TO HEAT WITH A  
CENTRAL BOILER  
OUTDOOR FURNACE  
Outside burning  
beats inside.  
Every time.

There's a reason we build  
campfires outside and not in our  
living rooms. It's just a fact,  
there's a much safer, cleaner,  
and more comfortable option.  
When it comes to woodburning  
heat...we say, take it outside.

Memorial Day is a time to reflect on the bravery and sacrifice of those who died while serving in the United States. Thanks to the generosity of Paulson Smith, the Snyder County Soldiers' Memorial on Main Street in Middleburg had an added patriotic touch for the Memorial Day Weekend and for the upcoming month. Paulson wanted to honor the veterans as well as add some beauty to the monument. Paulson donated the flowers and prepared the pots with potting soil, fertilizer and arranged geraniums, petunias, ageratum, and spikes to create the display. He added a patriotic flair to the floral display by placing American flags in each of the planters. The planters decorate each side of the memorial's columns with one in the middle.

Our area was represented well at the state Track & Field finals in Shippensburg with Lewisburg shining brightly. The girls team finished in second place and the boys third. Our softball teams underperformed at districts in Williamsport.

Lewisburg's Baylee Espinosa won gold in the 1600 and 3200 breaking records in both. Espinosa broke the 3200 state record by eight seconds and broke her mother Ashleigh's school record in the 1600. Teagan Osunde won the gold by throwing the javelin more than 14 feet further than her closest competition.

Lewisburg girls finished second in the state to Quaker Valley because of their depth. They took the silver in the 1600 relay with Katherine Batkowski, Lauren Schwartz, Madison Moyers and Caroline Blakeslee. Third place finish in the 400 relay with Nora Driver, Osunde, Moyers and Blakeslee. Blakeslee placed seventh in the 200 and the 3200 relay with Espinosa, Schwartz, Batkowski and Claire Driver finishing eighth.

The Lewisburg boys third place finish in states was a result of their speed, height and length. Jonathan Hess took third in the 800 with a personal best time. Jacob Gose took bronze in the Shot Put. Michael Hernandez placed fourth and Ezra Zook took eighth in the Pole Vault evoking memories of a younger Scot Keefer. Haneef Shavers took sixth in the 110 hurdles and the quartet of Hess, Grayson Barner, Justin Nolt and Luca Kuhn took seventh in the 3200 relay.

Mifflinburg's Chace Aikey took an eighth place medal in the discus. Chace became the first Wildcat ever to medal in a throwing event at states! In 3A Selinsgrove's Isabella Furgison took the bronze medal in the discus. Congrats to all that made the trip to Ship.

Up to the north Midd-West and Mifflinburg's seasons came to a disappointing close. Third time was not the charm as Midd-West lost to Central Columbia for the third time in the 4A semi-finals. In a pitcher's duel as expected, Central won 2-1 in the eighth inning. Though Central was a higher seed, Midd-West softball was on a roll and I thought they could ride the arm of Miley Beachel far into the playoffs.

The 14-0 shutout of Milton in the first round of districts seems like a distant memory for Miff softball. Playoffs in any sport require an increase in intensity. Even though you beat a team 19-5 in the regular season, you cannot allow complacency to set in. Fifth seeded Loyalsock got out to an 8-0 lead and cruised to an 8-4 upset over the #1 seeded Lady Cats.

Give some credit to the young Loyalsock team as Easton Waller their star freshman pitcher purposely did not pitch against Miff in that first game. They were looking to the future knowing they could see Mifflinburg again. Again came last weekend and the Lancers pounced on its second chance. Mifflinburg's loss in the playoffs continues a disturbing trend of Mifflinburg athletic teams underachieving in playoffs.

It's no surprise that the D4 boys Lacrosse finals had Lewisburg playing Selinsgrove this past Wednesday. They have won every district title but one since its inception in 2013. Grove beat Danville 15-3 with Brady Crissinger leading the way with five goals and one assist. Lewisburg got there by beating Bellefonte 9-7 after splitting their two games during the regular season. Quinn Michaels had five goals and three assists to lead the Green Dragons to their D4 finals against top seed Grove.

