House Fire on Red Haven Drive in Monroe Township

By Fire Chief Christopher Eppley, Hummels Wharf Fire-Rescue

On April 27, 2025, a fire broke out on Red Haven Drive in Monroe Township. (Photo by Hummels Wharf Fire-Rescue.)

On Sunday April 27, 2025, at 2:07 pm, the Hummels Wharf Fire Company was dispatched for a Smoke Investigation in the area of Kratzerville Road in Monroe Township. Chief 73 (Moyer), Engine 70, and Fire Police responded. Central Susque-

hanna Regional 911 advised that the caller was calling Due to the teamwork between all of the fire departments in the region, much of the structure and contents were saved. (Photo by DH&L Fire Company.)

from Kratzerville Road, and saw smoke in the area of what they believed to be Reichley Road. The Hummels Wharf units arrived in the area and began to investigate. At approximately 2:19 pm, CSR 911 advised Assistant Chief 73 that the origin of the smoke was found, that they received 911 calls for a House Fire on Red Haven Drive, Monroe Township.

Immediately the Hummels Wharf units responded to Red Haven Drive, and the full 1st Alarm Fire Assignment was dispatched, bringing in multiple mutual aid companies from the area. Lieutenant 71 (Smith) was the first to arrive on scene, and confirmed a working house fire, with vehicles involved, and spreading into a wooded area adjacent to the home. 2 brush trucks were requested to be added to the incident. Engine 70 arrived within minutes, and, given wind-driven conditions, personnel deployed attack lines to begin suppression efforts to knock down the bulk of the fire on the Delta/Alpha corner (attached garage on ground level with bedroom and common area

on the second floor) of the home, along with the 3 vehicles parked within feet of the structure.

Deputy Chief 72 (Buck) arrived on scene and assumed Command of the incident. Rescue and Tower 80 arrived shortly thereafter and were ordered by Command to perform a primary search of the structure, even though it was reported that the occupants were not home. Prior to arrival of the fire department, a neighbor retrieved the family dog from an exterior basement door. Search crews confirmed the structure was vacant, and interior suppression operations were initiated.

The fire was primarily held to the exterior walls of the garage, and within the walls, knee-walls, and ceiling of the second floor. Wildland teams from New Berlin and Lewisburg contained the fire in the woods, which was held to approximately a 30 x 30 area. The fire was marked under control at 3:02 pm, with extensive over-haul to follow.

Command started releasing mutual aid units at 3:47 pm, with all units being available by 4:42 pm. The Red Cross was contacted on behalf of the family (2 adults, 4 children, 1 dog), and the Fire Marshall was contacted, per protocol. The Fire Marshall arrived at the residence on Monday morning. The cause is still being investigated.

This fire was a great example of the teamwork between all of the fire departments in the region, as so much of the structure and contents were saved. Personnel from Dauntless Hook & Ladder Fire & EMS, Shamokin Dam, Winfield, Kreamer, Freeburg, Fremont, Point Township, New Berlin, and Lewisburg assisted on the scene.

Andrew Yoder Wins at Selinsgrove and Port Royal Speedways

Middleburg's Andrew Yoder scored two wins this past week-end winning in his Limited Late Model at Selinsgrove and Port Royal Speedways. Photo by Debbie Gastelu

Getting his first win of the 2025 season Andrew Yoder of Middleburg, Pa., was all smiles after getting a win at his favorite track Selinsgrove Speedway last Saturday night. He held off a fast charging, Ryan Zook who chased Yoder most of the feature, but settled for second. “We got going there early and I figured if I stayed on the bottom of the track, I would be ok. I had a good start from the outside pole and that was the key to having a good start. I got there a little early, but we were rolling in there pretty fast, the way the track was tonight. I got out front early and got to the bottom and kept going” said Andrew. “I never changed anything I was doing the whole race; I ran a quick pace. I was backing up in the corners a little bit because I did not want to get caught up in lapped cars, and we only dealt with them for a few laps before a caution got us back out in clean air. I knew Ryan Zook was behind me and he is pretty good wherever he races. I knew a win is a win but winning one at Selinsgrove is the best. I grew up around this place spent a number of years racing on the go-kart track, winning is good at some tracks but winning at Selinsgrove never gets old. We run Larry Baer’s stuff in the supers and did not do much limited stuff last year, but with Selinsgrove coming back with more races for both classes, we want to race them all for sure. We are going for a track title in both classes we will see how that goes. That is a great Idea to start, but it might kick us in the butt later. There are a lot of nights we will run in both classes, we placed fourth at Hagerstown, and had another fourth last week, tonight we did not over tighten the car and got the win.

It was a packed pits Saturday night at Selinsgrove with 33-305-sprints 20-URC sprints 18-limited late models and 14 roadrunners, there was not one spot left in the pits and also a nice crowd of fans were on hand for the second show of the season. Derek Locke was declared the winner of the URC race when Jordan Thomas was disqualified for coming up light at the scales after his feature win, not only did Derek win the feature he also received the 358-sprint car bonus for the highest finish 358-sprint car drivers. Speaking of money, Andrew Yoder with his win on Sunday night at Port Royal, earned a total of \$3,500 for his two feature wins. Doug Dodson was the 305-sprint winner, his first win of the year and husband of the Pass Series announcer Stephanie. Brad Mitch made it two for two in the Roadrunner division. He looks to be tough to beat this season. This Friday, Selinsgrove will have a three-division show including super late models, their second race of the year. Reports are is that Dan Stone will make his season debut this Friday at Selinsgrove in his super deuce Longhorn Chassis super late model. The limited late models will have their third race of the year with Coleby Frye and Andrew Yoder scoring wins so far in that division. Ryan Zook who has placed second in both events, looks to move up one spot and get a feature win. Zook and Andrew Yoder are tied for the points lead each with 640 points. Brad Mitch leads the Roadrunners with 700 points, 100 more than Nate Stroup.

