410-Sprints had a Big Weekend at Four Area Tracks More this Weekend at Port Royal

The Ray Tilley Classic was held Saturday night at Selinsgrove speedway for the driver that has the most overall wins in the sprint car division at Selinsgrove. The event drew a small field of drivers, but the racing was huge on the fast 1/2 -mile track. With Williams Grove raining out again, the ninth time this year, you would think more drivers would have made the trip north to race at Selinsgrove, only one did and that was Australian driver Ryan Newton. The race was good up front with Middleburg, PA driver Jake Karklin leading most of the race until a late race caution when Chase Dietz moved passed him on the restart. Danny Dietrich also got past Jake, but Jake got him back late in the race for a solid, second place finish. Gerard McIntyre was fourth and Austin Bishop fifth. In the 305 feature, Logan Spahr got the win over Kruz Kepner. It seems these two have been competing all season at Selinsgrove. In three races, Kepner had two wins and Spahr one. Selinsgrove will take off this weekend before coming back with a show of super late models, limited late models and the newly named street stock class on Saturday, May 31st.

Saturday the 410-sprint had two tracks to race at Port Royal and Lincoln with Freddie Rahmer getting his second Lincoln Speedway win over Chase Dietz, Matt Campbell, Aaron Bollinger and Kyle Moody. At Port Royal, three High Limit series drivers showed up after their race at Utica-Rome Speedway, in New York, was rained out. The three made the five-hour drive to get to Port, what added to them was Port had a rain delay to start their night also. Tyler Courtney, Aaron Reutzel and Brent Marks all placed in the top ten with Courtney fifth, Marks eight and Reutzel ninth, with the win going to Anthony Macri. Macri made a front tire wheel win over Garret Bard who had his best 410-sprint race at Port so far in his career. Bard first held off the challenges of Danny Dietrich, but in the end, Macri made the winning pass coming down the front chute for his second win at Port this year and seventh overall win of the season.

In super late model action, Andrew Yoder of Middleburg PA scored his first ever super late model win at Port Royal leading all the way in the non-stop 25-lap feature. Andrew, who does have three other super late model wins, but noted that with the competition that races at Port regularly, “it was a special win with most of the top name drivers on hand”. Justin Weaver was second, with points leader Rick Eckert third, Gene Knaub and Colton Flinner. Rain came back to the track and wiped out the Winged Sportsman feature.

Sunday night at BAPS speedway, Troy Wagaman scored the 410-sprint feature win over Danny Dietrich, Anthony Macri, Chase Dietz and Freddie Rahmer. Another High Limit series driver, Spencer Bayston, placed seventh in the feature. It was a big weekend for the 305-sprints with a three-race mini-series at three different tracks starting off at Selinsgrove speedway on Friday and Hagerstown and BAPS Saturday and Sunday. Kreamer PA’s driver Kruz Kepner picked up the most points with second at Selinsgrove, sixth at Hagerstown and third at BAPS winning an extra \$750 for his weekend effort. The series had three different winners: Spahr on Friday, Kenny Heffner on Saturday and Landon Price on Sunday. The series had an average car count of 31 drivers. Drivers in the 410-ranks that had a good weekend Danny Dietrich with two third place runs and a second, Chase Dietz a win and a third and fourth Anthony Macri two races a win and a third Freddie Rahmer a win and a fifth-place finish.

The WOO super late model series was in the region with WOO driver Tim McCreadie winning two races at Raceway -7 in OHIO and at Bedford Speedway on Sunday night. On Saturday WOO regular Bobby Pierce scored the win at Marion Center speedway over Nick Hoffman, Ryan Gustin and Brian Shirley. McCredie wins came over Ashton Winger Shirley, Drake Troutman on Thursday and Bobby Pierce, Dustin Sorenson and Ryan Gustin. Gregg Satterlee, of Indiana PA, had a 9th place finish on Saturday while Mason Zeigler of Chalk Hill PA had a 9th place finish on Sunday, and a tenth placed finish on Saturday.

