues in the community. "Collaboration is key as we look toward the future," he said. "When we work together, instead of trying to take things on by ourselves, we become so much more powerful, and it positions us to move the needle with some of the biggest issues that so many people are facing."

Susquehanna Valley United Way is looking forward to strengthening its impact by championing solutions for ALICE families and building a stronger, more connected community for all.

Department of State Begins Risk-Limiting Audit of 2026 Primary

On May 29, the Department of State began Pennsylvania's statewide risk-limiting election audit (RLA) of the May 19, 2026, primary election. "RLAs remain the highest standard of comprehensive election audits because the process provides a statistically sound, scientific method for confirming that the reported outcome of the election is accurate," Secretary of the Commonwealth Al Schmidt said. "This is our eighth statewide risk-limiting audit, and we have the utmost confidence in RLAs and the integrity of Pennsylvania elections."

Ten Department employees took turns rolling 10-sided dice to generate a random 20-digit number, which is used to identify which batches of ballots counties will audit over the next several days. The livestream of the event continues the Shapiro Administration's commitment to transparency in election administration in the Commonwealth. The Republican race for lieutenant governor was the only contested statewide race on the ballot, so it is the one being audited in this RLA.

During the audit, county officials will hand-tally the randomly selected ballot batches, then compare those vote counts to the original voting system counts for the selected race. Known as a "batch comparison" RLA, this audit confirms whether counties accurately tabulated paper ballots such that a full hand count would produce the same reported outcome. The RLA is carried out in addition to the 2% statutorily required audit that counties must perform after each primary and general election. For that review, county officials must conduct a statistical recount of a random sample of at least 2% of all ballots cast, or 2,000 ballots, whichever is fewer.

Counties must complete the RLA by June 4, and they must certify their election results to the Department by June 8. For more information about RLAs, visit the vote.pa.gov/audits.

LEGAL NOTICE

Public Notice to Municipal Authority residents of Perry Township, Snyder County, PA, the Board of Supervisors intends to act upon an ordinance, a summary of which is set forth below, at its regular monthly meeting, on Tuesday, August 25, 2026, 7:00 P.M., held at the Township Building, 18 Hoffman Hill Road, Mt. Pleasant Mills, PA. Full text of the proposed ordinance may be inspected during normal business hours at the Township Building. Please contact Secretary at 570-539-4784 to set up an appointment.

ORDINANCE NO. 2026-02
AN ORDINANCE OF PERRY TOWNSHIP, SNYDER COUNTY, PENNSYLVANIA, REQUIRING INSPECTION OF SEWER LATERALS FROM THE PUBLIC SEWER MAINS TO AND WITHIN AN IMPROVED PROPERTY CONNECTED TO SUCH PUBLIC SEWER MAINS AND THE REPLACEMENT AND/OR REPAIR OF THE SAME WHEN TITLE TO SUCH PROPERTY IS CON-

VEYED OR OTHERWISE TRANSFERRED.

The purpose of the original ordinance is to protect and enhance public health and safety by authorizing the inspection of the private sewer line in any improved real property within the Township connected to the public sewer system upon the conveyance of title of such real property and, upon deeming the same wanting, requiring the installation of improvements to, or removal of any defects in such private sewer line as deemed necessary for the public welfare and protection. The proposed amendment to that ordinance is to adopt and include therein fees for each inspection conducted thereunder.

One Patch at a Time- Free Public Presentation on August 10

Mifflinburg’s grassroots environmental group, For the Earth, is hosting a free public presentation on “Creating Your Own Pollinator Pathway Garden” on August 10 at 7 pm at the Elias Center for the Performing Arts, 212 South 5th Street. During the presentation, attendees will learn how they can play a part in healing the planet one patch at a time with your own outdoor green space.

The presentation will include a detailed explanation of how folks can create havens for pollinators like bees, hover flies, moths, butterflies and hummingbirds by planting sequenced blooms of native plants, avoiding the use of chemicals and creating nesting sites and shelter. When neighbors combine efforts, creating multiple garden spaces, pollinator pathways are formed, providing plentiful safe places for pollinators to survive and thrive. The preservation and creation of pollinator habitats is vital for maintaining ecosystem balance and supporting local wildlife.

