

Middleburg Parade Thrills Spectators

By Kay Poeth

The Middleburg Parade is known for its wide representation of local fire trucks, rescue, and EMS apparatus including Engine 60 from Port Trevorton Fire Company.

There were a variety of floats featured in this year's parade.

The Midd-West Football team is ready for the new season.

Chairs lined the streets of Middleburg long before the start of the 6:30 pm parade on Thursday, August 7. Parade-goers hunkered down in their spots eager to see the sights. Excitement filled the air as children eagerly scrambled for candy. Local fire companies showcased their equipment.

The crowd oohed and aahed over the number of entries. A variety of floats glided past the appreciative crowd. The Midd-West High School Mustang Band performed throughout the parade route. Antique cars, 4-wheelers, and tractors rolled past spectators. The clip clop of hooves filled the air. Midd-West Football and Cheerleading were showcased. Royalty arrived with several Princesses and a

The horse brigade is always a favorite of the youngsters as their hooves clip clop on the pavement.

What would a Snyder County parade be without...a tractor or two pattering down Main Street? Do you prefer Farmall or John Deere? Or this orange Allis Chalmers?

Queen or two representing the Beaver Fair and Bean Soup. Church and civic organizations and many local businesses were among the interesting participants in this year's parade.

Afterwards, much of the crowd headed to the carnival grounds to chat with neighbors, munch on the delicious food, and enjoy the evening entertainment provided by Over the Edge.

"Thank you to everyone who participated in our parade last evening! It was a massive success with participants and spectators. We are truly grateful for the support we continue to get from our community," posted Reliance Hose Company #1 on Facebook.

Congratulations to the winning entries! Peggy Reinard & Associates Donates to REC Annual Campaign

Pictured here are REC President Kelly Feiler (center front) flanked by the staff of Peggy Reinard and Associates Reggy Reinard, Emily Rottschel, Melissa Golden, and Lillie Smoyer surrounded by attendees and Assistants of REC's Summer Drop-In Program.

The Regional Engagement Center recently received a generous donation from Peggy Reinard and Associates, a local Medicare office proudly serving the Susquehanna Valley. The \$5,000.00 gift from Peggy Reinard's office goes toward boosting the total donations during the REC's annual matching gift campaign that benefits all the REC's programs throughout the year. This is the second year Peggy's Medicare office has supported food security and more at the REC and in our community!

The REC is grateful for this donation and all those made as a result of the Direct Mailer in June. Gifts are still being accepted to reach the REC's \$15,000 donation goal to receive its match from a compassionate anonymous donor.

Paxtonville Church Hosted VBS Filled With Sharing God's Love

By Kay Poeth

Making friends at Paxtonville Church's VBS.

Rylan Ebright is ready to take the plunge in the dunk tank as a reward for the children inviting so many of their friends.

Ready for a weeklong SCU-BA-themed VBS program, with lessons about friendship with God.

Vacation Bible School is a staple ministry of Paxtonville Church's summer program. Throughout the week the children learned that Jesus is our Friend with Bible story time learning about people like Elijah, Jonah, and Jesus calming the storm.

VBS opened and concluded each night with music and prayer. There were four stations that the children rotated to throughout the evening including bible stories, crafts, games, and snacksall seeking to instill lessons about friendship with God. Activities often reflected the VBS underwater theme of SCUBA. Trinity Church of Danville donated all of the incredible coral reef-inspired set pieces and decorations.

More than 30 volunteers gave their time and love as they were able to show God's love to these children and their families. They collaborated to organize stations, decorate the church, advertise the program, and run the five-day event.

"I have been the coordinator of VBS at Paxtonville Church for a few years now and it is one of the most satisfying ministries to be involved in," said Jessica Hetrick. "I am so thankful to everyone who volunteers. Truly, the week would not function without their dedication to sharing God and showing love and kindness to these children and their parents."

By the July 20 opening night, fifty-one kids had already pre-registered to attend. By the final night on July 24, ninety kids had attended at least one evening, with the highest overall attendance being seventy children. "The first night we had more attend than our highest night last year. Even on the last night, we had seven new children come!" said Hetrick.

The evening of July 24, was filled with squeals of delight from children and splashes from a dunk tank as children tossed softballs at the target. Leaders Rylan Ebright and Ryan Krauss took a plunge into the tank as a reward for the children for inviting so many of their friends throughout the week.

"VBS at Paxtonville has come to a close and it was the best year ever," noted Julie Loss. "This week is the most rewarding week. Seeing kids love Jesus and celebrate Him and this ministry grow is what we are here for. I'm so thankful and blessed."

Clinton County had a Big Two-Day Show, Selinsgrove Back in Action this Friday

Clinton County had a regular show on Friday night and then the fourth running of the Phil Walter Classic on Saturday night. The Friday show was a regular event with the Laurel Highland 305-sprint in action. Kasey Weaver of Everett PA drove to his first ever Clinton County sprint car win. He defeated another driver looking for their first Clinton win, Braeden Varner of Mifflintown PA. Colby Womer of Mt Pleasant Mills was third then Jarrett Cavalet of Hollidaysburg and next Matt Tebbs of Cogan Station PA. Twenty-four drivers signed in for the night's action. Before the race started, the crowd was treated to a little yodeling from Jim (Cowboy) Kennedy who turned 91 years old on Friday and is still driving a sprint car. Cowboy got into a heat race accident that ended his night as the car had too much damage to run the feature. Thankfully Jim was ok after the wreck. Owen Dimm of Mifflintown was back racing after spending some of the summer taking flying lessons in which hopes to turn into a job later in flying planes for a living. Dimm placed sixth in the sprint feature on Friday night then tried to make the show on Saturday with the 410-sprint but fell one spot short of making the feature line-up. Kolby Weaver, brother of the feature winner, was a seventh-place finish. The win for Kasey made him the eight different winners in eight races at the speedway so far this year. The divisions will be back for their final point race on Friday August 22nd. Other winners this season have been Timmy Bittner, Josh Beamer, Jeff Weaver, Jacob Gomola, Wes Allenman, Dale Schweikart, and Ken Duke. Going into that final point race of the season, John Walp of Knox, PA is leading the points 1510 by 80 points over Ken Duke of Selinsgrove who has 1430. The rest of the top five look like Dale Schweikart 1400, Matt Tebbs 1320 and Timmy Bittner 1265. Jeff Weaver of Lock Haven won his fourth of the year in the 270-micro sprint class with his Friday night win over Masson McAndrew and Mac Werts who is the track current point leader. Jillian Maurer was fourth and came back to win the Saturday feature for this division over Garrison Zook and Cory Stabley. Mac Wert leads the points by 120 over last year's champion Cory Stabley. West is at 2380 with Stabley at 2260 with two points shows left for this division. In Pro-Stock action on Friday night, Denny Fournery of Mill Hall PA made it two wins in a row after taking years to get that first win. It only took one week for him to get his second win. Marc Bitler of Milton PA had his best run of the season with his second place finish with Cory Long of Selinsgrove after having two bad weeks the defending champion came home third in the feature. Zak Kline of Mill Hall PA came back to Clinton after competing in a special four-cylinder race at Kocomo Speedway in Indiana where close to 200-drivers were competing for the special event they had. Kline, the defending four-cylinder track champion, scored his fourth win of the season. With two points shows left for this division, Larry Beachel of New Columbia PA, is leading the points with 2360 followed by Coty Maines of Jersey Shore with 2260, Garrett Lucas of Aaronsburg PA is next with 2190 followed by Kline at 2080 and Matt Weaver 1660.