This weekend is the big three-day show at Port Royal for the High Limit sprint car series with racing Friday, Saturday and Sunday. Friday and Saturday winner collects \$10,000 top prize while the Sunday winner collects \$75,000. Last year, Danny Dietrich scored the Weikert Memorial win beating the traveling series. The limited late models have two shows on Friday and Saturday for \$1,500 and \$2,000 to win races. Lincoln speedway will have 410- sprint car racing on Saturday night in the Bob Leiby memorial, while Williams Grove on Friday will honor the Esh racing family with a special night on Friday, paying \$8,000 to win, along with a program of the PASS 305-sprints will be on hand. Friday night at Clinton County speedway will be the make-up Laurel Highlands 305-sprints series Nittany 40 paying \$1,000 to win. The feature was rained out after all qualifying was completed on Friday May 9th, another program for the 305-sprints will also be run along with Pro-Stocks 270-Micro sprints and four-cylinders.

Ray Tilley Classic 410 Race Goes to Chase Dietz at Selinsgrove Speedway

By Bert Wojcik

Selinsgrove, PA - For the first time since July of last year, the 410 sprint cars made their return to the Snyder County Half Mile. York’s Chase Dietz scored his second career 410 win at Selinsgrove in the Ray Tilley Classic presented by Icon Legacy Modular Homes. In yet another fantastic race, Lewisberry’s Logan Spahr picked up his 5th career win at Selinsgrove in the Keller’s Auto Body PA Sprint Series 305 Sprint Car feature.

15 410 Sprint Cars signed in for the 2025 edition of the Ray Tilley Classic, honoring the life of the winning-est driver of what is now the 410 Sprint Car division at Selinsgrove with 69 career wins coming from 1963 to 1969. Tilley passed away in 2011 and since 2012, the Ray Tilley Classic has been an early season staple at the speedway, this year being ran on what would have been Ray’s 91st birthday.

It looked like Jake Karklin from Beaver Springs would be winning his first ever 410 feature event as he had a huge lead over Chase Dietz and Danny Dietrich. Then that dreadful yellow flag came out and Chase Dietz was able to pass Jake after his car fluttered on the re-start. Jake actually was passed by Danny Dietrich too, but was able to pass him at the finish line for 2nd for his best ever 410 finish. “I didn’t want the cautions and I wish I cleaned the motor out,” Karklin said on the podium. “

For the second week in a row, the River Valley Builders PA Sprint Series feature at Selinsgrove Speedway came down to a duel between Logan Spahr of Lewisberry and Kruz Kepner of Kreamer. Last week, Kepner got to visit victory lane; this week, Spahr earned the trip.

The 2023 PASS champion, Spahr battled the “hometown” racer through the middle circuits of the 20-lap event before pulling off the decisive pass for the lead on the backstretch of lap 14, just before the leaders hit lapped traffic. Another hometown driver, Ken Duke Jr., of Winfield completed an impressive run to the front, coming from 11th starting position to take third from Kenny Heffner of Watsonstown on the last lap. That performance earned the defending PASS champion the Len Krauthheim Auto Parts Hard Charger Award for the best “charge” through the field during the race.

PASS races at Selinsgrove are sponsored by Keller & Sons Auto Body.

Spahr while in High Caliber Cranes Victory lane said, “I want to give hats off to Selinsgrove. This is the best this place has been two weeks in a row in a long time. Racing at a track you can start sixth at and win. I knew I was going to be good on the bottom. So, I just gave Kepner a little time and waited till he washed up through the middle. Found a good line of moisture and it slingshot me off of two to get around him.”

Selinsgrove Speedway will be back in two weeks on Saturday, May 31st for Kids Night with the Selinsgrove Ford Log onto www.raceselinsgrove.com

Local Racers Finish 1,2,3 in Speed Weekend Series

This past weekend 305 sprint car racers competed in a 3-day race “Speed Weekend” in the River Valley Builders PA Sprint Series races sponsored by BrokersRealty.com. Three of our local 305 sprint car racers filled the podium and taking home cash for their efforts.

