## Local Project Linus Chapter Celebrates 25th Anniversary

By Kay Poeth

Cindy Roush and Edna Bailey tag blankets during Make A Blanket Day.

This is a year to celebrate milestones! The Central Susquehanna Valley Chapter of Project Linus was organized in the summer of 2000 by Brenda Naugle and her daughter as a senior project. In the 25 years since then, handmade blankets have been delivered to over to 35,279 sick, hurting and traumatized children in the local 6 county area of Union, Snyder, Northumberland,

Montour, Columbia and Lycoming.

In 2005 Brenda left the area and Pat Warren became the coordinator. That was 20 years ago. How time has flown! There are hundreds of people to thank for the hours of work that have been put into making quilts, afghans, and knotted fleece blankets. Some blankets take days to weeks to complete.

"Blankets have been made by kindergarten classes (knotted fleece blankets) and 95-year-old old seniors crocheting baby blankets. One 85-year-old blanketeer said it gave her a reason to get up in the morning. We have had hundreds of blanketeers working with us over the years," said Pat Warren.

Thanks to the faithful work force who come in twice a month to label, check for pins, pack and deliver the blankets. The blankets are sent to children in hospitals, emergency rooms, homeless shelters, school guidance departments, organizations that serve foster children and needy children. Some of the blankets go to children who must sleep in their coats to keep warm at night.

"A Project Linus blanket is a hug when you need one most. Last year we delivered over 1700 blankets during October, November and December. When children receive one of our blankets in a hospital or emergency

room, they are thrilled," said Warren. "The blankets take the children's minds off their surroundings and their distress. It makes them comfortable and easier to treat. We thank you for all the joy you help us spread."

Join the volunteers at CSV Chapter of Project Linus to celebrate their 25th Anniversary during Fall Make a Blanket Day on Saturday, October 25, 2025. It will be held at Faith Lutheran Church on Rt. 45, west of Lewisburg, from 9:30 am until 2pm. To make a lunch reservations, call 570 966-3675.

The quilters and sewers will assemble quilts. Quilts tops are ready to have backs and batting sewn on, and then need to be knotted to finish. If you have never done this, they will teach you what to do. If you want to sew, you may bring your sewing machine or reserve one of Project Linus' machines. Fleece blankets also need to be prepared and knotted.

If you have completed new, handmade blankets, you may drop them off on Make A Blanket Day or at one of their drop-off points (see Face Book site). If you want your blankets to go to Janet Weis Center, they must be laundered and have a laundry agreement with them. They also take donations of yarn and quilting fabric.

Outside burning  
beats inside.  
Every time.

There's a reason we build  
campfires outside and not in our

there's a much safer, cleaner,  
and more comfortable option.  
When it comes to woodburning  
heat...we say, take it outside.

In the 410 feature, Chase Dietz chased down early leader Brock Zearfoss who was driving his family owned #32. Chase went on to win his third feature of the year at Selinsgrove aboard the Stehman #23. Danny Dietrich made a late race pass of Zearfoss to place second in the feature and clinched the 410-sprint point title. In the feature, Palmer went on to win the feature by over straightway over Chase Billet, Dan Zechman, Michael Walls, and Coleby Frye. Frye, who did more racing in a Modified this season at Bridgeport speedway, scored two wins there and placed seventh in the final point standings. Getting back to Palmer, this was his fourth overall track title with others coming at Winchester and two at Hagerstown, with the last coming in 2016 in the super late model class.

This coming weekend besides the racing at Lincoln speedway on Saturday, Hagerstown speedway will have the super late models in the Fall Clash series race on Friday night along with the Short Track Super Series for big block Modifieds. # Dietz Gets Selinsgrove Finale/ Franke Scores Kramer Kup/ Jackson Dominates Wingless Super Sportsmans

By Bert Wojcik

Selinsgrove, PA - A crisp fall evening with the mountains changing colors means that the end of the season is upon us. But not before one last go at the Selinsgrove Speedway. Had it not rained on June 10th, "The Fastest Half Mile on the East Coast" would have concluded its season back on September 19th. But the speedway and the Williamson Family wanted to make sure the Kramer Kup made its return in 2025. So for one last time Selinsgrove Speedway came to life with York's Chase Dietz winning his 3rd High Caliber Cranes 410 Feature of 2025, Gettysburg's Danny Dietrich clinched his 2nd career High Caliber Cranes 410 Sprint Car Championship. Sussex, NJ's Davie Franek would score his 1st 360 win at Selinsgrove since 2018 taking home the Kramer Kup in the final night of the 2025 United Racing Club Season that would see Mertztown, PA's Josh Weller take his third Straight URC Championship. Newville, PA's Tony Jackson would take his second straight Wingless Super Sportsmans feature at Selinsgrove to round out the 2025 season.