The Keith Kauffman classic last Saturday night at Port Royal Speedway went to Ryan Smith for his second win of the season. Now driving the Kreitz #69K, Smith won \$15,000 for the big win. Chase Dietz, Lance Dewease, Anthony Macri and Lucas Wolfe were in the top five. After a two-race weekend last week, they came back with a single show on Saturday with the 410-sprints, Pass 305-sprints and Limited late models. Brock Zearfoss leads the 410- point standings with 1210, 20 behind is Justin Whittall then Michael Walter, 45 behind Gerard McIntyre and Jeff Halligan 50-60 back in the top five. Rick Eckert leads the super late models with 1125; Gregg Satterlee at 1095; Colton Flinner, 1040 defending champ Dylan Yoder 1030 and Justin Weaver 1015. Ryan Zook leads the limited late model with 650; Lane Snook at 645; Casey Steinhoff 610; Brad McGinnis 605 and Keith Walls 580. Sunday, at Port Royal, Ricky Thornton completed his weekend with a second at Georgetown Speedway on Friday and two wins at Hagerstown paying him \$25,000 and another \$10,000 for his Sunday win at Port. Gregg Satterlee of Indiana Pa., did the best of the local drivers with a fifth-place finish, while Rick Eckert of York, Pa. was 10th. Nice field of 35 drivers were on hand for the event.

challenge Joe Whitcomb Memorial that saw Derek Locke of Mechanicsburg, in a 358 taking a win after Jordan Thomas was light at the scales by nearly 20 lbs. Middletown's Doug Dodson picked up his first Keller's Auto Body PASS 305 win at Selinsgrove. Middleburg's Andrew Yoder picked up his first win of the season in the Creekside Auto Sales Limited Late Models presented by Spring Valley Mulch. Beaver Springs Brad Mitch grabbed his second consecutive Superior Homes Road Runner Feature. The United Racing Club made their first trip to the Selinsgrove speedway for the first time since 2023. With the Joe Whitcomb Memorial, Harding, PA Jordan Thomas and Sussex, NJ Davie Franek led the field to the green. The green wouldn't last long in turn one on lap 3 when Chase Moran went around and was collected by Kyle Smith and Randy Wilbert ripping the tail tank off of the rear of Moran's car. Red was thrown due to the fuel spill.

On the restart Thomas would take the lead over Franek and pull away. Lap 8 Thomas was in traffic holding off Franek. Thomas was having an issue getting around the lap car of Will Brunson. Franek would close in on lap 10. Franek took the lead for a second. Thomas would finally get the bottom back and get around Brunson and Franek was having the same issue with Brunson on lap 12. Ryan Taylor of Mertztown would close in to put the top 3 at the halfway point and make his way around Brunson and Will McNeal. With 7 to go Franek would close back in on Thomas with only one lap car to get around before some clearing. Just as the field got the three to go and Franek and Taylor were closing in on Thomas. Dover's Cole Thomas would come to a stop and bring out the 2nd yellow of the event. Joe Kata would also come to a stop with a tire issue.

Single file restart would take place. Josh Weller who was easily the hard charger and restarted in the 5th spot would challenge and right as the leaders took the two to go. Devin Gundrum of Leesport, PA would roll over in turn 3 and 4. Driver was uninjured and the red would come out. During the red Davie Franek would come in with a flat tire and surrender 2nd to Ryan Taylor. A restart would come with 2 laps to go and Jordan Thomas would come around to take the checker flag with Derek Locke taking the 2nd Spot away and Weller getting around Taylor who would fall into the 4th spot. Nash Ely would round out the top 5.

As we arrived in High Caliber Cranes victory lane. It was taken a while for Thomas to come off the scales to claim his third career URC Victory. Word came over the radio that the 7 of Jordan Thomas was light at the scales after 4 attempts and did not clear the scale. Thomas was disqualified and that handed the win over to Derek Locke taking his first career URC Feature win. Becoming the 291st different driver to win a URC Feature. His 3rd career win at Selinsgrove. First since 2018. Locke also took home top 358 honors with his win and bonus money put up by Kratzer Insurance. With Thomas's DQ that would move Haden Miller into round out the top 5.

URC Sprint Cars will be back in action at Selinsgrove on Friday June 6th for the Kramer Kup along with the 410 Sprint Cars and IMT USAC East Coast Wingless 360 sprint cars.

After stalking Kenny Heffner for more than three-quarters of Saturday night's River Valley Builders PA Sprint Series 20-lap feature at Selinsgrove Speedway, Doug Dodson pulled off the winning pass and led the final three laps to capture the IMCA/RaceSaver portion of the track's Joe Whitcomb Memorial night.

Heffner, of Watsonstown, had a chance to return the favor when a late caution forced a restart with two laps remaining, but Dodson, of Middletown, got a strong jump on that final green flag and brought the George Stevens-owned Power Mist Racing Fuels/Down East Granite/Crockett Log Homes #20 home 1.363 seconds ahead for the win.

It was his 10th career PASS victory, but his first at Selinsgrove (he has a super sportsman win there), where he had to beat a strong, 33-car field that included seven winners of past IMCA/RaceSaver events at the track.

Dodson said afterward that, as he was following Heffner, he noticed an issue with the track and the leader's right rear tire, and he backed off his pace to conserve the rubber on his car, waiting for an opportunity when the leaders got into traffic.

That turned out to be exactly what happened: when Heffner slipped out of the rubbered area of the track, Dodson pounced.

“Fortunately, I could get out of the rubber a little bit,” he said. “I had a really good car.”

Heffner finished second after an interesting night in which he started the feature on the pole alongside his car owner Cale Reigle, driving a team car.

Kruz Kepner of nearby Kreamer had his second straight strong run in the young season and finished third, ahead of Mid Atlantic Sprint Series regular Tim Iulig of Bridgeton, N.J., and 2023 PASS Champion Logan Spahr of Lewisberry, who claimed his second consecutive top-five finish.