The girls LAX D4 final had Lewisburg favored over Danville this past Wednesday. Ava Motto led the Dragons for the year with 48 goals and Faridah Aboueid led

the team in assists and ground balls. I'm still in the learning stages of understanding Lacrosse but thoroughly enjoyed watching the NCAA finals where Cornell beat Maryland 13-10.

Alex Palou won 'The Greatest Spectacle in Racing' by winning the Indy 500. This was Palou's fifth win in his first six starts this year for Chip Ganassi racing. That's my one and only mention of auto racing for the year. Remind me .... who won this year's Daytona 500?

The USC/ND college football rivalry might be ending soon. USC boosters are threatening to take their bequests away if USC ends this rivalry. This is just the tip of the iceberg concerning changes in college athletics.

The college football playoff will again have a twelve team playoff this year and increase to sixteen next year. The top four teams will get a bye in the first week and seeds 5-8 will host seeds 9-12. The five highest ranked conference champions will make the playoffs but are not guaranteed a bye like last year.

Next year's sixteen team playoff format will have a 4-4-2-2 guarantee with Big Ten and SEC getting four teams each and ACC, Big 12 two teams. The rich get richer as does Notre Dame. Notre Dame is independent and does not have to share their TV money with a conference and will benefit by not having to play in a league championship game. Can you say "future relegation" like soccer for college football?

Very sad news to hear of Julian Fleming's ATV accident and the death of his passenger Alyssa Boyd. You do not need to know someone personally to feel the sadness and remorse when one passes way too early.

## Scout Earns Eagle Award

*Parker C. Slotter received the highest award in Scouting, the Eagle Scout Award, in a ceremony at Susquehanna Valley Church of Christ, Selinsgrove, PA.*

Parker was born October 19, 2006. His parents are Steven and Angelina Colton-Slotter. His grandparents are Willis and Diane Slotter. He has a sister, Bailey.

Parker began his scouting career in 2013 when he joined Cub Pack #3419 in Selinsgrove. There he earned the highest Cub Scout award, the Arrow of Light. In April of 2018, Parker crossed over to Boy Scout Troop #419. Since joining Troop 419 Parker has attended summer camp

at Camp Karoondinha every year for six consecutive years. There he was elected to the Order of the Arrow by his fellow scouts and passed his ordeal in 2023. In 2024 he cemented his commitment to the Order of the Arrow by passing his Brotherhood Boards. In July of 2021 he canoed down the Delaware River with Troop 419. In October 2022, he biked fifty miles down the Little Grand Canyon of Pennsylvania, thereby earning his Fifty Mile Biker Award. In June of 2023 Parker hiked twenty-eight mile through the rugged White Mountains of the Presidential Range in New Hampshire. And in 2024, Parker was fortunate to be among the thirteen scouts and seven scouters who traveled to Philmont Scout Ranch in Cimarron, New Mexico to hike eighty-eight miles through the Sangre de Cristi Mountains thereby earning his fifty-mile hiker award and the Philmont Arrowhead Award.

Parker held the following positions of responsibility: Chaplain Aide, Assistant Patrol Leader, Patrol Leader, and Assistant Senior Patrol Leader. He passed BSA Leadership Training, earned the NOA Camping Award and Gold Award, and the World Conservation Award. He earned the Fifty Mile Biker Award, Fifty Mile Hiker Award, and the Philmont Arrowhead Award.

Parker camped out a total of eighty-three nights and hiked two hundred and six miles while a member of Troop 419. In service to his community, Parker participated in seventeen different service projects for a total sixty-four hours. In completing his Eagle requirements, he earned a total of forty-one merit badges.

