

Go Joe 29 Charity Bike Ride Visits Snyder & Union Counties

By Kay Poeth

We were so happy to welcome Joe Snedeker and Go Joe 29 to Buggy Town USA today! Since Joe was traveling by bicycle, we thought it would be fun to greet him with two forms of transportation Mifflinburg was once known for—a buggy and a sleigh. Joe, you are always welcome back. We'll gladly provide the buggy next time—but you may have to bring your own horse!

Thank you, Joe Snedeker for visiting Snyder County Courthouse during the Go Joe 29 Charity Bike Ride! Many generous donations were collected.

A lively crew greeted Go Joe chanting, "New Berlin, New Berlin" and the townspeople eagerly flocked around Joe Snedeker as he rode into town. The SUN Tech Cosmetology students were eager to see this TV weather star. George Washington and Joe Snedeker pose with John Showers and Mayor Benfer.

Jon Meyer headed to Middleswarth Chips for a tour of the facility. If you can't have a pierogi, then munch on a handful of delicious Middleswarth chips!

Kratzerville Fire Company celebrated the arrival of Go Joe 29 with George Washington and Jon Meyer. George Washington poses with royalty, the SUN Area Dairy Princess and the Dairy Ambassador.

Joe Snedeker, Channel 16 meteorologist, visited our area during his Go Joe 29 Charity Bike Ride to benefit St. Joseph's Center in Scranton. He's shown here at the Lewisburg Farmer's Market.

It was back to the books for Joe Snedeker as he visited the Herman School and stepped back in time.

Outside burning beats inside. Every time.

There's a reason we build campfires outside and not in our living rooms. It's just fact, there's a much safer, cleaner, and more comfortable option. When it comes to wood burning heat...we say, take it outside.

Joe Snedeker, popular WNEP meteorologist and local icon, pedaled through Snyder and Union Counties on Wednesday, July 22. The Go Joe 29 fundraising bike ride benefits the St. Joseph's Center in Scranton. And, the enthusiastic crowds at stops along the way generously supported the cause.

This year's theme was "Red, White and YOU! Celebrating America 250!" This year was filled with many historic stops along the route. Many supporters donned tee shirts, pom poms, headbands and more in keeping with the theme. Joining Joe on his tour across the counties were George Washington (Jack Culkin) and Jon Meyer. Of course, all their antics livened up each televised segment. They were just as charismatic and engaging in person as they are on television.

The Go Joe crew graciously chatted with people and posed for pictures, Joe's visit was filled with laughter, applause, and "Go Joe" chants. And a big "Go Joe" to all those who generously donated to the charity!

In our area, Go Joe 29 stopped at Lewisburg Farmer's Market, Mifflinburg Buggy Museum, Snyder County Courthouse, Middleswarth Chips, New Berlin Post Office, Kratzerville Fire Company, Herman School, Selinsgrove, and ended at Sunbury.

Saint Joseph's Center is rooted in the core values of care, concern, compassion and commitment. Saint Joseph's humbly serves people who are diagnosed with intellectual disabilities. The Center strives to provide individuals who have special needs the opportunity to develop their abilities and potential to the fullest extent possible. St. Joseph's Center has been a recognized leader in providing quality care for individuals with intellectual and developmental disabilities.

If you missed Go Joe, donations are still being accepted. Make checks payable to: St. Joseph's Center, with "Go Joe 29" in the memo line. Mail checks to 2010 Adams Avenue, Scranton, PA 18509.

Theft/Crime by Deception 11 a.m. June 2, on Sunbury Road, in Monroe Township. Update 7/18/26: On June 2, at approximately 11:02 a.m. PSP took a report of a theft of check and forgery incident. It was reported that the victims mailed a check to make a monthly payment on their credit card. At an unknown location an unknown actor intercepted the check. The actor then altered the check and deposited it into their account depriving the victims of \$300. A search warrant was executed on JPMorgan Chase for the bank records for the involved bank account that the forged check was deposited into. The check was mobile deposited via cellphone. The actor subsequently was identified as Autumn Davis, 18, of Matteson, IL. Multiple misdemeanor charges were filed through District Court 17-3-03.

Retail Theft 12:25 p.m. July 17, Dick's Sporting Goods, at 486 Marketplace Blvd., in Monroe Township. PSP was dispatched for a retail theft. On July 17, at approximately 12 p.m. a white male entered Dick's Sporting Goods wearing camo shorts, black shirt with Deftones printed on the front. Said male exited the store passing all points of sales without paying for a pair of Brooks Adrenaline. The retail value of these sneakers is \$154.99. Anyone with information is asked to contact police at 570-374-8145.

Crash 12:02 a.m. July 19, on SR 104, in Washington Township. A 2005 Volkswagen Jetta driven by a 17 year old female, of Liverpool, was traveling south on SR 104. The Volkswagen Jetta left the right lane of travel, crossing over the center dividing line and spun out of control in a clockwise motion. The Volkswagen Jetta then struck a small tractor parked to the left side of the roadway continuing and struck a building located at 10866 Rt. 104 subsequently damaging a window AC unit. The Volkswagen Jetta then struck a 2002 GMC Sierra that was legally parked before coming to rest to the left of the roadway next to the GMC Sierra. No injuries were reported. The driver was cited for driving at safe speed.

Assault with Weapon 1:59 p.m. July 17, on Old Trail Road, in Chapman Township. PSP responded to a domestic dispute involving a firearm. It was reported that Gloria Smith, 75, of Liverpool, met her 82 year old common law spouse at the doorway of the residence following a verbal argument. Smith pointed a loaded handgun at the victim and ordered him to leave the residence. PSP responded near the scene and conducted multiple interviews with the victim and two other family members who witnessed this event. PSP then positioned themselves at the residence and failed Smith who surrendered without issue. Smith was subsequently taken into custody and transported to PSP Selinsgrove. The involved firearm was seized by PSP. Smith was arraigned on multiple charges before Judge Zeigler. An unsecured bail was set in the amount of \$50,000 with no contact conditions.

Crash 10:59 a.m. July 23, on SR 35, west of Summit Road, in Washington Township. A 2001 Dodge Ram 3500 driven by Ronald L. Fowler, 29, of Millmont, was traveling north on SR 35 and a 2014 Subaru Outback driven by Casper O. Reichold, 21, of Selinsgrove, was directly behind the Dodge Ram 3500. Reichold passed the Dodge Ram 3500 in the left lane unsafely with oncoming traffic traveling south. Reichold's Subaru Outback struck the passenger side tire of the Dodge Ram 3500, then continued off the right side of the roadway striking a support wire for a utility pole. The Subaru Outback sustained disabling damage to its passenger side and was towed from the scene. The Dodge Ram 3500 sustained scuff marks on its drivers side front rim and tire and was driven from the scene. No injuries were reported. Reichold was cited for overtaking vehicle on left.

Senator Culver to Host Telephone Town Hall on Aug. 18

HARRISBURG – Sen. Lynda Schlegel Culver (R-27) will host a live telephone town hall on Tuesday, Aug. 18, at 5 p.m., giving residents of the 27th Senatorial District an opportunity to hear updates on state government and ask questions about issues important to them.

The event allows participants to join from the comfort of their home by phone. During the town hall, Culver will provide updates on legislative priorities and issues affecting the district before taking questions from constituents.

"I always appreciate the opportunity to hear directly from the people I represent," Culver said. "This telephone town hall is another way for residents to share their questions, concerns and ideas while learning more about the work being done on their behalf in Harrisburg."

Residents will receive an automated call when the event begins, but those who would like to ensure they are connected are encouraged to register in advance at <https://senatorculver.com/access-live/>. Residents may also use that link to listen to the town hall live online.

McClure Celebrates Past While Looking Ahead with Time Capsule Ceremony

Written by Andrew Benner

Residents of all ages gathered at the McClure American Legion on July 18 to celebrate the opening of the borough's 1976 Bicentennial time capsule, reconnecting with memories from fifty years ago while looking ahead to the dedication of a new capsule this September.

Recovered photographs, newspapers, memorabilia, and keepsakes gave visitors a glimpse into life in McClure during America's Bicentennial. Although water damaged some of the contents over the past five decades, the artifacts that survived sparked countless memories and conversations among those in attendance.

Serving as master of ceremonies, Mayor Dan Sellers welcomed the crowd and thanked the many volunteers who made the event possible.

"This is a great day," Sellers said. "It's a great day to celebrate community and to celebrate history."

The ceremony opened with an invocation by Pastor Tad Schlegel, who thanked God for His continued blessings on McClure and prayed that future generations would continue to know the borough as "a town where God lives."

Patriotic selections performed by Deb Kline, including The Star-Spangled Banner, There She Stands, and My Country, 'Tis of Thee, highlighted the community's celebration of America's 250th anniversary.

Mayor Sellers reflected on growing up in McClure and reminded those gathered that every generation has a responsibility to build upon the legacy left by those before them. "The last generation's ceiling becomes our floor," he said. "Now it's our turn to pass something on."

He also explained that the new time capsule will utilize a sealed stainless-steel container enclosed within a concrete vault, incorporating lessons learned from the original capsule.

Retired educator Harriet Botdorf then shared heartfelt memories of growing up in McClure during the 1940s, 1950s, and 1960s. Displaying treasured keepsakes from her childhood, she recalled unlocked doors, neighborhood games, roller skating, the community pool, Bean Soup, and a town where neighbors always looked after one another.

"I hope you're a contributing member and not a complaining person," Botdorf told the audience, encouraging residents to continue building a stronger community for future generations.

Borough Council President Andrew S. Benner reminded attendees that the ceremony was about much more than the artifacts themselves. "Today isn't really about a time capsule," Benner said. "It's about people."

Benner reflected on the unique connection his own family shares with the project, noting that four generations; his grandfather, mother, himself, and now his daughters Amelia and Palmer—have all become part of McClure's time capsule story.

"My grandfather, my mother, me, and now my daughters. Four generations connected by one small box."

He challenged residents to consider the legacy they will leave for those who gather when the new capsule is opened in 2076.

Benner also highlighted the newly incorporated McClure Historical Society, explaining that the items on display represented only a small portion of the growing collection already donated by residents. He thanked those who have contributed artifacts and invited others to donate historical items or become members of the Society.

In one of the day's most meaningful moments, Benner asked members of the Time Capsule Committee to stand as the audience recognized their months of volunteer work preserving McClure's history.

Following the ceremony, commemorative McClure Borough Semi-quincentennial coins numbered 1 through 10 were auctioned to benefit the new time capsule and the Historical Society. One of the auction's highlights came when Rodney Wagner placed the winning bid on Coin No. 1 before generously donating it back to the McClure Historical Society so it can be permanently preserved as part of the borough's collection.

The ceremony concluded with refreshments, fellowship, and one final opportunity for visitors to view the historical display before looking ahead to the borough's next chapter.

