There's a reason we build campfires outside and not in our living rooms. It's just a fact, there's a much safer, cleaner, and more comfortable option. When it comes to woodburning heat...we say, take it outside.

SV Spinners & Weavers to Host Sally Kahler on August 10

By Kay Poeth

Photo provided by Ruby Weller

The members of the Susquehanna Valley Spinners & Weavers Guild (SVSWG) represent a wide range of fiber artistry, including knitting, crocheting, felting among other crafts. SVSWG welcomes all fiber artists, not just spinners and weavers. You do not have to be a spinner or weaver to join; however, attendees may just want to learn these crafts from expert members! SVSWG welcomes new members.

The members of the Susquehanna Valley Spinners & Weavers Guild continue to expand their skills and learn new techniques with special presenters and programs. In the month of June, Deborah Jarchow, noted weaving instructor, demonstrated several styles for finishing the fringed edges of a woven piece. Methods included twisting, knotting, and adding beads for a more sophisticated look to a garment edge.

During July, Nancy and Roger Bowman presented a program on raising and caring for Corriedale sheep. Mr. Bowman discussed this breed's special qualities, why its fleece properties are desired by fiber craftsmen, and shared the steps of how wool is processed from shearing to garment. The crimp and staple length of Corriedale sheep creates an excellent yarn for knitted and woven goods.

On August 10, Sally Kahler will be the guest speaker at Christ's Evangelical Lutheran Church in Lewisburg. Her program will include ways to decorate fiber arts projects with embroidery and other embellishments. Doors open at 1 pm. Guests are welcome.

The Susquehanna Valley Spinners & Weavers Guild typically meets at Christ Evangelical Lutheran Church on 3rd Street in Lewisburg on the second Sunday of each month, from January to November. A program/activity follows the business meeting. Annual dues are \$30. For more information about SVSWG, check out their website at svswg.org. or on Facebook.

A Terrible Tax!

**Paid for by David L. Faust
 Selinsgrove**

The 6% Pennsylvania State sales tax on taxable items is a terrible tax because it is not based on a taxpayer’s ability to pay, and it doesn’t recognize the purchaser’s age, children and seniors pay the same rate as a wealthy adult taxpayer.

If ever there was a tax that can and should be eliminated, it is the State sales tax, and it should be replaced with a graduated income-tax.

The Governor and the State Legislature need to hold a serious special session to eliminate the State sales tax and many other unfair taxes now in use in Pennsylvania.

Selinsgrove 410-Sprint Raced on Sunday: What some Tracks are up to so far this Season

Sunday Selinsgrove got there second 410-sprint show of the season in the books with the same winner as the first one back on May 16th. Chase Dietz, of York PA, made a mid-race pass of Justin Whittall of Vincen-town NJ to score the win and fifth overall this season for Dietz. Danny Dietrich again was third, like the first race, with Brent Marks and Brock Zearfoss in the top five. A small but talented field of 17-drivers were on hand with Dietz and Marks winning the 8-lap heat races. Lots of opinions on social media about why the low car counts, from weather to last pro-moters and other things. What was missed? Especially by some low buck racers, was a chance to make some extra money on a Sunday night. With \$650 to start the race, a number of drivers missed a chance to make that extra cash. In the field of 17-drivers was quite a bit of talent, the top five along with Lucas Wolfe, Blane Heimbach, Austin Bishop and others. The show was over before 9p.m. with fans on the way home at an early time. The wingless sportsman did much worse on car counts with only ten drivers signed in. Dexter Ehrenzeller won the feature over Richfield's driver Curt Stroup, Steve Wilbur, Andy Burkhart, and Brett Perigo. Billy Dietrich of Aspers skipped Selinsgrove and went to New York to race with the WOO series at Weedsport Speedway. Billy did not qualify. Maybe he should have raced at Selinsgrove. The next race for the 410-sprint is a Friday night August 15th for twin 20's racing action. I hope a bigger car count will be on hand for that race. The race at Weedsport was won by David Gravel over Michael Kofoid, Sheldon Haudenschild, Carson and Cole Macedo, 40 drives on hand.

What has been happening at other local tracks in the sprint car division? Williams Grove, which has suffered through more rain out than anything, with last weekend's two-day World of Outlaws races getting rained out giving them a total of 13 rain out for the year. When they did race, Anthony Macri scored three wins, with one of those wins of the WOO series. Others to score wins are Cameron Smith, Lance Dewease, Chad Trout, Danny Dietrich and Troy Wagaman Jr. The Grove averages around 32 drivers per event.