Getting into the Saturday night part of the show, a strong field of 31 sprints were on hand with five drivers in the 305-sprint, two in the 360-sprint and 24 in the 410-class of sprints. Both 360 drivers, Dale Schweikart and Adam Carberry made the show, with both getting bonus money for the best finisher with their 360. The 305-drivers Owen Dimm, Austin Greenland and Criox Beasom did not make the show while John Walp, who got the bonus money and Dakota Schweikart making the show. Eighth, starting Ryan Smith of Fleetwood, PA proved to be too much for the other races as he went on to win the feature by 2.191 seconds over Jordan Givler of Enola PA, Billy Dietrich of Aspers PA, Greg Wilson of Benton Ridge OH, and last year's winner Garrett Bard of Wells Tannery, PA. The rest of the top ten included Chris Frank, of Wellsville PA, Jordan Poirier of Saint Mathieu-de-Beloil OC, Ryan Newton of Sunshine Coast, QLD, Gerard McIntyre Jr of New Oxford PA and Ricky Peterson of Rawson OH. Drivers from four states: Pennsylvania, New York, New Jersey and Ohio along with Canada as well as Australia drivers were in action on Saturday night. Dustin Baney of Selinsgrove got the hard luck award for his bad flip in warm-ups which ended his night of racing. Ryan Smith's crew chief picked up an extra \$550 dollars with Garrett Bard getting extra money for his fifth place finish several special awards were handed out most all from the Phil Walter family. Phil and his family worked very hard to make this race a very special event for the fans and the drivers. Sixteen of the twenty-four starters completed all 35 laps with Davie Franek of Wantage NJ the first car out of the race on lap four. A very weird weekend for Dakota Schweikart who tipped his car on its side during a caution on Friday night in the 305 feature. Dakota got the car back on all four and drove a couple more laps in the feature, while the same thing happened to him in the 410-sprint feature, but sadly, this time he did not continue in the feature.

Selinsgrove Speedway will be back in action this Friday with twin 20's for the 410-sprints along with the 305 PASS sprints. So far this year, Chase Dietz has won both 410-sprint car features. Chase won the first race over Jake Karklin, Danny Dietrich, Gerard McIntyre and Austin Bishop. The second race he won over Justin Whittall, Danny Dietrich, Brent Marks and Brock Zearfoss. Winner of this week's feature will collect \$3,000 for the 20-lap features, with \$300 to take the green. In PASS 305-sprint action at Selinsgrove there have been five different winners in five races. They are Doug Dodson, Kruz Kepner, Logan Spahr, Paul Moyer and Ken Duke. In other news, the Friday night September 12th race at Selinsgrove will not take place and it will be a two race weekend instead of the three-day weekend. Friday was to have the super late models in qualifying races for the Saturday show. This will now be a one day super late model event with qualifying and feature run on the same night. The winner of the September 12th race, which is part of the Fall Clash series, will pay the winner \$10,000, so look for a strong field of drivers on hand for that big money race. Don't forget, just two weeks before that on Sunday August 31st it will be the Paul Long Memorial race for the super late models with the winner of that race collecting \$6,300 to win. Both events will have the American racer tire rule in effect. Limited late models and Street Stocks are a part of the Paul Long Memorial race while Saturday September 13th race will have PASS 305-sprint and Street Stocks. That weekend also has the Sunday September 14th the running of the Jim Nace Memorial races along with limited late models.

Ryan Smith Wins the Walter Classic at Clinton County Speedway

The top 3 finishers in the Phil Walter 410 sprint car Classic are 3rd place Billy Dietrich, track promoter Jason McCahan, Winner Ryan Smith and 2nd place went to Jordan Givler. Photo by Debbie Gastelu

Mill Hall; PA – The Clinton County Speedway hosted its 4th Annual Phil Walter Classic on Saturday night for the 410 Sprint Cars. Ryan Smith of Fleetwood, PA charged to the front of the field to become the 4th different driver to win the race honoring the speedway's all-time 410 Sprint Car feature winner, Phil Walter. Jillian Maurer of Elysburg won her second career 270 Micro Sprint feature and Jimmy Moyer of Lewistown won the 4-Cylinder stock car event.

Jordan Givler of Enola and Billy Dietrich of Aspers led the full field of sprint cars to the green flag. Dietrich quickly grabbed the lead as the duo charged into turns one and two. By lap number five, Dietrich was leading Givler, Dale Schweikart of Linden, Garrett Bard of Wells Tannery, PA and Greg Wilson of Benton Ridge, OH.

Ryan Smith, who started eighth, worked his way up to the sixth position and was able to pass both Wilson and Bard on lap number eight. Lapped traffic became a factor as Dietrich was setting a blistering pace with Givler and Schweikart running in the top three. In heavy lapped traffic, Smith was making moves and marching toward the front. By the completion of lap 15, Smith had taken over the second position; however Dietrich had built a sizeable lead over second place.

Smith continued to close in on Dietrich as the leaders worked their way through lapped traffic. On lap number 20 Smith made the pass for the lead. On lap 20, Dietrich was passing some lapped cars and slid high on the exit of turn four. Dietrich did not spin out, but he lost his momentum allowing Givler and Bard to pass him.

On lap 24, the red came out for Dakota Schweikart who rolled onto his side. Schweikart was ok and the racing resume. On lap 26, Dietrich passed Bard for the third position. With five laps remaining, Smith was racing in clean air. On the final lap Smith was about to enter lapped traffic once again as he crossed the line to earn the win over Givler, Dietrich, Wilson and Bard.

Garrison Zook and Jillian Maurer started on the front row of the 270 Micro Sprint feature event. Zook took the early lead. A lap two caution occurred when Jeff Weaver Jr.'s car stopped on the track on the track. Following the restart Jillian Mauer ceased the opportunity and powered past Zook. At the midway point of the race, Maurer was leading Zook, Corey Stabley, Connor Metheny and Mac Wert. The top five remained in the order for the remainder of the event, as Maurer claimed her second win of the season..