McClure's new community time capsule will be dedicated and buried on September 12, 2026. Residents wishing to submit items or sponsor the project are reminded that the deadline for submissions and sponsorships is August 15. Individuals, families, or businesses contributing \$250 or more will be recognized with their name displayed on a commemorative plaque atop the new time capsule monument.

TONS OF RACING HAPPENING IN OUR AREA GOING BACK TO LAST WEDNESDAY

Things started out on Wednesday July 22nd with Lincoln speedway racing the Bob Leiby Memorial for 410-sprints along with a second division of 358 sprints. Bob and his brother ran Selinsgrove speedway in the 1999 and 2000 racing season and for a long time promoted Lincoln speedway. The event on Wednesday was to honor Bob. The format was an old fashion handicap racing event, for both divisions. For three heats they were taken the top three and with a point average the top three in each heat would be in the top nine spots for the feature. After three heats, Freddie Rahmer was the only top tier driver to make the cut. It had him starting ninth for the 30-lap feature. Troy Wagaman Jr did not make it and would start tenth in the feature; Danny Dietrich had the worst of it and started 18th in the feature. Mark Smith of Sunbury lead the first part of the race before Matt Campbell took over the top spot at the halfway mark. Campbell held on to get the win, but the drive of the night went to Dietrich who came from his 18th starting spot to a close second place finish. This was proving again that handicap racing is the best for the sport, and more exciting for the fans to watch. Mark Smith hung on for third Aiden Hare and Rahmer in the top five. The format also worked out for the 358-sprints has driver Chase Robinson with a top three finish in his heat went out and was able to score his first ever 358-sprint car feature win beating the driver who had to be in the back on the handicapping format.

Friday night at Williams Grove they do things bit differently with the heat races handicapped and the feature lined up by the heat race finish. Chase Dietz who has 16 410-sprint car wins already this season, but non at the Grove was able to score his first at the grove last Friday over Troy Wagaman Danny Dietrich, Antohny Macri and Austin Bishop. Eil Tuckey scored his first ever 358-sprint car feature win over Austin Reed, Chase Gutshall, Derek Locke and Adam Carberry. This weekend the WOO series will be at Williams Grove for two nights of racing on Friday and Saturday, which means both Lincoln and Port Royal speedway will not be racing. So all drivers and fans of the 410-sprint action attend the Grove.

In other Friday night action George Dixon got his second limited late model feature win at Clinton County with Joe Lush and Trent Merkel in the top three with all drivers racing in Lazer chassis, Jaxton Garman and Jake Moser in the top five. Clinton County is off this Friday for the Clinton County Fair set-up but will race twice during the fair starting with a Tuesday night August 4th race for the limited late models, Pro Stocks, 270-micro sprints and four-cylinder. They come back Friday with the IMCA sprint cars racing for \$2,000 in the Jim Cowboy Kennedy Memorial 30-sprint event, again the same three other divisions will be in action. Last Friday at Big Diamond speedway near Minersville Pa the tracks main division was set to have the 1000 feature pick up the win on Friday night, when the feature was over that went to Duane Howard of Oley Pa. for him it was his 95th career feature win at Diamond so it was fitting that the win would go to Howard, over Billy Pauch Jr, Loudon Reimert, Mike Lisowski and Jared Umbenhauer. It was also learned that with the success with the two limited late models' events held this year at Diamond, promoter Jake Smully would like to have five shows for the 2027 season. Selinsgrove speedway ran on Friday night and had a surprise racer in the super late model class Drake Troutman of Hyndman Pa who has teamed up with Jerry Foster. The new team had planned to race two weeks from now, but things came together sooner than expected so they race this weekend starting at Selinsgrove were Drake place fifth in the feature after battling for the lead with his good friend Lane Snook. Snook got a flat on lap 18- which knocked him out of a chance of winning, which opened the door for 7th starting Gregg Satterlee to go on and get his fifth win of the season. He won over Hayes Mattern, Justin Weaver, Coleby Frye and Troutman. Troy Miller scored his fourth street stock feature win of the season over Aiden Mithe, Tommy Dawson, Brandon Moser and Brad Mitch. Kruz Kepner of Kreamer scored the PASS 305-sprint car feature over Chris Dolan, Timmy Bittner, Tyler Erdley and Mike Alleman. Selinsgrove will be back in action this Saturday instead of Friday with a show of Super late models, Limited late models, East Coast 36-wingless sprints and the PASS 305 sprints. The biggest event last weekend was the two nights of 410-sprint car racing at Port Royal with the High Limit series. On Friday night was the Greg Hodnett Memorial paying the feature winner \$15,000 to win with 47 drivers signed in, most of the top talent in that division was on hand, with the other top tier driver in the WOO series racing at Weed-sport N.Y speedway. Brett Marks of Myerstown Pa who is a High Limit driver scored the feature win in the Hodnett event over Justin Peck, Anthony Macri, Ryan Smith in the

Kreitz #69 and Chase Dietz. Both of these races were make-up events from early in the season rain outs. Sunday was the Bob Weikert memorial which paid the feature winner \$1,000,000. Which last year was won by High Limit driver Aaron Ruetzel. This year the win went to another High Lim-it driver Gio Scelzi who got the win over Chase Dietz, Tyler Courtney, Brent Marks and Ryan Smith, Sunday had a car count of 45 drivers on hand. The High Limit series was to be at Bridgeport Speedway this past Tuesday, but that event was cancelled on Monday because of the weather. The series will be back in the area for a three-day show at Port Royal on Thursday, Friday and Saturday September 10-11-12. The WOO sprint events held at Weedsport went to Shelden Haudenschild over David Gravel, Logan Schuchart, Donny Schatz, and Carson Macedo. Saturday the win went to David Gravel over Haudenschild, Schuchart, Emson Axsom and Gart Williamson. The series was to be at BAPS Motor speedway last Wednesday, then over to Williams Grove on Friday July 1st and Saturday August 1st.

I did witness BAPS speedway getting the two-hour program last Saturday night, which they had promised the fans they would do or you get your money back. They had a three-division show of winged super sportsman which ran three heats for 22 cars, Limited late models again with three heats for 28 cars. The four-cylinder class only had six drivers on hand so they ran their feature for the first event on the program, the heat race, and no consolation for late models. This meant they would start 26 drivers in the feature with two drivers out for the night. The sportsman feature ran first and was done just a little after 8p.m. so the late model feature needed to be done in one-hour to pull this off. Things went well for the bigger field of cars for the 20-lap feature, and the race was done by 8:30. Daulton Bigler of Mechanicsburg Pa won the feature his first of the season over Matt Murphy, Skylar Taschek, Chase Billet and Michael Walls.

1st Responders Honored at Selinsgrove Speedway, Kepner Wins First of Year

1st Responders were show cased at Friday night's Selinsgrove Speedway as the track honored the volunteers that spend countless hours in protecting us in all facets in our communities.

12 Local stations displayed their equipment for the fans to touch a truck and ask questions with members in attendance.

Those companies who were in attendance were the Snyder County Sheriff's, Eagles Mere Volunteer fire company, Kratzerville, Freeburg, Hummels Wharf, Beavertown rescue hose company, Fremont Fire Department, New Berlin, Union Township fire company (Winfield), Port Trevorton, D.H.&.L Ambulance, D.H.&.L Fire Co.

As an additional treat, Kelsey from Dirt and Dahlias put together a basket that 1st Responders could enter to win which contained some items as Fast Tees Shirts, Pizza Ruhls and County Line Restaurant contributed gift certificates. The Crème Shop handed out certificates out to the first 50 responders.

The track has always held 1st responder's nights over the years, but for the last two years it has been organized by Derrick "Porky" Cook who is the head safety director for the speedway.

Before the races began, all the fire trucks and safety vehicles took two laps around the track for the fans.

"Seeing the local fire companies show up and support the race track is awesome." stated Porky. There are not too many places that give back to first responders so it's nice that the racetrack did what they did. This was the first year The Firestore was involved and I'm hoping we can continue with them and make it bigger for fans and drivers.

lane to the outside lane so I knew I had to enter below him. Things played out in my favor that Drake Troutman and Coleby both got tight in 1&2 and I was able to get around them through the middle. It wasn't the plan I had originally, but it all worked out in our favor." stated Hayes.

It's been since 2019 that Hayes has visited victory lane (even though he has come so close) and this strong run just might give him the boost he needs to get another win at his home track.

OH....to be a fan of Philadelphia sports this week! LeBron James finally decided what team he was going to play for, and to the surprise of most he's bringing his talents to Philadelphia. His decision was reportedly based on what team gave him the greatest opportunity to win another NBA title. If that was the only factor, why not go to the Spurs, Thunder or Knicks?

I believe it had more to do with his desire to play with Tyrese Maxey and with the new management team led by Bob Myers. He certainly didn't do it for the money. There are a couple of college quarterbacks that will make more money this year than LeBron will be paid by the Sixers.

Philadelphia sports fans have never had this many big name super-stars playing in their city at the same time. They now have two first-ballot hall of famers in Harper and James and probably five or six more locks playing on their professional teams. They potentially have three more playing on the Eagles, Phils and Sixers whose complete story is yet to be written.

There is still work to do for some of the Philly athletes to equal what the 'City of Champions' had in 1979. They won both the World Series and Super Bowl in 1979. I'm talking of course about Pittsburgh, which had eleven players on the Pirates and Steelers that were eventually enshrined into their Halls of Fame. It would be twelve if you count Dr. Julius Erving who starred in the 'Fish that Saved Pittsburgh' movie that debuted in 1979. Mario Lemieux didn't arrive in Pittsburgh until five years later.

The Baseball Writers' Association of America voted in three new members to the baseball HOF and they were officially enshrined last weekend. Carlos Beltran, Andruw Jones and Jeff Kent took their place in history. This was not exactly a great class of inductees but more a lasting trio of stat accumulators that each played for sixteen or more years but have just one World Series title among them.

It should be difficult to attain HOF status and the metrics for enshrinement have become easier. The baseball and football halls are the toughest to get into for varying reasons. Football players have shorter careers because of the physical toll on the body. They are judged more on impact and Super Bowls. Baseball looks more at career stats like the three newly elected members. Also, if a baseball player has a dispute with a voting sportswriter, that writer can hold a grudge against them when it's time to elect an inductee.

There is no better example of this than Albert Belle, who is still awaiting his invite to the Hall. Belle had a stormy and aggressive relationship with reporters and the public. Belle was the most feared hitter in the league during the 1990s for the Cleveland Indians. He led the entire league in RBIs and extra-base hits during the 90's and was fourth in total home runs. In 1995 Belle became the only player in the history of baseball to hit at least 50 home runs and 50 doubles in the same season.

His average career hitting stats are much better than the three new HOF inductees. Belle averaged more home runs and RBIs over his career and was second in hits and runs

compared to the three new inductees over their careers.

Belle played only twelve years before a degenerative hip condition forced his retirement at age 33, the prime age for a big leaguer. He was never accused or associated with steroids which were rampant during his career. Steroid use is an even bigger reason than media confrontations to deny entry to the HOF.

