Books, Authors, and a Love of Reading

By Kay Poeth

Britt Delaney, showcasing stories with heart, humor, and heat, posed with Elle E. Kay, a Bestseller Christian Author, as each had intriguing book displays.

On April 11, 2026, Selinsgrove was a book lovers paradise! The Commons was filled with 16 authors chatting with visitors about their books. Several vendors were also on hand for the festivities. The Rudy Gelnett Library even hosted a used book sale. With a range of genres from Christian fiction to horror and thrillers, as well as books for

children, middle grades, and adults- there was something for everyone! The Rudy Gelnett Library in Selinsgrove partnered with Susquehanna University's Build Collaborative, the Borough of Selinsgrove, and the Selinsgrove Area Chamber of Commerce to showcase the first annual Selinsgrove Gelnett Book Festival. By uniting people around their love of books, this festival highlighted the importance of reading.

There were two sets of panel discussions held at the SU Downtown Center. The Creative Space sponsored an all-day children's activity center in the Rudy Gelnett Library. The children's programming was held in the first-floor children's section of the library with storytelling. The following vendors added to the Love of Reading including Susquehanna University Press, Secret Shelf Book Co., Mondragon Books, and Jenna M. Photography & Bookmarks. Secret Shelf Book Co. had books wrapped in brown paper with an intriguing note. It reminded me of a Hallmark movie. Sarajane Snyder from Mondragon Books was busy greeting old friends and making new acquaintances.

Many community members were strolling through town with arms full of books!

WOO Sprints got all Three of Thier Scheduled Shows in at Lincoln and Williams Grove, WOO Late Models Next

Lincoln Speedway had a very successful WOO sprint event on Tuesday, May 5th with 40 drivers in attendance with 16 woo drivers on hand for the event. Michael Kofoid had a nice battle with David Gravel late in the race, till a late race yellow changed thing around. The caution worked in favor of Kofoid, Macedo and Chase Dietz, but Gravel who was leading, had trouble with the dirty air and fell back to fourth at the finish. Kofoid won his fourth WOO series feature of the season while Macedo and Deitz closed in at the end. Danny Dietrich came on strong at the end to place fifth. Nice run for 19-year-old driver Logan Rumsey who had a good time trial and heat race finished, then placed second in the dash, where he started in the feature. Logan hung around the top five all races but fell back to sixth at the finish. Tyler Ross scored a strong run for Pa Posse picking up the hard charger award starting 17th and finishing seventh. Cameron Smith was eight and Kasey Kahne filling in for Anthony Macri was ninth.

Friday night it was off to Williams Grove for the first of a two-day show for the Woo series. Friday night was all about Kasey Kahne scoring his first ever Williams Grove speedway feature winning in the Macri #39M. Kasey, who has a long history of racing with NASCAR, made his first Williams Grove start in a sprint car 26 years ago and just got his first win their Friday night beating Sheldon Haudenschild (who came on strong at the end of the race). David Gravel, Chase Dietz, and Troy Wagaman were in the top five. Daryn Pittman was seventh, driving the Kreitz #69k. The top new story was that Jacob Allen was shutting down his 1A racing team after the Tuesday show at Lincoln leaving Ashton Torgerson without a ride. He is running for the WOO series Rookie of the Year honors. Luck was on Ashton's side as Dave Moody gave up his own team's ride for the weekend so Torgerson could keep up on his points for the ROY title. Ashton will have to come up with something else for this weekend when the WOO series heads to Eldora for a two day show and they are off to Knoxville for another two day show at the speedway located in Iowa. Saturday was the battle between the PA Posse and the WOO series for the Morgan Cup which goes to the winner of the feature. Whether he is a WOO series driver or a part of the PA posse, the trophy is going back with the WOO series to North Carolina as David Gravel scored the feature win on Saturday night over PA Posse driver Justin Whittall and Troy Wagaman Jr. Sheldon Haudenschild was fourth with Kasey Kahne fifth, that is two top five finishes for both of those drivers, along with Gravel, who had a first and third. Troy Wagaman Jr. With his two top five runs take over the Williams Grove points lead, going into this Friday night's show. In six 410-sprint car races run at the Grove so far this year; they have had six different winners. Starting back in March with Lance Dewease winning the season opening followed by Steve Snyder Jr picking up a surprise victory at the Grove in the Heffner #27, the Justin Peck came in from an off night of the High Limit series to score a Grove win. Then, another Mike Heffner car got a victory by Troy Wagaman Jr, followed by Kasey Kahne and David Gravel.