Completing the top 10 were Drew Young, Timmy Bittner, Mike Melair, John Braim, and Reigle, who has five PASS wins to his credit but hadn't driven since 2022. The Ickesburg veteran said the strong run was “a blast,” enough for him to “call it a career one last time.”

Reigle also had placed second in his heat race. Those competitive events were won by Dodson, Iulig, Landon Price, and rookie Cody Hoover. Jason Roush took the B-Main.

The feature race was run with only one caution, not for a major incident, but the B-Main was stopped early for a frightening flip by Erick Knopp of Danville. Knopp, who had experienced a less serious incident in his heat race, was cut from his racer after complaining of neck and shoulder pain and taken to a local hospital. Fortunately, tests showed only major bruising, and the driver was able to return home. The car was destroyed.

Knopp announced on social media afterwards that he was retiring from racing. The race was the first of 10 the River Valley Builders PASS tour has scheduled for Selinsgrove this year. The tour has added a sponsor for its appearances at the big Snyder County oval, Keller & Sons Auto Body. PASS will return on Selinsgrove on Saturday, May 10.

CreekSide Auto Sales Limited Late Models were presented by Spring Valley Mulch on Saturday Night. Middleburg's Andrew Yoder would take the lead from the 2nd spot. Battle for 2nd was going on between Ryan Zook and Dan Zechman. As the field would complete the lap the 18 of Daniel Condo went around bringing out the first caution of the event.

Restart would come with Yoder taking the lead. Jim Yoder would try to find his way around Zechman for the 3rd spot. Zechman would hold on to 3rd for the moment. Late Jim Yoder would come up a little slow off the corner and allow Casey Steinhoff to close in on him.

Lane Snook, who had a fast car last week before the front end broke. Would make a charge through the field up into the top 5 with a 3-car battle with Jim Yoder and Steinhoff. With 5 laps to go Snook would spin himself around after taking the 5th spot away and brought out the second and final caution of the night. Meanwhile, upfront Andrew Yoder would continue his dominance in the feature event. After having carburetor troubles last Friday during his MAPCO Engines Hard Charger run. Yoder would get out front and not look back collecting his first Creekside Auto Sales Limited Late Model presented by Spring Valley Mulch feature of 2025 at Selinsgrove. His 13th win at the track. Zook would get 2nd. Zechman, Jim Yoder and Casey Steinhoff rounded out the top 5 “Starting the 2nd I was thinking that's good.” Andrew Yoder said in High Caliber Cranes Victory Lane. ” But when I saw the 360s get latched down on the bottom. I didn't think 2nd was the place to be. I got a good enough start. Try to squeeze (Dan) Zechman on the bottom and beat him in to one and that's all it took”

Yoder also took home a \$25 bonus from the York County Racing Club for being a member and taking home the victory.

Next CreekSide Auto sales Limited Late Model Event will take place This coming Friday May 2nd.

Final feature of the night would be the Superior Home's Roadrunners. 14 Road runners on hand to try and knock off Brad Mitch of Beavertown. A special guest was on the call of the Superior Home Road Runners main Event Petr Theriault, a freshman at nearby Susquehanna University was on hand the last two weeks to shadow announcer Bert Wojcik while studying Sports Broadcasting and has done a fantastic job covering the road runners. On the start Aiden Mitch would take the lead over Keith Bissinger. First caution would come out as Roy Miller would spin around, He would continue.

On the restart Father Brad Mitch would take the lead from the younger Mitch. Jake Jones would take 2nd spot away from Aiden Mitch. Brad Mitch would stretch the lead out to over half a straight away by the halfway point of the feature. Caution would come out as the 17 of Austin Webster goes around in turn 4. During the caution 2nd place Jake Jones would come in and call it a night with a mechanical issue. That would move Aiden Mitch back to the runner up spot. On the restart Brad Mitch would have no issue once again putting distance on the field. Aiden Mitch would get loose in turns 1 and 2 and lose 2 spots to Keith Bissinger and Nate Stroup. Tom Underwood would wreck down the front straightaway having his hands full trying to keep the car out of traffic. He would but it would bring back out the yellow flag. Back Under green Aiden Mitch would try to close in on his father. But entering turns 1 and 2 he would go around and the caution would once again fly. Keith Bissinger would take the 2nd spot back and get passed by Stroup for the 2nd spot. Meanwhile Brad Mitch would go back-to-back to open the season for the Superior Homes Road Runners for his 33rd career victory Stroup would hold on to 2nd. Matt Ney would get around Bissinger for the 3rd spot and Bissinger would settle for 4th. Tom Underwood would round out the top 5.

“It feels great,” Brad Mitch said in victory lane. “Car was good. Cautions really hurt. I couldn't figure out what to do for the last 2 laps. I saw my boy spin out and he's doing a great job. I know a lot of people say that this is a pro stock. I can tell you it's legal. You got to take care of your cars. Your job is to come figure out how to beat me and when you do. It's not going to last long as we're going to figure out how to take it back.”

Superior Homes Road Runners will be back in action this Friday May 2nd.

Selinsgrove Speedway Would like to thank once again Hilley Ridge Sales and Service and Spring Valley Mulch and York County Racing Club for Sponsoring the Joe Whitcomb Memorial night

Next event at the Selinsgrove Speedway will be this coming Friday May 2nd, 2025 with the second event for the Selinsgrove Ford Super Late Models, Creekside Auto Sales Limited Late Models and Superior Homes Road Runners.

Before we get to the Shadeur Sanders story I would like to address a very troubling incident that went mostly under the radar last week. The NCAA, an incompetent and feckless organization that oversees college athletics penalized Fordham University's men's basketball team. What Fordham did pales in comparison to what bigger schools have done in the past and the penalty did not fit the crime.