Port Royal has run thirteen races for the 410-sprints with two wins each for Anthony Macri and Ryan Smith. Single wins have gone to Mike Wal-ter of Selinsgrove, Brent Marks, Aaron Reutzel, Chase Dietz, Logan and Mike Wagner, Lance Dewease, Troy Wagaman Jr, and Justin Whittall. Port Royal averages about 34 sprints per event. Lincoln Speedway has also run thirteen races with Freddie Rahmer having three wins; two wins for Danny Dietrich, Troy Wagaman Jr. and Macri. Single wins going to Chase Dietz, Matt Campbell, Michael Kofoid, and TJ Stutts. The track is averaging about 31 drivers per event. At BAPS Motor Speedway, Danny Dietrich has scored three wins in the six races they have run. With Ash-ton Torgenson, Troy Wagaman Jr and Anthony Macri beating the WOO series. They have an average of 39 drivers per event. This goes to show that there are a number of 410-sprint drivers out there and most of them just are not showing up for races at Selinsgrove Speedway. Other reports are that maybe sometime soon Anthony Macri will take over of running his own racing team from his dad who wants to slow down a bit from the day-to-day operation. Sandy Kline, who is back racing in a big way, with her driver Doug Hammaker wheeling the #22 in the 410-sprint ranks. She is pulling out all the stops to put together a winning team and is looking to hire a full-time mechanic for her team.

Williams Grove will have Fan Appreciation Night this Friday with racing for the 410-sprints and the 358 sprints. Only two shows have been run with 358 sprints so far this year with five other scheduled races get-ting rained out. Michael Norris has won both the features run so far this year. On Saturday at Port Royal, they will have three divisions show with 410-sprints, PASS 305-sprints and limited late models, while at Lincoln Speedway they have a race for the 410-sprints and the 358-sprints. The next 410 race for BAPS will take place on Sunday August 24th. This Friday, Selinsgrove will run the ULMS super late model series along with the UEMS Modifieds and street stocks. In other sprint car racing at Selinsgrove, Derek Locke won the 360-sprint car race back on April 26th with five different winners. In the five PASS 305-sprint events, Doug Dodson, Krusz Kepner, Logan Spar, Paul Moyer and Ken Duke. Also, congratula-tions to Drew Young of Beaver Springs on his 305-sprint car win last Saturday night at Winchester VA Speedway. Clinton County will run four divisions during the annual Clinton County Fair; Laurel Highlands 305-sprints, Pro-Stocks, 270-Micro-sprints and Four-Cylinders will see action this Friday. Clinton has a two-day show coming up on August 8-9 with Friday having the same division as this Friday then the Phil Walter Classic for the 410-sprints paying \$6,300 to win on Saturday (Aug 9th) along with 270-micro sprints and an open four-cylinders race.

Dietz Takes 2nd High Caliber Cranes 410 Sprint Car Feature McAlisterville's Ehrenzeller Wins Wingless Super Sportsman Event

A quality field was on hand for the annual running of the Opperman/Bogar/Heintzelman Memorial presented by BSC Mechanical. After all the rain over the weekend, Selinsgrove was blessed with a beautiful but hot Sunday night and a fan-tastic track surface. When it was all said and done, York, PA's Chase Dietz would take his 2nd straight High Caliber Cranes 410 Sprint Car Feature and the \$10,099 pay day. Meanwhile, McAlisterville, PA's Dexter Ehrenzeller took home the Wingless Super Sportsman win.

Medford, NJ's Justin Whittall drew the #1 pill and getting an extra \$199 from Central PA Home Improvements. With Dietz on the outside after setting Fast Tee's Fast Time and getting an extra \$300, the two would bring the field to green. Myerstown's Brent Marks would make some moves to get around Mechanicsburg, PA's Lucas Wolfe, who got an extra \$100 for second quick time from PAposse.com, for the 4th spot. Dirty air became a factor as Whittall's lead would di-minish; allowing Dietz and Gettysburg, PA's Danny Dietrich to make it a three car fight for the lead.

Whittall would get in lap traffic. He would keep finding ways around the back of the field cars, but so would Dietz and Dietrich. Dietz kept chipping away at the lead. He was

waiting for an opening and with seven laps to go, that open-ing would appear. Whittall would get a little too high going into turns one and two, opening the middle for Dietz who would clear Whittall for the lead with 7 laps to go. Dietz would extend the lead and no one had anything for him as Chase Dietz wrapped up a perfect night with his third career High Caliber Cranes 410 Sprint Car Feature win taking home the Opperman/Bogar/Heintzelman Memorial presented by BSC Mechanical. His crew chief, Tommy Carl, took home a \$999 bonus from the Wagner Camp of Bannerville in honor of Ralph Heintzelman. Whittall, Dietrich, Marks and Jon-estown, PA's Brock Zearfoss rounded out the top 5. Blane Heimbach from Selinsgrove would get Inferno Armor from Hamm-Reilly Enterprises Hard Charger going plus eight from 15th to 7th.