If you took steroids or gambled on baseball forget about getting elected to the Hall! Barry Bonds, Roger Clemens, Mark McGuire, Pete Rose and others should already be in baseball's HOF. It's been said "The Hall is an awesome place, but it isn't the Vatican. Being a HOF voter shouldn't entitle you to also serve on the morality police. Elect the greatest players of all time and let their plaques tell the story of their pros and cons."

The baseball trade deadline is this Monday as teams are looking to solidify their lineups for a run to the playoffs. There are a couple of big names that could be involved in trades before Monday. Here is what I think will happen.

What are the Detroit Tigers going to do with their two-time reigning Cy Young winner Tarik Skubal? Detroit is on the cusp of qualifying for the playoffs in the weak American League and Skubal will be a free agent at the end of the season. Do they trade the best starting pitcher in the AL for a couple of good prospects or keep him for the playoffs where the Tigers would have a huge advantage in a short series? I think they trade him to the Tampa Bay Rays with the Brewers also in the bidding.

The Phillies needs are many and their prospect capital for trades is limited. For a team loaded with big names and contracts expect marginal upgrades to their defense and bullpen. My Pirates need a third baseman and bullpen help. If manager Don Kelly would allow his starters to go further in games that would help the bullpen and win more games. Say hello to Astro's third baseman Isaac Paredes.

New York Met's reliever Luke Weaver could be the best available reliever if the Padres keep Miller. Weaver has been lights out this year but no one realizes this because of the Mets' woeful season. There is a team that will over compensate the Mets for Weaver which will only help the Mets in the future. Could Seattle be that team or do the Yankees get him back?

Kansas City veteran starting pitcher Michael Wacha is going to be traded to a good playoff bound team to be their third starter in the post season. I see either the Braves or Cubs to land the all-star pitcher.

The San Diego Padres are shopping the best relief pitcher in baseball in Mason Miller. Miller has a contract for three more years after this one so I think he'll stay in San Diego. The Yankees would love to trade for Miller but don't have anything the Padres need. The Yanks need a hitting catcher more than a closer and the Twins' Ryan Jeffers would be a great addition.

I had the opportunity to watch the Yankees play last week against the Pirates and Phillies. Their offense doesn't scare you without Aaron Judge in the lineup and Cody Bellinger now out for at least a month with a hamstring injury.

New York's starting pitching is getting healthy and will have to carry this team to October. Cam Schlichter was very impressive in a great pitcher's duel against Philly. I haven't seen a pitcher pound the top of the strike zone like Schlichter does since Nolan Ryan. Most pitchers are taught to keep the ball down to a hitter much like Cam's teammate Gerit Cole does. Cam will only throw a sinker to a hitter to change their eye level because his next pitch will always be a 99mph heater just above the strike zone resulting in a strikeout.

Finally, football is officially under way on both the college and professional levels. All the NFL training camps are open and the SEC and B1G conferences have had their league pressers. I will talk more about these next week as the SEC is threatening to leave the NCAA and go at it alone. How does that saying go "If you can't beat them leave them!"

Just to whet your appetite I will leave you with these little nuggets. Don't look now but Indiana football has never recruited a top 100 recruit out of high school this century except for one and he transferred out before coach Cignetti arrived at Indiana. This year Cig has commitments from the #8 and #69 overall ranked recruits in the country. One is a 6'5" wide receiver and the other a QB.

Nebraska Cornhusker football has a 29 game losing streak against AP ranked opponents. Their last win was over #22 Oregon in 2016. At least James Franklin had 15 wins with his 29 losses to ranked teams while at Penn State.

Speaking of Penn State, they are flying under the radar this preseason, a far cry from last year's national championship chatter. That's perfectly fine with new coach Matt Campbell who is going to surprise some people this year. More on that in the coming weeks.

Are you watching any flag football? This sport is going to become more popular over the next few years as it's making its Olympic debut in LA in 2028.

You can contact me at theviewfromhear74@gmail.com if you know who the future hall of famers from Philly will be.

Obituaries

Jason Lyn Landes, 48, McClure

Jason passed away on July 20, 2026.
Born on January 13, 1978, in Somerset County, Pennsylvania, Jason spent most of his life in Mifflin County.
He was the son of the late Jay Scott Landes and the late Stephen Ammerman, his stepfather. He is survived by his mother, Fay (Landes) Ammerman of Lewistown.

Jason is survived by his loving wife, Tonia (Fultz) Landes, whom he married on January 13, 2012. Together they shared two children, son Jason S. “L.J.” Landes and daughter Angel M. Landes.

He is also survived by his children, Jason L. Landes Jr. of Granville, Robin Fields and her husband, Isaiah, of Mifflintown, Alexis Smith and her husband, Gerald, of New York, and Alyssa McClintic of Lebanon.

Also surviving are his brother, Jeremy Landes of Lewistown, and Jeremy’s daughter, Elizabeth, of Kansas; his brother, Cecil Landes and his wife, Tina, of Lewistown; and their sons, Cecil Landes Jr., Jonathan Landes, Tyler Landes, and Aiden Landes, all of Lewistown.

Jason is further survived by his stepbrother, Stevie Ammerman of Lock Haven; his stepsisters, Kimmi Hampton of McClure, Kristi Luse and her husband, Shawn, of State College, and Kathi Jo Bleyer and her husband, Jim, of McClure.

He also leaves behind three cherished grandchildren: Percy Fay Smith of New York, Lawrence Allen Harper of Lebanon, and Antiope Fields of Mifflintown.

Jason worked for many years at Conestoga Wood Specialties in Beaver Springs, Pennsylvania.

Services will be private and held at the convenience of the family.

Arrangements are by the Kreamer Funeral Home, 130 S. Zechman St., Beavertown.

Mary Lee Troup, 90, Beaver Springs

On a beautiful morning on July 23, 2026, Mary Lee Troup kicked off the blanket of her 90-year-old body and raced into the loving arms of her Savior, the Lord Jesus Christ. She was greeted at Heaven’s door by her parents Frank and Katheryn Thomas, her sister Jean Smith, along with many other family and friends who arrived ahead of her. She was surrounded by her family at the time of her passing, and they love and miss her dearly. Her passing broke a 65-year special bond with her husband Lamar.

Mary Lee grew up in Montgomery, PA. From the stories she told, she and her sister kept their parents on their toes. She loved making people laugh and playing pranks on those around her. She graduated from Montgomery Clinton High School in 1954 and earned a bachelor’s degree from Lycoming College in Education in 1958. While in college, Mary Lee served in the Civil Air Patrol. She started her long career teaching High School Spanish and English. She met her beloved husband LaMar at Warrior Run High School where they were both young teachers at the time.

LaMar and Mary Lee married on April 20, 1963. They started their first of many adventures moving across the country to San Bernardino, CA where she became a mother to Todd and Marla. The family then moved to Collegeville, PA in 1965 and finally settled on their much-loved farm in Beaver Springs, PA, where their daughter Deanna was born.

Mary Lee started substitute teaching for the Midd-West School District and moved to full-time teaching starting in 1969 at West Beaver Elementary. During this time, she earned her master’s degree and retired in 1998. She loved teaching and it showed in the work she put into each lesson and each student. Full retirement was put on hold for a few years as she started to substitute-teach again for the district. She dedicated 43 years to being the best teacher she could be and she genuinely loved her students throughout the years.

Mary Lee was a member of the West Snyder Rotary Club for 20 years and enjoyed hosting 13 Rotary Exchange High School Students from high schools all over the world. She and LaMar also hosted numerous foreign college students for the holidays, weekends, and summers from Bucknell and Susquehanna Universities. She stayed in contact with many of them and they all still call her mom. Mary Lee lived a life of servitude as an active member of Saint Paul’s Reformed Church of Beavertown where she served in many ways. She was an avid supporter of the Middlecreek Area Community Center in Beaver Springs since 2002 and served as a 4-H leader and a Youth Challenge volunteer.

Mary Lee and LaMar enjoyed 63 years of marriage. During her marriage she loved serving her community, making the farm better, loving and caring for her husband and family, and most importantly serving her Lord and Savior. She also loved seeing the beautiful world the Lord created taking many vacations with LaMar and family.

Mary Lee loved others and was dearly loved. She loved the life that LaMar and her built on the farm. She loved the many adventures that farm-living brought and visiting many wonderful places in the United States and abroad. She was proud to say she visited all 50 states. Mary Lee loved the ocean and knew so much about the creatures in it. She was a lover of books and a master at pinochle and Jeopardy.

In addition to her husband LaMar, she is survived by son Todd (wife Mary), daughter Marla (husband Charles Connahan), and daughter Deanna (husband Chris Harvey). Mary Lee is also survived by seven beautiful grandchildren: Carleen Troup, Alea Troup, Andrew Troup, Laura (husband Kerry Lewis), Shane Connahan (wife Madeline), Claire (husband Mike Malquist), and Birch Harvey.

Mary Lee will be remembered for her sense of humor, her compassionate soul, and the deep love she offered to everyone she knew. Her presence was a gift, and her memory will continue to be a blessing.

Celebration of Life Services are scheduled for Saturday August 1 at St. Paul’s Reformed Church at 127 W. Walnut Street, Beavertown, PA 17813. Feel free to join the family for visitation from 9am to 11am, service at 11am by Pastor Carl Bergerson, and a luncheon from Noon to 1pm.

In lieu of flowers, memorial contributions can be made to Saint Paul’s Reformed Church, 127 W. Walnut Street, Beavertown, PA 17813 or to the MAC Y, 67 Elm Street, Beaver Springs, PA 17812.

Arrangements are by the Kreamer Funeral Home, 130 S. Zechman St., Beavertown.

Tina L. Burgess, 68, Selinsgrove

Tina entered eternal rest on Wednesday, July 15, 2026, at UPMC in Williamsport.

Tina was born on Halloween, October 31, 1957, in Lewisburg, a daughter of the late Philip and Ruth (Wilt) Burgess.

Tina was a graduate of Selinsgrove High School and Hagerstown Business College in Maryland.

She was a Licensed Practical Nurse, formerly employed by the Pennsylvania Department of Welfare at the Laurelton Center, Harrisburg Center, and later retiring from the Danville Center.

She was a very active volunteer in community organizations including Women of the Moose, Veterans of Foreign Affairs Auxiliary, American Legion Auxiliary, Evangelical Hospice, and the local AFSCME where she formerly served as secretary.

You could often find Tina supporting her community and clubs by attending their meetings and events. For many years, she participated in the Selinsgrove Street Fair every September helping Evangelical Hospice with their annual Hospice Chinese Auction.

Anyone that knew Tina knew she had a love for frogs and collecting frog memorabilia. Her frog themed kindness posts on Facebook will be missed by many!

Tina is survived by her brother, Adam Burgess and his wife Dianne; nephews, Jathan “Jake” Burgess and his wife Jessica and Jeremy Burgess; great-nieces, Serena and Maya Burgess; uncle, Rodney Wilt; and numerous cousins.