Fordham provided about \$10,735 in entertainment to eight recruits. This included jet ski rentals, tickets to Nets and Giant games, US Open tickets and professional photos on the Empire State building. No bags of cash provided by Adidas! All Level 2 infractions in the NIL era. Kansas basketball, a blueblood for sure, were charged with improper recruiting practices and cash payments to players before it was legal with NIL. There were five Level 1 charges that were all downgraded to Level 2 and 3. I am pretty sure the total money given to players was way north of \$10,000.

Penalties for Fordham are 3 years probation, vacate 41 wins, recruiting restrictions and a \$35k fine plus 2% of their basketball budget. Staff members involved in the situation had all left the program before the NCAA handed down these overzealous fines. In comparison Kansas was placed on 3 year probation, vacated 15 wins, \$5k fine and 1% of basketball budget. Coach and Athletic Director are still there. Kansas did spend \$10M to defend the charges against them.

That's the rub. The NCAA is a classic cartel and will not punish the big schools for fear of the major conferences leaving the NCAA and starting their own organization and taking March Madness with them, the cash cow of NCAA income. Fordham and other similar programs will continue to be the scapegoats of the NCAA.

All the pre-draft help didn't help Shadeur Sanders as he fell to the Cleveland Browns in the fifth round. I've heard many reasons why ... too arrogant, a distraction with Prime as his father, stating there were teams he would not play for if drafted by them. I cannot understand why the Browns took him after selecting another quarterback fifty picks earlier. I hope Steeler fans are going to be happy with Aaron Rodgers because he is coming to Pittsburgh.

I know I'm old school but all these digital numbers in baseball are too much. Exit velocity, launch angle, chase rate, FIP and BABIP? Pitch the ball, hit the ball and catch the ball is all I need. How do announcers know if a pitcher threw a 4-seam or 2-seam fastball? Great pitching will always beat great hitters. Perfect example of this was the Pirates Paul Skene's dominating the LA Dodgers last week. The permanent ban on Pete Rose will be lifted so he can be voted on for election to the Hall of Fame...

long overdue.

There are two teams I don't want to face in Districts if they qualify. Both the Mid-West softball and baseball teams can and have competed well with the better teams in District 4. The boys beat Milton 16-13 with Kyle Shupp's two doubles and 5 ribs. Braxton Smith continues in the zone going 3 for 4 with a dinger and 5 runs and 5 Rbi's. They lost to a tough Danville nine 8-7 and Smith had another homer and double. They lost 17-8 to Central.

Miley Beachel continues to be a Wildcat slayer. In two games against the Lady Cats Miley has 35 K's and the same number of hits as the entire Miff squad. Her solo round-tripper was the only run scored. They split a twin-bill with Troy winning 3-1 with Emma Wagner's two run double in the sixth and Beachel's 8 strikeouts leading the way. They were no-hit 15-0 in the nightcap.

Lewisburg girls softball gave up 16 runs in both losses against Shamokin and Central. A Meg Mitchell single against Central prevented a no-no. The 4-0 lead heading into the bottom of the second inning woke up the Indians as they scored eight runs before their next six outs leading to a 16-6 win. The baseball team treaded water losing 8-1 to Montoursville. The eight errors did not help. Cohen Hoover's two hitter and four runs scored led the Dragons over Milton 12-2. Garrett Glathar added two runs and three ribs.

Four runs in the sixth doomed Miff baseball against Williamsport in a 7-2 L. Catcher Jaden Boyer was 2 for 4 with a double. The Lady Cats should have saved some runs and hits from a 17-2 win over Milton that had won four straight. Anna Pachucki was a homer away from the cycle. Amelia Fluman had three knocks and 3 runs with 2 ribs. Aly Keister was 2 for 2 with a triple and three runs and Rbi's. Pachucki's double prevented a no-hitter against Midd-West.

Grove girls continue to struggle in losing 13-8 to Shik, 19-18 to Shamokin and 19-7 to Danville. Sadie Bigger and Brooklyn Cherry each had two hits against rival Shik. 37 runs, 37 hits and 8 errors made for a very long game. There's a saying on the diamond that you never make the third out at third base. Bigger tried to stretch a double to a triple and was tagged out to end the game. Four long flies were too much despite a 10 hit attack from Grove against Danville. The boys lost 11-2 to Shore as deuces were wild with Jake Beddall. Jake had two hits, two doubles and scored two runs in the loss.

Track & Field had some records set. Mid-West's Ben Hummel took gold in the 800 and 3200 against Central. Lewisburg boys and girls stayed undefeated beating Danville. Jon Hess and Haneef Shavers each won three events. Emma Bolton took the 110 hurdles and high

jump. Caroline Blakeslee sprinted to wins in the 100 and 200 at the Lock Haven Invitational.

Selinsgrove lost their first track meet of the year to Williamsport. Wyatt Teats won the 400 and pole vault. Bella Ferguson covered more distance in winning the shot and discus. Tip of the hat to Chace Aikey in setting the Mifflinburg school record in the discus. Chase took first in all the field events in a loss at Hughesville.

Danville broke Lewisburg boys tennis 43 match winning streak. The Dragons can get their revenge against Danville when they face them on Tuesday in the District semi's.

As always, any suggestions and questions are welcomed at theviewfromhear74@gmail.com Until next time enjoy the weather and NBA playoffs Ron Bolt

George K. “Beebop” Wagner, 92, McClure

George passed away on April 25, 2025, surrounded by his family. Born on May 22, 1932, in Bannerville, he was the son of Frank S. and Rosie C. (Krepps) Wagner. George graduated from McClure High School in 1950, winning the state soccer championship his junior year. He served in the U.S. Army in Germany from 1952-1954. George was a lifelong member of the Bannerville Church of the Brethren.