Zak Kline and Tyler Watson led the field of four cylinders to the green flag. Watson took the lead of the drop of green, but fourth place starter Jimmy Moyer stole the lead on lap number four. Kline took the second position, shuffling Watson back to third. Moyer continued to lead the way. Moyer claimed with victory over Kline, Hanley, Watson and Mathew Kauffman.

Kasey Weaver, Fournery, Jeff Weaver and Kline Take Friday Night Checkers

By Edited by Debbie Gastelu

Clinton County Speedway promoter Jason McCahan interviews Kasey Weaver of Everett, PA for winning the Laurel Highlands 305 sprint car feature event. Photo by Debbie Gastelu

Mill Hall; PA – Everett's Kasey Weaver has been fast in recent weeks at the Clinton County Speedway, on Friday night he parked his #4W in victory lane for the first time at the 1/3-mile oval. Denny Fournery of Lock Haven won his second Pro Stock event while Jeff Weaver Jr won the 270s Micro Sprints Zak Kline won the 4 Cylinders and Owen McFadden won the Young Gun Jr. Sprints.

Weaver took the lead with the drop of the green flag. A lap five caution bunched up the field for the restart with Weaver, Schweikart, Matt Tebbs, Colby Womer and Varner in the top five. A few laps later the caution flag waved for Timmy Bittner. On lap 17, the red came out for third place running Dakota Schweikart when his car rolled onto its side. Schweikart was ok. Following the restart, Varner passed Womer for second, as Jarrett Cavalet raced into the top five. With five laps remaining, Weaver was leading Varner, Womer, Cavalet and Tebbs and they continued that way to the finish.

Lock Haven's Denny Fournery started in the second position in the Prostock feature and took the lead by the completion of lap number one. Pole sitter Marc Bitler settled into the second position followed by Corey Long. The top three continued in that running order for the remainder of the event with AY Schilling finishing in fourth and Larry Knight rounded out the top five.

Tyler Clowes led the first six laps of the 270 Micro Sprint event. On lap seven, Jeff Weaver, who started eighth, took the lead followed by Clowes and Logan Hammaker. On lap number twelve Clowes and Hammaker tangled causing Hammaker to flip and bring out the red flag. Both drivers were ok. Weaver raced to the win over Mason McAndrew, Mac Wert, Jillian Maurer and Zack Glass.

Zak Kline, who started fifth, quickly took the lead of the 4-Cylinder feature event. Larry Beachel was running in the second position. Conner Cupp took second by lap number seven. Kline led every lap to claim the win over Cupp and Beachel.

Owen McFerren took the lead on lap three in the Young Guns Jr. Sprint Division to earn the victory over this brother Carson McFerren and Dalton Brezenski.

4th Year of Phil Walter Classic Huge Success

By Debbie Gastelu

Celebrating the 4th Walter classic in victory lane is Phil Walter II, Lori Walter, Ryan Smith and Phil Walter. Photo by Debbie Gastelu

Phil Walter II in 1989 in victory lane with his grandfather Glen Walter and dad Phil Walter.

It all started when Phil Walter II wanted to give his father Phil Sr. a father's day gift he would never forget. Phil II talked to Jason McCahon, the promoter at Clinton County Speedway, to work out the details and now, 4 years later, the Phil Walter Classic for Sprints cars has been the highlight of the year for Phil Sr., held every August. "I can't put into words what this means to me" said Phil Sr. The event has grown tremendously each year with the support of family, friend's, sponsors and race teams that look forward to this event.

Son Phil has plenty to be proud of his dad with his rich history driving a sprint car. The family patriarch began racing at 4 years old racing go-karts. Phil Sr. jumped into his first sprint car in 1985 and retired in 2018. Along the way, Phil won 41 feature events, including 29 victories at Clinton County. He earned a championship at Clinton County Speedway in 1993.

Phil's very first race at Clinton, he recalled that he didn't like racing there, but he tried again. Not one to give up, one month later Phil won his very first race there. The

date was May 12, 1989. Just two days later, on May 14th little Phil was born to Lori and Phil Walter. Baby Phil attended his very first race the following week and can be found in many victory lane photos.

Phil drove his own 410 sprint car between the years of 1985-1990. When the expense of running his own car almost put a stop to his racing career, along came Dan Dietrich, Sr. (Danny and Billy Dietrich's dad). The two worked out a deal with Phil set to drive the red #63 sprinter during the 1991 racing season. The team ran close to 70 races that year at various tracks including Clinton County, Lincoln, Susquehanna (Now BAPS), Hagerstown, Georgetown and Selinsgrove speedways.

The following three years (1992-1994) he drove the Black #55 owned by Gene Jenkins and Scott Mertz. In 1993, the team traveled to 17 tracks in 9 different states. They competed often with the All-Stars and WoO sanctioned 410 races when the Outlaws were competing in PA, NY and Ohio.

When asked what was the highlight of his career he had so many great memories, but winning the 358 Nationals at Selinsgrove Speedway in 2004 was a noteworthy favorite. He was asked by Adam Romig to race his car since Adam injured his back and couldn't drive. At the time Phil didn't have a motor, so, of course he took the opportunity to drive Adam's car. Phil started on the pole and never looked back, scoring a huge win for the local driver.

One of the funniest memories is when he was racing with Lenny Krauthiem. Lenny was starting on the outside pole and Phil was starting on the pole. When weather delayed the race for a week, Phil kept on getting messages on his answering machine. Lenny was joking around and teasing Phil with all types of messages. Well, it back fired on Lenny when they finally raced. Phil admitted to jumping the start and Lenny was nowhere to be found. "So the joke was on Lenny" stated Phil.

Even though retired from behind the wheel you can still find Phil Sr spending his Saturday nights at the races by being the crew chief and mentor for young 17 year old Braeden Varner from Mifflintown who this past Friday night had the best finish of his career placing second at Clinton County Speedway.

When asked what the Phil Walter Classic means to him, Phil offered this perspective. "It's a race that many weekly racers that don't have huge sponsors and backing can come race and be competitive. The small bull ring of Clinton County Speedway is a great equalizer" stated Phil. "You don't have to have the most expensive or as fast a motor like you need on the big half-mile tracks. It's a driver's track. We have so many talented drivers out there that can come there and be competitive and show the talent they actually have. With the support of so many people, sponsors, fans, we have been able to give back to these guys for doing what we all love to do and that is race sprint cars" said Phil.

To say the least, the work and effort put in by Phil II and Lori went over and above and the results were appreciated by everyone.

Obituaries

Elden Edwin Heimbach, 90, Selinsgrove

Elden passed away into Glory at his home on Saturday, August 9, 2025, surrounded by his family. His wish was to be taken care of at home which was made possible by many who helped in his care, to which we are all so grateful to have had.

He was born on July 14, 1935, in Washington Township, Snyder County, a son to the late Charles and Ruth

(Shafer) Heimbach. He married Carol Burkholder on July 20, 1957, who preceded him in death on March 2, 2020. Elden was a member of Susquehanna Mennonite Church, Port Trevorton and the Pennsylvania Farm Bureau.