"I felt we were a little off on the start and needed some fuel to burn off," Dietz said in High Caliber Cranes Victory Lane with the new Hackenburg's Plumbing and Heating Winners Neck Band. "Justin was really hitting the top in one and two and I was making good strides through the center down there I was waiting for the bottom to rubber up a little bit and I finally did. It wasn't a ton, but enough to get a run on Justin He was coming off the corner a little too sideways and I made it happen."

"I knew once Chase showed me his nose on the lap be-fore I should have gone down just because he found the rub-ber," Whittall said on the front stretch. "I started messing up on my entries and that's where he got me. I was searching around and being conservative on my tires after the lesson we learned at Port Royal a few weeks ago."

"I felt like I had the better car before the caution," Dietrich said on the front stretch. "I was catching both of them pretty good. Then Chase moved down to the bottom and made it tough with dirty air. It was a pretty much a day race and made it really good. The track crew did a good job to give us multi-ple lines and that's what the fans wanted to see here tonight."

10 Wingless Super Sportsman made the trip to Selinsgrove for the first of three races for them in 2025. The feature event would go nonstop for 20 laps with Ehrenzeller dominating the entire race. "I wasn't sure if Curt was coming back at me and I knew Steve was there too," Ehrenzeller said in High Caliber Cranes Victory Lane after a champagne bath from Miss Wingless Super Sportsman, Caidence Cline. "We've been working on our big track set up. This is our first time here and we couldn't be more excited."

Drew Young Wins 305 Sprint Car Race at Winchester Speedway

By Debbie Gastelu

Beaver Springs 305 sprint car racer Drew Young won his first feature of 2025 by taking the win down at the Winchester Speedway in Virginia. Photo by Kevin Chapman Photography

The week before this was the outcome of a crash at Port Royal Speedway in the 305 PASS sprint car race. Photo by Debbie Gastelu

It's amazing how just a week can turn around your racing season, especially when you put it in the winner's circle! The week before Drew Young from Beaver Springs crashed his sprint car in the feature event at Port Royal Speedway and had some fixing to do on his #7 305 sprint car.

The team worked all week to get everything back in order and ventured

down to Winchester Speedway in Virginia on Saturday night. "We picked up the win at Winchester Speedway last night! We started 5th in our heat and we were able to make it up to 4th for the final redraw spot. Our luck changed with the redraw and I drew the one! Putting us on the poll for the feature" stated Drew.

Drew was able to stay out front despite several cautions and picked up his first win of 2025! "The crew worked so hard to get the car back together and it paid off," said Drew.

The hard working crew consists of Mark, Casey, Mike and Pops!

The highlight of the night was Drew being presented the winners cake from his wife Deb Kay! Deb is a talented baker and makes a cake to be presented to the winner of every PA (PASS) Sprint car event though out the year. So, it was very special for Drew to be presented the winners' cake from his lovely wife!!!

Of course sponsors play such a huge part in keeping the car racing every week and Drew wanted to thank, our newest sponsor S&S Kreamer Garage, Kellers Auto Body, Seth's Racing Engines and Middleswarth Chips!

Sports are now getting a lot more interesting to follow. The baseball trades this week will determine which teams are serious play-off contenders. The Tour de France is over and of course Football camps have opened in both college and the NFL.

Let's dive right into which teams will be playing in this year's College Football Championship in no particular order. Georgia, Texas, Bama and LSU from the SEC. Ohio State, Penn State, Oregon and Michigan from the Big 10. Clemson, Notre Dame, Baylor and Boise State will round out the twelve team playoffs.

My top six NFL teams in order are Eagles, Ravens, Chiefs, Bills, Lions and Rams. Clip and save these predictions and we can review around Christmas. I will delve deeper into the whys and hows in coming editions.

My two most interesting teams are the Steelers and Washington. Aaron Rodgers has much more to lose with Pittsburgh this year than last year with the dysfunctional New York Jets, the anti-Steelers. Steeler coach Mike Tomlin has strung together 18 consecutive non-losing seasons, 15 of them winning years.

Rodgers can't be the face of Tomlin's first losing season. Aaron's legacy will take a big hit if that happens. Rodgers is still capable of putting his ball in the fairway, but his career scorecard is going to take a hit if he hooks this Steeler's season into the trees.

Gotta pump the brakes on Washington going back to the playoffs. They added Tunsil and Deebo to the offense but did little to improve a porous D. I also think Jayden Daniels will experience a sophomore slump much like CJ Stroud did last year. They also have to sign Terry McLaurin and get him healthy.