For the Earth plans to host regular environmental workshops and educational events throughout the year, inviting the community to take an active role in aligning with nature’s harmony, rhythm and interconnectedness through thoughtful, nature centered acts.

If you care deeply about the health of the planet and would like to know more about Pollinator Pathways and For the Earth’s other environmental initiatives contact us at fortheearth2@gmail.com

New Eligibility Guidelines for Free and Reduced School Meals Announced for the 2026-27 School Year

Harrisburg, Pa. – Recently, the Pennsylvania Department of Education (PDE) announced that the United States Department of Agriculture (USDA) recently released federal income eligibility guidelines for free and reduced-price school meals and free milk for July 2026 through June 2027.

Schools, and other institutions and facilities, use the guidelines to determine eligibility for the National School Lunch Program, the School Breakfast Program, the Special Milk Program for Children, the Child and Adult Care Food Program, and the Summer Food Service Program.

“Providing children access to nutritious food during the school day is a critical component of health and well-being, and no families should face barriers to obtaining affordable meals,” said Secretary of Education Dr. Carrie Rowe. “Offering free and reduced-price meals in schools helps students focus on learning instead of hunger, and we encourage all eligible families to apply for assistance.”

To apply, households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) need only include the SNAP or TANF case number on their application. Households enrolled in the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) or Medicaid may qualify for free or reduced-price school meals based on income and should complete a Household Meal Benefit Application. Other households can find more information on the Commonwealth’s COMPASS website.

In accordance with federal civil rights law and USDA civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA’s TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant’s name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

Replacement SNAP Benefits Available for Pennsylvanians Affected by Recent Severe Weather, Power Outages

Harrisburg, PA – The Pennsylvania Department of Human Services (PA DHS) today announced that help is available for Supplemental Nutrition Assistance Program (SNAP) recipients affected by severe weather and extended power outages following last weekend’s storms. SNAP households may be eligible for replacement SNAP benefits if their food was destroyed as a result of the extended power outage caused by a natural disaster or severe weather event.

SNAP households that experienced an extended power outage or are still without power can immediately request a replacement in person or by phone with their County Assistance Office and must apply within 10 days of the incident.

“A power outage and loss of food can be extremely difficult to recover from for households on limited incomes, especially if they have already used their allocation of SNAP benefits for the month,” said PA DHS Secretary Dr. Val Arkoosh. “If any Pennsylvanian who receives SNAP is in this situation, help is available. I urge SNAP recipients who lost food because of a power outage from the weekend’s storms to request replacement SNAP benefits as soon as possible so they can safely recover and get back on track.”

States are able to provide replacement benefits totaling up to one month of a household’s SNAP benefit in the event that a natural disaster or other incident causes the household’s food to be destroyed. SNAP recipients must complete and submit an Affidavit for Replacement of Food Destroyed in a Household Disaster within 10 days of the reported food loss to affirm that the food loss occurred through a natural disaster or other unpredictable household incident, available online in English and Spanish.

SNAP replacements can be requested in person at DHS’ County Assistance Offices, by phone, or through COMPASS and the myCOMPASS PA mobile app. Affidavit forms will be available in-person at the County Assistance Offices for those unable to print.

*Rates effective May 21, 2026 and subject to change. Rate may vary by premium amount. Guarantees are based on the claims-paying ability of Midland National® Life Insurance Company. MNL Guarantee Pro® is a single-premium deferred annuity. Withdrawals may be subject to surrender charges and market value adjustments. A surrender during the surrender charge period could result in a loss of premium. Under current tax law, annuities grow tax deferred; withdrawals may be taxable and withdrawals prior to age 59½ may be subject to IRS penalties. Neither Midland National, nor any financial professionals acting on its behalf, should be viewed as providing legal, tax or investment advice.™. Please rely on your own qualified tax professional. Insurance products are issued by Midland National® Life Insurance Company, West Des Moines, IA.

A.M. Best rating was confirmed Aug 13th 2025 and is subject to change. A+ (Superior) is the second-highest of A.M. Best's 16 Financial Strength Ratings.

The MNL Guarantee Pro is issued on form ICC21-AS204A/AS204A (contract), and ICC19-AR360A/AR360A (riders/endorsements) or appropriate state variation by Midland National Life Insurance Company, West Des Moines, IA. This product and its features may not be appropriate for all clients.