In other Friday night action Big Diamond beat the weather and ran a program that had the limited late models on hand. George Dixon Jr of Shirleysburg scored his second limited win of the season. His first was at Clinton County back in April. Dixon held off a late charge by Andrew Yoder to score the feature win at Big Diamond. Lane Snook was third with Travis Horan, Lucas Adams in the top five. A nice field of 19-drivers were on hand for the show. Duane Howard picked up his 94th 358-Modified feature win on Friday at Diamond, beating Loudon Reimart, Kevin Olenick, Tim Buckwalter and Dom Buffalo. On an "iffy" weather night, the track drew a field of 22-drivers for the Modified race along with eleven Roadrunners and fourteen Xcel 600 Modifieds.

BAPS Motor speedway ran a different type of program on Saturday night calling it a start them all with only feature events begin run for the four divisions on hand for the show. They do this at least once or twice a year and it seems to be a hit with the drivers and fans. The Limited late model class drew the biggest field of cars with 27-schedule to start the feature. Tommy Slanker blew his engine in the time trial format to set the field for the feature so only 26-drivers started the feature. Scott Palmer drove to his second win of the season for the 61-year-old driver out of Greencastle, Pa. Palmer scored the win over young driver Dawson Walls; his second place run this season. Jake Moser, Travis Mease and Sam Rial were in the top five. The super sportsman feature event went to Kenny Edklin, while Jeremy Ott scoring the Legends feature win and Alex Updegraff scored the extreme stock feature win. BAPS will have the 410-sprint back at the speedway for

a Sunday night show. So far this year Anthony Macri, Troy Wagaman Jr, and Chase Dietz have won the last two 410-sprint car features. The 358-sprint will also be in action Cody Fletcher won the lone show the track as run for the 358-sprints so far this year; four other shows are planned for the 358-sprints this year.

Bedford did get another racing show on Friday night, this time for the URC 360-sprints. Davie Franek scored the feature win sixth overall this season after winning five races early in the season in Florida and other South Speedways in a series of races for the UCSC racing group. Franek was followed across the line by Josh Weller, Josh Spicer, Mike Walter of Selinsgrove and Colton Hender-shot. Walter was driving the same number seven that he drove to win last year at Selinsgrove speedway.

The WOO late models will be in action starting this Thursday at Selinsgrove, with a two-day show at Marion Center set for Friday and Saturday and will wrap things up on Sunday with a race at Bedford speedway. The annual Keith Kauffman classic will be run Saturday night at Port Royal for the 410-sprints paying the winner \$15,000. Along with a program for the 360-sprint sanctioned by the Empire Sprint car Series, along with the URC club. With Lincoln speedway off on Saturday looking for close to forty drivers to be on hand in both sprint series events. In four races, Port winners have been Danny Dietrich, Jake Karklin, Ryan Smith and Brock Zearfoss. Here is another show you might want to take this Saturday at Hagerstown Speedway they will be running Limited late models, Crate late models and 305-sprints. The last time they ran this show back in April, it drew a field of 28-limited late models and 19 crate late models and 39 305 sprints, look for close to the same numbers for this Saturday's show. The last time feature winners were Kyle Lear in the limited late models, Trevor Collins in the crate late models, and Logan Spahr in the 305-sprints.

Keith Kauffman Classic Set For This Saturday at Port Royal Speedway; Empire Super Sprints Also to Feature

By Brad Strawser

Port Royal, PA -- The Speed Palace is ready to kick off its huge month of May this Saturday May 16th with the Keith Kauffman Classic. The night will feature the Weikert's Livestock 410 sprint cars alongside the Empire Super Sprint 360 sprint cars. The night is presented by BCI in memory of Jim Bradley.