George married Janie Wagner on Nov. 21, 1952. They spent 72.5 years of unwavering love and devotion, and he joined her in heaven just 45 days after her passing in March. After a brief stint at Standard Steel, George quickly decided he would not spend his life working for someone else. He founded Feather Heaven Farm near the Village of Wagner, literally building his successful poultry enterprise brick by brick with his bare hands. Over the decades, he employed hundreds of locals, earning a storied reputation as a fair, honest, and hardworking entrepreneur, and to many, a lifelong friend. George also built the beloved stone house that he and Janie called home for most of their married lives entirely by hand. There wasn’t anything he couldn’t design, engineer, build, fix, or rig on his own. George believed that you could achieve anything you set your mind to and lived by this philosophy every day.

George and Janie experienced the world together. George loved to share his stories from the outback of Australia, hitchhiking around Alaska, or month-long family road trips in their Airstream. They spent over 30 years as summer residents of Otter Creek, ME, cherishing their second home and welcoming visitors. George lived a life filled with creating memories and adventure.

Family and friends were George’s greatest love. Nicknamed “Beebop” early by his grandson, he proudly displayed his Beebop license plates wherever he went. For Beebop, everything came back to family.

George was preceded in death by Janie, nine siblings, and his daughter-in-law, Laurie ‘Doty’ Wagner. He is survived by his children, Michael S. Wagner (Pamela) of Selingsgrove, and Lisa Kay Wagner of McClure; grandchildren, Andrew M. Wagner (Brittany) of Williamsburg, VA, and Amanda Bryan of Lewisburg; great-grandchildren, Audrey Wagner, Evan and Alex Bryan; sister Shirley M. Grubbs of Carlisle; close family friend Kathleen Vollmer, and several nieces and nephews.

George was known for his jokes, always ready to spread happiness. In his memory, we leave you with his favorite: “Have you heard the joke about the jump rope? Just skip it.”

A viewing will be held from 3 to 4 p.m., Saturday, May 3, 2025, at Bannerville Church of the Brethren, followed by a funeral service at 4 p.m. Pastor Jeffrey Snyder will officiate. Interment with full Military Honors will take place at Bannerville Church of the Brethren Cemetery.

Arrangements are under the care of Heller- Hoenstine Funeral Home. In lieu of flowers, memorial contributions may be made to Bannerville Church of the Brethren, 7502 Stage Road, McClure, PA 17841. Online condolences can be offered to the family at hellerhoenstinefuneral-home.com.

Girl Scout Gold Award Ceremony for Madyson Reich & Allison Cramer

By Kay Poeth

On April 12, 2025, a Girl Scout Gold Award Ceremony was held to celebrate the achievements of Madyson Reich and Alison Cramer, both of Troop 61281, for earning this prestigious award. The ceremony, held at Zion Evangelical Lutheran Church in Selingsgrove, was witnessed by family, friends, and the Scouting community.

The mission of the Girl Scouts is to build girls of courage, confidence, and character to make the world a better place. During the ceremony the scouts recited the Girl Scout Law: I will do my best to be: Honest and fair, Friendly and helpful, Considerate and caring, Courageous and strong, Responsible for what I say and do, And to respect myself and others, Respect authority, Use resources wisely, Make the world a better place, And be a sister to every Girl Scout.

For her Gold Award project, Madyson Reich updated existing Calm Down Centers, places for students to decompress and relax before stressful situations escalate, and created new centers at West Snyder Elementary and Middleburg Elementary. She provided fidget toys, activity books, and other sensory items to help students stay calm. Her project will continue as the materials are now a permanent part of the schools.

For her Gold Award project, Allison Cramer partnered with members of the Bureau of Forestry. She built and installed a bench and provided tree, plant, and animal identifications, encouraging park visitors to rest, relax, and enjoy a local trail. Her project will be sustained as the improvements are now a permanent part of the park.

"Being these two girls' Leader for 12 years, I have seen them accomplish many goals and awards, but this one is extra special as a Leader. As a Gold Award Scout myself, I know the dedication these two put into their projects and the possibilities are endless as their adult lives begin," said Jessica Reich.

According to the Senate citations presented by Sen. Lynda Culver, the Girl Scout Gold Award "symbolizes outstanding accomplishments in the areas of leadership, community service, career planning, and personal development."

"It was an honor to participate in the Gold Award Ceremonies and to witness Madyson and Allison being recognized. Over the years,

it has been amazing to see both of them grow into such accomplished adults," noted Snyder County Commissioner Chuck Steining. "While these achievements are always special, seeing Madyson and Allison earn this prestigious award, which only about 5% of Scouts achieve, feels particularly significant. They both developed a strong foundation for becoming great citizens and leaders."

The Gold Award is the highest achievement within the Girl Scouts of the USA, earned by Senior and Ambassador Girl Scouts. By using everything they've learned as a Girl Scout, Gold Award Girl Scouts address pressing issues in their communities and create sustainable change to make the world a better place. It involves a minimum of 80 hours to problem-solve, plan, and implement ideas.

The Gold Award process not only enables girls to help their communities, but also provides tangible benefits as they grow as individuals. Nothing beats that feeling of seeing real, lasting, and sustainable change and knowing it was you who made it happen. It changes the way you see your place in the world—and how the world sees you. By going Gold, girls build professional skills, earn scholarships, build their network, and for those interested in serving their country, are able to enlist at a higher pay grade when they join the military.

"The future of our community is bright because of young people like this. Congratulations to Madyson and Allison and their parents on these achievements!" said Rep. David Rowe.

StoryWalk Returns to East Snyder Park in Selinsgrove

By Kay Poeth

StoryWalk has returned to East Snyder Park thanks to the efforts of The Friends of the Gelnett Library. Stop by and enjoy a reading stroll of “Sheep Take a Hike.”

books have a theme such as kindness, anyone can make a difference in someone’s life, a love for nature, accepting differences, and more. After reading the StoryWalk selection, the child and caregiver might even want to visit their local library!