Speaking of contracts, when the season starts Micah Parsons will be the highest paid non QB. Cowboys owner Jerry Jones could have re-signed Parsons months ago but now it's going to cost the Boys at least \$10M more because of Jerry's need for attention. Like Emmitt, Ezekiel, Zack Martin and CeeDee previously.

Jones is a capitalist's capitalist and a showman, the PT Barnum of the NFL. He's won most deals in his business life from oil and gas to real estate and football. He has failed miserably when it comes to contracts of his top players. Congrats in advance to Parsons.

The Miami Dolphins have not won a playoff game since 2000. That is the longest drought in the NFL, even longer than the Cowboys. The NY Giants are starting Russell Wilson at QB instead of first round pick Jaxon Dart. They might win two more games with Russ but going 4-13 isn't going to do anything but allow the coach and GM to complete the season before getting fired.

If you are not already tired of new North Carolina coach Bill Belichick, you will be by October. As is the ESPN way, they will suffocate 'Chappel Bill' with continuous coverage much like they have done with the Lakers and Cowboys.

Like him or not, college football is better with Deion Sanders on the field. Sanders is recovering from bladder cancer and plans on coaching Colorado again this fall.

Cooperstown recently welcomed some pretty good players into the baseball Hall of Fame, the toughest HOF to get elected to. As a Pirate fan I was glad Dave Parker was finally recognized for his play. I also forgot how great CC Sabathia and Ichiro Suzuki were.

I appreciate Ichiro more now than when he was playing. Suzuki could do it all and could have easily hit more home runs but that wasn't his game. Only one other player has over 3,000 hits after their age-26 season, Pete Rose. The closest active player is Paul Goldschmidt at 1,668 hits.

I hate to see any player get injured but with Aaron Judge out for two weeks maybe my new favorite player has a better shot at league MVP Cal Raleigh. How good is Paul Skenes? His win/loss record is 6-8 and he's the leading contender for the NL Cy Young award.

Little League baseball is not played at the MLB level but is just as important to the teenagers playing it. A Venezuelan youth baseball team will not participate in the Senior Little League World Series because they were denied travel visas to the US.

They beat Mexico in the Latin America qualifier but Mexico will now represent Latin America in Easley, SC at the World Series. There will be six US regions and six international regions for players ages 13-16.

The visa denial follows a proclamation signed in June that bans citizens of 12 countries from entering the US. It also partially restricts seven other countries including Venezuela.

The president of the Venezuela Little League said "The players are demoralized. They want to go compete and leave the name of Venezuela and Latin America high. They don't represent any threat; they are 15 year-old kids who want to win the World Cup."

It should be interesting next year when the US hosts the 2026 soccer World Cup and the 2028 Summer Olympics in LA. There is an exemption for nationals who would enter the US as athletes, staff and immediate relatives of athletes. The issue will be the soccer fans as they are more intense and rabid than any table-jumping Bill's fan or towel-waving Steeler fan.

Once in a while in life something happens that makes you reflect on life. I am at the age where friends and sport figures I admired growing up are passing away and even some contemporaries such as Ryne Sandberg.

Closer to home we lost a really good one last week way too soon. Many of you knew Gary Keister and everything he did for so many. Gary touched many in a very positive way. Prayers go out to his friends and family to comfort them in these difficult times.

Eugene "Gene" Edward Kardohely, 85, Shamokin Dam and formerly of Hawk Run, PA

Gene was called home to the Lord, surrounded by his family, on Friday, July 25, 2025, at WellSpan Evangelical Community Hospital, Lewisburg.

Gene was born on November 9, 1939, in Hawk Run, Clearfield Co., PA to Stephen and Elizabeth (Ruman) Kardohely. A strong work ethic, hard work, and dedication to seeing things through were values instilled in Gene from a very young age. He would share his stories and memories with family and friends of his parents, siblings, and growing up in Hawk Run- a place that still remained close to his heart. This strong drive and determination led to his service in the United States Army following his graduation in 1957 from Morrisdale High School. After concluding his military service, his desire to serve his community continued and led to his acceptance into the Pennsylvania State Police Academy. It was through his service to others as a Pennsylvania State Trooper that led him to many parts of Pennsylvania throughout his long career.

In April 1968, he married Margaret Petrof of Grassflat, PA. Throughout their 57 years of marriage, they were blessed with and raised two children. Gene is survived by his loving and devoted wife Margie of Shamokin Dam, his son Mark and his wife Linda of Quakertown, his daughter Lisa and her husband Colonel Christopher Portele, and his grandson, Joseph Portele all of Lorton, VA. His grandson Joseph was his greatest joy and holds a special place in his Pop-Pop's heart. Also surviving are his older sister, Eleanor Miller and her husband Daniel of Bryn Mawr, his younger brother, Frederick Kardohely and his wife Dorothy of Clearfield, and many nieces, nephews, and cousins. Gene was preceded in death by his parents.