He was an extremely hard worker. He enjoyed farming, mowing grass, and riding his golf cart and his hands were strong from all the hard work he performed. Elden enjoyed watching game shows and many travelers as they passed by his farm on 11&15. He held a special place in his heart for his little dog "Maxine" with whom he adored. Elden set the bar really high as an example for his children, grandchildren, and great-grandchildren of what a Godly, compassionate Christian man was. He was always willing to help each one in whatever capacity he was able to. We all have been beyond blessed by the legacy he has left.

Surviving are his children and their spouses, Sharon and James Hoover, Linda and Tom Martin, Donna and Leroy Martin, Brenda and Jim Good, and Scott and Melinda Heimbach; grandchildren and their spouses, Kimberly and Rafael Newcomer, Josh and Melissa Hoover, Anita and Eric Watkins, Ryan and Ashley Martin, Linsey and Ryan Krauss, Seth and Amanda Martin, Nicole and Brandon Smith, Ashley and Braden Landis, Alaina and John McCullough, Kenton, Joseph, Jonathan, and Julie Good, Alexis and Josh Malick, and Nicolas Heimbach, 17 great-grandchildren and a great-great grandchild soon to be born; three brothers and their spouses, Albert and Mary Heimbach, Oran and Charolette Heimbach, and Clair and Evelyn Heimbach, one sister and her husband Helen and Leroy Reinard, and many nieces and nephews.

A viewing will be held on Friday, August 15, 2025, from 6:00 p.m. to 8:00 p.m. at the V. L Seebold Funeral Home, 601 N. High Street, Selinsgrove and again on Saturday, August 16, 2025, from 10:00 a.m. to 11:00 a.m. followed by the funeral service at 11:00 a.m. at Witmer's United Methodist Church, 350 Witmer Road, Port Trevorton with Rev. Ryan Krauss officiating. Burial will follow the service in Susquehanna Mennonite Church Cemetery, Port Trevorton.

Tribute to Gary P. Berger On What Would Have Been His 75th Birthday, August 13, 2025

My life was changed forever when I met Gary P. Berger on March 15, 1997.

We had both lost our spouses to death (Gary's wife, Donna, in 1995) and my spouse, Larry, in 1988.

Our backgrounds were different, but yet similar.

We never lacked anything to discuss. We shared so many interests and values.

We knew each other for four years before we were married on May 26, 2001.

Gary's family and friends laughed when I told them that the "P" in his name meant "Perfect". I realize that no one is perfect, but he was "Perfect" for me.

He had qualities that made me value and appreciate him as my spouse. He was a leader but not arrogant. He was loyal and committed to our marriage, family and friends. He was appreciative, kind and humble. He was always willing to help anyone in need.

It really bothered him as he got older that he couldn't do the things that he once did so easily as a young man. I tried to reassure him that he worked harder than a lot of men much younger than he was.

The first year we dated he made me a small wooden chest which I get to see on our dresser every day. He made such beautiful wooden items which he could envision in his mind before he even began cutting. To me that was a God-given gift.

When his health worsened, he never complained. His words were "We Are Blessed", and we believed that God provided for us as we shared our faith in Him.

It was my honor and privilege to be chosen by him to be his wife. I miss him today and every day. Until we meet again in heaven, I love you.

Your Wife, Anne

Donald "Donnie" E. Longer, 75, of Middleburg

Donald passed away July 29, 2025, at his home. He was born on September 7, 1949, to Harold W. Longer and Dorothy M. Longer (Fenstermacher), one of four children, and attended school in Middleburg. In 1969, he married Lois L. Spade. They had two children, Shawn and Jennifer, before separating.

For many years, Donald worked for Eastern Tree Service, and later at Wood Mode in Kramer. He was a gentle, kind-hearted and loving man, especially with children. He enjoyed fishing and hunting, and watching the Philadelphia Phillies play baseball. Most of all, Donald enjoyed spending time with his family, especially his grandchildren and great-grandchildren.

Donald was preceded in death by his parents, siblings Dolores and Lewis, and his wife, Lois.

He is survived by his companion Ruth Smith, and her daughter, Heather, brother David Longer and family, son Shawn and daughter-in-law Tammy (Stuck) of Middleburg, daughter Jennifer and son-in-law Joseph VanDer-slice of Newport, his grandchildren: Christopher and his companion Ashley, Darin and his wife Anna, Kailynn and her companion Ian, Miranda and her companion Nate, (Jen and Joe) Beth, Laila and companion Ron, (Shawn and Tammy) and great-grandchildren: Cameron, Jayden, Jaxon, Karson, (Christopher and Ashley), Kendall, Lennon, Rylee, (Miranda and Nate) and Scarlett (Darin and Anna), and many nieces and nephews.

To honor Donald's wishes, there will be no services, but a celebration of life will be held at a time and date to be determined by his family.

In lieu of flowers, donations in Donald's memory can be made to the Danville SPCA by selecting the Central PA Center in Danville at <https://www.pspca.org/tribute-memorial-gifts>.

The Winfield Cemetery Association Needs Your Help

By Kay Poeth

the cemetery has provided burial plots for residents of both Union and Snyder Counties.

With the death of long-time cemetery treasurer and superintendent, R. Nelson Poe, the Winfield Cemetery Association is in the process of updating current lot owners, current names of veterans buried in Winfield, and other information the public can share with the board to help maintain the records.

In 2011, the Winfield Cemetery celebrated its 100th Anniversary. Long ago, a group of men had a vision to purchase land to create a cemetery that would serve the nearby communities and families. Led by M. Dyer, the group of men included A.E. Kreamer, F.D. Reagle, S.W. Vance, J.A. Roush, W.C. Burns, Amos Haynes and Elmer Dewire. These men pooled their money and their vision became the Winfield Cemetery.

According to the deed the land was acquired from "Wilson D. Roush of Winfield, County of Union and State of Pennsylvania, and Malinda, his wife, and Joseph A. Roush of the same place and Annie his wife, of the first part to the Winfield Cemetery Association and their successions on the 13th day of April in the year of our Lord one thousand nine hundred and Eleven for and in consideration of the sum of Four Hundred Dollars (\$400.00). This parcel of land is situated on Felme Road, Winfield, Pennsylvania."

By April 2025, the Cemetery has been in existence for 114 years. The Winfield Cemetery Association continues to be in operation to this day. Currently, the board of managers is comprised of Phyllis M. Dyer- President, Peggy Bouton- Vice President, Vickie Rohland Zielinski- Secretary, and Joseph Sheesley- Superintendent. The Treasurer position needs to be filled.

The Winfield Cemetery's operating income comes mainly from burial fees. Currently, the number of burials has declined. Therefore, there is insufficient income to cover perpetual care and normal operating expenses. Anyone interested in contributing to the upkeep of the cemetery is encouraged to do so.