Parker's Eagle Project involved creating a new playground at the Susquehanna Valley Church of Christ. The new base consisted of drainage stone, geotextile fabric, and rubber mulch in a 40' x 40' enclosure for the playground equipment which was added by the church after the completion of the project. He also constructed a bench which encircles a large maple tree next to the playground for parents and children to sit. Lastly, he created a new base for the gaga ball pit, consisting of drainage stone, geotextile fabric, and play sand. He also stained the gaga ball enclosure panels. The total project took 279 man-hours. The church paid for the majority of the material costs. Parker's family provided the materials for the bench. Members of Troop 419, both youth and adults, as well as adult and youth members of the church congregation worked on the project.

When not attending school or scouts Parker works at MOD pizza in Hummels Wharf.

Parker will graduate from Selinsgrove High School this spring. He then plans on attending Thaddeus Stevens College of Technology in Lancaster, PA, to earn an associate degree in cabinetmaking and wood technology.

Park. Add to that Brian Brown of Higginsville MO. Drove 14-hours after placing fourth on Saturday night at Knoxville Raceway in Iowa. Brian made the show and placed tenth in the feature. WOO series drivers David Gravel of Watertown CT placed fifth with Logan Schuchart of Hanover PA placed eighth in the feature. Zach Hampton of Mooresville IN had a bad flip in the feature but walked away from the hard turn one crash. The big win on Sunday went to Aaron Reutzel of Clute TX, who after a run in with Kody Hartlaub the other week at BAPS Speedway, was not the crowd favorite. Last weekend at Port Royal, he won, but in the long run he got the last laugh leading all laps in the feature and taken home the \$100,000 top prize. If you add that his Tuscarora win a few years ago, he has made some good money racing at Port Royal. Before the flip by Hampton Anthony Macri of Dillsburg PA, he had made a pass for the lead but the red flag cancelled out the pass Macri hung for second place with Lance Dewease of Fayetteville PA third. For the weekend, Dewease had a second and third, Reutzel had his win and a sixth place on Saturday, Anthony Macri had a third and eighth, Logan Wagner of Harrisonville PA a fifth and sixth with Tyler Country of Indianapolis IN had a ninth and seventh. A field of 52 drivers signed in for the night action. One interesting note from driver Lance Dewease, “that the track got weird during the feature and was hard to figure out”.

Saturday night had 38 sprint car drivers signed in with Brent Marks of Myerstown PA scoring the \$20,000 top prize over Dewease and Ryan Smith of Fleetwood PA in the Kreitz #69K, Justin Peck of Monrovia IN Logan Wagner.

The Limited late models were also on the show with a special that paid the winner \$2,000 to win, the race drew a field of 33 drivers, with Dillan Stake of Mapleton Point getting the win over Middleburg driver Andrew Yoder, then came Jaxton Garman of Elliottsburg, Lane Snook of Mifflin and Casey Steinhoff of Millville. Up this Saturday at Port is the 410 sprint the Pass 305-sprints in a double feature program and East Coast wingless sprints.

Friday night at Williams Grove, they finally beat the weather problems. They have been having this season with a complete show with Cameron Smith winning the 410-sprint car feature over WOO series driver Buddy Kofoid, Troy Wagaman, Nash Ely and TJ Stutts. Another WOO series driver Garrett Williamson placed seventh. In three other features, Anthony Macri had won all three which includes the WOO series race two weeks ago. Macri on Friday was on hand at Port for their special weekend. 32 drivers were signed for the night of racing along with 33 305-sprint which was won by Jeff Paulson over Mike Melair and Kasey Weaver. This Friday Williams Grove has 410-sprint along with the 358 sprint in action.