Kruz Kepner of Kreamer took home the first-place prize of \$750 for finishing 2nd at Selinsgrove

Speedway on Friday night, a 6th at Hagerstown on Saturday and on Sunday night brought home a 3rd place finish to clinch the title. Winfield’s Ken Duke, Jr wasn’t far behind as he secured 2nd place and winnings of \$500 with his finishes of 3rd, 4th and 8th places. Beaver Springs racer Drew Young secured the 3rd place money of \$250 for his 14th, 7th and 17th placing in all 3 races.

Exciting to see our local Snyder and Union County racers take the top 3 positions. The effort and expense of racing 3 nights in a row is tremendous. The work involved in getting these cars ready for the next race takes a lot of work and with that also not much sleep! So having BrokersRealty.com step up and sponsor this Speed Weekend is especially thankful to all race teams involved. I had my sites on that \$750 first place prize and wanted to win to give the money to his dad (Mike Kepner) to put towards the tire bill “Kruz said”.

College football crossed the off season Rubicon as we are now closer to kicking off the season than we are removed from the national title game. The expectations for Penn State have never been higher and I will address that in coming months.

The Preakness last weekend was the best horse race I ever watched. I don't watch a lot of races but that was incredible how Journalism came out of that sandwich and won by a nose. I've watched the replay 10X and suggest you replay it yourself. I had the opportunity to watch a lot of Pirates games last week. Their last 10 games are a microcosm of their season. Great starting pitching, no hitting and a porous bullpen. In games against the Mets, Phils, Braves and Reds....really good competition, they went three and seven. That's a .300 winning percentage and for the year they are at .317%.

Pittsburgh starting pitchers gave up 1 earned run in 6 innings pitched, 1 and 8, 1 and 5, 4 and 3, 2 and 7, 1 and 6, 0 and 6, 2 and 6, 2 and 6 and 0 and 6. In those ten games the Pirates scored a total of 23 runs and the starting pitchers gave up only 14 earned runs in 59 innings. The bullpen gave up 21 runs in 23 innings.

If you're a Pirate fan you should also be a fan of the grunge rock band Pearl Jam. Lead singer Eddie Vedder helped keep the Roberto Clemente Museum afloat when they almost had to close due to the Covid pandemic in 2000. Vedder donated signed guitars and other band items for an auction to benefit the museum. The auction netted more than \$120K. Eddie is a lifelong Cubs fan having grown up in Chicago. His first game he saw at Wrigley was against the Pirates and Clemente had "a monster game" per Vedder and he's been a fan of his since. Rock On Pearl Jam!

Phillie's closer Jose Alvarado is out for the season because of a weight loss drug.... I hope he lost some weight in addition to the \$4.5M in salary money he forfeited. I see a Minny/Indy NBA finals much to the chagrin of advertisers. I would rather watch college softball than college baseball during their World Series.

NFL players playing flag football in the 2028 Olympics! That is nothing more than an initiative from the NFL because they own a flag football league. Do you want your wide receiver blowing out a knee playing flag football?

I've always thought there were too many classifications for high school sports. Now the PIAA is thinking of adding another one for private schools. Simple remedy for this is any school that recruits athletes will be placed in the highest class for each sport. Do we really need six different champions in football, softball, baseball, and girls and boys basketball? Can you say participation trophy?

Speaking of high school, the Track and Field championships with only AA and AAA are this weekend in Shippensburg. Our area will be well represented after last weekend's D4 championships in Williamsport.

Lewisburg boys and girls dominated District 4 with the boys winning by 37 and girls 45 over their closest competition.