21 High Caliber Cranes 410 Sprint Cars signed in for the final night of racing at Selinsgrove for the 2025 season. Jonestown's Brock Zearfoss and Dietz would share the front row for the \$7,300 to win feature in honor of 25 time Selinsgrove 410 winner, Palmyra's Kramer Williamson, who lost his life in 2013 during a URC event at the Lincoln Speedway.

The initial start would come back as Kody Hartlaub would spin down the back straight away and make heavy contact with the inside wall. Drew Young and Chris Smith would also spin with Young hitting the water barrels that sit at the opening to the infield on the back stretch. All drivers were ok but the red would fly to allow crews to clean the track.

Zearfoss would take the lead quickly on Dietz. Meanwhile Dietrich was the one to watch. Going three wide on the opening lap to try and make ground up from his 7th starting spot. Dietrich would get up into the top 5 after Steve Buckwalter's motor expired while running 4th. He would make it in. But Ryan Taylor would have his right rear go flat and bring out the 2nd caution of the night.

On the restart Dietrich would get around New Oxford's Gerard McIntyre for the 3rd spot. Middleburg's Jake Karklin would get around Mechanicsburg's Lucas Wolfe to crack the top five himself after some disappointing finishes during strong showings for the 5k. Zearfoss meanwhile would start working his way towards lap traffic. He was still running laps in the high 15 second range with the cool fall air allowing the motors to really let it all hang out. Zearfoss tho would have issues once he got into dirty air. Dietz would close back in on Zearfoss. Zearfoss would finally get around the lap car of Blane Heimbach. Dietz would take another lap to get around Heimbach. Dietz would throw his first slider attempt in turns three and four and Zearfoss was ready for it. Turned it back on Dietz. Zearfoss would take the lead back in turns 1 and 2. Dietz would take advantage of Zearfoss playing defense and sliding up the track. Zearfoss would lead the lap but Dietz would throw the slider again in turns one and two and finally clear Zearfoss to take the lead with 7 laps remaining in the 25 lap main event. Dietrich would throw a slider of his own on Zearfoss. Zearfoss would try to hold him off but Dietrich's momentum was enough to get around Zearfoss and was closing in on Dietz fast coming to two laps to go. Just then JJ Loss would lose the motor in the Trone Outdoor's 39 car and could not get back around to the pits bringing out the caution to set up

a green white checker finish.

The 2 lap shoot out would begin with Dietrich trying to get low on Dietz in one and two. But the clean air was too much to overcome as Dietz would take home his third High Caliber Cranes 410 victory of the year with Dietrich, Zearfoss, McIntyre and Karklin making up the top 5. Danny Dietrich would take home his second High Caliber Cranes 410 Sprint Car Track Championship at Selinsgrove by 260 points over Dietz, Heimbach, Elverson, PA Austin Bishop and Karklin rounded out the top 5 in points.

"It's just momentum." Dietz said in High Caliber Cranes Victory Lane. "I was holding on for the first couple laps. I felt like I could still hang on with Brock. Once we got into lap traffic I knew I had to make my move. Coming to the white I got over the cushion a little bit. But I had to protect Danny who's been really good this year. Overall a great night!