Selinsgrove, which sat idle last weekend, will be back in action on Saturday with a program of Super late models with Rick Eckert (two feature wins) and Gregg Satterlee with one win. Eckert leads the points with 1020 over Gene Knaub and Shaun Jones at 820, Andrew Yoder 710 and Hayes Mattern 700. Limited late models will be in action with Lane Snook (two feature wins) and Andrew Yoder one. Andrew Yoder leads the points 1250 with Snook next at

1210, and then comes Casey Steinhoff 1070, Zach Kauffman 1030 and Matt Murphy 970. The third division will be the first race for the Former Roadrunner class that will now be called Street Stocks. Brad Mitch and Jason Gessaman each with two wins. Mitch leads the points 1340 over Keith Bissinger 1130, Nate Stroup 1120, Aiden Mitch 1070 and Jake Jones 1040.

After the super late model race at Selingsgrove, the next weekend brings the Selingsgrove Ford Late Model Speedweek with eight races in ten days. It starts at Clinton County on Friday June 6th then moves to Port Royal on Saturday and Hagerstown on Sunday. Path Valley is on for a Tuesday June 10th race followed by Selingsgrove on Thursday June 12th that is followed by Bedford on Friday June 13th, Lincoln speedway on Saturday June 14th and it wraps up in the state of New Jersey at Bridgeport Speedway on Sunday June 15th.

Clinton County hopes to end the month of May like it started by having a racing program completed this Friday. The Limited late models, which already have had two shows rained out, will get the call for the night action along with Pro-Stock, 270-Micro Sprints and Four-Cylinders. Then, after that the big Speedweek Super Late Model event, will take place with East Coast Legends and Four Cylinders in action. One super late model race did happen last Sunday night at Potomac Maryland Speedway with Will Herrington of Tennessee scoring the feature win driving the Bruce Kane, Derrick Quade, Kenny Moreland, Joey Love and Trevor Feathers in the top five.

Port Royal, PA -- The Bob Weikert Memorial finale on Sunday, May 26th has become one for the history books as late Friday night it became the highest paying race in Pennsylvania dirt track racing history. The driver who would etch their name into the history books on Sunday night hails from Clute, Texas and would lead from start to finish. Aaron Reutzel picked up his fourth career Port Royal Speedway win and would walk away \$100,000 dollars richer.

Reutzel would start to the inside of the front row with Kubota High Limit Racing series point lead Brad Sweet starting to his outside. Reutzel would get off to a fast start taking the early lead with Sweet in second and Anthony Macri in the third spot.

Macri would find himself in a three car battle for the third position with Logan Wagner taking the position away 3 laps into the feature event and Brian Brown in contention as well.

Lance Dewease, who started in seventh would begin his charge to the top spots with six laps completed as he was able to get by Brian Brown to move himself up into sixth using the bottom side of the race track.

The battle for the podium positions would heat up with ten laps completed as Brad Sweet, Anthony Macri, Logan Wagner, and Lance Dewease would all battle for the runner-up spot.

Macri would take the runner-up spot with 29 laps remaining and Dewease would get by Wagner three laps later to take the final podium spot.

Following a competition stoppage to allow the driver to refuel their cars with 25 laps remaining, Reutzel and Macri would go to battle for the lead on the ensuing restart.

Macri would overtake Reutzel for the top spot using the top lane on the front stretch once the green flag waved, but a flipping Zach Hampton would draw the red flag and line the field back up in single file formation.

For the remaining 25 laps, Reutzel would hold off one more challenge

from Macri and would go on to lead the remaining laps of the event to claim the biggest paying win of his career and take home the famed bull head trophy as a part of the Bob Weikert Memorial.

“One hundred grand. What more can I say?” put Reutzel in victory lane. “I love this place. I’ve made a lot of money here. I can’t wait to keep making more and hearing some more boos.”

Anthony Macri would hold on to the runner-up spot and Lance Dewease would round out the top 3.

In wingless super sportsmen competition, Trent Yoder would dominate the field.

Yoder started in the fourth position of the twenty lap A-main event. He would quickly find himself in the second spot and would trail Troy Rhome for a few laps before getting by him with 15 laps remaining and wouldn’t be challenged the rest of the way to go on for the win.

Tony Jackson would come from his ninth starting position to finish in second and Cliff Brian Jr. would round out the top 3.