Along with her parents, she is preceded in passing by her brother, Alan “Bud” Burgess, in 2025.

A graveside service will be held at a later date. The service date and time will be announced on the garmanfh.com website and Facebook page.

The family kindly requests withholding all flowers in memory of Tina due to her allergy to them.

Memorial contributions in loving memory of Tina may be forwarded to WellSpan Hospice Services, 235 Hospital Drive, Lewisburg, PA 17837. Please notate in memory of Tina L. Burgess.

Tina’s care has been entrusted to George P. Garman Funeral Homes, Inc., 9366 Route 35, Mt. Pleasant Mills, PA.

Mary Wagner, Beavertown

On Wednesday July 22, 2026, God called home his faithful servant, Mary Frances Wagner. She was born in her family home in Derry Township, Lewistown on April 7, 1939, to the late Paul A. and Paulene (Long) Parson.

Mary was blessed to grow up with five brothers and three sisters. Mary had many dear friends in school, but none like her best friend, Barb

Parson. Mary soon met William Maurice Wagner and fell in love. Bill and Mary made a lasting covenant of marriage on February 22, 1959, and were blessed with two children, Deborah and William D. Through the years she witnessed the marriages of her children followed by the births of her grandchildren. Deb married Joseph L. Benner, Sr. and had three children: Joseph L. Benner, Jr., Stacey and Tracey. William married Doreen Rinck and had two children: Tiffany Rinck and Zachary.

Mary worked during her school years at the local Five and Ten store before devoting many years to the Beavertown Weaving Mill. Mary was found weaving, stocking the break room with snacks, and even coordinating functions and celebrations for the employees at the mill. After the Beavertown Weaving Mill closed, she needed to find a way to keep herself busy. With the help of her granddaughters, she studied and earned her GED. She was hired by Conestoga Wood Co. in Beavertown and later worked in the deli at Saylor’s Market.

When not at work, Mary was busy serving others at St. Paul’s Reformed Church, Beavertown Fire Co., the Troxelville Community Hall, the MACC or crocheting for the Prayer Shawl Ministry. If you didn’t find Mary making meals, serving and helping others, you could find her enjoying time with her family and close friends.

After 51 years together in marriage, through sickness and health, Bill was called home to Heaven in 2010. Mary cared for him and loved him dearly. Mary was surrounded by love when she passed away in her cherished home that she and Bill built together.

She is preceded in death by her parents, husband, siblings Pat (Ken) Smith, Harry Parson, Bill (Sis) Parson, Martha Wagner, Connie (Harold) Wagner, sister-in-law Helen Parson, and brother-in-law James (Emily) Wagner.

She is survived by her children, grandchildren and 14 great grandchildren: Joseph L. Benner, Jr (Vonna) have Alex, Austin, Aaron; Tiffany (Rich) Hess have Raiden, Kerrigan; Stacey (Gerald) Hostetler have Weston, Cooper, Aurora; Tracey (Jason) Mitchell have Irvin, Elizabeth, Jace, Lillian; Zachary (Heather) Wagner have Kennedy and Emersyn. She is also survived by brothers: Paul (LouAnn) Parson, Lewis Parson, Barry (Becky) Parson and many nieces, nephews, great-nieces, great-nephews and dear friends.

Mary’s family appreciates the loving care provided by Well Span Hospice and her personal caregivers that allowed her to be at home.

Services were held at St. Paul’s Reformed Church, Beavertown on Thursday July 30, 2026, with a viewing from 10-11 AM followed by a funeral. Burial will follow in Troxelville Union Cemetery, Troxelville.

In lieu of flowers, memorial donations can be made in her nameto the Shriner’s Hospital Development Dept. 3551 N. Broad St. Philadelphia, PA 19140.

Arrangements are by Hummel Funeral Home, 574 Hill Street, Middleburg.

Edwin (Butch) W. Ehram, 76, Selinsgrove

Ed departed our presence unexpectedly on July 21, 2026, at Williamsport Hospital. He was born on the Summer Solstice, June 21, 1950, the third son of William A Ehram Sr. and Emma Louise (nee Hoffman) Ehram.

Ed was drafted right out of high school and served in the U.S. Army Signal Corp during the Vietnam War. He became

permanently disabled in 1978. He had worked as a milkman with his dad, as a dairy farmer, building X-ray machines, in

the food industry, and many other occupations. With the help of his family he became determined that nothing was going to stop him from raising his children, celebrating life, and serving the area the best he could. Together they built and operated a service business in their home for 21 years, Telephone Answering Plus, answering hotlines, emergency calls, and monitoring alarms.

He encouraged his sons to follow their dreams, and helped them establish Bears Picnic Presents, offering family-oriented music festivals to build, inspire, and bring healing and hope to the greater community. Without any discussions or thoughts about how it would affect our family, he encouraged his wife to answer God’s call to enter ministry and supported her on the journey. Through thick and thin he was always there to uplift everyone. He lived, laughed, and loved in this life and he will throughout eternity.

Ed loved God, his country, his family, Thanksgiving and Christmas, family gatherings, history, music, camping, fishing, football, helping and encouraging others, always reflecting the brighter side, even in the midst of chaos. He is and will always be greatly missed, but we are grateful that he experiences no more pain or suffering and has joined the company of heaven in the presence of Almighty God to embark on a new journey.

Ed is survived by his wife of 54 years, Pastor Kathleen (nee Praul) Ehram, united in marriage on the first celebration of Earth Day; his son, Benjamin and wife Kimberly; three grandchildren, Jayda, Aiden, and Noah; brother, Robert E. Ehram Sr; sisters Emma Ferry, Mary Hood, BIL: George H Praul (Maureen), Theodore Praul, SIL: Gail Brandon (Bud), Melanie (Jon) Magnuson, MIL: Arlene Bailly, Dena Gentner, brother Chris Praul (Casey), sister Jennifer (Joe) Winterscheidt, and many nieces, nephews, friends, and family pet, Kody.

He was preceded in death by his parents, William A. and Emma Louise (nee Hoffman) Ehram; his brother William A. Jr; his son, Christopher, FIL: George A. Praul, BIL: Keith Praul and William Ferry, SIL: Joanne Praul and Harriet Ehram.

Ed’s spiritual journey was Presbyterian in nature. He was a member of the United Methodist Church.

A memorial service will be announced in the near future at the discretion of his family.

Memorial contributions may be made in his honor to the Veterans of Foreign Wars, Tunnel to Towers, Bears Picnic, your preferred church, or the American Cancer Society.

V.L. Seebold Funeral Home, 601 High St., Selinsgrove, PA 17870, has been entrusted with the care and arrangements of Mr. Ehram.

Frona Grace Rothermel, 93, Middleburg

Frona entered into eternal rest on Saturday, July 25, 2026, at Nottingham Village, Northumberland.

Born on July 21, 1933, in McClure, she was a daughter of the late William and Florence (Sanders) Kratzer. On Jan. 2, 1952, she married Mark S. Rothermel who preceded her in death in 2005.

Frona was a graduate of Beaver Vocational High School.

Frona was a devoted homemaker who took great pride in caring for her home and family. She also spent time helping Josephine Oldt with cleaning.

She attended Beavertown Gods Missionary Church, Middleburg.

She loved quilting, baking, and was especially known for her delicious whoopie pies and homemade donuts. She found great fulfillment in babysitting and treasured the opportunity to care for children over the years. Frona also had a passion for gardening and took pride in canning the produce she grew.

Frona is survived by a son, Robert L. Rothermel of Middleburg; grandson Mike Rothermel and his companion Megan Worth of Mifflinburg; and a half-sister Susanne Miller of Columbus, Indiana.

In addition to her husband, Frona was preceded in death by a sister, Mildred Thomas-Kuhns; and a granddaughter, Jody Rothermel.

A viewing will be held on Saturday, Aug. 1, 2026, from 10-11 am at Beavertown Gods Missionary Church, 1653 Creek Road, Middleburg with a funeral service to begin at 11 am with the church ministry officiating.

Burial will follow in Beavertown Gods Missionary Church Cemetery.

Arrangements are by Hummel Funeral Home, 574 Hill Street, Middleburg.

SPC Trent Marcus Alba, 20, Selinsgrove

Trent died on July 11, 2026. Visitation Saturday, August 1, 2026, from 10:00 a.m. to Noon at Bridges Alliance Church, 102 Alliance Way, Selinsgrove followed by a Celebration of Life service at Noon. Private interment will be in Salem Lutheran Cemetery, Selinsgrove. Arrangements by V. L. Seebold Funeral Home, Selinsgrove

6th Annual Wheels in the Grove

By Kay Poeth

The 6th Annual Wheels in the Grove will be held on Thursday, August 13 from 5:00- 8:30 pm along Market Street in downtown Selinsgrove. Admire the array of cars, trucks, and motorcycles being showcased on Market Street, jam to the music at the Commons as the group Jesse performs on stage, dine under the stars at some of the best restaurants in the Valley or try one of the food trucks that will be on site. Last year, there were over 150 vehicles on display! You don't want to miss this great event!

All money raised by Wheels in the Grove will go to the Selinsgrove Rotary 100 Project to celebrate Rotary's 100th Anniversary in April 2027. This local project includes major improvements to the Little League ball field,

new picnic tables in the pavilion, and a major remodel to the restroom facilities to make them ADA compliant at Rotary Field.

Wheels in the Grove is just one way that the Selinsgrove Rotary gives back to the community and encourages the community to socialize in a fun setting. "Wheels in the Grove is a great way to show the community what Rotary is about and what we are accomplishing in the community."

If you would like to display your car, truck, or motorcycle, registration is required. Please pre-register by August 6. Event will be held rain or shine. Cost: \$15 non-refundable donation for each vehicle. You must present your admission card to enter. Displayed vehicles are automatically entered into a cash prize drawing, with a top prize of \$100, two additional \$50 prizes and two \$25 prizes.

All vehicles will be staged at the Selinsgrove Area High School Parking Lot — off 500 Broad Street, Selinsgrove, PA 17870 and then moved to downtown Market Street for parking. For more information, call Tom at 570-850-7907.

Come and bring your friends and neighbors for the 6th Annual Wheels in the Grove, support the Selinsgrove Area Rotary and have a great time!

Public Welcome to Rededication of Union County Purple Heart Monument

By Kay Poeth

A re-dedication ceremony of the Union County Purple Heart Monument will be held at noon on Friday, August 7 at Mifflinburg Community Park. The monument was moved to the World War II Memorial area in Mifflinburg, located along North Fifth Street, earlier this summer.

All Purple Heart recipients, veterans and veteran supporters are invited to this rededication ceremony to honor all from the

area who have received this award; from all services and all wars. The public is also invited to attend this special ceremony.

Sponsored by the George H. Ramer, MOH, Chapter 656 of the Military Order of the Purple Heart, the ceremony will include bagpiper Bernie Jespersen, local dignitaries, government officials, a keynote speaker, and local vocalist and musician Kj Reimesnyder-Wagner.