20 United Racing Club 360 Sprint Cars signed in for the final night of action. For the first time since 2022 they would be going for the Pink Kramer Kup that has been one of the most sought after trophies in Central PA since its inception in 2013. Scranton's Scott Wilson and Franek would make up the front row for the 25 lap main event. It would also be the final night of points for the United Racing Club. Only 120 points separated Weller and Bernville, PA's Hayden Miller from the championship battle both in the Driver and Owner Points. It would be almost identical to the High Caliber Cranes 410 start with three cars going around after Dover, PA's Cole Young would make contact sending Young around. York's Bryn Gohn would spin to avoid the incident but making contact with the wall himself and Manchester, PA's Logan Rumsey would stop but have an issue that would end his night before it began. Also an honorable mention and thanks to Freemont, OH's Kesey Ivy making the tow to Selinsgrove to make her URC Debut. Unfortunately it wouldn't last long in the feature after a great run in the heat. Mechanical issues would not allow Ivy to rejoin the feature after the initial start.

Franek would get around Wilson off of turn two to take the lead. Michael Walter II made his return to the Bob Lilick 7 after picking up the 360 National Open 3 weeks ago at Selinsgrove. Walter would get up to second. A lap later Hilltown, PA's Adam Carberry would come to a stop on the back straight to bring out the caution.

Pine Grove, PA's Seth Schnoke would make some moves to get around a fading Wilson. But he had to try and hold off Weller. Weller would get around Schnoke and make a charge at Wilson for third. Weller would get around Wilson. The championship was in grasps. Up front Franek would pull away from Walter. Just then Gardners, PA Jake Galloway would come to a stop to bring out the caution with 12 laps remaining.

Franek retains the lead on the restart. Clean air was king with the late race restarts. Nothing was going to stop Franek from becoming the only repeat winner in the United Racing Club in 2025 with his second straight feature win. His 17th career win at both Selinsgrove and with URC. Walter, Weller, Schnoke, and Wilson rounded out the top 5. With Weller's third place run. He clinched his 4th career URC Championship.

"This is where I started." Franek Said in High Caliber Cranes Victory Lane. "I was fortunate to get to race with Kramer. I wanted to get this one so badly. Clean air was key. I could get out front and get some speed and be as smooth as possible. It started to stumble a little with three to go and I was praying that I wouldn't run out of fuel and we got her home."

"I wish we could get some more cars here to race with Mike and Davie. Weller Said, taking the URC Championship on the front stretch. "We had two runs that were outside the top 5. That's the stuff that wins you a championship. We'll take the war over the battle."

13 Wingless Super Sportsmans rounded out the night with McCalisterville's Dexter Ehrenzeller and Reading, PA's Andy Burkhart bringing the field to the green. It didn't take long for Richfield's Curt Stroup to get around Ehrenzeller Stroup and Ehrenzeller would get passed by Jackson in no time. The beating was on as Tony Jackson would get out to a 3 and half second lead on Stroup. Then it was another 16 seconds back to the rest of the field. Jackson was on a mission Mission completed as Jackson won his second straight Wingless Super Sportsman Feature at Selinsgrove, Stroup, Ehrenzeller, Ephrata's Cliff Brian Jr. and Burkhart made up the top 5.

"Took a few laps to get going." Jackson said in High Caliber Cranes Victory Lane. "We raced pretty hard. It was starting to get pretty far around on the top. Got to get into the corners a little slower. It's our 15th win of the year. This has been incredible."

## Diaper Dash Underway

Susquehanna Valley United Way (SVUW) has launched its annual Diaper Dash. All October-long, their Family Services team will collect diapers and wipes so babies can stay clean, dry, and healthy throughout the holidays.

Weis Markets, Inc. jump-started the drive with a kickoff donation of two pallets of Huggies® diapers, a \$5,000 value, to help our region start strong.

“Our kick off donation reflects Weis Markets’ commitment to supporting local families during challenging times, because they shouldn’t have to choose between buying diapers and putting food on the table,” said Maria Rizzo, Weis Markets Vice President of Marketing and Advertising. “We’re proud to partner with Kimberly Clark on this donation, and encourage our customers to join us throughout October by donating diapers at collection sites. Together, we can help ensure every baby in our community stays clean, dry, and healthy.”

Another organization leading the charge is the Susquehanna Human Resource Management Association (SHRMA), which rallied member workplaces to host an internal diaper drive and has already delivered a sizable donation. Their example shows how employers can engage their teams in giving back and make a direct impact - one pack at a time - for families this holiday season.