Port Royal Speedway will be back in competition on Saturday May 31st with Weikert’s Livestock 410 sprint cars, Penns Valley Meat Market 305 sprint cars, and USAC East Coast wingless sprint cars on Military Appreciation Night. Any fan with military ID will get free admission to The Speed Palace.

## Audrey K. Wolfberg, 95, Selinsgrove

Big Nurse Audrey Iris “Peanut” Wolfberg (née Koch), age 95, passed away peacefully on May 22, 2025, in Selinsgrove, Pennsylvania. Born on December 8, 1929, in Altoona, Pennsylvania, Audrey lived a life defined by compassion, innovation, and unwavering dedication to others. Audrey graduated from Altoona Area High School in Altoona, PA, where she was known not only for her academic achievements but also for her fierce badminton skills. She went on to earn her nursing degree from The Hospital of Jefferson Medical College in Philadelphia, PA., launching a groundbreaking career in medicine that would leave an indelible mark on the field of cardiac surgery. While at Jefferson, Audrey played a pivotal role in the first successful open-heart surgery performed at the institution. Her work with the initial heart-lung machine and its patients helped refine and develop this life-saving technology, now a cornerstone of modern cardiac care. Her contributions to medical science were matched only by her tireless devotion to patient care and mentorship within the nursing profession. Audrey’s legacy extends far beyond the hospital walls. A lifetime member of Congregation Beth El in Sunbury, PA., she was deeply rooted in her faith and community. As a young girl growing up in Altoona, she made history as the first girl from her synagogue to become a Bat Mitzvah—an early sign of her trailblazing spirit. Family was everything to Audrey. She is lovingly remembered by her sister Dorthy Davis and brother David Koch; her daughter Debra (Wolfberg) Mease and husband Fred; sons Michael Wolfberg and wife Laura (Boynton), and Daniel Wolfberg and wife Susan (Green). Audrey also cherished many nieces, nephews, and extended family members who brought joy to her long life. She was predeceased by her beloved parents Sidney and Miriam Koch and two sons lost early in life. Audrey’s warmth extended into every corner of her life. Whether knitting sweaters for humans or pen-guins alike—a testament to both her skill and sense of humor—or volunteering with numerous organizations throughout the years, she gave freely of herself without hesitation. An avid golfer known for hitting it straight down the middle with her trusty 7 wood every time, she approached life with grace, precision, and quiet strength. She was a devoted wife, mother, grandmother, great-grandmother, nurse, athlete, volunteer, athletic sup-porter (in every sense), voracious reader, and above all, a gentle soul who dedicated herself wholly to helping others. May Audrey’s memory be a blessing and bring com-fort to all who knew and loved her. A Burial was held on May 27, 2025, from 01:00 PM to 01:30 PM at Congregation Beth El Cemetery at the Intersection of Prince & 6th Streets, Northumberland. A Memorial Gathering was held on May 27, 2025, from 01:30 PM to 02:30 PM at Congregation Beth El, 249 Arch Street, Sunbury. Arrangements are by the V.L. Seebold Funeral Home, 601 N. High St., Selinsgrove.

## Maggie Baker Recognized Nationally for Voter Registration Efforts

Maggie Bachman '26 has been honored by the ALL IN Campus Democracy Challenge with a place on its 2025 Student Voting Honor Roll for her work in supporting her peers in the 2024 election.

"This recognition means so much because, even during an incredibly challenging semester, our team remained committed to helping students engage in our democracy," said Bachman, a double major in legal studies and management from Selinsgrove, Pennsylvania. "I was drawn to voter registration work because I believe in the power of community — and at Susquehanna, we support each other through everything. Being part of an initiative that empowers students to make their voices heard is something I'll always be proud of."