Created by Anne Ferguson and developed in collaboration with the Kellogg-Hubbard Library in Vermont, StoryWalk has spread to all 50 states and 12 foreign countries since its inception in 2007. The Friends of Gelnett Library intend their StoryWalk as a “gift” to the young children in the area.

StoryWalk has returned to East Snyder Park thanks to the efforts of The Friends of the Gelnett Library. What a great way to combine reading with a walk around the park!

The purpose of StoryWalk is to provide early literacy opportunities to young children, an introduction into the joys of reading and a love of books. As children, and those who accompany them, walk around the playground, they can read the storybook pages. They can then discuss the text, examine the illustrations, and reread all the fun parts together. Many StoryWalk

For the Spring, the StoryWalk selection is “Sheep Take a Hike” by Nancy Shaw. Written in poetry form, the story follows a group of sheep who take a hike, lose their way, but are guided home by the wool they’ve unintentionally left on trees and shrubs along their way. The illustrations by Margot Apple should delight young children as much as the story, itself.

This StoryWalk will remain in place until early summer when a new book will be selected. Even if a child has listened to the story of “Sheep Take a Hike” previously, they enjoy hearing it again and again and again! Located just off Route 522, Selinsgrove, East Snyder Park houses “Everyone’s Playground.” StoryWalk is posted on the fence surrounding it. Stop by and enjoy a reading stroll!

Middlecreek Area Community YMCA to Host Healthy Kids Day and Community Auction Event

The Middlecreek Area Community YMCA (MAC Y) is excited to announce a day of fun, family, and fundraising on Saturday, May 3, as it celebrates 23 years of service to the community with Healthy Kids Day and a Chinese, Silent & Live Auction extravaganza!

Festivities kick off at 9:00 AM with the ALL-FREE Healthy Kids Day, offering a jam-packed lineup of kid-friendly activities including pony rides, fire trucks, kids’ games, hot dogs, local vendors, and so much more. It’s a great opportunity for families to come together, enjoy the outdoors, and learn about the importance of healthy living.

In conjunction with Healthy Kids Day, the MAC Y will be hosting three exciting auctions throughout the day:

Chinese Auction

Fun for the whole family! Browse over 500 items and gift certificates and place your tickets on the prizes you hope to win. Tickets can be purchased at the MAC Y Friday, May 2 from 5–9 PM and allday Saturday, May 3. Winners will be contacted Monday, May 5.

Silent Auction

Featuring over 120 high-quality items, including gift cards, themed gift baskets, children’s items, and hand-crafted home décor. Silent bidding begins Friday night, May 2, from 5–9 PM and continues Saturday starting at 9 AM. Be sure to obtain your bidding number from the front desk before placing your bids. Winners will be announced Saturday evening during the Live Auction.

LIVE Auction – Starts at 7:00 PM

Doors open at 5:30 PM with appetizers and bidding begins at 7PM with Ken Hassinger Auctioneer leading the bidding action. A fantastic array of goods and services will go under the gavel including a walleye fishing trip to Lake Erie, family summer fun packages, and a curated selection of remarkable pieces. Be sure to pick up your copy of the LIVE Auction Booklet—available at the MAC Y front desk—to preview items and plan your bidding strategy.

“Keys for Cash” Giveaway

In celebration of 23 years, the MAC Y is giving away three cash prizes—\$23, \$230, and \$2,300! Only 400 keys are available for distribution, and three lucky winners will unlock the cash during the LIVE auction. Only one key per person, and you must be present to win!

Join us at the MAC YMCA for a full day of community, celebration, and excitement—while supporting programs that enrich lives and strengthen families.

Women of Mifflinburg” for a walking tour in Mifflinburg Cemetery as you hear the tales of the past. Hear stories of little-known women who, in their own ways, made contributions to the arts, medicine, businesses, community and religious organizations, and even the suffrage movement! The walking tour will leave promptly at 1pm on Saturday, May 10 and Sunday, May 25 from the Elias Performing Arts Center. The tour run approximately 60-70 minutes.

Mifflinburg Cemetery is located on Quarry Rd and Rt 304 south of Chestnut St on a beautiful hill-side overlooking the town. Cost is \$5 and all proceeds benefit the Union County Historical Society. For more information, contact:msulliva@pct.edu.

West Snyder Rotary Hosted Egg-citing Egg Hunt

By Kay Poeth

Congratulations to the lucky winners of the 64th Annual Easter Egg Hunt hosted by the West Snyder Rotary. Pictured here are: Simon Tirado; Easter Bunny, aka Todd Benner from East Petersburg; Gabin Whitenight; Vivian Guyer; Monroe Zeigler, with her mother behind the Easter Bunny; and Rylee Brunson.

Congratulations to the winners of the Poster Contest. Earning First place honors was Alivia Masden. Her father, Cody, holds his cell phone to facetime the presentation and receives the poster for Alivia. Kudos to 2nd place winner Bailey Dearment and 3rd place Magdylan Perkins, not in attendance.

The fourth graders from West Snyder Elementary were involved by creating posters for the Egg Hunt. The club recognized their efforts with a contest and awarded the winners Sacagawea dollars at a West Snyder Rotary Club meeting to show how much the club valued their creativity. The winning posters were laminated by the Elementary School and were also given to the winners at the club meeting. The remaining posters were distributed in local businesses in the community as an advertisement.

Unfortunately, first-place Olivia Masden was ill and could not attend. Thanks to technology, her father Cody was there to there to face time his daughter so she wouldn't miss the presentation. He held his cell as she listened to the applause of the Rotarians. Kudos to second-place winner Baily Dearment and third-place winner Magdylan Perkins.

The West Snyder Rotary Club is an active, service organization that strives to help in the community. The West Snyder Rotary Club meets on every Tuesday night at Vince's Pizza in Beaver Springs from 5:45 to 7:00 pm. For more information, contact Rotary President, LaMar Troup, by calling 570-658-3151.