“Rising costs are a reality for working families, and diaper expenses add up fast,” said Mark Stankiewicz, SVUW President & CEO. “We are happy that we can help provide a bit of relief for local families in need of diapers. Our diaper drive is successful each year because of great community partners. This donation from Weis Markets will go a long way in helping local families with their supplies at home. When we work together, united, we can help one pack at a time.”

How to Help (All October) with Diaper Dash Campaign

- Donate diapers and wipes at collection sites across the five-county region, including all Service 1st Federal Credit Union branches, all Central Penn Bank & Trust locations, all Greater Susquehanna Valley YMCA locations, and the Danville Area Community Center.
- Host a workplace drive. Employers can rally their teams to collect diapers and wipes at the office and make a collective drop-off
- Give online. Monetary gifts allow United Way to purchase diapers and wipes across all sizes and fill gaps for higher-demand sizes as needs change throughout the drive. Visit [svuw.org/diaper-dash](http://svuw.org/diaper-dash) to contribute.

All donations collected during the Diaper Dash will be distributed to local pantries in Union, Snyder, Columbia, Montour, and Northumberland Counties, directly benefiting area families. Please contribute by October 31 to make an impact this holiday season.

“No parent should have to choose between buying diapers and putting food on the table,” said Stephanie Reitmeyer, Senior Director of Family Services at SVUW. “Diaper need is a silent crisis that affects the health and dignity of families every day. By simply grabbing a pack of diapers while you’re out running errands and dropping them off, you’re making a direct impact. Every single donation - big or small - helps ease a family’s burden and brings comfort, dignity, and hope to caregivers and their little ones.”

For details, including a map of drop-off locations and most-needed sizes, visit [svuw.org/diaper-dash](http://svuw.org/diaper-dash).

## Paragon Ragtime Orchestra to Present Concert at Susquehanna University Honoring Music from the World’s Fairs

SELINSGROVE — The Paragon Ragtime Orchestra will present the concert Meet Me at the Fair: Sights & Sounds from the Great World’s Fairs at 7:30 p.m. Friday, Oct. 17, in Susquehanna University’s Stretansky Concert Hall in the Cunningham Center for Music & Art.

Tickets can be purchased at the box office or calling 570-372-ARTS. Box office hours are Monday through Friday while classes are in session, 12 p.m. to 5 p.m. Tickets can also be purchased online at <https://susqu.universitytickets.com/>.

The Paragon Ragtime Orchestra is the world’s only year-round professional ensemble dedicated to recreating “America’s Original Music” — the syncopated sounds of early musical theater, silent cinema and vintage dance. The orchestra was founded after Rick Benjamin, adjunct professor of music at Susquehanna University, discovered thousands of early 20th-century orchestra scores belonging to Victrola recording star Arthur Pryor in 1985.

The Paragon Ragtime Orchestra made its formal debut in 1988 at Alice Tully Hall, marking the first Lincoln Center concert by such an ensemble. Since then, the group has performed at hundreds of prominent arts venues worldwide and gained a loyal following through radio broadcasts on WQXR, NPR programs such as All Things Considered and Performance Today, and international networks including the BBC and Voice of America.

The Paragon Ragtime Orchestra’s performance is presented as part of Susquehanna University’s inaugural Symposium on Historic American Music, at which early American music — from spirituals, brass bands and string ensembles to the rise of ragtime, blues and early “jass” — will be presented.

In addition to the Paragon Ragtime Orchestra, performers at Susquehanna’s Diverse Sounds for a Young Nation include Grammy Award-winner Dom Flemons, the 8th Green Machine Regiment Band and the Roof Garden Jass Band, as well as Susquehanna’s Symphonic Band under the direction of Eric Hinton, director of bands, department head and associate professor of music at Susquehanna University.

Speakers include Columbia University’s John H. McWhorter, who is also a columnist for The New York Times, and American musicologist and author Edward A. Berlin, who is widely regarded as one of the world’s leading authorities on ragtime and composer Scott Joplin.

## Gabriel Dively Commended Student for National Merit Scholarship Program

By Kay Poeth

Congratulations to Gabriel Dively, a scholastically talented senior at Midd-West High School, who has been named a Commended Student in the 2026 National Merit Scholarship Program.

Principal Dr. Ed Gunkle presented Gabriel with a Letter of Commendation from the school as well as the National Merit Scholarship Corporation (NMSC), which conducts the program.