Donations and updating information can be sent to: The Winfield Cemetery Association, in care of Phyllis M. Dyer at 146 State Route 304, Winfield, Pa 17889, email: dyerp21@gmail.com or call 570-534-2554.

I missed football more than I thought. In the past, pre-season NFL football was boring with guys I never heard of starting in meaningless games. The Hall of Fame game was special because all of the past greats were in attendance. Then Shadeur Sander's debut and Joe Burrow starting in a game. Labor Day weekend can't get here soon enough.

UFC (Ultimate Fighting Championship) signed an exclusive contract with Paramount and CBS for over \$1B a year. The pay-for-view with ESPN contract was \$214M a year. This means that in 2026 you will be able to stream all events on Paramount. I'll admit UFC is a guilty pleasure of mine but not to the point where I bought a PPV fight. This is a huge game-changer to the sport.

For the first time all year I have doubts about both New York baseball teams. The Mets and Yankees are currently in a freefall and will have to scramble just to qualify for this year's playoffs. You have to think the Yanks are cursed when Mariano Rivera tears his achilles playing in their old-timers game.

Jen Pawol officially became the first female umpire in MLB history. This could not have happened at a better time when it seems like women are being held back from advancement and the rhetoric coming from Doug Wilson.

The Detroit Tigers are on their way to winning the central division in the American League. It helps that they have the best starting pitcher in Tarik Skubal and top draft picks Torkelson and Greene are surpassing expectations. Gleyber Torres has earned every penny of his free agent contract.

But perhaps the most important explanation for the Tiger's success is their aggressiveness in running the bases. They are not a particularly fast team as they rank at the bottom of MLB in stolen bases. They are way ahead of the league in 'extra base taken.' First to third on a basehit, turning singles into doubles and doubles into triples. The Tigers 'XBT' is the highest in the league since the 1975 Oakland A's.

If James Franklin does not win this year's college football championship, he will never win one at Penn State! Talk about pressure. This year's team is by far the best one on paper. Per college football guru Phil Steele, Penn State has the top rated units at QB, RB, O-line, D-line, LB and DB's in the Big Ten.

Never before have more national analysts predicted that Penn State will win it all in January. Colin Cowherd, Heather Dinich and the aforementioned Phil Steele all have Penn State winning the national championship.

Penn State has nine returning starters on offense and six on defense. The last two national champs were veteran laden Big Ten teams (Ohio State and Michigan) and Penn State fits that mold this year. However, you don't win games on paper and that's where the rub is.

The Lions went into the transfer portal for three very experienced and from all accounts good wideouts. Lack of any separation from the receivers last year cost Penn State a place in the title game. Improvement at this position is a given no matter if the transfers don't live up to expectations.

The biggest addition to the 2025 team is getting defensive coordinator Jim Knowles from Ohio State. Knowles has already shared with his new staff how he was able to shut down the Lions offense for the last three years. The new DC is very familiar with every offense he will face in the Big Ten and he faced off against Oregon twice last year.

Coach Franklin's issue has been he can't win the big game which hangs around his neck like an albatross. His record at Penn State against Top 10 teams is 3-19 and 1-12 since their BIG championship in 2016. To be fair to James, Penn State is 1-23 against Top 5 teams since 2000... let that sink in. Franklin is a combined 4-16 against Ohio State and Michigan.

Win a national championship this year and all will be forgiven and elite status could possibly follow moving forward. For this to happen a few changes must be made.

Allow Knowles to run his defense with input only from his defensive position coaches. Hand the keys over to Coach K and his staff on offense. OC Andy Kotelnicki cannot get too cute with his play calling as he tends to get carried away with his creativity. Don't forget that you have the top rated offensive line and running backs in those pressure situations you will face. Keep it simple.

Coach Franklin has to trust his experienced lieutenants and let them manage the game. James needs to stick to what he does best ... press conferences and recruiting. Allow Trace McSorley to manage the clock and timeouts as well.

Penn State will be the favorite in every game except for their trip to Columbus, Ohio. They have the 37th most difficult schedule and get the other two BIG play-off teams from last year at home (Indiana and Oregon). I believe they will lose in Columbus but beat Ohio State in the BIG championship game. I also think they will lose in the semi's of the CFB championship. I have been wrong before.

Did you know there's an actual TV show called 'ESPN Bet Live!' Does anyone check their work after they make a projection? For the first time ever the top ranked preseason team is an underdog in their first game. #1 Texas plays at #3 Ohio State and are a 2.5 point underdog.

Local high school fall sports practices are in full swing. All high school football teams in PA are required to go through a week of heat acclimation practices. Pittsburgh's Central Catholic had a problem with these heat practices. Their offensive line averages 6'6" tall and 285 pounds and were blocking the sun! All five are being recruited by the big schools.

You have eight openings to list your blue bloods of college football. Let me know who you think are the eight historical greatest teams ever at theviewfromhear74@gmail.com and on X ... @theviewfromhear

Sunrise Notary Invites John Fisher to the Club

Pictured are Bob Hynick and John Fisher.

June 4th – Rotarian, Dr. Bob Hynick invited John Fisher to talk to the club about the Selinsgrove Rotary's foundation. The Selinsgrove Rotary Foundation started 35 years ago with a golf tournament. The money from the fundraiser was used as seed money to start a foundation. As the Selinsgrove Youth Foundation, it provides 3 students with a \$750 per year scholarship for four years. Now the program is up to four students and \$1,000 per year per student. The Rotary club provides the first year of the scholarship and the Foundation covers the remaining three years. The golf tournament is Selinsgrove Rotary's largest annual fundraising event.

Originally, the rotary club established its own 501(c)3 corporation for their foundation. The administrative duties required of the corporation had the club move its investments to be a part of the Selinsgrove Community Giving Foundation, who now manages the funds for the club. The board is made of 50% Rotarians and 50% of the members are from Susquehanna University, Selinsgrove School District, and community members. The Community Giving Foundation has grown to over \$2.5 million in investments, including approximately \$35k for the scholarship fund.

John came to Selinsgrove in 1985. He lives with his wife in Beaver Springs. He was previously a member of the Media Rotary.

PA Department of State Introduces Redesigned, User-Friendly Provisional Ballot Envelopes

Continuing the Shapiro Administration's commitment to strengthening our democracy and keeping our elections safe and secure, Secretary of the Commonwealth Al Schmidt announced recently that the Department of State has redesigned the provisional ballot envelopes that counties use in an effort to improve legibility and make the envelope more user friendly. The redesign aims to decrease the number of rejected provisional ballots, allowing more eligible Pennsylvanians' votes to be counted. "Every registered voter in our Commonwealth should have the opportunity to cast their vote and make their voice heard in each election," Schmidt said during a press conference in Philadelphia. "We believe these changes to the provisional ballot envelopes will have a positive impact, just as the changes we made to mail ballot materials two years ago did."