As a fall 2024 co-intern for Susquehanna's non-partisan Achieve, Lead, Vote initiative, Bachman dedicated her time to registering and promoting voter participation among students. She assembled a team of student leaders and organized a comprehensive calendar of informational tabling, educational and voter registration celebration events, as well as get-out-the-vote communications. Collaborating with her co-intern, Bachman was invited to speak in 18 classes, staffed 34 tabling events, and ultimately registered 417 new student voters.

With her co-intern, she devised an outreach strategy to involve various groups of students in these events, including club leaders, athletes, resident assistants, and fraternity and sorority members. Furthermore, Bachman secured an off-campus internship with the Snyder County Election Office, where she worked as a liaison to SU's voter promotion efforts. Bachman also kept students updated on the status of ballots, which informed Susquehanna's strategy to support students in casting their vote at the county office or polling location.

Bachman was nominated for the ALL IN recognition by Franci Magee, vice president for student life & dean of students.

"Maggie consistently demonstrated confidence in the systems and enthusiasm for amplifying her fellow students' voices through the voter process," Magee said. "Susquehanna's success for encouraging student voter participation is directly attributable to the professionalism, passion and organizational skills of Maggie Bachman."

## Midd-West High School Instrumental Department Accomplishments

The Midd-West High School Instrumental Department and students achieve some amazing accomplishments this year.

On January 17 and 28, 2025, several Midd-West School District instrumental students were selected to participate at both the middle school and high school levels for the Sixty-Five Annual Susquehanna Valley Band Festival held at Warrior Run involving from seven surrounding school districts including Mifflinburg, Milton, Midd-West, Warrior Run, Lewisburg, Shikellamy, and Selinsgrove.

Midd-West High School Band Students (Grades 9-12) included (Front Row): Eliana Hartley, Samantha Leitch, Elisa Troutman, Kayla Rudy, (Second Row): Henry Hoke, Delaney Johnson, Katherine Plummer and (Third Row): Olivia Boritz, Sophia Boritz, and Madison Wesner.

Midd-West Middle School Band Students (Grades 7-8) included Melissa Sheaffer, Mallory Heimbach, Carly Kreisher, Ali Sheaffer, Tanzania Seibel, Quay Johnson, Garrett Bishop, and Kenadee Gemberling.

8 Band Festival held at Berwick High School from January 22- 24 were: Bren Crossgrove on 1st Clarinet and Patrick Williams on Trumpet. Both Bren Crossgrove qualified to move on to Region Band held at Williamsport High School from March 5- 7.

CHECK OUT OUR WEBSITE:

WWW.THESNYDER-COUNTYTIMES.COM

Because of Bren Crossgrove's high chair placement at Region Band he was able to qualify to participate in the PMEA All State Wind Ensemble held at the Kalahari Resort in the Poconos from April 9- 12.

Throughout the school year, the instrumental program has been involved in many community and school wide activities. In the fall the Midd-West Marching Mustangs gave a Free Community Performance of their field show and featured songs for the public, then performed a variation of that day for the surrounding elementary and middle schools. The Wind Ensemble performed for Veterans during our Veterans Day Parade celebration in which the students worked hard preparing the music and performed a nice selection of patriotic music.

Thanks to all of the supporters of the program that either attended one of the fundraising events or the performances throughout the school year. A community that supports the arts helps grow the program.

## Jeffrey Brice Snyder of Selinsgrove Sentenced to 5 – 10 Years for Dealing Cocaine

District Attorney Heath W. Brosius has announced the sentencing of 45-year-old Jeffrey Brice Snyder by President Judge Lori Hackenberg on May, 21st 2025.Snyder pled guilty to possession with intent to deliver cocaine after a 2023 arrest where he was found passed out inside a rental vehicle with 21.6 grams of cocaine in his possession. Snyder received a sentence of five (5) years to ten (10) years in a State Correctional Facility.

Snyder was driving a rented Jeep Gladiator with Florida plates during the incident. State Police responded to a call about a vehicle parked along the roadway with the operator slumped over the steering wheel. “The estimated street value of the cocaine in his possession is between \$3,500 and \$4,000” said DA Brosius.During the sentencing hearing on Wednesday, Snyder apologized for committing the crime.