Selinsgrove Area High School Class of 1974's 50th Class Reunion

On June 4, 1974, members of the senior class at Selinsgrove Area High School donned caps and gowns and, in front of family and friends, completed their high school careers.

Fifty years later, on a beautiful early October weekend in 2024, they gathered to begin a 3-day long celebration of this momentous occasion.

No better way to start the festivities than by watching their Seals take on long-time rivals the Shikellamy Braves for the 2024 homecoming game and Friday Night Lights festivities. Classmates filled the bleachers of the Harold L. Bolig Memorial Field and received a congratulatory shout out or two throughout the evening. Members of the 1974 Homecoming court, football team and devoted fans were in attendance.

A number of classmates decided to take advantage of the Seals victory over the Braves and continue the celebration at the Axemann Tavern in town after. Many marveled about how much things on Market Street had changed over the last 50 years but still remained the same idyllic community they had called home and many still do.

The following morning, on Saturday Oct. 5, a group of classmates gathered on the lawn of SHS for a tourled by superintendent of schools Dr. Matt Conrad. As we walked the hallowed halls of our alma mater these many decades later, 50 years of changes left us speechless. But it didn't take long for the box of memories to become unlocked as we chatted, reminisced, and told stories about our beloved days in those halls and classrooms. While everyone had a different story to tell, we agreed that despite all of the changes, the constant seemed to be the old auditorium (though the side door no longer leads to the old oak tree) and very elderly seal mascot, though now old and gray, still in its case at the entrance of the old gymnasium.

A few of our classmates skipped school that morning and headed to the links at SVCC for a round of golf. Where was Mr. Lewis the truant officer when we needed him?

On Saturday evening Oct. 5 we came together and welcomed classmates and some guests for the main event at the VFW in Selinsgrove. The highlights of our event included honoring 3 of our beloved teachers; Janet Shuman, Joe Herb and James Rutkowski.

Classmates in attendance included: Thomas Adee, Randy Arnold, Dirk Aucker, Rick Bailey, Warren (Buddy) Baker, David Becker, Lori Bogar, Susan Boop, Michael Bordner, Jayne Bottiger, Gary Bortz, Patrica Boynton, Gregory Brouse, Darla Brown,

Debra Clifford, George Conrad, Diane Eiswert, Douglas Eroh, Karen Fisher, Marie Fisher, Joni Fisher, Susan Forster, Sharon Frits, Brenda Gaugler, Karen Gehman, Lonna Gordon, John Grubb, John Handiboe, Tim Hendricks, Sherry Hoke, Patsy Hood, Kenneth Kantz, Dennis Keller, Robert Kerlin, Joseph Klein, Randi Kline, Patti Kline, Susan Leitzel, Cynthia Lenig, Ellen Roush, Wendy Roush, Brandy Stuck (widow of Richard Savidge), Roderick Savidge, Desiree Scholl, Walter (Rusty) Schrey, Donna Shaffer, David Shaffer, Sharon Shaffer, Carol Sigafoos, Kathy Smith, Leigh Ann Soper, Lois Stahl, Patricia Swank, Susan Thomas, Randall Treas, James Trevitz, Jeffrey Ulrich, Cathy Vance, Robin VanHorn, Randy Walter, Susan Weirick, Tawyna Wilhour, Michael Wolfberg, Patrick Yearick. While unable to attend the Saturday evening event, classmate Beth Ann Rhoads was able to join us for our tour of the high school Saturday morning. Other recognitions included classmates who traveled the distance (from the far point of Phoenix, AZ), most grandchildren (a dozen), longest married (high school sweethearts who stood the test of time at 50 years) and other honors that brought smiles to our faces.

On a more somber note, 41 classmates who have passed since graduation were also honored at a respectively designed memorial table. Each name was read aloud in spirit by classmates Susan Thomas Treas and Patti Kline Miller along with a beautifully presented prayer by classmate Susan Boop Walter. Deceased classmates were further honored by the individual ringing of a memorial bell both before and then again at the end of the readings.

The camaraderie and laughter abounded throughout the evening. Pictures, stories, and hugs were shared, and a vow made to gather annually in our senior years.

The weekend closed on Sunday morning as we met up at the Pump House in Selinsgrove to say goodbye, share more hugs, exchange contact information and again, a vow to stay connected.

The 12-month journey to begin planning for our memorable event started in the fall of 2023 and included all of those who helped organize, locate classmates, find a venue, address and stuff envelopes, marketing duties, banking, decorating, photography, and follow up.

Many thanks to our special village who gathered throughout the year:

Susan Thomas Treas, Marie Fisher Mull, Wendy Roush Feldman, David Stroup, Michael Wolfberg, Randy Treas, Warren (Buddy) Baker, Gary Bortz, George Conrad, John Handiboe, Rod Savidge, Jeff Ulrich, Robert Kerlin, Susan Weirick Turbitt, Patti Kline Miller, Susan Boop Walter, Patsy Hood Holmes, Brenda Gaugler DeWire, Sherry Hoke Vickery and Cathy Vance Ulrich.

The class looks forward to gathering again in the summer of 2025. A special thanks to David Stroup who has offered use of his cabin along Middle Creek for the classes' annual gatherings.

The Fish Were Biting at Youth Fishing Day

By Kay Poeth

Congratulations to the prize winners in the Annual Youth Fishing Day event hosted by The Iron Bridge Trout Stocking Group.

Dawson Weller, 4, and sister Audrey are all smiles as they stand behind their prize-winning catches at the measuring table during Youth Fishing Day.

Jaxon Northrup, 9, poses with a tagged rainbow trout at Youth Fishing Day at the Iron Bridge.

Young anglers lined Middle Creek near Middleburg VFW Post 5640 for this year’s Annual Youth Fishing Day. Hosted by The Iron Bridge Trout Stocking Group, the event promotes youth trout fishing in our community. Two weeks ago, it looked like yet another cold, wet, and windy April weekend. But through a lot of wishes and good fortune, it turned out to be the best youth fishing weather since the start of the annual event in 2008.