The Dragons' Jonathan Hess won the 800, 1600 and 3200. Teammate Haneef Shavers won the 110 high hurdles and was part of the 4x100 winning relay team. Baylee Espinosa was a double winner in the 800 and 1600. In the 1600 she beat her mother's record time that has stood since 2003.

Selinsgrove girls finished third behind Williamsport and Shikelayi in 3A with Isabella Furgison winning the discus. Midd-West boys swept the 800 and all three qualified for states. Ben Hummel, Wyatt Nelson and Connor Stoltzfus finished first

through third respectively. Stands to reason they would also win the 4x800 with freshman Lincoln Hoffman filling out the foursome.

Other local qualifiers for states include Lewisburg's Justin Nolt (800) Nicholas Coleman, Grayson Wynings, Shavers and Jacob Weis (4x100) and Ezra Zook in the pole vault.

Dragonettes heading to Ship are Maddie Moyers (100) Caroline Blakeslee, Nora Driver, Teagan Osunde and Moyers (4x100) Katherine Batkowski (300 IH) Blakeslee (200) Espinosa (800) Batkowski, Moyers, Blakeslee and Lauren Schwartz (4x1600) Osunde (javelin) and Emma Bolton (high jump).

Mifflinburg has Chace Aikey (discus) Jasmine Doeblar (400) and Makenna Fogle, Makayla Fogle, Jayda Tilghman and Doeblar (4x100). Seals going to Ship are Gigi Veach (400) Chase Carter (javelin) and Noah Walter in the 100 and 200 sprints.

Lewisburg softball finished their season with a loss to Shik 11-0 ending their season at 2-16. The baseball team finished at 8-11 falling just short of qualifying for Districts.

Midd-West girls are going to be a tough out in Districts as the #3 seed. They open against #2 Central Columbia and I predict they will ride the arm of Miley Beachel to another 2A district title. The baseball team finished a disappointing 6-13 and I believe Kliney will get things turned around next year.

Miff softball, the #1 seed in 3A ended their regular season schedule losing to #1 in 2A South Williamsport 7-1. The Cats only had two hits and one has to ask if softball in Lycoming county is getting better or is it the other way around? Fortunately the top 2 teams advance to states from 3A and I see Liberty beating Mifflinburg in the finals.

The six game losing streak before ending the season beating Loyalsock doomed the Miff baseball team. The last three losses were very hurtful as Lewisburg, Midd-West and Warrior Run were all winnable games. Those losses kept Mifflinburg (7-11) from making the playoffs.

Grove girls lost to Shik 15-13 despite 18 hits but only three were doubles. Sadie Bigger continued her raking going 4 for 4 with 2 runs and 2 ribs. They ended their season (4-16) losing 12-2 to Williamsport. Expect improvement next year with a bunch of talented ninth and tenth graders coming back with experience. A wise old coach once said "The best thing about freshmen is they become sophomores."

Grove boys also finished their year at 4-16 losing to Milton 3-2. Griffin Parker did what he could striking out seven and getting two knocks. According to a source of mine "It was a non-Selinsgrove kind of year" with the recent success they have had. "Many underclassmen saw a pile of innings and the future of Seals baseball is bright."

Time for a bit of house cleaning I told you that Pete Rose was going to be eligible for Cooperstown. It's going to take two to three years but he will get where he belongs. The 40/20 theory of who will win the NBA title this year only has OKC left with Boston and Cleveland losing.

Looks like the 'tush-push' will not be allowed anymore. If you can't stop it or do it as well, change the rules. They claim risk of injury and it's a boring play. The Eagles have never suffered an injury with this play and one of the most replayed football snaps is Bart Starr's QB sneak on the frozen tundra.

SUMMIT Early Learning Children Experience Joy of Giving for Mother's Day

By Kay Poeth

A pre-school child in the SUMMIT Early Learning program selects the perfect piece of jewelry for her loved one and experiences the joy of giving thanks to a generous donor.

"We are so grateful for this donation, which allowed our children to experience the joy of giving," said Bette Scott, Community Relationship Manager.