This envelope update follows the Shapiro Administration's successful redesign of mail ballot envelopes and materials in 2023. Those redesigned materials resulted in the November 2024 general election seeing a 57% decrease in mail ballot rejections.

In that same election, 29.12% of the provisional ballots cast in Pennsylvania were rejected. The most common reason for a rejected provisional ballot was that the voter was not registered; the second-most-common reason was an incomplete provisional ballot envelope.

The redesigned envelopes feature a layout that clearly instructs voters which fields they must fill out, including highlighting the two places where the envelope must be signed. The envelopes also streamline the process for election workers, identifying which fields they need to complete before and after the voter completes their provisional ballot.

The Department received design feedback from county elections officials in Philadelphia, Berks, Butler, Mercer, and Greene counties, who specifically mentioned the need for enhanced usability for voters and poll workers alike. "During this redesign process, we listened to our county election officials who told us the design of the provisional ballot envelopes led to missing signatures and incomplete envelopes, which ultimately led to the ballots being rejected," Schmidt said. "I want to thank the county elec-

tion officials who worked with us in this redesign process, which is another step toward ensuring that Pennsylvania elections remain free, fair, safe, and secure."

"The redesign of the ballot envelope simplifies the process of voting provisionally, and that means fewer errors and fewer rejected ballots," said Omar Sabir, Chairman of the Philadelphia City Commissioners. "It's an important part of ensuring that every eligible vote gets counted, and we're proud to lead this multi-county effort alongside our partners at the Department of State."

Schmidt said he expects counties to use the new voter- and poll-worker-friendly materials in the 2025 general election. To help counties with the cost of replacing their current provisional ballot envelopes, the Department is offering grant money to counties who opt to use the new envelopes.

County elections officials may ask a voter to vote by provisional ballot under certain conditions. A provisional ballot voter is asked to follow these instructions:

Complete in front of election officials the sections on the provisional ballot envelope labeled Voter Affidavit, Voter Signature #1, and Voter's Current Address.

Mark the provisional ballot in an accessible and private area of the polling place.

Seal the provisional ballot in the secrecy envelope.

Seal the secrecy envelope in the provisional ballot affidavit envelope.

Fill out in front of polling place election officials the Voter Signature #2 section on the provisional ballot envelope.

Return the sealed provisional ballot affidavit envelope to a polling place election official.

Receive a provisional ballot identification receipt.

Within seven days after the election, county boards of elections decide whether each provisional ballot vote should be counted.

Ethan Bobb Organizes Snyder County Soldiers Monument Repairs For His Eagle Scout Project

By Kay Poeth

Ethan Bobb, a life scout of Middleburg Troop 415, has committed to a major project- to preserve the Snyder County Soldiers' Memorial, located next to the Lutheran Church in Middleburg, for his Eagle Scout project. Ethan will be contacting and coordinating with various contractors for specialized repairs of the building. He and his Troop will also be working on areas of the interior of the building to restore it.

There are many issues that need to be addressed at the Soldiers' Memorial.

The current roof is leaking, causing damage to the ceiling. Both the ceiling and roof will be replaced. The windowsills need to be sanded and repainted to prevent damage from the weather. The front of the building will be power washed and the crumbling concrete will also be repaired.

While assessing the water damage, it was discovered that three wiffle balls from over 20 years ago clogged the down spouting resulting in extensive water damage.

According to Ethan, "Without these repairs, more water damage will occur to the walls and more ceiling tiles could fall. I believe the memorial and the soldiers it honors deserve to be recognized and appreciated by generations to come."

The Snyder County Soldiers and Sailors Memorial is 22x30 feet built of rock granite and granite brick with a reinforced concrete roof. At the top of the front section the words, "Snyder County Soldiers' Memorial" are cut in raised letters in the heavy granite blocks. A number of army corps badges are cut on the east and west ends of the steps leading to the entrance. Two mounted cannons are placed at each side the entrance flanking large wide concrete steps leading up to the Memorial. The cornerstone of the building is imprinted with "Sept. 28, A.D. 1905." The inner room is a sanctuary lined with marble walls dedicated to those who served with six memorial stain glass windows. John F. Stetler was the architect and well-known for several homes and buildings in the area.

According to the Middleburg Revitalization sign, "The Soldiers and Sailors Memorial was dedicated on Septem-

ber 10, 1908. Within its walls are the names of those who served our country during times of conflict from the Civil War to present day."

The Snyder County Historical Society is thrilled with the upcoming Eagle Scout project noting, "Ethan's Eagle Scout project is currently in the fundraising stage to complete much needed repairs to the Soldiers' Memorial including new roofing and new cement work at the entrance."

The cost of the Soldiers Memorial renovations is estimated to be \$20,000. In addition to donations from organizations, businesses, and individuals, Ethan is holding several fundraisers including a chicken BBQ, Texas Roadhouse Dine to Donate, Snyder County Historical Society's Heritage Day.

Recently, Ethan Bobb was presented with a check from American Legion Post 52 in the amount of \$2000. "It is an honor for American Legion Post 52 to contribute to and be a small part of Ethan's Eagle Scout project."

Another donation from the Middlewest Funeral Honor Guard in the amount of \$200 also supports this project to restore this historic monument in Snyder County honoring veterans.

Donations can be made to Snyder County Historical Society with "Soldiers Memorial" in the memo, and mailed to The Snyder County Historical Society at 30 East Market Street, PO Box 276, Middleburg PA 17842.

Annual Benefit Labor Day Weekend

Camp Mount Luther is hosting a benefit 5K and 10K entry-level trail run race, "The Dandelion Run," on Saturday, August 30, 2025. The race starts at 9:00 a.m. with "day of" registration beginning at 7:30 a.m. Cost is \$35. To register, visit <https://runsignup.com/Race/PA/Mifflinburg/DandelionRun5k10kTrailRace>. Register by midnight, August 10, to receive a T-shirt.

Timing is electronic and all miles are marked. There is one water stop on the course. Runners decide on race day if they want to do a 5K or 10K but cannot change once the race starts. Awards for top male and female finisher for each distance immediately following the race. Finisher awards for all finishers.

The event also features a one-mile fun walk on a dirt road with the same registration fees and amenities. Following the race, there will be a Kids Fun Run! The age groups are 6 and under and 7 - 10. Special awards will be presented to every participant in the fun run.

The Dandelion Run, begun in 2002, is organized by Joel and Shelley Heasley of Middleburg, assisted by Shirley Heasley of Mifflinburg. The family started the race in memory of Rev. Glenn E. Heasley, Jr., former Assistant to the Bishop of the Upper Susquehanna Synod of the Evangelical Lutheran Church in America. Glenn's favorite "flower" was the dandelion, because no matter what you do with them, they always rise again!