“I am grateful to the Pennsylvania State Police, Snyder County Adult Probation, and the County Detective for their work on this case” said DA Brosius. He continued “Their professionalism and carefulness in investigating, documenting, and helping to prosecute this criminal have paid off with a local drug dealer getting a state prison sentence.”

Snyder is facing a Federal indictment for similar charges (drug dealing and possession of a firearm) out of Union County and is awaiting sentencing on his federal charges.Sentencing on his federal case is expected to happen sometime in June 2025.

# Susquehanna Valley Girls Shine Bright at Girls on the Run 5K

By Jamiee Joiner

Top left - Cheryl Stumpf is presented with an award from Gilly Byerly for her service to Girls on the Run in the Greater Susquehanna Valley. Top right - When the 5K began, this young girl was the leader of the pack! Bottom left - Girls and their running buddies take on the 5K course. Bottom right - The lineup before the race which ended in the same place it began.

The energy was infectious on Saturday, April 26, 2025, the morning of the annual Girls on the Run 5K which kicked off with enthusiastic cheers and the sound of the pounding of sneakers from the Miller Center in Lewisburg. There were several hundred people participating in the event which brought together Girls on the Run groups from across the Susquehanna Valley all with the similar goal of completing a 5K run that they have trained for over the last couple of months.

The Miller Center buzzed with excitement as hundreds of girls, their coaches, families, and community supporters gathered for the culmination of the Girls on the Run season. Donning their brightly colored team shirts representing different groups from various schools and communities within the valley, these young girls were eager to complete their Girls on the Run journey. The pre-race pep rally always brings some serious energy and excitement, and it brought back memories of when I participated in this with my own daughter nearly ten years ago.

During the pep rally, Cheryl Stumpf was presented with a well-deserved award recognizing her service to the Girls on the Run program and its participants since 2010. She is the Executive Director and founder of the local council of the Greater Susquehanna Valley Girls on the Run which includes 25 school districts across six counties. Stumpf also led the Zumba exercises to get everyone warmed up for the 5K.

Girls on the Run is more than just a race or about running. It is a curriculum-based program that inspires girls to be joyful, healthy, and confident using fun, experience-based lessons which creatively integrate running. The 5K is just the celebratory culmination of the program. The support from their coaches and running buddies, who ran alongside them, and the enthusiastic cheers from the sidelines kept morale up as they pushed through their run in the misting rain. While it was likely the first time many of

girls and their running buddies, which included several moms and dads, would complete their first ever organized run, it was more impactful for me to see the smiles on their faces as they crossed the finish line. A big thank you goes out to all of the volunteers who helped to direct traffic and keep the runners and walkers safe!

The positive impact of programs like Girls on the Run shows young girls their incredible potential, both physically and mentally, when they are supported, encouraged, and given the opportunity to challenge themselves. This great program helps girls gain confidence and an understanding that they can achieve anything they set their minds to. You go girls!

## Old Herman School Sunday Afternoon Tours

was a hard one for the school. The typical image of a one-room schoolhouse brings to mind a brick structure, but Herman School is a rare wooden schoolhouse. While the wooden exterior gives the school rustic charm, it also requires a lot of maintenance, and many rotting and loose boards had to be replaced this fall. The work was done by Lick Run Builders.

No sooner had those repairs been made when the Old Herman School was the site of an automobile accident. A car hit the side of the building and caused both exterior damage to the wood and stonework, but also some interior plaster damage. Lick Run returned to make further exterior repairs, and Matt Johnson fixed the large cracks in the plaster inside the school. Additionally, another accident during the winter caused a car to slide into one of the signs directing drivers to the school, requiring a replacement sign to be made.

But the Herman School continues to stand the test of time, in part due to the small group of volunteers that make up the Herman School Association board, and in part due to members and visitors whose membership dues and donations go toward the maintenance of the school, as well as scholarships for graduating seniors in Selinsgrove and Midd-West school districts. Without community support, this piece of local history would be lost.