Gene retired after 31 years of loyal and dedicated service to the Pennsylvania State Police. However, retirement did not slow him down. Gene was the go-to guy when anyone needed help with lawn care and maintenance, painting, car detailing, and repairs. His skill, precision, attention to detail and quality work, and amazing sense of humor were his trademarks. Gene was a member of St. Pius X Catholic Church, Selinsgrove, with faith being a cornerstone and firm foundation for his life. He lived a life filled with a strong faith to God, love for his family, friendships, and service to others. His passion for cars, completing projects around his house, and spending time with family and friends brought him great joy. He was a devoted Penn State football and Pittsburgh Steelers fan, enjoying many bus trips to Penn State games over the years to cheer on the Nittany Lions. Gene's life was a life well lived and he was a blessing to all who crossed his path along the journey.

Family and friends were invited to his viewing on Wednesday, July 30, 2025, from 7:00 p.m. to 9:00 p.m. at St. Pius X Catholic Church, 112 Fairview Drive, Selinsgrove. His funeral Mass will be celebrated on Thursday, July 31, 2025, at 11:00 a.m. at St. Pius X Catholic Church with Father Joshua Cavender, Celebrant. Following the funeral Mass, full military honors will be accorded by the Selinsgrove American Legion Post 25 and the Selinsgrove Veterans of Foreign Wars Post 6631.

In lieu of flowers, contributions in Gene's memory may be made to St. Pius X Catholic Church or WellSpan Hospice Services, 235 Hospital Drive, Lewisburg, PA 17837.

Arrangements by the V. L. Seebold Funeral Home, 601 N. High Street, Selinsgrove.

SUN Area Work & Ministry Impacts Our Community

By Kay Poeth

One team of volunteers is painting a roof during the SUN Area Work & Witness mission outreach to members in need of a helping hand in our communities.

Nate Hartman performs yard work at one of the 84 project sites selected for this year's SUN Area Work & Witness mission outreach. "I'm involved with SUN Area Work & Witness because this year's theme is 'Spread Kindness' and I just want to put forth the same kindness that Jesus has shown me."

SUN Area Work & Witness was thrilled to launch another year of ministry in 2025 to help those in need in Snyder, Union, and Northumberland Counties. SUN Area Work & Witness is a life-giving and life-changing ministry designed to make a difference in the lives of others in our local community by meeting real needs.

On July 23-26, over 300 volunteers "Spread Kindness" by providing an outreach to area communities and performed 84 projects over the four-day mission. Josh Kelley, Pastor of Worship arts and Media at Selinsgrove Church of the Nazarene and Media Team Director for SAWW, explained the mission of SUN Area Work & Witness by saying, "This ministry is about serving others and loving our neighbors as Christ first loved us. There is no limit to whom we will help. We help anyone who asks for it. The only limit is sometimes the scope of the job."

The volunteers lent a helping hand to the elderly, widows, those injured who cannot work and those who cannot longer maintain their homes or properties. Some homeowners needed help cleaning around the house, inside or outside. Volunteers performed projects that included painting and staining: indoor and outdoor, yard cleanup: mulching, trimming, weeding, and landscaping, and construction projects that included installing fences, building and repairing ramps, as well as some light plumbing and electrical work.

"God knows the needs of the community, and with His help we plan to find the needs and aid in fixing them," says the team. "We want people to know there are people who care and will follow through in acts of service and kindness."

The team of Christian volunteers "showed up and served with heart and hustle." They shared their time, energy, and love.

SUN Area Work & Witness is a partnership between Selinsgrove Church of the Nazarene, Grace Covenant Community Church, Richfield Life Ministries Church, and new partner- Buffalo Valley Church of the Brethren. In addition to the volunteers, sponsorships from individuals, organizations, churches, and businesses were essential. They donated to the cost of supplies for completing projects and offered in-kind donations.

According to Josh Kelley, more than \$50,000 was raised as part of this community investment. "We've seen different companies in our community come together to donate their services to help others. Hilsher's General Store donates paint and other supplies every year. This year Elmer and Sons Concrete participated and donated their services in a large concrete project! We're truly grateful for the way the community has invested in this ministry and the opportunity to serve others and spread kindness." There were many more sponsors. Each donation was greatly appreciated and helped to make a difference.

These dedicated group of Christians were eager to be the "hands and feet of Jesus" by ministering to others through actual practical service and support. SAWW team members chat with homeowners and share their Christianity and love of Jesus with them. "Our goal is always building relationships with our neighbors and the community. Not just completing projects for them," added Kelley. SAWW provides lunch for the homeowner and asks them to join the team for lunch!