The prestigious event will pay \$16,000-to-win for the J&S Classics PA Posse 410 Sprint Car presented by Hoseheads.com feature, while the Empire Super Sprints will battle for a \$4,000 top prize. The 410 sprint car A-main purse alone exceeds \$47,000, setting the stage for a blockbuster night of racing.

Thanks to our friends at TC Transport, the purse increased an extra \$1,000 from it's originally scheduled purse advertised weeks ago as the put an extra \$500 on both the 2nd and 3rd place payouts in memory of co-owner Toby Capparelle who passed away unexpectedly on March 10th.

Additional contingency money has also been added to the evening. Heat race winners for the 410 sprint cars will each receive a \$250 bonus courtesy of Wray's Landscaping, B&B Sealcoating, Modern Home Realty, and Big Daddy's Grill & Chill. In addition, the first non-qualifier in the B-main will receive a \$250 award courtesy of AnthonyMacriMerch.com.

Drivers competing for the contingency bonuses must display a special K33 decal during racing activities. Decals will be distributed at the speedway.

This also marks the first appearance of the Empire Super Sprints at Port Royal Speedway. While fans can expect an exciting field of 410 sprint cars, a mix of regulars and new faces will also be turning laps around the half mile on Saturday night.

The school year is winding down and you know what that means. Your team has a chance to make Districts, play for a District championship and see how deep of a run your school's team can make at States or win an individual medal.

I'm not sure we have any local teams that can make a lot of noise at the state level but I can see 6-8 individuals placing in Track and Field. The Mifflinburg and Midd-West softball teams have a very good chance at winning a District 4 title.

The Selinsgrove baseball team is fighting to make the postseason. They spotted Jersey Shore a four run headstart but scored the next eleven runs to win 11-4. Declan Abraham's 3 for 4 with two runs and three RBIs led the comeback.

Once again the Seals came back to win their third straight by plating three runs in their last at bat in a 3-1 win over Shik. Late game heroics at the dish and Reid Kerstetter closing out games on the mound has been working well for Grove. Jayden Benner, Adam Witmer and Andrew Gesumaria all were 2 for 3.

The Grove nine then lost two games to hamper their qualifying for districts. District power Athens moved their record to 16-2 in beating the Seals 2-0. It was a very well pitched game on both sides. Tanner Teats had a double for Selinsgrove who started this week off with a loss at Midd-West. More on that later.

One team that reserved their spot in Districts is Lewisburg even though their four game winning streak came to an end in losing 8-1 to Shik. They followed that up with a 13-5 win over Danville to start their week and extend their season in Districts. Colin Shannon and Landyn Bieber both had two doubles and knocked in four and three runs.

Mifflinburg answered Loyalsock by matching their two runs scored in the third and fifth innings. JP Marr's RBI single in the fourth was the difference in the Wildcats 5-4 win. Marr finished 3 for 3 and also ended the game with a save. Marr came in to relieve starting and winning pitcher Cole Reibsome in the seventh after Reibsome hit his pitch limit. Brennan Snyder scored two runs with two hits.

Mason Schneck and Snyder combined on a two-hitter in the Miff 13-3 win over Hughesville. Snyder and Marr combined to go 4 for 7 with five RBIs. Jack Whittaker was 2 for 3 with a double and two runs and ribs.

There's been a lot of late inning excitement going on recently from our four schools on the diamond. This week Midd-West scored five runs in their last AB to tie Jersey Shore 10-10. The Stangs won the game in the extra inning with just one hit.

Colton Aumiller led off the eighth with a single. Shore got two outs and then walked both Derek Wert and Alex Trojan. Tie game, bases loaded, two outs and Westin Kuhns swung at the first pitch after two walks...? Four pitches later Kuhns got the walk-off walk for the 11-10 win.

Midd-West started this week off with a 9-8 win over Selinsgrove in a game that had huge District ramifications. Aumiller struck out the Seals Abrahams with two runners in scoring position for the win. There were some very questionable ball/strike calls late in the game in high leverage situations. Max Trawitz led Midd-West going 3 for 4 with a double, triple and four RBIs.

Emma Wagner pitched and drove in three to lead Midd-West softball to a 12-0 shutout over Newport. Olivia Dorman was 2 for 4 with a double and scored three runs. Briahna Keister had a double and triple and Ava Yoder drove in four with two hits.