Camp Mount Luther, rural Mifflinburg, runs a seven-week summer camp focusing on experiences in spiritual formation, outdoor adventure, intentional community, and leadership development for all ages. Camp facilities are available for retreats and other meetings for church, community, and civic groups, including fifth grade outdoor education in the Shikellamy and Midd-West School Districts. The camp is accredited by the American Camp Association. More information is available at campaountluther.org.

REC Highlights Expanded After-School Program During State Officials Visit

Edited by Kay Poeth

The Regional Engagement Center (REC) is expanding its free drop-in programs for students in grades 3-12 thanks to funding from the Pennsylvania Commission on Crime and Delinquency's (PCCD) BOOST Grant Program. The Building Opportunity through Out-of-School Time (BOOST) Grant Program aims to prevent community violence by providing safe, structured spaces for youth.

On July 24, PCCD officials visited the REC to see BOOST funding in action, engage with youth participants, and discuss the importance of continued investments in out-of-school time programs as a strategy to prevent violence and promote safer, healthier communities.

"REC's Drop-In Center gives youth a safe place to learn, grow, and build relationships—and that's exactly what our BOOST grant program is all about," said PCCD Executive Director Kirsten Kenyon. "We're proud to support local organizations like this one that are opening doors for young people, keeping them safe, and making our communities stronger every day."

Last January, PCCD's School Safety and Security Committee approved \$11.5 million in first-time BOOST grants to 46 programs across the Commonwealth. The REC received \$167,000 to enhance and expand its free after-school and summer drop-in programs.

During the academic year, the REC's Drop-In Program served a record 367 youth after school from the hours of 3-6 pm. There are currently 89 youth registered to attend the Summer Drop-In Program, compared to 32 registered last year without PCCD's BOOST funding. Staffing and operational costs being covered by BOOST have allowed for increased hours of operation and unlimited access for youth to attend the Summer Drop-In Program, providing food security, socialization, and educational experiences at no cost until school starts.

"I couldn't be more grateful for the funding and support from PCCD for our free after-school and summer drop-in programs, allowing us to be open all year long," said REC President Kelly Feiler. "This grant funding has allowed us to stay open during university breaks and offer a summer session to far more students than in previous years. We are also developing data collection methods that will improve our ability to show the impact of our programs to the community and state. I know our program participants and staff are equally grateful for PCCD!"

The BOOST initiative is part of the Shapiro-Davis Administration's broader commitment to enhancing community safety and investing in the well-being of youth across the Commonwealth.

A Little League World Series Experience

By Jamiee Joiner

The Little League World Series has come to South Williamsport, Pennsylvania and with it hundreds of ten- to twelve-year-olds hoping to experience the baseball season of their lives. All of these kids are already champions, winning in their local area, then districts, then states, then regional tournaments just to get here. They’ve been on the road all summer long.

When players first arrive, they go through what they call the “car wash,” but it’s not the typical fundraiser type of car wash you may think of. It’s more like a fast-track way to get to know who these young players are. They take headshots, gather roster information, film video features, and distribute equipment and uniforms to the teams. Think of it as a Little League media day. It also gives players the opportunity to meet and bond with their opponents in a fun setting. They try food from each other’s countries and just enjoy the experience together. Then, they get ready for some baseball.

Many people around the world only dream of attending, but for those who live in this area, it should be a must-do on your summer bucket list as it is a free family-friendly event. The games will take place between August 13th – 24th and will be played at either Howard J. Lamade Stadium or Volunteer Stadium, both in the Little League International Complex. To top it off, this year’s Little League World Series Classic will be an intense matchup between the Seattle Mariners and the New York Mets.

Two summers ago, I got this crazy idea that I wanted to work at the Little League World Series, much to my family’s displeasure, but I’m someone who is all about experiences and wanted to do it anyway. It was only going to be a little over two weeks of me working long days in hot temperatures and getting only a few hours of sleep each night. Sounds fun, right?

Well, it really was! Don’t get me wrong though. There were some bad times, but overall, I’m so glad I got the full Little League World Series experience. I didn’t do anything spectacular. I signed up to work in the concession stand which was an experience in itself. It felt like what I think it would be like to work in a fast-food restaurant. It was a busy place. It included those who volunteered in the concession stand in order to earn money for their school or organization. It included staff of Little League International who had to volunteer doing something during the Little League World Series, and it included people like me who were hired by a company called Delaware North who staffs concession stands at stadiums, large concert venues, and events. The head boss of the concession stand was actually the guy who runs concessions for the Cincinnati Reds. His name was Nick, and he was young and kind guy.

Each weekday, I would get up and go to my full-time job and then drive directly to the huge field parking lot across from the stadium and make my trek up the hill to the concession stand. It took about 15 minutes to make that walk each day in and each day out, and it felt like it got hotter each day I walked it. I would work my butt off each shift I worked, drive 45 minutes home arriving at nearly 11:00 p.m., wind down, and then get up to do it all again the next day. It was exhausting, but still worth the experience.

The first two days, I journaled when I got home in the

hopes to write an article about my full Little League World Series experience, and by day 3, that went out the window. I just didn’t have it in me to do so anymore. That’s not to say I didn’t mentally have it in my head, but writing each night on top of the days I was having just wasn’t happening.

Here are a couple excerpts from Day 1 and Day 2 journaling.

Day 1

It’s here!! First official day of games. Got to work at 8:30 a.m. Then, got to the Stadium around 1:25 p.m. Then I took the dreaded uphill walk to the concession stand where I signed myself up to work for the next two weeks. The stand was busy upon arrival. I got right to work. I was directed to a station helping prepare food. The usual hot dogs, burgers, etc. I was working with a guy named Donnie. He reminded me of the “NO RAGRETS” guy from We’re the Millers. A new woman came to work with me named Joanna. We were like two peas in a pod. We talked and got to know each other and we’re a great team. A few hours later, I glanced at her badge, and I saw Joiner on her badge. I was like, “do we have the same last name,” and we did. Even more, we are both JJ names. Joanna Joiner. My sister from another Mister. We finished shutting down our area, cleaned it, and I left for the night. As soon as I was heading out the door, the last game was letting everyone out. It was a crowded walk out of the stadium to an even more crowded parking lot. I got in my car and sat in complete gridlock for 45 minutes before I got to move forward. It took forever. Called my husband while I waited and gave him the summary of my day. Finally got to drive and got home at 10:57 p.m. Other noteworthy events of the night were making some new friends from Mifflinburg, Meg and Josh Owens, and getting to see an old friend, Scott Frost, who was also working there in a security position. Overall, it was a good first official day. I’m tired and was very sweaty and hot all day.

P.S. I drank five bottles of water and one Gatorade and didn’t pee until I got home.