Which is why teaching the younger generations about history is so important, and why the West Snyder Elementary 3rd graders once again visited the Herman School as part of their Snyder County field trip on May 9th.

The Herman School Association is always in need of volunteers and tour guides. Please contact Bill Clawser at 570-743-1650 or Mary Sullivan at 570-966-4320 for more information.

Also, in keeping with the need to preserve local history, with the closing of the Slifer House Museum, many local historical societies and museums including the Herman School Association received donations of items from the museum. A display of these items (books from the time period, a teacher's bell, and children's toys) is coming sometime this summer.

Interested in visiting the Old Herman School? Tours are Sunday afternoons from 1-4 pm, June 1 through August 31. Admission is free. However, donations are gratefully accepted. The Herman School is located at 3015 Salem Rd in Selinsgrove. Check them out on Facebook by searching Old Herman School.

## Imagination!

David L. Faust  
Selinsgrove

Can you imagine borrowing money to buy a newer vehicle without having to borrow extra money to pay the sales tax?

Can you imagine not receiving a yearly tax bill for the local government, for the county government, or for the local school district?

If you can imagine these things, then it is possible if the State Legislature would approve a constitutional amendment for voters to also approve a graduated-income tax, based on the ability of the taxpayer to pay, and make it possible to eliminate all other taxes, such as the State sales tax and real estate taxes. Yes, the wealthy would have to pay more while the working class and low-income taxpayers would pay less. It's just the opposite now!

Can you imagine one school district in a county with only one administrative unit to pay? Can you imagine a county fire and police force with paid employees? This is possible, too, and all these ideas can be done without a constitutional amendment.

Can you imagine a local community college for each county that is tuition-free for its students? Yes, this is also possible without a constitutional amendment.

What do all these ideas need for each of them to happen? The answer is leadership and commitment to each of these worthy causes. Is there a leader out there?

# Mifflinburg Shop Hop Success

By Kay Poeth

Hoover’s Bernina Sew was one of the 8 participating stores in the Mifflinburg Shop Hop designed to promote shopping locally and to encourage customers to explore other businesses in the area.

The third annual Mifflinburg Shop Hop was a success for both shop owners and customers! The stores offered discounts and/or prizes at each location.

Participating in the annual event were 8 stores throughout the Mifflinburg area including Hoover’s Bernina Sew, Sunset Poly Furniture, Amy’s Frosty Freeze, Golden Apples Bookstore, Mifflinburg Variety, A+ Office Supply, Old Mill Creamery, and Brookside Acres Greenhouses. Customers had the opportunity to shop local while visiting all these wonderful stores in Mifflinburg.

Leon Hoover of Hoover’s Bernina Sew first suggested the idea as a way to promote shopping locally and to encourage customers to explore other local Mifflinburg businesses and the surrounding area. Most businesses also ran special sales and promotions in conjunction with the Shop Hop.

Held on April 19-22, customers picked up a passport at the first store they stopped to shop. No purchase is required to get the passport stamped. After having their passports stamped at each store they visited, they left their completed passport at the last store to be entered for a drawing for eight \$25 gift cards from the participating stores and a grand prize of \$500 in gift cards.

Congratulations to the Grand Prize Winner- Karen Reiff of Mifflinburg who now has \$500 in gift cards to shop, shop, shop. Other lucky winners of \$25 gift cards include Judy Weaver of Middleburg, Wendy Stahl of Lewisburg, Martina Weaver of Middleburg, Bethany Erdly of Mifflinburg, Karen Boyer of Mifflinburg, Trevor Zehr of Millmont, Beth Geyer of Turbotville, and Ana Erdley of Middleburg.

“We are pleased with the turn-out for the 2025 Mifflinburg Shop Hop,” said Jeff Kauffman, Manager of Mifflinburg Variety Store LLC. “We are already planning for next year’s event!”