Nate Hartman noted, "I'm involved with SUN Area Work & Witness because this year's theme is 'Spread Kindness and I just want to put forth the same kindness that Jesus has shown me.'"

It was heartwarming to see how God was working through this team of volunteers. Projects were being completed, lives were being touched, and our communities were being transformed through "one act of service at a time." SAWW was making a difference and spreading the love of Jesus at every work site.

Another volunteer commented that she had been on several mission trips outside the country. Now, she had an opportunity to serve in her own community!

On Sunday, July 20, SAWW hosted a Celebration Service at Midd-West High School. Homeowners were invited to join the volunteers for worship and to reflect on all the work that had been accomplished. It was a time to celebrate and appreciate the efforts of everyone who was involved in the project- both directly and indirectly. A highlight video was created and can be viewed at: www.sunareaww.com.

SAWW concluded their week of ministry with over 300 volunteers, 84 projects completed throughout SUN-Snyder, Union and Northumberland Counties. There were countless moments of kindness and connection... making a meaningful impact in our communities.

U.S. Postal Service Announces Stamps Celebrating Its 250th Anniversary

Edited by Kay Poeth

The United States Postal Service is marking its 250th Anniversary in 2025! Did you know that on July 26, 1775, the Second Continental Congress established a postal system for the United Colonies and appointed Benjamin Franklin as the first postmaster general!

The U.S. Postal Service has issued two special stamps to celebrate its 250th anniversary. One is an exclusive 32-page booklet -Putting a Stamp on the American Experience. It celebrates the cultural importance of U.S. stamps. This booklet is only the fourth ever issued by the Postal Service. It commemorates the 250th anniversary of our nation's postal system and celebrates the enduring influence of stamps on our shared heritage.

According to the US Postal Service, "Two self-adhesive sheets of a new intaglio printed stamp featuring Benjamin Franklin are available exclusively with the booklet. The stamp is based on an 1875 reproduction of an 1847 5-cent stamp, one of the first official U.S. postage stamps."

Another stamp available now is called "250 Years of Delivering." The pane of 20 interconnecting stamps for \$15.60 offers a bird's eye view of a mail carrier's route through a bustling town. Laid out in 4 rows of 5, the stamps depict the route throughout four seasons. Created by cartoonist Chris Ware the scene invites the public to spot a fun array of familiar postal items and icons.

The U.S. Postal Service is also marking the 250th anniversaries of the U.S. Army, U.S. Navy and U.S. Marine Corps, a stamp previewing the 2026 World Stamp Show in Boston, and a stamp honoring writer William F. Buckley Jr.

The Postal Service describes each stamp as follows:

U.S. Army 250th- This stamp celebrates the 250th anniversary of the U.S. Army. Established by the Continental

Congress in 1775, the Army is now a global force with a clear purpose: to fight and win America's wars. Featuring the military service mark of the U.S. Army against a white background, the stamp was designed by Antonio Alcalá, an art director for the USPS.

U.S. Navy 250th- First established during the Revolutionary War as the American colonies fought for independence, the U.S. Navy is now at the forefront of cutting-edge technology that safeguards the maritime interests of the United States, ensuring economic prosperity and the freedom of the seas. Featuring the emblem of the Navy against a white background, this stamp celebrates the U.S. Navy's 250th anniversary. Antonio Alcalá, an art director for USPS, designed the stamp.

U.S. Marine Corps 250th- The familiar symbolism of a Marine Corps emblem appears on this stamp to celebrate the 250th anniversary of the U.S. Marine Corps. First established during the Revolutionary War as the American colonies fought for independence, the Marine Corps is respected worldwide as an elite fighting force, prepared to face any challenge and prevail in the conflicts of the 21st century. Antonio Alcalá, an art director for USPS, designed the stamp.

Boston 2026 Stamp Show-For one week in May 2026, the world capital of stamp collecting was Boston, host of the Boston 2026 World Expo, the 12th international philatelic exhibition of the United States. To build anticipation and commemorate this confluence of art, history and international goodwill, two intaglio-printed stamps highlighted the special role

of Boston in the American Revolution as we prepare to celebrate the nation's 250th anniversary. Greg Breeding, an art director for USPS, designed these stamps with digital illustrations by Dan Gretta featuring the Old North Church and a "midnight rider" on horseback in colonial garb.

William F. Buckley, Jr.- One of the most influential public intellectuals in modern U.S. history, William F. Buckley Jr. (1925-2008) defined the conservative movement of the mid-20th century and was one of its most recognizable spokesmen. Author of more than 50 books, Buckley founded National Review, one of the nation's leading conservative publications, and hosted the Emmy Award-winning public affairs television program Firing Line for more than 30 years. Original art by Dale Stephanos features a portrait of Buckley, created by hand with graphite and charcoal on hot-press watercolor paper, then refined digitally. Greg Breeding, an art director for USPS, designed the stamp.