The re-dedication ceremony is being held on National Purple Heart Day, which is observed annually on August 7. National Purple Heart Day honors the nearly 1.8-1.9 million U.S. service members who have been wounded or killed in action, commemorating the date in 1782 when General George Washington established the Badge of Military Merit. The modern medallion features a gold heart with a bust of George Washington and a purple sash. It is awarded to any member of the Armed Forces wounded or killed in action against an enemy.

Following the ceremony, the George H. Ramer, MOH, Chapter 656 of the Military Order of the Purple Heart will host its annual picnic. All guests are invited for refreshments. RSVP Bob Lauver by August 1 if you wish to attend the luncheon and the number of attendees by calling/texting 570-847-6177.

Mid-West FFA Stands Tall at States

Article Submitted by Harmony Penepacker – Mid-West FFA Reporter
 Edited by Ms. Cheyenne Brown and Mr. Greg Erb – Mid-West FFA Advisor

On June 9-11, 2026, the Mid-West FFA attended the 97th Pennsylvania State FFA Convention at Penn State in hopes to make it to the National FFA Convention in October. With 23 Mid-West students competing among over 1500 registered from across the state the competition was stiff. During the first two days students competed in their respective CDE's (Career Development Events). Additionally, the time throughout the event students had time to tour the campus meeting new people and promoting Mid-West FFA!

When the final day of the event arrived, students were on the edge of their seats waiting to see how they performed. When the results were finally delivered Mid-West FFA students' abilities were showcased with an unprecedented three state winning teams! In Agricultural Mechanics the team of Conor Kerstetter, Jon Swineford, Gavin Hench and Danial Forman rose to the top of 32 teams competing. All four earned Gold Level with Kerstetter taking top individual honors These four will head to Indianapolis in October to compete at Nationals. Meanwhile Livestock Evaluators Katie Zimmerman, Cheyenne Arndt, Everett Aurand and Steven Yakamook Jr. took champion team honors in the Livestock Evaluation CDE. With a whopping 134 competitors the competition was fierce but with Gold Level performance from Zimmerman and Silver from Arndt, Aurand, and Yakamook Jr. The team rose to the occasion and now also heads to Indiana. Finally, the Small Gas Engines team of Ethan Bobb and Forest Hoffman took top honors among 16 competitive teams. Unfortunately, there is not a national contest in this event, but Bobb and Hoffman did Mid-West FFA proud bringing home the Gold with Bobb earning top individual and Hoffman 3rd! Also bringing home individual medals at states Maura Aurand earned a Gold in FFA Talent and performed in front of the entire contingent at the Bryce Jordan Center! Janessa Hummel took home individual Silver in Food Science, Danika Barger earned individual Bronze in Dairy Cattle Evaluation, and 8th grader Laura-Belle Zerby earned a Bronze in Livestock Judging. Congratulations to all our amazing winners!

Whether it was some members first time in attendance to their last time all had a good word to put in. Freshman Cheyenne Arndt, who attended State convention for the first time and is now moving on to nationals, says "States was an amazing first experience with amazing people." Many of the students in attendance for the first time wish

to go back, set their sights high and spend an amazing three days at future PA state conventions. Mid-West high school graduate Ethan Bobb, who had attended previously, says "It was a great time to spend with friends and to represent Mid-West in all of our competitions." As some finish their journey off with a bang, we wish them the best success in the future and hope they do great things. Overall, it was an amazing experience for everyone, and we wish the best of luck to our teams going to nationals.

The Mid-West FFA chapter is one of the largest chapters in Pennsylvania with a current membership of over 300 members focusing on premier leadership, personal growth, and career success. Current or future students at the Mid-West High School with an interest in the FFA program, are encouraged to contact Katie Zimmerman - Chapter President, Danika Barger – Chapter Vice President or one of our FFA Advisors.

Mid-West Stadium Mural Showcases Various Sports

The Mid-West art department partnered with professional muralist, Elody Gyekis, again to pour their talent and skills into another part of the Mid-West community- this time by focusing on transforming one of the district facilities. The idea for this project stemmed from conversations with administration about a facelift to the concession and restroom buildings at the older stadium.

According to Ryan VanHorn, high school art teacher, "The paint was beginning to dull on the buildings and administration felt that student involvement in a district project like this would be the perfect way to bring life and color back into our facilities."

During the last few weeks of the school year, Ryan VanHorn was approached with a generous grant offer from the Perry County Council of the Arts to use funds towards the payment of an artist and supplies for a desired project. Ryan immediately knew this was the right opportunity to have the stadium work completed. The students were eager to work right outside their classroom doors. Within a short two-week period, the mural came to life and became a vibrant and unique representation of the many sports that are offered at Mid-West.

The Mid-West art department would like to thank PA Creative Industries and the Perry County Council of the Arts for their funding support, the Mid-West administration and maintenance departments, and all the students who devoted their time and talents to this project. We hope that it becomes lasting example of all that can be accomplished together!

Motorcyclists Ride to Support Journey to Justice and Older Adults

Dozens of motorcyclists from across the region came together Saturday, July 25, to support Journey to Justice, a nonprofit organization dedicated to protecting older adults who are at risk of abuse, neglect, exploitation, or abandonment.

Members of the Montour Motorcycle Riders Club, Steel Hammers Motorcycle Club, and other community riders participated in the Journey to Justice Benefit Ride, traveling to several stops throughout the region before returning to the Danville American Legion for food, fellowship, and fundraising.

The event raised \$740 for Journey to Justice's Beneficiary Program, with every dollar supporting efforts to improve the lives of older adults in local communities. The Danville Moose provided the meal, while the Women of the Moose donated desserts. Riders and supporters also participated in games and a 50/50 drawing.

Journey to Justice was founded by Lynn Fiedler after her mother, Alice Longenberger, was the victim of elder abuse at a Lewisburg memory care facility in 2023. The organization works to advocate, educate, and pursue legislative changes that strengthen protections for vulnerable older adults.

"Our mission is to facilitate the protection of older adults who lack the capacity to protect themselves and may be at risk of abuse, neglect, exploitation, or abandonment," Fiedler said. "Every dollar raised through events like this helps us improve the lives of older adults in our communities."

Fiedler said the support from the motorcycle clubs and community volunteers demonstrates the compassion that exists throughout the region.

"Too often we hear stories about tragedy after it happens," she said. "This ride was about people coming together to help prevent it from happening to someone else."

Journey to Justice is a registered 501(c)(3) nonprofit organization serving Pennsylvania through advocacy, education, and legislative efforts aimed at protecting vulnerable older adults.

18 Years of Cheers Celebrated at Selinsgrove’s Brewfest

By Jamiee Joiner

Top left – Eclipse Craft Brewing – Winners of the Best Brewer and Overall Winner Awards. Top right – Best Distillery Winners from Jack-Azz Distilling pictured with Ernie Kemper, Brewfest Committee Member. Bottom left - Gabe Wright and Joel Basta, of New Trail Brewing Company, serving up their delicious beers. Bottom middle – Crowds of people enjoying Brewfest. Bottom right - Kate and David of Voodoo Brewing, of Meadville, Pennsylvania.

The 18th Annual Selinsgrove’s Brewfest was held on Saturday, July 18, 2026, and the event saw a fantastic turnout of over 1,300 people in attendance who gathered along University Avenue to enjoy the Susquehanna Valley’s premier craft beverage festival. Attendees enjoyed unlimited tastings from a curated list of twenty-two brewers, two wineries, and six distilleries, and they had so many delicious varieties to sample including IPAs, lagers, pilsners, sours, shandies, Radlers, stouts, wine slushies, and tasty cocktails.

The community could not have asked for a better day to celebrate. While there was some rain during the earlier setup hours, the skies cleared up just in time for the festivities, and the temperatures remained comfortable throughout the afternoon, which is a stark difference to the sweltering heat often experiencedduring this mid-July event.

The event featured live music from AMPS211 who performed a variety of well-known classics covered by the Baltimore area band throughout the day.

This year’s food features included soft pretzels from Susquehanna University Catering, broccoli roll-ups, walking tacos from the Selinsgrove Hotel, a variety of pizzas, boneless wings from Buffalo Wild Wings, hot dogs from the Selinsgrove Moose, pork egg rolls from Bamboo Palace, veggie mini-sub, and stromboli which hit the spot after some beer samples. This year, Skeeter’s BBQ provided the vendor lunch and Marzoni’s supplied pizzas and salad for the event volunteers.

The festival, which is organized by Selinsgrove Projects, Inc.,continues its long-standing tradition of raising funds for downtown revitalization, making it a “brewtiful” way to support the local community. Brewfest is run by an executive committee who finalize all the details, and then,an amazing group of volunteers spend their day making sure brewers are stocked with ice, attendees have plenty of food, bottled water is available at all times, and that everyone has a safe and fun time.

With the festival located in downtown Selinsgrove, many attendees took the opportunity to make a full week-end out of the trip, exploring local shops, restaurants, and the Susquehanna River before heading to the 38th Annual Antiques in the Grove event held the following day.

The competition was fierce this year, with attendees casting votes for their favorite local craft producers. The top honors for the 18th annual festival were awarded toEclipse Craft Brewing, of Sunbury, as the Best Brewer and Overall Winnerand earned the prestigious honor of taking home the festival’s traveling trophy, affectionately known as “Old Leaky.” They will hold the title and the trophy for the next year, with their name officially engraved on the side as part of the festival’s history. PA Alers Homebrew Club won in the Best Homebrewer Club. Essiem’s Apiary took the Best Winery Award, and Jack-Azz Distilling, LLC, of Spring Glen, Pennsylvania won Best Distillery.

Co-founders of the Selinsgrove Brewfest, Carol Handlan and Jeff Reed, have created such an enjoyable summertime tradition for beer lovers everywherewho come out to spend a day in the sun kicking back some amazing brews with friends. I heard from many attendees that they enjoy this annual event because they see old friends that they usually do not see throughout the year. It ends up being kind of a reunion of friends to reminisce about old times while making new memories.

Thank you to all of the local businesses for their continued partnership and support including major event sponsor, Weis Markets, Inc., who generously donated ice, bottled water, and use of a refrigerated truck in addition to the tasting glasses.

Rowe Announces \$2.5 Million Grant for Kreamer Feed Inc.

Grant funding totaling \$2.5 million was awarded to Kreamer Feed Inc. from the Redevelopment Assistance Capital Program (RACP), according to Rep. David H. Rowe (R-Snyder/Union/Mifflin/Juniata). The funds will support a major expansion of its facility in Middlecreek Township.

The funds will cover extensive site preparation, including grading, tree removal, utility upgrades, and stormwater management, as well as the pouring of foundations, erection of a steel superstructure, installation of modern truck docks, and the rough in of electrical, mechanical, and plumbing systems. These improvements are designed to expand production capacity and strengthen agricultural infrastructure in the region.