Against Selinsgrove it was Wagner's arm and bat once again in the 10-3 victory. Wagner pounded home runs in the first and second innings and struck out eight Seals in her complete game six-hitter. Six Mustangs had multiple hits including a solo blast from Cali Sauer. Wagner, Dorman and Lia Stoltzfus all had three hits. Grove's Molly Hess was 2 for 3 with a double and Addie Kolak was 2 for 3 with a homerun.

The Lewisburg girls gave up 10 runs in the first inning and fell to Warrior Run 16-1 in four innings. They followed that up with a better showing against a 13 win Bucktail team. The Green Dragon lost 8-6 despite Brinley Haile's 2 for 3 with a homer and four RBIs.

The Mifflinburg girls remained undefeated at 17-0 with a 9-0 shutout over Central Columbia. Avery Reibsome was 4 for 4 with two doubles and two RBIs. Anna Pachucki was 3 for 5 with a double. We all know the regular season is not the problem for Mifflinburg, their issue lies in the post season.

Selinsgrove couldn't hold a 7-4 lead after five innings, giving up six to East Pennsboro in the sixth, losing 10-8. Sadi Bigger had two doubles, Molly Hess was 2 for 4 with a triple and Teagan Richter 2 for 4 with a double and two ribs. Selinsgrove must win two of their last three games to qualify for Districts.

The Selinsgrove boys and girls track and field teams swept Shamokin in coach Brian Catherman's final home meet. Catherman is retiring after 27 years of coaching. Bucknell bound Matthew Stebila had three individual wins to pace the Seals. Stebila took first in the long and triple jump as well as the 300 IH. The girls were led by double winners Gigi Veach, Ashtyn Lukens, Mikayla Martin and Bella Furgison.

Midd-West hosted Mifflinburg and Montoursville in a tri-meet. The Cat's Chace Aikey won all three throws. Midd-West swept the distance runs along with the 1,600 and 3,200 relays. Leigha Wenger won the shot and javelin for the Mustang girls and Miff's Makenna Fogle and Parice Shuck each won two events..

The Heartland Athletic conference held their annual team meet in Bloomsburg last weekend. Lewisburg's Lydia Delsite had a big day in winning the triple jump and setting Lewisburg school records in the long and high jumps in winning her three gold medals. Delsite set the school triple jump record earlier in the season. Of interest to some, Delsite transferred from Moon Area High school this year and still holds the school records at the Pittsburgh area school in the high and long jumps.

The Selinsgrove girls finished in third place behind Lewisburg. Gigi Veach won the 400 and assisted in the 4x400 relay win. Bella Furgison took first place in the shot and discus.

On the boys side, Wyatt Nelson took gold in the 800 and Mifflinburg's Larry Murray won both the 100-meter dash and long jump.

(continued) Selinsgrove Lacrosse continued to dominate as they jumped all over Lewisburg with a 17-2 win. The trio of Nash Fordyce, Ben Bucher and Graham Davis each scored four goals. The girls LAX team won an exciting 9-7 match over Danville with Abby Raymond and Emily Aument scoring four goals each.

Mifflinburg's Landen 'Larry' Murray will take all that speed he has and continue his football career at Susquehanna in the Fall. Murray has been one of the region's better football players in recent years and I'm happy he has decided to continue his football career. SU got a good one.

I thought Aaron Rodgers would have already decided what he was going to do in the fall. Is all this drama over Rodgers worth at best a .500 season and the 19th pick in next year's NFL draft? It's always been all about Aaron and the Pittsburgh brass should realize the best thing to do is let the 42 year old QB go on his weird and quirky way.

You have two young QBs in Will Howard and Drew Allar. Play them both this year to see what you have. If the Steelers only win four games

all year, you will know what you have in Howard and Allar. You will also be picking in the top five spots in next year's draft which is loaded with top QB prospects.

New Steeler head coach Mike McCarthy has already begun the process of rebuilding Allar's mechanics from the ground up. From Allar's footwork to his throwing motion, McCarthy is teaching Drew how to play the position of quarterback. Allar has always had the size, hands and strong arm that you can't teach, he just hasn't had the coaching.