This activity is just one example of how SUMMIT Early Learning nurtures not only academic growth but also the social and emotional development of the children they serve.

SUMMIT Early Learning serves families in Snyder, Union and Mifflin counties and is currently enrolling children in its programs for pregnant moms and for children ages newborn to age 12.

Several of SUMMIT's programs, including preschool, are free to qualifying families. SUMMIT welcomes children of all abilities and is rated STAR 4 (out of 4) by the PA Keystone STARS Program.

Open House at Penn Valley Airport on May 31, Public Welcome

Edited by Kay Poeth

Penn Valley Airport welcomes the public to an Open House, sponsored by the Penn Valley Pilots Organization, on Saturday, May 31, 2025 from 10 am- 4 pm. A wide variety of aircraft will be on display, and visitors will have an opportunity to see them up close and learn about them from the pilots who fly them and the specialists who maintain them. The event is free and open to all.

"We hope the public will come and share the adventure of flying with us," said Russell Stankiewicz, Board Member of the Penn Valley Airport Authority. There is a chance to view the world of pilots who fly for business or family transportation, personal challenge, career development or just plain fun. The open house will be an exciting opportunity for everyone, especially for young people and older ones who have occasionally thought about learning to fly.

As Chairman of the Board of Directors Bruce Witkop points out, "It's not always understood that the airport is an integral part of the community. Besides the jobs and income it provides directly, the airport is instrumental in creating community income by businesses and industries that use general aviation (i.e., non-airline, emergency services, recreation) transportation to facilitate their operations."

"The airport open house will provide a wonderful opportunity to learn more about the airport's role in the community, as well as experiencing the excitement of aviation first hand," added Stankiewicz.

There will be a variety of activities besides the thrill of flying, such as airline recruiters, raffles/giveways, on-site media entertainment, full-motion flight simulator introductory lessons, airplane rides (scenic and introductory flights), radio controlled (RC) models, concessions from local food trucks, and more.

Visitors won't want to miss these highlights of the day. Valley Sky Tours & Keystone Aviation Group will be conducting airplane rides, Chester County Aviation will be doing helicopter rides, Susquehanna STEM to the Skies will be offering simulator rides. Aviation professionals and meet-and-greets are always popular. Cirrus will be there with a new modern aircraft (Cirrus G7) or the vision jet. Go Smart Air LLC will have a Citation M.2. Brian Benfer from Susquehanna Thruway Project and friends will be there. Tens of aircraft fly-in across the state, potentially historical and warbirds, maybe a few aerobatics (not an airshow), just flying in. SUN Tech and Susquehanna STEM to the Skies will be raffling off a 07' Oshkosh Pedal Plane. A remote broadcast on site by Bigfoot Country is provided by Piedmont Airlines.

Mark your calendars for May 31 and plan to enjoy the day with family and friends by attending the Penn Valley Airport Open House. Located at 100 Airport Road in Selinsgrove, the public is invited to visit the airport and participate in this event. For more information, contact Steve Bowers at 570-374-7671.

Washington Township, Snyder County Partners with Freeburg and Fremont Fire Departments for Enhanced Emergency Response

In an effort to improve emergency response times and provide more efficient service to residents, Washington Township in Snyder County has officially restructured its fire protection plan. Effective immediately, the township will now be served by two primary fire departments: the Freeburg Fire Department and the Fremont Fire Department. This move comes with a clearly defined coverage plan and a formal operational partnership between the two organizations.

Under the updated service plan, the Fremont Fire Department will now be the primary fire service provider for the portions of Washington Township closest to Mt. Pleasant Mills, including Route 104 and continuing down Route 35 to Summit Road. The Freeburg Fire Department will serve as the primary department for the remainder of the township. This reallocation is aimed at ensuring faster, more geographically appropriate emergency responses throughout the area.