“I am extremely happy for Gabe! He is a hardworking and extremely motivated student and is certainly deserving of this recognition,” said Principal Gunkle. “Scoring in the top 4% of 1.3 million test takers is something to be proud of!”

Approximately 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. ## Local Girl Meets the Real Rosie Riveter

Snyder County resident Sarah Rubillo, daughter of Peggy and Tommy Rubillo, met a ‘National Treasure’; “Rosie the Riveter” on September 20 at the Eisenhower Historic site in Gettysburg, PA.

Sarah was dressed as “Rosie” at the WWII event when she met Dorothy Fillmore. Dorothy, known to many as ‘Dottie’, told Sarah she was the first that day to be in ‘Rosie Attire’ when they met. She said Sarah “really had it together”.

Dottie signed autographs and spoke with each person in great depth about many topics. At 103 years old, she had lots of stories about the past but had a lot to say about our future as a country as well. The late Violet Klinger had left a note with friend Melinda M. Snook, if they were ever to meet Dorothy in person. Melinda read it to Dottie’ “You represented the power of women carrying our country as our men were off to war.

What can women do today to be noticed like we were back then.” Dottie looked thoughtfully for some time as she held Sarah’s hand, then looked back to everyone listening and said “We need a woman in office as President. We need to show them we have guts, but we will use our level heads as well.” Dorothy, born in Morgantown, later became the poster girl for the iconic Rosie Riveter “We can do it” slogan still used today. She is indeed a ‘treasure’.

(Back row) Kaden Moll, Olivia Stroup, Madison Wagner, Instructor, Dottie Randler, Classroom Aide, Melissa Koveleskie (front row) Gracie Trawitz, Director, Kristy Etzler, Dr. Julia Barna, Tekoa Saucedo, Jasmine Griffin

Dr. Julie Barna, D.M.D., President of the 6th District Dental Society, which represents our local region, is pictured presenting a \$2,500 donation to Mrs. Kristy Etzler and the SUN Area Technical Institute Dental Health Technology Class of 2025–2026.

Mrs. Etzler, newly appointed Director of SUN Tech, expressed her gratitude, stating, “It is critical to have industry support like this in our region to enhance the educational component of our workforce labor market.”

This generous donation will help strengthen both educational and economic initiatives by supporting students in meeting certification and clinical requirements within the Dental Health Technology program.

The 6th District Dental Society and Dr. Barna remain active with the ADA and PDA, working to improve public health education and promote excellence among local dental professionals. Students, under the guidance of Cooperative Education and School-to-Career Coordinator Eric Turofski and Instructor Dottie Randler, participate in job shadowing and cooperative education experiences that directly benefit from the continued support of the 6th District and local dental offices.

As the dental profession continues to navigate challenges in the current labor market, contributions like this help expand training opportunities, strengthen the local workforce, and ensure quality dental care throughout the region.

Where does Penn State go from here after they decided to move on from James Franklin last weekend? I was not planning on writing more than a paragraph on the latest Penn State surprise but this is BIG.

I didn't think they would get rid of Franklin during the season but he clearly lost the team, and losing two games in a row as a 20+ point favorite made it easier. Never before has a team fallen so far so fast. Within the span of three weeks they were ranked top three in the country and now they will be lucky to play in The Motor City Bowl!

Coach Franklin did a lot of great things during his time at Penn State. The program was still suffering from the Sandusky/Paterno scandal and Franklin was able to bring the program back to national prominence.

I feel bad for Franklin because he's a good guy and always wanted the best for his players both on and off the field. James grew the program but could not take it to the elite level that he and the fans wanted. I don't feel sorry for him because he will be a hot commodity for another big name school. He also knew it was time for a change.

Penn State AD Pat Craft and the administration now have a big decision to make in who they hire as their next coach. Money will not be an issue and you are going to hear many different names thrown around and the first call has to be to Urban Meyer. I know most Lion fans shutter at that thought but Penn State must make the call to Meyer first.

Indiana coach Curt Cignetti is my second call. Cignetti's age of 64 and the fact he will be coaching his team late into the season might be a hindrance but he has proven his rebuilding prowess. With all the players Penn State is going to lose after this season, they are in a rebuilding phase and Cig knows how to work the portal.