Speaking of changes, baseball has made some rule changes recently and in my mind, for the better. Games are finished in less time because of the pitch clock and starting extra innings with a runner on second base. Major League Baseball also banned the extreme infield shift, three infielders on either side of second base, thinking this would result in more base hits.

The overall batting average this year of .243 is the lowest it has been in the Modern Era of baseball (1901-present). The biggest reasons for fewer hits are faster and more athletic outfielders chasing down balls

hit into the gaps that would have been doubles five years ago. To quote Brewers' Christian Yelich, "We've got all center fielders in the outfield. You don't just stick a slugger in left field and say, 'whatever you catch out there is a plus.'"

Lack of contact hitting, putting bat on ball, is also down. Batters are lifting and pulling the ball more than ever when they do make contact. This is the anti-bunt philosophy that teams would rather try and hit a three-run homer instead of advancing runners with a sacrifice bunt. Think three-point shot in basketball instead of a mid-range jumper for two.

Fewer hits can also be attributed to pitchers throwing instead of pitching. A complete game is rare as so many pitchers throw as hard as they can and turn the game over to the bullpen in the sixth or seventh inning. I enjoy today's game but miss seeing Greg Maddox out there pitching.

Obituaries

Steve D. "Pap" Richard Sr., 65, rural McClure

Steve passed away on Tuesday, May 5, 2026, at his little family farm exactly where he wanted to be.

He was born May 10, 1960, in Lancaster Co., a son of Theodora (Barket) Myers and the late Benjamin Richard. On August 20, 1994, he married the former Ruth A. Kuhns who survives.

Steve worked hard for many years as a construction subcontractor. The last 14 years he enjoyed doing what he loved, having his own little farm. He was proud of the sheep and cattle that he raised. In addition to farming, the light of his life was his grandchildren and great-grandchildren.

If you knew Pap, you learned to appreciate his colorful language. He enjoyed having friends and family for his chicken corn soup he made in the kettle. He also enjoyed hunting and watching his grandkids get a deer, going to the Farmer's Auction on Tuesdays, and going to public sales.

In addition to his wife Ruth, he is survived by five children, two he chose and three he had no choice, Steve D. (Bernadine) Richard Jr., Jeremy B. (Kristin) Richard, Angie (John) Howell, Brad (Ange) Wagner, and Amie (Mark) Bailey; ten grandchildren, Garrett (Kelly) Howell, Kolby Howell, Justin (Terra) Shirk, Morgan (Dezz) Henderson, Jordan, (Abbey) Bailey, Miranda (Josh) Derr, Alaina Richard, Wyatt Wagner, Jaden Wagner, and Hunter (Autumn) Richard; nine great-grandchildren, Brantley, Amelia, Zealand, Laiklee, Gracie, Kason, Remi, Anderson, and Aaren; two sisters, Beth (Robin) Nornhold and Stacie (Rod) Shambach; one brother-in-law, Mike Seitz, and numerous nieces and nephews.

He was preceded in death by one sister, Tracie Seitz; and his step-mother, Gale Richard.

A celebration of life will be held at a later date.

Arrangements are by the Kreamer Funeral Home, 130 S. Zechman St., Beavertown.

Beatrice I. Zimmerman, 97, formerly of McClure

Beatrice passed away on Sunday, May 10, at the William Penn Nursing Center, Lewistown.

Beatrice was born March 16, 1929, in West Beaver Township, Snyder County, a daughter of the late John and Marjorie (Maneval) Kahley.

She was a 1948 graduate of McClure High School.

She had been employed at the Bubb Shirt Factory and another garment factory in Lewistown.

She was a member of Mount Bethel Church in McClure.

Beatrice enjoyed bowling, knitting and crocheting and watching Wheel of Fortune.

Surviving is a daughter, Gloria Kratzer, of Middleburg; three grandchildren, Wayne (Teresa) Kratzer, Shane (Theresa) Kratzer and Nicole (Wayne) Sechrist; 12 great-grandchildren and 23 great-great-grandchildren.