So, head to your local post office and ask to see the postage stamps celebrating the 250th Anniversary of the U.S. Postal Service.

Go Joe 28 Charity Bike Ride Visits Snyder & Union Counties

By Kay Poeth

Joe Snedeker, Channel 16 meteorologist, visited our area during his Go Joe 28 Charity Bike Ride to benefit St. Joseph's Center in Scranton. He shown here taking a selfie with the crowd.

At the stop, they were selling Go Joe 28 tee shirts and bracelets. All proceeds benefit St. Joseph's Center. Many people in the crowd wore their mustaches in support of the theme, "Stache for Cash."

Joe Snedeker, popular WNEP meteorologist and local icon, pedaled through Snyder and Union Counties on Tuesday, July 22. The Go Joe 28 fundraising bike ride, benefits the St. Joseph's Center in Scranton. And, the enthusiastic crowds at stops along the way generously supported the cause.

According to my eyes and ears and handlebar mustache winner at the Selinsgrove stop, Edna Cravitz, there was a good crowd at the Selinsgrove Commons on Tuesday afternoon awaiting the arrival of the popular Joe Snedeker. The crowd instantly became energized as soon as Joe rode in on his bike.

The theme “Stache for Cash” involved mustaches, and many of the supporters had real mustaches while others were adorned with a variety of fake ones, including kids. Prizes were awarded for different mustaches, and the newest member of the Selinsgrove police force, Officer Miller, won the best mustache award. All winners received a huge “medal” and a \$50 ticket book from Knoebel’s.

One of the highlights was when WNEP reporter Jack Culkin delighted the crowd by picking up Joe and spinning him around until Joe became dizzy. Another humorous moment was when Joe scooped up a huge spoonful of natural honey, locally made by a fan, and then playfully “fed” it to Jack to cure his hoarse voice. It helped!

Joe graciously chatted with people, took pictures with them, and spent time talking with several people

A lively crew greeted Go Joe chanting, "New Berlin, New Berlin" and the townspeople eagerly flocked around Joe Snedeker as he rode into Plum Street Park. Joe graciously discussed bikes with some young bicycle enthusiasts, signed autographs, and chatted with his fans. Dairy Miss Ambassador and Lil' Dairy Miss even offered Joe bottles of milk to quench his thirst.

Thank you, Joe Snedeker for visiting Snyder County Courthouse during the Go Joe 28 Charity Bike Ride! Many generous donations were collected.

with special needs. Joe's visit was filled with laughter, applause, and "Go Joe" chants. Selinsgrove Police sponsored the pizza and water for sale, and all the proceeds went to Joe's charity, Saint Joseph's Center in Scranton. The Selinsgrove borough manager, treasurer, and office staff were in attendance and handed out free mustaches. And a big "Go Joe" to all those who generously donated to the charity!

Joe Snedeker arrived at the Snyder County Courthouse to a rousing round of applause. The Courthouse staff raised funds for Go Joe 28 by hosting a Pet Photo Contest in the amount of \$1,057. The Wellness Committee playfully donned their mustaches and posed for a photo with Joe. Deputy Kate Reid from the Snyder County Sheriff's Office was interviewed during the visit.

Dez Ewig presented donations from Lozier and the McClure Veterans Memorial Pool. "I was really excited that Go Joe was coming to this end of Snyder County. It is a really great that he does this charity bike every year for St. Joseph's Center."

Many individuals and businesses supported the cause with generous donations. Valerie Hollenbach was thrilled to see Joe Snedeker in person and to actually meet him. So, the office crew of The Snyder & Union County Times presented him with a check on behalf of our free weekly distribution newspaper.

Shake Your Buns & Do the Twist, one of the food trucks at the Go Joe Welcome event presented Joe with two plates of pretzels appropriately stating “Go Joe.” Their mission is “to make a difference in the lives of those who have fallen into calamity, one twist at a time.” Every purchase supports that mission.

There was a festive atmosphere in the courtyard as people milled around, getting lunch at one of the food trucks, chatting with neighbors, and excited that Governor Joe visited the area. Snyder County royalty attended the event as Beaver Community Fair Queen Maura Aurand greeted attendees and the Guest of Honor. Joe

Joe Snedeker headed to Middleswarth Chips where he was presented with a generous donation and of course, several cases of potato chips. If you can't have a pierogi, then munch on a handful of delicious Middleswarth chips!

posed for photos, talked with the many fans who greeted him, and was as charismatic and engaging as he is on television.