State College native, current Nebraska coach and Penn State alum Matt Rhule is getting a lot of attention as Penn State's next coach. I think at best this would be a lateral move to what they had with Franklin. The fact Rhule is really good friends with Craft and their families vacation together might make this a done deal, but in my opinion Pat Craft can't make this decision personal.

Two other options I prefer would be South Florida's Alex Golesh and Missouri coach Eli Drinkwitz. Golesh hasn't been on the big stage yet and fans will scream "Alex who?" I've watched a couple of his games against really good competition and the native of Ohio can coach.

If not Meyer or Cignetti my third favorite would be Drinkwitz who will be coaching at a blueblood school in the near future. Drink is a great recruiter, understands the portal and NIL process and is offensively minded. The hurdle is that Eli has only played and coached on the plains and in the southeast. He could bring Beau Pribula back to PA with him....?

These are both scary and exciting times for Penn State fans. We know resources are not going to be an issue and the leaders at Penn State want to get back to the elite status in college football. Getting rid of James Franklin was Penn State's best halftime adjustment since their BIG championship win over Wisconsin.

Speaking of championships, the Phillies and Yankees would still be playing for a World Series ring if they knew how to lay down a bunt. They are not alone as you witnessed in the second round of the playoffs. How many times late in a tie game with a runner on second base and no outs did teams fail to get the runner to third base?

The Dodgers ran the perfect 'wheel play' when Bryson Stott tried to bunt Nick Castellanos to third base in the ninth inning of game two. Good bunt, greater execution of defense by LA. This was an exceptional play aided by Mookie Wilson's speed and Castellanos not being the fastest runner.

There were at least eight other instances in all the playoff games, Philly included, where the batter was unable to lay down a bunt preventing their team from winning. The Mariners were fortunate to win their series against the Tigers.

Analytics in sports is here to stay and in my mind has made some sports tougher to watch. Relying on a homerun in baseball as opposed to moving runners up. The NBA with the 3-point shot and Aaron Boone's huge notebook he references on what to do in certain game situations. Far too many coaches are no longer managing a game on instincts and have become data analysts.

Locally, the fall sports season is winding down with the playoffs just around the corner. On the golf course the PIAA Golf Championships are this weekend. Mifflinburg has three golfers vying for individual medals at Penn State. Cub Dietrich, Wilson Abram and Kamdon Eicher all finished 2nd, 3rd and 4th respectively and are all on their second trip to the State Finals.

The Grove girls (14-3) had a busy and successful week on the Pitch going 3-1. Madi Merrell had 2 goals and 2 assists in a 6-1 win over East Juniata. Merrell, Addison Wenzel and Joslyn Zacharda each had two goals in shutting out Central Mountain 7-0. Kiana Kruskie's two goals won the game over Williamsport 2-1. The only blemish was losing to the State Finals.

Mifflinburg (5-9-2) couldn't find the net in a 2-0 loss to Line Mountain and losing 4-0 to Danville. The Cats finally scored against Lewisburg in a 2-1 OT loss. Lyla Moyer got Miff on the board first but Laurel Boyer tied it up until Adelyn Boyer won it in overtime.

Midd-West beat Halifax 5-0 behind Emery Peters two goals and Maddie Bon-salls goal and assist. Mustang freshman goalie Addison Maust kept an upset alive against 15-0 Shik with 19 saves. Unfortunately Maust couldn't get save #20 forty-two seconds into the second OT as Shik won 1-0.

Selinsgrove field hockey has been the best in the area for many years and is still looking for that elusive state championship. Maybe this is the year? The Seals beat Midd-West 4-0 to win the HAC-1 championship. They outscored their HAC rivals 35-2 for the year. Abby Raymond had three assists with Emma Petersen getting the other and adding a goal. Raymond and Alyvia Herrold each had a goal in a 2-0 win over Lewisburg.

Midd-West (8-6-2) qualified for the second season by shutting out Shik 2-0 with Sabrina Fegley and Kylie Brown scoring both goals. Lewisburg (10-5-1) is ready for the playoffs as well, beating a good Newport team 2-1 and just falling short to a better Bloomsburg team 3-2.