She was preceded in death by a grandson, John Kratzer; and three great-grandchildren, Keithan Sechrist, Dayton Kratzer and Wayne Kratzer Jr.; a daughter, Etta Brown; a son-in-law, Kenneth E. Kratzer; and two brothers, James and Eugene Kahley.

A viewing will be held at 3 p.m. Friday, May 15, at Mount Bethel Church in McClure. Followed by the funeral at 4 p.m. with pastor Tad Schlegel officiating. Burial will be the McClure Union Cemetery. Arrangements by Hummel Funeral Home, 574 Hill St., Middleburg, Pa.

Joseph Lee Erdley, 87, Selinsgrove

Joe passed away peacefully, Friday, May 8, 2026.

Joe was born on April 29, 1939, in Middleburg, a son of the late Milo and Florence (Yerger) Erdley. He started earning money for his eventual first car, as a 12-year-old delivering newspapers on his bicycle. Joe continued earning money working at a gas station until graduating from Middleburg High School in 1957. He served in the United States Air Force from 1957 to 1962 working as a mechanic. Joe worked as an HVAC repairman at Bilger and Sons for 14 years and later worked in

the Maintenance Department at Wood-Mode for 25 years. Following retirement, Joe worked as a shuttle driver part-time for Susquehanna University for 12 years transporting students, faculty, and the President of the university.

Joe's love of cars was demonstrated by the long list of vehicles he owned over the years; a Ford LTD, a Simca, his favorite Chevy Chevelle, plus ten trucks, seven motorcycles, and one snowmobile. Although he was not great at spelling, Joe was very mechanical and enjoyed repairing almost anything. A skilled carpenter, he built just about anything for family and others. Just give him a picture and dimensions, and in a matter of weeks he'd show up with a custom-built shelving unit, bedroom furniture, or country-style crafts. Joe was always happy to share his time and talents.

Joe was the undesignated mayor of any group - at church, in the neighborhood, at work, the hunting cabin, extended family, and any random group of people in any public place. He enjoyed getting to know people, building friendships and teasing people about anything to get a reaction. Later in life Joe carried around a joke list, getting a kick out of telling sorta good and sorta bad jokes. If you know, you know...lol! It was his way of interacting with people and showing them he cared.

Joe is survived by his wife, Connie, married two days shy of 40 years; his daughter, Alesia Foster (Steve), of New Columbia; a son, Tim Erdley, Lancaster; two step-sons, Corey Shaw (Laura), of Chambersburg, and Eric Shaw (Lane), of Cochranville; a sister, Mary Jane Hoover, of Shamokin Dam; five grandchildren; four great grandchildren; his mother-in-law, Bertha (Grammy) Brouse, of Selinsgrove; and three granddogs.

In addition to his parents, Joe was preceded in death by a brother, Charles Erdley; and brother-in-law, Bob Hoover.

A Celebration of Life Service will be held at 2:30 p.m. on Sunday, May 31, 2026, in the Social Hall at St. Paul's United Church of Christ, Selinsgrove.

Donations in Joe's memory can be made to St. Paul's United Church of Christ, 400 N. Market Street, Selinsgrove, PA 17870, designated to Loaves and Fishes.

The family is being assisted by Grenoble's, 121 S. Main St., Muncy.

Pickle led an adventurous life. She loved to travel; her first adventure was driving across the country with her best friend Jean at the age of 21. She was proud to say that she visited all 50 states.

She also became a world traveler. She cruised around the tip of South America, visited Australia, and many European countries. Her favorite trips were to Kenya and Egypt.

As an active member, Pickle enjoyed her friends of Silver Sneakers at the MACC and Silver Splash at the Burnham YMCA.

One of her proudest accomplishments was missing only one election voting from the time she was 21 years old.

Pickle is survived by a daughter, Linda R. Cole; two sons, Tom (Kelly) Rigel and Dan (Kelly) Rigel; stepdaughter, Sally (Barry) Martin; grandchildren Nathan (Lisa Wong) Rigel, Kristen (Rick) Williams, Heather (Steve Garcia) Martin; great grandchildren Madison and Macy Williams and Kieran and Caleb Wong-Rigel; and several nieces.