After many photos, Joe headed to Middleswarth Chips. He was presented with a generous donation and of course, several cases of potato chips. If you can't have a pierogi, then munch on a handful of delicious Middleswarth chips!

A lively crew greeted Go Joe chanting “New Berlin, New Berlin” at Plum Street Park. The picnic pavilion was decorated with posters, black mustaches that floated in the air, and balloons decorated with fun mustache designs. This year’s theme, “Stache for Cash,” had many supporters joining in the fun by sporting their staches. There was an array of mustaches including fluorescent pink, long handlebars, and even one shaped from a woman’s long hair. The New Berlin Quick Response vehicle served as wonderful backdrop. Borough Council President Meghan Shambach arranged the gathering of fans.

As captivating as always, Joe zeroed in on the kids. The youngsters were given instructions by Joe on how to pop open their WNEP frisbees that also double as fans. He even demonstrated how they fly by flinging his frisbee into the crowd. Joe discussed bikes with some young bicycle enthusiasts, signed autographs, and chatted with his fans. Dairy Miss Ambassador and Lil' Dairy Miss offered Joe bottles of milk to quench his thirst.

Mayor Scott Benfer had issued a challenge to the townspeople of New Berlin that if they raised \$500, he would shave off his stash and his Santa Claus-like beard. Well, the residents more than met that challenge. So, out came the razor and the beard quickly disappeared, much to the delight of the crowd and especially the mayor's wife! All in fun and support of Go Joe and St. Joseph Center.

Saint Joseph's Center is rooted in the core values of care, concern, compassion and commitment. Saint Joseph's humbly serves people who are diagnosed with intellectual disabilities. The Center strives to provide individuals who have special needs the opportunity to develop their abilities and potential to the fullest extent possible. St. Joseph's Center has been a recognized leader in providing quality care for individuals with intellectual and developmental disabilities.

If you missed Go Joe, donations are still being accepted. Make checks payable to: St. Joseph's Center, with "Go Joe 28" in the memo line. Mail checks to 2010 Adams Avenue, Scranton, PA 18509.

Local Cheerleader Athea Varner to Perform in Philadelphia Thanksgiving Day Parade

Edited by Kay Poeth

Athea Varner, an 8th grade student from Midd-West High School in Middleburg has been selected along to perform in the annual Philadelphia Thanksgiving Day Parade, the oldest Thanksgiving Day parade in the nation, with more than 500 junior high and high school cheerleaders and dancers from across the U.S.

Athea Varner, an 8th grade student from Midd-West High School in Middleburg has been selected along with more than 500 junior high and high school cheerleaders and dancers from across the U.S. to perform in the annual Philadelphia Thanksgiving Day Parade, the oldest Thanksgiving Day parade in the nation.

The individuals invited to perform in the parade are cheerleading and dance All-Americans selected from Varsity Spirit camps around the country, including camps organized by Universal Cheerleaders Association (UCA), Universal Dance Association (UDA), National Cheerleaders Association (NCA), National Dance Alliance (NDA), and Urban Cheerleading Experience (UCE). Athea attended Pine Forrest Cheerleading Camp in Greeley, PA with her teammates this summer and was talented enough to be selected.

All-Americans will perform alongside massive floats and giant balloons, as well as favorites from the entertainment world as the 2025 Thanksgiving Day Parade makes its way through the heart of historic Philadelphia, Pennsylvania. The event is televised in the Philadelphia area and syndicated throughout the United States.

Athea, 13, earned the All-American title via tryout based on superior cheerleading or dance skills. Only the top 15% of the cheerleaders and dancers who attend Varsity Spirit camps in the summer receive this honor and the chance to march in this prestigious Thanksgiving Day Parade. The All-American group will be in Philadelphia from November 25-28, practicing their routine and visiting Philadelphia landmarks.

"I feel honored to have been selected to be an All-

American, and I know I'm here for a reason. I really look forward to showing all the young cheerleaders that if they believe that they can they will."

Athea began her passion for cheer by self-teaching herself to do cartwheels and 1 handed cartwheels. She has been a cheerleader for 7 years. For five of those years Athea has cheered competitively at Pennsylvania Elite where she learned many skills. Athea's team was back-to-back Regional Summit Champions in 2024 and 2025. And, back-to-back Grand National Champions in 2024 and 2025.

According to her mother, Jennyfer Varner, "She strived and worked very hard to learn new skills every week!"

Let's help Athea realize her dream of performing in the 105th Annual Philadelphia Thanksgiving Day Parade. If anyone would like to donate, reach out via venmo @Jennyfer-Varner or Paypal at Jennyfer Varner or the GoFundMe page Help Attie Shine at the Thanksgiving Day Parade.