The local school that does have a state championship this decade led by coach

Ann Beckley in 2007 is primed for another deep run through the playoffs. Mifflinburg (12-4) beat Lewisburg 3-0 on Kira Shoemaker's hat trick. They just lost to the District 3 #1 seed Susquehanna 2-1. Lainey Miller had the one goal for Miff. Midd-West (Middle-burg) won a field hockey state title in 1995.

Lewisburg and Midd-West are looking for a repeat of last year's District championship game. The Dragons rolled Southern Columbia 6-0 behind Keegan Crosby's 3 assists and 1 goal and Viktor Permyashkin's two goals.

Midd-West lost for only the second time this year to Central Mountain 2-1. The Mustangs got back to winning in a 3-1 W over Warrior Run. Wyatt Nelson, Jacob Sellers and Connor Stoltzfus all had goals. They had a big test with undefeated Montoursville Wednesday.

For Selinsgrove defense was at the forefront as Seal Xander Goudreau had 11 saves and his Danville counterpart Colin Sauers had 14 in a 1-1 2OT tie. Ryan Toskey had Grove's lone goal. Nick Bisaccia had both tallies in the 2-0 victory over Williamsport. Mifflinburg lost to both Loyalsock 3-1 and Juniata 1-0.

Both the Lewisburg boys (18-1) and girls (19-0) cross-country teams ended their regular seasons as they have all year with Justin Nolt and Baylee Espinosa leading the way. Lewisburg swept a five-team meet in Shamokin. Nolt won by 45 seconds and four other Green Dragons finished in the top-10. Espinosa won by a margin of 44 seconds with four other teammates in the top-8.

Grove's X-country boys went 2-3 and the girls 4-1 in a five-team meet at Central Mountain. Seal Michael Andretta was the boys overall winner by 12 seconds and Matthew Stabila took 8th. Lake Dent 3rd, Ashtyn Lukens 4th and Isabel Clark 5th, paced the Grove girls to a 4-1 meet record.

Midd-West girls went 3-2 in a five-team meet at Central Columbia and the boys went 2-3. Ashlyn Hoffman 2nd and Evelyn Weiser 7th aided the Mustang girls. Grant Boop 3rd and Lyncoln Hoffman 8th finished strong for the Midd-West boys.

Rough weekend on the gridiron last week only to get tougher this week. Shamokin's Marc Persing returned to Lewisburg where he coached 2017-2020 with an 8-0 team that shutout Lewisburg 38-0.

Shamokin's defense controlled the Dragons run game and limited touches to star receiver Jaylen Walker. Freshman Ace Bynum had four catches for 68 yards. Lewisburg gets Montoursville this week.

Midd-West (1-7) lost to Milton 47-0. Milton's first score was on a pick-six that led to a 26-0 halftime lead. Things didn't get any better for the Mustangs as they were dominated at the line of scrimmage. Midd-West travels to Mifflinburg Friday night.

Unfortunately it's not how you start a football game but it's the middle eight minutes of a game that are most crucial. The last four minutes of the first half and the first four minutes of the second half determines the outcome of most games.

Selinsgrove scored the first time they touched the ball. Oddly enough, Grove's next score was the last time it touched the ball. Both involved Brett Rice with an 85 yard kickoff return to start the game and a 77 yard rushing TD to end the game.

In between those two scores, undefeated Hollidaysburg put up 48 points for the 48-14 win. They scored three TD's in the last four minutes of the first half. It only gets tougher for Grove as they travel to Berwick to face another team that has yet to lose this year.

Mifflinburg (6-2) kept it rolling after Larry Murray ran back the opening game kickoff 98 yards for a score. That jump-started a 58-0 halftime lead over Central Columbia and ended up a 65-3 win.

Chad Martin threw the ball just five times but three of them were for touchdowns. The Cats rushed for 317 yards with Seth Hartman gaining 69, Landon Moser 67 and 2 TD's and Hunter Bolick 60 yards and a score. Murray also totaled 98 receiving yards and another two scores.

It's looking like a West coast World Series which I'm sure Fox and MLB don't want. Any questions or comments can be sent to theviewfromhear74@gmail.com or on X @theviewfromhear