“The 85th District and the Commonwealth are built on a proud tradition of family farming that deserves to be honored and celebrated,” said Rowe. “This grant will help Kreamer Feed modernize its operations, create new jobs for Snyder County families, and support the agricultural backbone of central Pennsylvania. I appreciated the opportunity to advocate for this funding and look forward to seeing its impact in our community.”

“Agriculture remains Pennsylvania’s top industry, and investments in businesses like Kreamer Feed support the farmers, employees, and communities that rely on a strong agricultural economy. This project positions the company for continued growth while creating new opportunities throughout the region,” added Sen. Lynda Schlegel Culver (R-27), who serves Snyder County as part of her Senate district.

The RACP program, overseen by the Pennsylvania Office of the Budget, allocates state-funded capital grants for economic, civic, cultural, recreational, and historical improvement projects that demonstrate strong regional impact and generate substantial employment and tax revenue.

Kreamer Feed Inc. is a leading provider of animal nutrition products and services in central Pennsylvania. This RACP grant marks a step toward enriching the region’s economy and food supply chain.

The Mustard Seed Expanded Store Front in Selinsgrove

By Kay Poeth

Posing here in the new section of the expanded Mustard Seed are dedicated volunteers Nancy Jarrett, Judy Spriggle, Donna Wolfe, Gina Burns, Krista Summers, and Donald Summers.

The Mustard Seed volunteers, Judi Anselmo and Kay Wetzel, help shopper, Jacque Kerstetter, with her purchases! Good value at prices families can afford.

The Mustard Seed is a non-profit thrift store that prides itself on giving back to the community. All profits from the thrift shop are donated to local charities and organizations to help others in need. The donations are distributed bi-annually by the Board of Directors of The Mustard Seed, at the end of April and the end of October.

“We’ve always said we needed more space,” explained store manager Judy Spriggle. “We didn’t want to move because we have a great spot here on Market Street, in the center of all the action!”

When the store (Shady Pines) next door became available, talks began with the building owner. She was eager to have The Mustard Seed as renters. Then, the six-month renovation process began to connect the two buildings. Selinsgrove Borough suggested that The Mustard Seed contact SEDA-COG, which oversaw the building permit process. Lynda Tompkins, owner of Timberhaven Log & Timber Homes, designed the doorway.

There has been nothing but positive comments about the expanded floor space. “The renovation is wonderful with all the extra room and expanded inventory!” exclaimed Maria Moore. “I love this store and all the people as well. And, the prices can’t be beat!”

The original section has been revamped. The check out counter is still near the front entryway. Volunteers greet customers as they enter. Jewelry is displayed there. Clothing racks beckon customers to browse for bargains. The shelving remains filled with an array of odds & ends.

The new section features specific nooks for shoppers: shoes & boots, games & puzzles, books, and even a furniture section with chairs, tables, curios, and other small furniture pieces creating an inviting shopping experience.

“A volunteer built the shelves here (in the new section) and donated all the materials!” said Spriggle. Dishes and plates are now arranged across them.

“Since we have more space, we can put more inventory out!” added Spriggle.

Behind the scenes, improvements are already evident. The Special Auction room is arranged with shelving and totes. The collection site has spread out so it can be more efficient. Volunteers examine incoming donations. Items are inspected, cleaned and repaired as needed, and priced.

“Items are priced so that people can afford them. We want to help our community,” Spriggle explained. “We get so many nice things from our fabulous donors.”

Taking new customers in Middleburg, Mifflinburg, Lewisburg, Milton and Selinsgrove. Pls call for an estimate! Matt Miller

570-217-6170

Happy 93rd Birthday

Spriggle noted that when she was a young mother, she wished that there was a place she could go to purchase quality items within her budget.

Rebecca Shemory shops at The Mustard Seed every day after work. “The volunteers are very friendly.”

Jacque Kerstetter shops at The Mustard Seed because the prices are great and the proceeds support local causes. “They definitely needed more space and I am glad that they could expand.”

Another shopper, Ashley Lau-Romero spotted the new furniture section and had already purchased some beautiful pieces. “I have been looking for a toy box for my 18-month-old niece and the jewelry box is an exact replication of the one my grandmother had growing up!” Then, Ashley rushed to get her vehicle to transport all of the items home!

Kay Wetzel, one of the many dedicated volunteers, chuckled, “I am spoiled working here at The Mustard Seed. I don’t want to pay full price for anything! So many things are new and still have the tags on!”

Each month, items of exceptional interest or high quality are featured in the Mustard Seed’s Silent Auction. Items are displayed in the storefront window beginning the first of every month. Bids are accepted until noon on the last Friday of the month. Winners are contacted after the auction. All proceeds from each Silent Auction benefit local charities and organizations.

There is such a welcoming atmosphere here at The Mustard Seed. “As manager of the Mustard Seed, I get to see on a daily basis all the wonderful, positive actions of our patrons and volunteers. We have a very caring and friendly atmosphere; you could call us a very large family. The thrift store is full of laughter and joy,” said Judy Spriggle.

Donna Wolfe has been volunteering at The Mustard Seed for 4 years. “I love working here. I have developed many friendships. I meet new people. And, the feelings of being a part of a group that does such good in the community. from our donations to various organizations, is fulfilling.”

“Our team of volunteers is wonderful! We are working for the Lord!” noted Spriggle. In addition to the volunteers working in the back and front of the store, there are volunteers building shelving and even a team of volunteer decorators that spruce up the store for the holidays and other occasions. All the volunteers are dedicated to making The Mustard Seed a thriving thrift store benefiting the community.

“Sales have increased throughout the past few years because of all the great donations and our team of approximately 70 loyal and enthusiastic volunteers,” said Spriggle. “We couldn’t do what we do without all the generous donations and community support!”

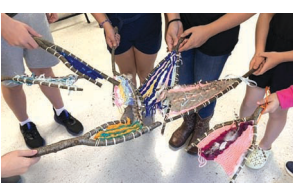

So, stop by The Mustard Seed to browse for bargains or donate items to a worthwhile cause. Located at 20 S. Market Street in Selinsgrove, The Mustard Seed is open Wednesday-Friday from 9 am-5 pm and on Saturday from 9 am- 4 pm. Donations may be dropped off at the rear of the store, during store hours. Ring the doorbell for assistance. Then browse and shop for “new” items to take home! For more information, call 570-374-9523.

SV Spinner & Weavers Guild Shared Love of Fiber Arts With 4-H Teens

Edited by Kay Poeth

Kathy Jolly, gave a brief history of weaving and explained how fibers are spun and woven into cloth.

4-H Teens display their woven projects.

Members of the Susquehanna Valley Spinners & Weavers Guild shared

weaving history and techniques with area 4-H teens during the Ag Adventures camp sponsored by Snyder Co. Youth Development.

Kathy Weller of the Penn State Extension Service co-ordinated the June 24 event. Fiber arts were just one in a series of agricultural-based topics. Guild speaker, Kathy Jolly, gave a brief history of weaving and explained how fibers are spun and woven into cloth.

Participants then tried their hands at branch weaving, using y-shaped branches as a natural loom frame and weaving a variety of fibers, feathers, beads, and ribbons to create a unique masterpiece.

“It was the first time our guild worked with the 4-H people and it was a wonderful experience for our members - sharing our love of fiber arts with the young. The kids made beautiful weavings,” said Michelle Teeple enthusiastically.

Kids’ Enviro Camp Makes Learning Fun

By Kay Poeth

During Agriculture Day, campers posed by a Hooper Tractor. What a great two-day learning adventure!

Snyder County District Manager, Jason Winey, explains macro invertebrates to a child during the Kids’ Enviro Camp held at Basom Park.

On the first day of Enviro Camp hosted by the Snyder and Juniata Conservation Districts, the PA Fish and Boat Commission brought rainbow and Golden trout fingerlings for the campers to observe.

On June 17-18, 2026, Snyder and Juniata County students in grades 1-4 attended the 5th Annual Kids’ Enviro Camp held at Basom Park in Richfield. Hosted by Snyder County (SCCD) and Juniata County (JCCD) Conservation Districts and special guests, the children participated in a range of hands-on and interactive learning experiences each evening.

35 students attended the two-day camp that incorporated brief lessons, take-home crafts, and hands-on activities to promote environmental awareness and stewardship. Each day ended with a Jeopardy Game challenging the campers with the information they learned.

The first day featured Aquatic – Healthy Waters and Forestry demonstrations. On the first day each camper left with the knowledge to identify a Mayfly with their three tails and the rusty crayfish which is an invasive species in our streams. The campers could also give you several reasons why forests are important to our everyday lives.

On the second day campers learned the importance of Agriculture in our daily lives. Campers learned the items we use every day, either began as a resource of the natural world or were produced on a farm.

In addition to the Juniata and Snyder Conservation Districts, the following cooperating agencies - Pennsylvania Fish and Boat Commission- Huntsdale State Fish Hatchery, PA DCNR’s Bureau of Forestry- Bald Eagle State Forest, Hooper Tractor, Inc. – Mifflintown, Penn State University Extension Dairy Team, and Seed Consultants and numerous volunteers helped make the 6th Annual Kids’ Enviro Camp so successful.

Lowes Donates New Commercial Drum Sander to Susquehanna Valley Technical Institute

SUNBURY, Pa. — Lowe’s has donated a new commercial drum sander to Susquehanna Valley Technical Institute (SVTI), providing students in the Wood Manufacturing and Building and Construction Trades programs with expanded access to professional-grade equipment used in today’s skilled trades workplaces.

The donated drum sander will support hands-on instruction by helping students learn finishing techniques, material preparation, equipment safety, and project workflow in a realistic shop environment. The addition strengthens SVTI’s ability to prepare students for careers in cabinet-making, carpentry, construction, facilities maintenance, and related manufacturing fields.

“We are grateful to Lowe’s for investing in our students and our technical programs,” said Dr. Lenaire Ahlum, Executive Director of Susquehanna Valley Technical Institute. “Partnerships like this give students the opportunity to train on equipment that reflects the standards and expectations of local employers.”

Students in SVTI’s Wood Manufacturing program will use the drum sander to refine woodworking projects and develop precision finishing skills. When the Building and Construction Trades program is launched students will benefit from additional exposure to tools and processes commonly used in construction-related settings.

The donation reflects the value of community partnerships in career and technical education through a collaboration between Joe Soltis, Lowes Store Manager, and Craig Harley, a development consultant working with SVTI. By working with local businesses and industry partners, SVTI continues to enhance learning opportunities that connect classroom instruction with real-world applications.

Susquehanna Valley Technical Institute is a locally owned and operated by the Susquehanna Valley Community Education Project. SVTI is a postsecondary education institution that serves students through career-focused programs designed to build technical knowledge, employability skills, and pathways to further education and the workforce.

Anyone interested in a career in wood manufacturing may contact SVTI at (866) 206-9770. Financial assistance, sponsorships, and institutional grants are available. More information about SVTI and its programs is available online at svtech.institute.