As part of this restructuring, the departments have entered into a formal operational agreement. Any emergency incident larger than a local alarm in Washington Township, the Borough of Freeburg, or Perry Township will now receive a joint response from both departments. This agreement enhances resource availability, particularly during weekday hours when volunteer staffing may be limited.

In addition, both departments will share key resources, such as fire police, and may explore shared administrative duties in the future. These efficiencies could also strengthen their eligibility for regional grant funding, helping both departments continue to grow and modernize.

To further enhance service delivery, both fire departments have updated their box cards—the dispatch protocols used to assign fire units to emergencies. These updates now include mutual aid from surrounding fire departments if they are closer or better positioned to respond. This ensures that residents receive the fastest response possible, regardless of fire district lines.

Despite working closely together under this agreement, both the Fremont and Freeburg Fire Departments will retain their own identities and remain in control of their own finances, maintaining the traditions and leadership unique to each community.

“In today’s world, departments need to work together,” said Chief J. Wagner of the Fremont Fire Department. “I’m grateful this agreement has been developed, and I thank the Washington Township supervisors for doing what’s right for the residents.”

“With this operational agreement, both departments will be training together and building a strong foundation for future endeavors,” added Freeburg Fire Chief Curtis Wray. “Our chief staffs have worked hard to develop an agreement that will always ensure the residents receive the best possible service when they call 911.”

This reorganization reflects a proactive strategy to address future public safety needs while continuing to prioritize quick response, service quality, and community collaboration. Residents will begin seeing the benefits of this partnership immediately through joint training exercises, increased coordination, and a stronger emergency presence across township and municipal boundaries.

Selinsgrove High School Students Participated in All-State Honors Music Ensemble

Junior, Elise Zimmerman-Soprano 2 (3rd place), and Senior, Gabe Schaeffer-Bass 1 (27th place) reached the highest level a high school musician can achieve by earning a place in the Pennsylvania Music Educators Association (PMEA) All-State Chorus Festival. Each year, thousands of high school musicians across the state audition in their geographic area. Individually, students perform for a panel of judges. Student musicians who rank the highest advance to compete against student musicians from other parts of PMEA Regions. The highest-ranking student musicians at the PMEA Region level qualify to perform in one of six Pennsylvania All-State music ensembles.

“I am immensely proud of Elise and Gabe in their musical accomplishments. These two work extremely hard at their musical craft! They had smiles on their faces during the entire festival and performed an amazing concert under the direction of renowned composer, Dr. Rollo Dilworth,” said Rachel Ulsh, Selinsgrove Area High School Choral Director.

The student musicians that qualified performed at the annual PMEA All-State Festival at the Kalahari Resort in the Poconos, Pennsylvania in April.

Nationally recognized conductors at the convention direct the groups who rehearse for two days and conclude with a performance. Learn more about the event and the guest conductors at: <https://www.pmea.net/pmeaall-stateinformation/> About PMEA The Pennsylvania Music Educators Association (PMEA) is a statewide nonprofit organization dedicated to promoting the musical development of all Pennsylvanians. The present membership evolved from a small group of band directors dating from 1933. Today, the organization includes those engaged in music instruction at all levels, from preschool through college and university, as well as those in the music industry, merchandising and publishing. The organization promotes and supports quality music education, learning and performance as well as promoting and supporting music education in schools and communities. PMEA is affiliated with The National Association for Music Education, NafME. For more information about PMEA visit www.pmea.net, call 610-562-9757 or follow the organization on Facebook, Instagram, Twitter, or YouTube.

All-Eastern Honors Ensembles Treble Choir

The National Association for Music Education (NafME) Eastern Division and the host state of Connecticut are proud to sponsor the bi-annual All-Eastern Honors Ensembles. The Honors Ensembles are comprised of 600 students from 10 states who scored the highest in their state for their respective All-State festivals.