Day 2

I arrived at the stadium around 4:25 p.m. I got sent to make pretzels to cover someone’s break. It was okay, but not my favorite. Either way, I immerse myself in learning to bake the pretzels and going out to put them in pretzel warmers and finding the old ones to throw away. I feel professional at this task now. They say it’s time to not bake anymore, and I wander to find where I can help next. Someone needed peppers and onions, and there were none in the hotboxes, so I cooked some up. A guy named Ryan asked me if I would help Miss Lauren with dishes, and I happily obliged. I learned to use a commercial dish washer which I have never done before. After the dishes were done, I ventured back into the concession stand looking for something to do. I found a girl making pizzas, and that was something I haven’t done before so I asked her to show me what she does to make them. I made my first pepperoni pizza, and my pizza looked pretty damn fine if I may say so myself. I left about half an hour early due to the lack of work, and as soon as I started the full 15-minute walk to my car, it started to rain. Lovely. Two minutes into my drive and it started to rain heavily. It was the white knuckle, people putting their hazards on, and Florida afternoon-style torrential downpour for the next 20 minutes. I arrived home and indulged in some I.C. Mango Light beers topped off with a Miller Lite. Overall, good day.

Tired. My back hurts but tomorrow is a new day. See you on the flip side. 12:36 a.m.

Yours truly,
Jamiee”

The thoughts went on in my head like this as I drove home each night, but they never made it to paper after the first two nights when the exhaustion started to set in. I’m okay with it though. I met some really nice people who work for the Delaware North Company who are mainly out of the Cincinnati, Ohio area but travel to large events to do this type of work all the time. I do like to travel, so it could be fun, but then again, you really don’t have any downtime to explore the area you are working in.

For me, the experiences are partly the people you encounter along the way. Some were awesome. Some not so much. Some stopped showing up after the first day or the first three days, and some stood out above the rest jumping in where they needed to make it all work. Ryan was chill, a team player, and he travelled from Philadelphia each year to work at this event. Miss Lauren was pleasant, kind, and a hard worker as well. Both her and Ryan were true leaders in their roles. James and Nick were really great too.

One night, while walking into the stadium, Team California was right behind me on their way to play the championship game which they ended up winning, 6-5, over Curacao. I can honestly say that every time I walked into the stadium, the excitement was palpable. I would see teams from other countries practicing, players crying, proud parents cheering on their kids, and little leaguers from all over the world living out their baseball dreams right here in Central Pennsylvania.

What made me decide to work there was that, at the time, we had lived in this area for twelve years, and we had never been to a Little League World Series game, never witnessed the big hill that the kids slide down on cardboard boxes, and never knew what we’re missing out on. I also can proudly say that by the end of the two plus weeks, I had aced every concession stand task. So, if you have a young kid, or are a kid at heart yourself and you want to experience watching America’s pastime, go to a game. You won’t regret it, or maybe you will after trying to leave the parking lot after a game. Either way, I suggest you go.

If you are unable to attend any of the games, you can watch them on ESPN+, ESPN, or ESPN2. The championship game will air on ABC, or you can stream it on Disney+.

Middleburg Received Traffic Light Upgrade

By Kay Poeth

Middleburg has reached the big times with the recent traffic light upgrade at the center of town! For local residents the traffic light definitely has all the bells and whistles! No one can claim successfully that they didn't see the "red light."

The one and only traffic signal in Middleburg is located at the intersection of SR 522 (Market Street) and SR 104 (Main Street) in Middleburg Borough.

Why did Middleburg need such a massive traffic light overhaul? According to Elizabeth Page, Borough Administrator/Zoning Officer, the "old traffic signal is an old-style signal which operates on a timing loop control system and was last modified in 2002. PennDOT has been working with the Borough to update the traffic signal to a modernized overhead detection system, which will allow for traffic to flow more efficiently." In 2005 poles were replaced at two locations.

Josephine R. Beaver, PennDOT Senior Civil Engineer Supervisor, concurred. "This is a typical traffic signal modernization/replacement project that is locally administered by the Borough of Middleburg, which was funded through the Green Light Go (GLG) Program. The existing traffic signals... operated in a pre-time mode with antiquated components that are difficult to maintain."

The Borough obtained a Green Light Go (GLG) grant to update/replace the traffic signal. The grant covers 80% of the cost and the Borough is responsible to cover the remaining 20% of the grant. The total grant awarded was \$478,452.25.

Installed by PennDOT, the traffic signal project is in its final stages. The traffic signal control system needs to be certified by PPL and PennDOT before the traffic signal is placed into the new overhead detection mode.

Page notes, "Currently, the new traffic signal is still functioning in the old timing loop mode. Once the new traffic signal is certified and approved, traffic should flow more efficiently through the intersection." The new signals will be fully operational after the activation on Thursday, August 14, 2025.

Once the certification and approval processes are completed, the Borough will be responsible for maintenance and upgrades.

According to Beaver, "This project will bring the intersection up to the current standards including new traffic signal poles, mast arms, signal heads and controller cabinet. The new signal installation also included timing changes, vehicular detection cameras, ADA pedestrian accommodations and emergency preemption." Then she added, "The new traffic signals will improve the movements of both vehicular and pedestrian traffic. The new equipment will reduce maintenance cost while the installation of pedestrian signal heads and push buttons will improve pedestrian safety at this intersection."

"I am glad to see investment put into this ever-busier intersection. I only hope that the proximity of the posts to the corners does not cause any problems in the future," said Snyder County Commissioner Joe Kantz. "I continue to share thoughts with PennDOT about how we might continue to improve traffic flow through Middleburg and I appreciate their willingness to explore those ideas."

Run to End Hunger at the Annual Hunger Coalition 5K and Kids Race

September is National Hunger Action Month, and you can join the fight against hunger in Union and Snyder Counties by lacing up your sneakers for the annual Hunger Coalition 5K and Kids Race on Saturday, September 6, 2025, at The Miller Center for Recreation and Wellness, located at 120 Hardwood Dr., Lewisburg.

The 5K begins at 9:30 am, followed by a fun-filled Kids Race at 10:30 am. The Kids Race is a new addition this year and will include a scavenger hunt, prizes and lots of bubbles! Runners, walkers, and families are invited to participate in this community event that combines fitness with purpose, all while raising funds to support local food security efforts.

100% of proceeds benefit the Union-Snyder Hunger Coalition, a network of over 100 local partners working together to address food insecurity in our region. If you'd love to help but can't attend the race, you can support through the purchase of a shirt or hat, or by making a food or monetary donation via union-snydercaa.org.

Early bird registration is available now through September 5 at: <https://runsignup.com/Race/PA/Lewisburg/CAAHungerCoalition5k>

Whether you're a serious runner or just want to enjoy a fun walk with your neighbors, your participation helps nourish families and strengthen our community. This race is generously sponsored by WellSpan Health, Service 1st Federal Credit Union, and Orontes Yogurt.