Union-Snyder Agency on Aging Hosted Retirement Open House to Honor Holly Kyle

By Kay Poeth

Pennsylvania Secretary of Aging Jason Kavulich, retiring Executive Director of the Union-Snyder Agency on Aging Holly Kyle, and newly hired Director of the Union-Snyder Agency on Aging Susie Weller are pictured here at Holly Kyle's Retirement Open House.

Holly Kyle was presented a Senate Citation recognizing her dedication to the Agency on Aging. Picture here are Wendy Dombroskie, Constituent Relations Specialist for Sen. Culver; Holly Kyle, retiring Executive Director of the of the Union-Snyder Agency on Aging; Terri Campbell, District Director for Sen. Culver; and District Director Matt Wise for Sen. Gene Yaw.

Three Executive Directors of the Union-Snyder Agency on Aging: former Executive Director Farida Zaid, retiring Executive Director Holly Kyle, and newly hired Executive Director Susie Welle.

On June 24, the Union-Snyder Agency on Aging, Inc. hosted a Retirement Open House honoring its Executive Director, Holly Kyle. Holly warmly greeted family, friends, former and current employees, board members, and community partners. The celebration recognized Holly’s remarkable career and nearly 39 years of dedicated service to older adults living in Union and Snyder counties.

Throughout the afternoon, guests gathered to share memories, express their gratitude, and celebrate Holly’s extraordinary legacy of leadership, compassion, and service. Wendy Dombroskie and Terri Campbell representing Senator Lynda Culver’s office along with District Director Matt Wise from Senator Gene Yaw’s office presented Holly with a Senate Citation recognizing her nearly four decades of outstanding public service and her many contributions to older adults throughout the region.

The citation reads in part, “Ms. Kyle began her career with the Union-Snyder Agency on Aging in November 1987 as a Protective Services Caseworker and advanced to Supervisor in 1990, Deputy Director in 2003, and Executive Director, the position from which she is retiring in 2006. Over the years, she has impacted many of the agency’s work from case management to protective services, and she has guided the agency through a period of tremendous growth, innovation, and service to older adults across Union and Snyder Counties.”

In addition, Snyder County Commissioner Adam Ewig, Union

County Commissioner Stacy Richards, and former Snyder County Commissioner Richard Bickhart also attended the Retirement Open House.

“Holly’s vision and commitment have shaped this Agency into what it is today,” said Union County Commissioner, Stacy Richards, Chair of the USAA Board of Directors. “Her leadership has ensured that thousands of older adults in our community can live with dignity, independence, and security. She leaves behind a legacy of innovation, compassion, and service.”

Another esteemed guest was the Secretary of Aging, Jason Kavulich, who noted that Holly “has been an incredible influence on my career.”

Under Holly’s leadership, the Agency expanded its senior center services and adult day care services, developed innovative housing initiatives including the Elder Cottage Housing Opportunity and Shared Housing programs, and played a critical role in protecting older adults during the COVID-19 pandemic by coordinating mobile vaccination clinics that brought vaccines directly into communities. She also led regional collaborations, expanded in-home services, and championed cultural competency initiatives that strengthened support for thousands of older adults and their families.

Holly reflected on her career saying, “It has been an extraordinary privilege to spend my career serving older adults and their families. Few people have the opportunity to devote their life’s work to something so meaningful, and I have never taken that privilege for granted.”

Continuing Holly noted, “The relationships I have built, the challenges we have faced together, and the countless opportunities to make a difference in the lives of seniors will forever remain my most treasured memories... I have been blessed to work alongside dedicated staff, committed board members, community partners, and volunteers who have shared a common purpose: ensuring that every older adult is treated with dignity, respect, and compassion.”

Holly will also be remembered for her genuine compassion, thoughtful leadership, and unwavering dedication to those she served. She has mentored countless staff members, built lasting partnerships throughout the region, and fostered a culture centered on dignity and respect.

“If there is one legacy I hope to leave behind, it is that I lived those words—that I served with compassion, led with integrity, and always sought to put people first,” said Holly.

“Holly Kyle has been an exemplary public servant and a compassionate advocate for seniors throughout our region and across Pennsylvania. She is respected by her colleagues, loved by those she has served and admired for her professionalism, dedication and heart. I wish Holly all the best in her well-earned retirement,” said Sen. Culver.

While Holly’s retirement marks the end of an extraordinary chapter in the Agency’s history, her legacy will continue through Susie Weller, who assumed the role of Executive Director on July 6. According to Holly, “The Agency is entering an exciting new era under the leadership of Susie Weller, who has been onboarding with us for the past month. Susie is no stranger to human services, and I have every confidence that she will continue to lead the Agency with dedication, vision, and a deep commitment to its mission. I know she will build upon the strong foundation that has been established and guide the Agency as it continues to serve the older adults of Union and Snyder Counties for many years to come.”

The Union-Snyder Agency on Aging, Inc. is a nonprofit organization dedicated to serving older adults in Union and Snyder counties. Through advocacy, coordination, and delivery of high-quality services, the Agency supports independence, dignity, and quality of life for seniors across the region. 3 Knepp Boys, 3 Brothers, 3 Eagle Scouts

By Kay Poeth

On June 28, 2026, Luke Knepp of Middleburg Boy Scout Troop 415 was awarded the rank of Eagle Scout during an Eagle Scout Court of Honor held at the Freeburg Washington Community Center. He was youngest and the last of three Knepp brothers to be awarded this special recognition. Each brother has learned and grown in many ways from their Scouting journey.

For Luke, his journey was a bit contentious as he was not initially interested. “While I hated it in the moment looking back my family was right to push me out of my comfort zone and to have me continue along the scouting trail.”

Along the way, Luke developed skills in leadership, patience, and perseverance.

“It has been a joy to watch you perform on the stage and also in scouts – making each role you played your own. The skills you learned in scouts carried over into the theatre and the abilities you learned in the theatre carried over into scouts,” Scoutmaster Jaimee Fisher commented during Luke’s Court of Honor.

Isaac, the middle son, earned his Eagle Scout rank in 2022. Reflecting on his scouting journey, he says, “You don’t see how the end result will help you as you are earning the ranks. But you see all the ways it helps you after you earn Eagle Rank. It helps you work well with others and teaches you how to overcome seemingly impossible obstacles.”

Andrew, the oldest of the three Knepp brothers, earned his Eagle Scout Award in 2019. He notes that his journey in scouts has been a positive experience and especially the ultimate challenge of earning his Eagle Scout Award. “Being an Eagle Scout has helped open up job opportunities for me. It taught me to stay calm in stressful situa-

tions.”

Since, the Eagle Scout Ceremony is supposed to be “their ceremony” and a reflection of their interests and personality, each of the Knepp boys’ Court of Honor Ceremony was truly unique.

Andrew’s ceremony was held outside at Grace Covenant Community Church. Andrew used a different script and had teachers as his guest speakers. Isaac chose a baseball theme for his Court of Honor. Isaac stood on the pitcher’s mound at the Middleburg Little League field. Scouts stood at the positions of play. Isaac talked about the scout law in relation to “the game.” Luke’s Court of Honor was filled with humor, honesty, and a bit of light-hearted teasing. Luke acted as MC with a theatrical flair, showcasing his personality.

For each Ceremony, Adam Stock, the boys’ uncle, did a chain saw carving and painted two stunning eagles. Each eagle represented the character of each brother for whom it was created.

Both Andrew and Isaac chose to pursue a career in the trades. They are both certified welders. They work for United Brotherhood of Carpenters and Joiners of America Local #443 as 3rd year Apprentice Millwrights. Luke’s future path is different than that of his brothers Andrew and Isaac. Luke has chosen to attend Bloomsburg University majoring in Political Science rather than exploring a career as a tradesperson.

Their parents Calvin and Michelle Knepp of Middleburg are proud of their sons and thrilled that they are now Eagle Scouts. It has been an interesting journey for the entire family filled with encouragement and patience and support.

Congratulations to Andrew, Isaac, and Luke for completing this challenge. 3 Knepp Boys, 3 Brothers, 3 Eagle Scouts!

SEADA-DOG Teamed Up with SUN Area Technical Institute to Include Customized Training Program

SEDA-COG collaborated with SUN Area Technical Institute to successfully implement a Customized Training Program focused on HVAC/Plumbing, Carpentry, and Electrical Systems Technology. The program provided adults with entry-level skills needed to pursue employment in the local construction industry.

Open to the public, the program offered adult learners practical, hands-on training designed to strengthen their abilities in home repair, renovation, and weatherization. Throughout the grant period, participants engaged in real-world learning experiences that enhanced both their technical knowledge and confidence. The program successfully provided multiple training opportunities, ensuring continued access to workforce development for community members.

Funded through the DCED Whole-Home Repairs Grant, the program was offered tuition-free, eliminating financial barriers and making training accessible to individuals interested in developing valuable trade skills. The primary objective of the initiative was achieved by equipping participants with the knowledge, practical experience, and industry competencies necessary to pursue entry-level employment while helping address workforce shortages within the local construction industry. Through immersive, hands-on instruction, participants developed the skills and confidence needed to succeed in the field.

This project was financed in part by a grant from the U.S. Department of the Treasury, administered by the Commonwealth of Pennsylvania, Department of Community and Economic Development. The curriculum was delivered by Brian Lauver, Carpentry, Travis Weaver, HVAC and Kevin Yakamook, Electrical Technology.

Community members interested in future workforce training and adult education opportunities were encouraged to follow SUN Area Technical Institute on Facebook, visit the SUN Tech Website at www.sun-tech.org or our main office for information regarding upcoming programs and classes.

Luke Knepp Awarded Rank of Eagle Scout

By Kay Poeth

Luke Knepp of Middleburg Boy Scout Troop 415 was awarded the rank of Eagle Scout on June 28, 2026, during an Eagle Scout Court of Honor held at the Freeburg-Washington Community Center. The ceremony was witnessed by family, friends, and the Scouting community. In true Luke fashion, he acted as MC for the Eagle Scout Ceremony, adding his theatrical

touch and unique flair.

Scoutmaster Jaimee Fisher gave the Call to Order. All the scouts walked up and onto the stage. Troop 415 led the Pledge of Allegiance and the Troop recited the Scout Oath where a Scout promises upon his honor to do his best to do his duty, first to God and his country; second, to other people, by helping them at all times; and third, to himself, by keeping himself physically strong, mentally awake, and morally straight. This was followed by the Troop reciting the Scout Law: A Scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent. The program booklet also included Luke’s interpretation of the Scout Law.