“Time and again, Elise (Zimmerman) has proven her love for music and dedication to the performing arts. She has a work ethic unlike anything I’ve seen in my students over the past 15 years. Her passion for choral music and music education will show as she branches into music education at the collegiate level in two years! How wonderful it is that she has these experiences and opportunities!” said Ulsh.

To be considered, students must have participated in the Pennsylvania All-State Ensembles the previous year as 10th or 11th graders and can apply if they meet all eligibility requirements. Elise Zimmerman placed 3rd in the Soprano 2 voice part at the 2024 and 2025 All-State festival! Through the application process, Elise was accepted into the All-Eastern Treble Chorus. The Eastern Division Honors Ensemble Concerts will be held at The Bushnell Performing Arts Center in Hartford, CT.

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

May 23, 2025

Snyder County
P.O. Box 217
9 W. Market Street
Middleburg, PA 17842
570-541-0801

REQUEST FOR RELEASE OF FUNDS

On or about June 11, 2025, Snyder County will submit a request to the PA Department of Community and Economic Development for the release of Community Development Block Grant funds under Title I 93-83 of the Housing and Community Development Act of 1974, as amended, to undertake a project known as County Planning/EMA Building ADA Upgrades for the purpose of addressing ADA compliance by procuring contractors to install a ramp in the front of the building to allow accessibility onto the first floor, (the current building is about 30" above any pedestrian access point and has 3 sets of stairs to access it), remove two non-accessible restrooms and replace with an accessible men's and women's restroom. The space attached to the meeting room will provide countertops that are accessible, and allow for accessible small appliances, and provide the knee or clear floor space for a sink to be able to keep the area cleaned and sanitized, particularly for vulnerable populations. The proposed plan also provides openings, door clearances, and a clear flow around the space for a wheelchair. CDBG FFY 2023 and FFY 2025 funds estimated in the amount of \$239,354.82 will be used for this project.

FINDING OF NO SIGNIFICANT IMPACT

Snyder County has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Snyder County Courthouse, Commissioners Office, 9 W. Market Street, Middleburg, PA, 17842, and may be examined or copied weekdays 8 A.M. to 5 P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Snyder County Chief Clerk, Tony Phillips, P.O. Box 217, Middleburg, PA 17842. All comments received by June 9, 2025, will be considered by the County of Snyder prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The County of Snyder certifies to State that Anthony L. Phillips, in his capacity as Chief Clerk consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. DCED's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the County of Snyder to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

State will accept objections to its release of fund and the County of Snyder's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the County of Snyder; (b) the County of Snyder has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to State administration office at The Pennsylvania Department of Community and Economic Development, at chrhowe@pa.gov. Potential objectors should contact State to verify the actual last day of the objection period.

Local Author Bonnie Swinehart Visits Middleburg Elementary

By Kay Poeth

Local Author Bonnie Swinehart elicits responses from the students using the book cover to reveal story elements. She asked them what they saw and to predict what clues the cover discloses.

Bonnie Swinehart dressed as the Belsnickel and then portrayed him in a little skit to provide details about the character. She is the author of “Benjy and the Belsnickel.”

In April, Bonnie Swinehart, author of the “Benjy” book series visited Middleburg Elementary School to share the joy of reading and her love of writing. During her visit, she talked to the students about where to find inspiration for a story and offered tips on how to make

stories come to life. Swinehart also read a small part of her story, Benjy and the Belsnickel, to the students.

According to Swinehart, “After many hours of work and research, my dream of publishing a children’s chapter book came true with the release of “Benjy and the Belsnickel,” a book inspired by the wretched Belsnickel character and stories of my parent’s childhood memories growing up around one-room schoolhouses in the 1930s.”

Belsnickel is related to the folklore of German-speaking Europe. Belsnickel is described as being dressed in black from head to toe, porcupine quills in his hat, a whip in his hand, and bells that jingle with every step.He carries a switch in his hand to scare children into making better decisions, but Belsnickel also has pockets full of cakes, candies, and nuts for good children.