In addition to her parents, she was preceded in death by her loving husband, Daniel Rigel; a son, Bill Rigel; daughter in law Kim Rigel; and siblings Herman Markel, Harold Markel, and Harriet Wetzel.

"Mom, you gave us everything, and now we will carry your wisdom and love in our hearts, forever grateful for the life you shared with us. In our hearts, you will always stay loved and remembered every day. Your legacy lives on in the love and values you instilled in us."

The family wishes to express a thank you to her caregivers, many friends who often visited and offered her love and support, and a very special thank you to the Geisinger Lewistown Hospital doctors, palliative care, case management, hospice, and especially the third-floor nurses and aids. Your compassion and kindness did not go unnoticed.

Interment will be private at the convenience of the family in Cedar Hill Cemetery, Beavertown, with Pastor Ann Zimmerman officiating.

In lieu of flowers, memorial contributions can be made to Beaver Lutheran Church 18207 US-522, Beavertown, Pa 17813 or the MAC-YMCA, 67 Elm Street, Beaver Springs, Pa 17812.

Shelby "Shelby" Reinard, Lewisburg

After a 13-year battle of polymyositis, Shelby "Shelby" Reinard entered into the arms of her Lord and Savior on May 4th, 2026, at Geisinger Medical Center, Danville.

Born on December 21, 1961, in Lewisburg, she was the daughter of Rachel L. Weader and the late Warren E. Weader. On August 27th, 1983, she married Carl H. Reinard Jr., who survives.

She later worked for Bi-Lo grocery store in Mifflinburg before joining Wal-Mart in Selinsgrove, where she ultimately retired following 20 years of dedicated service.

Shelby's greatest joys were her granddaughter and her two dogs, Bella and Zeus. SUN Tech HVAC Students Host Successful Cruise-In Fundraiser

Students from the Heating, Ventilation, and Air Conditioning (HVAC) program at SUN Area Technical Institute took part in the school's annual Cruise-In event on March 28, combining community engagement with hands-on fundraising efforts.

The Cruise-In, a popular event that showcases a wide variety of classic cars, trucks, and custom vehicles, drew in community members, families, and automotive enthusiasts from across the region. Amid the polished chrome and rumbling engines, the HVAC students played an important role in supporting the event while raising funds for their program.

Throughout the day, HVAC students operated a hot dog stand, serving food to attendees and gaining real-world experience in teamwork, customer service, and organization. The stand remained busy as visitors enjoyed freshly rolled hot dogs while taking in the sights of the show.

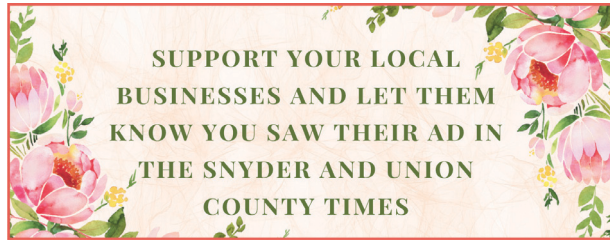

In addition to food sales, the class organized a basket auction, which featured a variety of themed baskets donated by students, families, and local supporters. Items ranged from tools and gift cards to specialty goods, attracting strong participation from the crowd. The auction

provided an additional boost to the students' fundraising efforts.

"This was a great opportunity for the students to get involved outside the classroom," said Natalee Edison, the class president. "They worked hard preparing for the event, and it was great to see their efforts pay off while also connecting with the community."

Funds raised from the event will go to local veterans' organizations from the HVAC program.

The Cruise-In once again proved to be a successful and enjoyable event, highlighting not only impressive vehicles, but also the dedication and initiative of SUN Tech students.

Volunteer Ombudsmen Make a Difference for Residents in Long-Term Care Facilities

Pictured left to right: Beth Shaffer and Charlotte Barrett (volunteers); back row-Amy Foster (Ombudsman Supervisor), Clay Price and Covert Loughhead (volunteers)

April is National Volunteer Month, and the Union-Snyder Agency on Aging, Inc. is fortunate to have 4 volunteers assisting with the Ombudsman program. These volunteers undergo the same training as the paid staff Ombudsmen and serve as advocates for residents in skilled nursing facilities and personal care homes. Volunteer Ombudsmen provide residents with resources, advice on how to resolve concerns about the facility, and offer a voice to residents who aren't comfortable addressing problems on their own. Since July, our volunteer Ombudsmen have donated nearly 120 hours by providing information to residents, conducting facility visits, attending Resident Council meetings, and participating in trainings. Our volunteers work with long-term care residents in facilities in Union, Snyder, Northumberland, Columbia, Montour and Perry counties. For more information on how you can volunteer with the Ombudsman program, please call 1-800-533-1050.