Luke’s “Scouting Journey” was printed in the program with Luke’s personal and humorous comments following each advancement. His Journey to Eagle Advancement includes Scout-June 5, 2019, Tenderfoot- July 7, 2019 (I vowed I would learn the game of chess. And I did!), Second Class- February 8, 2020 (Knots were never easy for me. My brother, Andrew, sat down with me and looked at my knots. He realized I was doing the knots correctly. They were just too tight. He worked with me till I could do them loose and they looked right.), First Class-October 25, 2021(I had to handle summer camp during the day on my own. Not even my big brothers got to do that. Lots of Merit Badges earned). Star – March 28, 2022 (Got to set off my very 1st rocket. Only took 7 years in scouting to get to play with rockets.), Life- August 28, 2023(Last Summer Camp was Goose Pond. What a great time! Sailing, swimming, kayaking. I spent the summer on the water!) and Eagle- April 12, 2026 (Knowing the end is in sight is sweet! Going before the Eagle Board of Review is no joke and is intimidating for a young man. Once that hurdle is crossed, there is such a sense of relief and accomplishment... All the hard work, dedication, and sacrifice earned you the Scouting America Eagle Rank. Sent my parents a text that I passed my Eagle Board of Review.) Luke earned 34 merit badges.

Calvin Knepp presented the Eagle Award to his son. Andrew Knepp (Eagle Rank earned 2019), Christopher Fisher (Eagle Rank earned 2019) and Isaac Knepp (Eagle Rank earned 2022) delivered the Eagle Charge.

Scoutmaster Jaimee Fisher playfully delivered her Leader’s Remarks. “It has been a joy to watch you perform on the stage and also in scouts – making each role you played your own. The skills you learned in scouts carried over into the theatre and the abilities you learned in the theatre carried over into scouts. You made us laugh in so many ways over the years and I’m truly going to miss you for that, but I look forward to watching the performance of the man you are going to grow into. I wish you the best of luck at Bloomsburg University. I hope you succeed in your chosen field and I pity the fool who has to debate against you.”

Then Luke’s parents pinned the Eagle badge onto their son’s uniform. After that, Luke presented the Mother and Father pins to his parents, Michelle Knepp noted, “Those silly knots taught you to walk away when over the top frustrated. Come back calm

and try again and again and again. Then accept the help when it is offered. Those knots taught you humility. Because let’s face it Luke, those knots kicked your butt at one time in your short life. You learned through them that there are different teachers. You need to accept what each teacher is willing to offer you. Even if it doesn’t align with your thoughts or ideals.” Then she concluded by saying, “Luke you are such a strong individual. I will say your Dad, brothers, and I are proud that you have achieved this Eagle Rank. And we thank you for the adventure you took us on through your scouting journey.”

Luke then presented his mentor pins. He described how his mentors, Jaimee and Brett Fisher, and Barry Schaub Sr., inspired his scout journey and positively impacted his life.

During his remarks, Luke noted that “While I hated it in the moment looking back my family was right to push me out of my comfort zone and to have me continue along the scouting trail.” He concluded by saying, “The truth that I want you to take with you is simple. If we follow the Scout Oath and Law, they give us a compass to follow in life of moral integrity, service, and the responsibility to uphold these ideals every day.”

Luke received a certificate from Barry Schaub Sr. representing the Kiwanis Club of Middleburg, and Penny Billheim from the SV Marine Corps League Detachment 308.

Ace Weaver gave the Benediction. The Colors were Retired with the Troop following behind.

Luke’s Uncle Adam Stock used a chain saw and painted two stunning eagles for the ceremony. His grandmother Connie Stock baked a three-tier cake. On the tables at the back of hall was a display of Luke’s scouting journey with personalized photos with members of his scouting family in picture frames for them to take home.

For Luke’s Eagle Scout project, he coordinated with the needs of the Fremont Fire Department in Mt. Pleasant Mills. According to Luke, “The Fremont Fire Department needed to take down the wooden fence that ran along the back part of the Fremont Little League field. This fence was quickly becoming a safety issue” and needed to be removed before the upcoming Little League season.

In March 2025, the Fremont Fire Dept. cut down the fence and laid the pieces flat on the ground. Approximately, 25 volunteers including Luke used crowbars, sledgehammers, carpenter hammers, and their muscles. Of course, they used safety gear such as proper apparel, footwear, glasses and gloves. As the pieces were taken apart, some volunteers piled them onto a trailer.

“Then, my Pap and brothers took the pieces to the edge of the field and started piling the pieces up in organized piles. I had some top-notch volunteers helping me that day. We were able to disassemble and organize the pieces in record time. Then, we took magnets over the area to ensure there were no nails or screws in the field...The Fremont Fire Dept. now has a safer field for the Little League kiddos to use.”

Luke joins an elite group of young men who have earned the Eagle rank and have made the Scout Oath and Law a part of their character. The first Eagle rank was awarded in 1912 and less than 4% of Scouts ever achieve Scouting’s highest honor. Many of our nation’s greatest leaders in government, business, science, and the community are Eagle Scouts. The Boy Scouts of America is one of the nation’s largest and most recognizable value-based organizations. Its programs are designed to build character and leadership, teach active citizenship, and to encourage personal fitness.

Luke is a 2026 graduate of Midd-West High School. Hewill attend Bloomsburg University in the Fall of 2026, majoring in Political Science.

Luke is the son of Michelle and Calvin Knepp of Middleburg. His parents are very proud of all of his hard work and the well-rounded man he has become.

Tabby Welshans Memorial Charity Golf Tournament Announces Honorary Co-Chairs

Freddi Carlip, Kendra Aucker, and Lisa Sojka have been named the Honorary Co-Chairs of Second Annual Tabby Welshans Memorial Charity Golf Tournament.

The organizing committee of the Second Annual Tabby Welshans Memorial Charity Golf Tournament is pleased to announce that three distinguished community leaders; Kendra Aucker, former President and CEO of WellSpan Evangelical Community Hospital, Freddi Carlip, longtime journalist and society writer for The Daily Item, and Lisa Sojka, entrepreneur and community advocate, have

accepted the invitation to serve as Honorary Co-Chairs for this year’s event.

The tournament celebrates the life and legacy of Tabby Welshans bringing together friends, businesses, and community members for a day of fellowship, friendly competition, and charitable giving. Proceeds from the tournament will support an annual scholarship awarded to an outstanding Selinsgrove high school graduating senior who most reflects Tabby’s generous spirit, compassion for others, and unwavering commitment to the community she loved.

Although faced with an inoperable cancerous brain tumor to which she succumbed at age 11, Tabby never allowed the illness to define her; rather, she defined herself through kindness, courage, and an unwavering belief in something greater.

No setback could shake her faith. By example, she taught that true strength is not just in fighting, but in smiling through the storm, in believing when others might falter, and in embracing each day with gratitude and grace. Commented Lisa Sojka: “Tabby may be gone from our sight, but she will forever be in our hearts, reminding us that often the bravest souls come in the smallest packages.”

“We are deeply honored to serve together as Honorary Co-Chairs of this special event” said Kendra Aucker on behalf of the three co-chairs. “Tabby touched countless lives through her joyful spirit, optimism, and willingness to help others. This tournament is more than a day on the golf course; instead, it’s an opportunity for our community to come together, celebrate the remarkable legacy of a brave little girl, and make a meaningful difference in the lives of others. We encourage everyone to join us in supporting a cause that so beautifully reflects the values Tabby lived every day.”

Tournament organizers expressed their gratitude to Aucker, Carlip, and Sojka for lending their leadership and community spirit to the event. “Their combined commitment to service, philanthropy, and civic engagement embodies the very principles the tournament seeks to promote” organizers stated.

The tournament is scheduled for Friday, September 18, at the Bucknell University golf course, 366 Smoketown Road, Lewisburg. It’s a four-person scramble with numerous prizes and awards including the possibility of winning a 2026 Subaru, for a hole in one, sponsored by W&L Subaru. The registration fee is \$400 per foursome or \$125 for individuals. Registration begins at 7:30 am with a shotgun start at 9:00 am.

The Tabby Memorial Foundation is a 501 (c) (3) registered charitable organization and all donations are tax exempt to the extent allowed by law. For further information, visit: <https://boards.com/a/XIWQrR.s3zEL9>.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
BUREAU OF SAFE DRINKING WATER

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Selinsgrove Municipal Authority has elected to cease the addition of fluoride. Fluoridation will be discontinued on **September 1, 2026**.

What should I do?
You do not need to use an alternative (i.e., bottled water) water supply. However, if you have specific health concerns, consult your doctor.

What does this mean?
This is not an emergency. If it had been you would have been notified immediately. *This is a notification of change in treatment technique.*

What happened? What is being done?
The Selinsgrove Municipal Authority and Selinsgrove Borough Council voted to remove fluoride from the water system effective September 1, 2026.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

For more information, please contact Borough Manager, Lauren Martz at 570-374-2311

SEALED Bids will be received online via the PennBid Program by the Owner until 1:00 p.m., prevailing time, August 17th, 2026.

The Project consists of furnishing and installing approximately 3,375 linear feet of new 20" force main and fiberoptic cable, connecting from a pumpstation on State Route 2017 to the Wastewater Treatment Plant located at 870 S Front Street, Selinsgrove, Pennsylvania 17870.

The Project Work will be performed under two Contracts as follows:

CONTRACT ONE - GENERAL CONSTRUCTION
CONTRACT TWO - ELECTRICAL CONSTRUCTION

Bidding Documents are available at no cost at PennBid - <https://pennbid.net/>

Each Bid shall be accompanied by a certified check, bank money order, or a Bid Bond in an amount not less than 10 percent of the Bid total, payable to the Owner in accordance with the Instructions to Bidders.

Laws and regulations applicable to this Contract include the following:

Commonwealth of Pennsylvania "Steel Products Procurement Act" - Act No. 3 of 1978 as amended

Pennsylvania Prevailing Wage Act (Act of 1961, P.L. 987, No. 442). Bidders are subject to all applicable provisions of the Pennsylvania wage laws, and bids shall be prepared accordingly. The applicable wage predetermination is included in the Project Manual.

The successful bidder will be required to provide a performance bond in the amount of 100% of the successful bid amount.

All contractors on this Project are required to ensure that employees and applicants will not be discriminated against because of race, creed, color, religion, sex, age, handicap, marital status or national origins; and, that the statutes and regulations of federal and state law regarding non-discrimination are met.

A pre-bid meeting will be held at 10 a.m., prevailing time, August 6th, 2026. The pre-bid meeting will be conducted at the ESCRA facility located at 870 S Front Street, Selinsgrove, PA 17870.

The Owner reserves the right, at its option, to waive as an informality any, defects, errors, or omissions in any or all Bids; and to reject any or all Bids.

Legals & Classifieds

required bid made by a second bidder willing to take the property at the highest bid price. The balance shall be paid on or before September 3, 2026. The sale is also subject to Pennsylvania Transfer Tax, plus County Poundage.

Notice is hereby given all claimants and parties in interest that the Sheriff will for all sales where filing of schedule of distribution is required, file the said schedule of distribution not later than thirty (30) days after the sale, in his office, where the same will be available for inspection and that distribution will be made in accordance with the schedule, unless exceptions are filed thereto within twenty (20) days thereafter.