Benjy and the Belsnickel tells the tale of Benjy, a lovable eleven-year-old in the 1930s, who just can’t seem to help himself from pulling pranks and letting people down. His target is most often Miss Nettie, the schoolmarm at the one-room schoolhouse where he gets into more trouble than she’s willing to tolerate. Maybe he’s pulled one too many practical jokes...because everyone keeps telling him he’s going to get a visit from the Belsnickel. Although Benjy believes the Belsnickel is just an old Pennsylvanian folktale told to scare kids into better behavior, deep down he fears the grim legend is real. When the Belsnickel comes knocking, Benjy quickly learns he is no fable.

Swinehart explained different aspects of the writing process. One important concept is that all stories must have a beginning, middle, and end. She also discussed knowing your audience- who you are writing for and what do you want them to feel. She encouraged using action words and painting a picture in your mind of your story.

Swinehart helped the students to imagine the scene. “I read portions of my books while asking the kids to close their eyes. After reading an action scene from my books, I asked them if they were able to see the picture I painted. Many, many, hands went up.”

For Jaxon Smith the author visit was an interesting experience. “I liked hearing her read the stories that she wrote.”

Another second-grade student eagerly exclaimed, “I liked to hear about the books she wrote because I love reading!I enjoyed listening to a little part about Benjy and the Belsnickel!”

“The visits were great. The students were very engaged and interactive and I hope they learned some things that will encourage them to read, write, and believe in themselves,” said Swinehart of her visits.“I hope somebody’s life was touched like mine was to chase their dream.”

Second grade teacher Heather Portzline remarked, “I enjoyed hearing from a local author and her experiences publishing children’s books.”

In addition to Benjy and the Belsnickel, Bonnie Swinehart is also the author of Benjy and the County Fair and Benjy and the Paper Route Mystery.

“We were grateful to have Bonnie Swinehart visit Middleburg Elementary and share her stories with us.It was an especially special opportunity for our students to meet an author from our local community!” said Principal Sarah Brubaker.

Beavertown Historical Society Museum to Honor WWII Veterans on Memorial Day

Edited by Kay Poeth

Sergeant Richard L. Kearns Sr. proudly wore his uniform each time he attended the Beavertown Memorial Day Services.

The Beavertown Historical Society Museum will open its doors on Monday, May 26, following the Beavertown Memorial Day Service in the Rose Garden at 10 am. The museum will remain open until 2:00 pm. The community is invited to visit the museumfor a special event honoring Beavertown’s World War II veterans.

As part of this year’s program, local historian Ted Herman will present a featured display of military uniforms worn by Beavertown veterans during World War II. This year marks the 80th anniversary of the end of World War II in Europe, making the exhibit especially meaningful.Ted Herman’s uniform collection will remain on display throughout the summer months of June, July, and August.

Herman will also be available on-site to identify and offer evaluations of World War II and other military memorabilia that visitors may bring in.

Sergeant Richard L. Kearns Sr.’s uniform is the only military uniform owned by the Beavertown Historical Society.Sergeant Kearns proudly wore his uniform each time he attended the Beavertown Memorial Day Services.

In addition to the exhibit, the museum will offer copies of “Beavertown’s Snapshots in Time” for purchase during the Memorial Day opening. The book showcases the people, places, and rich history of the Beavertown area through vintage photographs and historical information.

“We’re excited to share this important piece of Beavertown’s history with the community,” said Karen Burns, President of the Beavertown Historical Society. “It’s not only a chance to honor our veterans, but also to invite residents to connect more deeply with their local heritage.”

This special event not only marks a time to honor veterans, explore local history but also the reopening of the newly renovated Beavertown Historical Society Museum.Admission is free, however; donations are gratefully accepted. The museum will be open until 2:00 pm on Memorial Day, located in the Beavertown Borough Building at 111 West Walnut Street, Beavertown. For special appointments, please contact Karen Burns at 570-658-7385.