Mid-West To Host Kindergarten Camp

“We here at Mid-West are so excited to begin your child’s educational journey!” state school district officials. The purpose of summer Kindergarten Camp is to welcome incoming kindergarten students to the school and academic routines, while promoting a positive learning environment. Kindergarten Camp provides an introduction to

staff to plan accordingly and arrange transportation, as it will be provided, if you choose.

Haven’t registered your child for kindergarten yet? Please do so as soon as possible. Make sure all kindergarten registration forms have been submitted to your child’s neighborhood school before the start of Kindergarten Camp. Copies can be made at the school office. Call (570)-837-0046. Press 4 for Middleburg Elementary and Press 5 for West Snyder Elementary.

During Kindergarten Camp students will be able to meet all of the kindergarten teachers, encore teachers, title reading teachers, paraprofessionals, and special education teachers. They will make new friends. The goal of Kindergarten Camp is “to build relationships with students and families early on, reduce anxiety and tears on the first few days, and acclimate students to the building and staff without the older students present, and create balanced classes,” explains Principal Brubaker.

According to Middleburg Elementary Principal Sarah Brubaker, “While with us, the children will participate in read-alouds, crafts, letter and number activities, recess, and snack.”

Kindergarten Camp is being held on June 1 and 2 from 9:30-11:45 am each day at both Middleburg Elementary and West Snyder Elementary.

Parents are encouraged to send their child for both days. However, if only one of the two days are possible, parents are encouraged to please send them. Even one day can help with the acclimation process.

At the end of the three days, staff will be creating class lists and parents will be notified who you’re their child’s kindergarten teacher will be over the summer. On August 19, parents and their children are invited to attend Kindergarten Orientation where each family will get to meet their child’s new teacher and visit the classroom.

SUN Tech Computer Networking Class Tours Service Electric

Students in the Computer Networking Technology program recently toured Service Electric Cablevision in Danville to gain firsthand exposure to the technology and infrastructure behind modern communication systems.

During the visit, students observed fiber optic fusion splicing, single-mode fiber termination, and the operation of the company's head-end server and switching room. They also learned about the advanced technology used to provide high-speed internet, cable television, and telephone services throughout the region via a fiber-optic network.

The tour provided students with valuable insight into real-world networking applications and the growing role of fiber-optic technology in today's communications industry.

MAC YMCA Hosts Successful Healthy Kids Day and Annual Raffle

Violet Grace Ortiz was a lucky winner in the free bike raffle!

Middlecreek Area Community YMCA, in Beaver Springs, hosted a successful day of community engagement on April 25 with two events held side by side: Healthy Kids Day and the Annual Ticket Raffle and Silent Auction.

Although the weather was rainy, families still came out to enjoy a wide variety of activities designed to keep kids active, engaged, and smiling. Local organizations played a key role in the day's success, generously sharing their time and talents by offering games, hands-on activities, and interactive experiences. One of the biggest highlights for many young attendees was the chance to snuggle one-week-old baby goats.

The Annual Ticket Raffle opened the prior evening, allowing participants additional time to browse hundreds of items and drop their tickets for a chance to win. The Silent Auction also featured a wide range of offerings, giving attendees the opportunity to secure items while supporting YMCA programs.

As part of Healthy Kids Day, the YMCA offered a free raffle for two children's bikes with helmets, made possible through funding from the Snyder County Commissioners Office.

The Middlecreek Area Community YMCA extends its sincere gratitude to the community for its continued support, including the many donors, volunteers, and bidders who make the annual event possible. Planning is already underway for next year's event, which will also feature the return of the biennial Live Auction with even larger and more exciting items.