On Friday, April 18, 2025, both children and adults carried buckets of trout including many golden rainbows (commonly known as palominos) to stock Middle Creek near what locals refer to as the “Iron Bridge,” now a modern concrete span. According to Lee Shamory, who helps his son Brett coordinate the event, “In addition to the corporate sponsors, dozens of local residents donate to the fund each year. Middleburg Moose Lodge # 1229 has again made a sizable donation to this year’s event and we can’t thank them enough. The funds raised will allow over 350 trout to be stocked over the two (stocking) events this year.” Stocking was provided by Cedar Springs Trout Hatchery.

Saturday, April 19, Dick Kuhns, the official measurer of each catch, blew his whistle at 8 am to kick off the event. Some waded into the creek, while others fished from the banks. Food and fun galore was enjoyed by dozens of area youth and their family members. David Attig assumed

the challenging role of master chef at the barbeque grill preparing hamburgers and hotdogs. David’s wife Leslie provided chocolate chip cookies and Brett’s brother Craig helped their mother Diane make fruit salad.By the end of the event, nearly all the food and drinks were gone!

A total of \$220 in prizes was awarded to several lucky young fishermen ages 16 and under. Prizes were awarded for the longest trout (3 prizes), any tagged trout, and any other trout caught within sight of the bridge. “You catch...you win!” was the slogan for the 8 am-noon event.

As participants registered upon arrival, there were many familiar faces, including Lilly Sampsell, age 13. Dick remembered how she had caught a giant golden rainbow trout several years ago. She was 6 years old at the time and has returned for the event almost every year since.

Jaxon Northrup, age 9, was the first angler to log his catch at 8:05 am.Dick measured the hefty rainbow trout at an even 15 inches. It wasn’t long before last year’s top anglers, Ridge and River Zechman, ages 14 and 11, each brought in their first trout to be measured. Both logged 5 trout before noon, including the first tagged trout of the event, a 12-inch rainbow, caught by Ridge. Shortlyafter, 9-year-old Brynley Shamp, brought in an entire limit of trout, including a 15-inch golden rainbow.

Things had just begun to slow down at the measuring station, when suddenly Dick Kuhns’ jaw dropped. Here comes Dawson Weller, age 4, and his younger sister Audrey, with their dad carrying a stringer of rather large trout, including a tagged 20.5-inch rainbow and two tagged 19-inch and -20-inch brown trout. It wasn’t clear who had the bigger smile, the boy angler or the elder measurer!

Of course, each year has its humorous incident.This year, one youth angler found an unusual prize at the end of their line, a large bullfrog. You had to see it to believe it!

Every year the current owner, John Kauffman, graciously opens his property for fishing. A monument on Kauffman’s property dedicated in 2012 pays “tribute to the Iron Bridge and to all the fishermen who are here today and also who are in our hearts and memories. Have a great day fishing!”

Over 43 youngsters participated in the Youth Fishing Day in hopes of being winners. Sixteen young anglers hooked at least one trout. A total of 42 trout were caught on Saturday including 7 of the 31 trout that were tagged by the hatchery.

Congratulations to this year’s lucky Youth Fishing Day winners. Prizes were awarded to Audrey Weller for 1st place for the longest trout, and to Dawson Weller for the 2nd and 3rd longest trout. Lucky anglers to also win a prize for catching a tagged trout include Audrey and Dawson Weller, Ridge Zechman, Jaxon Northrup, Brynley Shamp, and Preston Aumiller. Ten other youth anglers also were awarded prizes for each trout they caught.

The next stocking will be held on Saturday, April 26 around 1:30 pm, open to everyone in the community, just no prizes other than what you catch. Participants can enjoy carrying buckets to the creek, with fishing immediately afterwards allowing any children ages 16 and under priority access for fishing that afternoon.

“I believe trout fishing has a future, especially if we can do our part to hook a few more kids on the sport that might not have otherwise. With your continued support, we hope to keep this tradition alive,” said Brett Shamory.

Supporting Head Start

As part of restructuring made by the Department of Health and Human Services, Office of Head Start Regional Offices have been consolidated from 10 regional offices to five; closing offices in Boston, New York, Chicago, Seattle, and San Francisco, effective April 1, 2025.

SUMMIT Early Learning is in Region 3. Region 3 is not one of the 5 regional offices being closed. SUMMIT's region is not affected. SUMMIT offers multiple other programs in addition to Head Start and Early Head Start.

In an excerpt from a letter sent to grantees from the new Deputy Assistant Secretary for Early Childhood Development, Laurie Todd-Smith, Ph.D., she states, "The Office of Head Start (OHS) staff remain fully committed to supporting Head Start grant recipients and the important work you do to serve children and families across the nation. This restructuring will not impact the critical services you rely on, and we are here to ensure a seamless experience as we move forward together."

There have been recent reports indicating that the federal administration has considered a budget proposal for 2026 that would eliminate funding for Head Start; however, no final decisions have been confirmed. In fact, no one outside the administration has seen the proposed budget. The National Head Start Association feels that this was a leak to find out what public sentiment is for Head Start.

Based on the longstanding bipartisan support of Head Start and the importance of this program, SUMMIT believes that the elimination of Head Start is unlikely. While there could be some reduced funding and/or some additional restructuring within the department, we believe that the American people, along with Congress, do recognize the significance of this program.

Serving nearly 800,000 children per year, almost 40 million since 1965, Head Start and Early Head Start are federal programs designed to promote school readiness for children from low-income families by providing comprehensive early childhood education, health, nutrition, and family support services. Please spread the word on all the good that comes out of Head Start and Early Head Start programs.

There are also important economic benefits to consider, like enabling parents to work. Head Start and Early Head Start significantly support parents in childhood-scarce areas like rural or underserved regions with limited childcare options by enabling them to work. In regions with few or no other childcare providers, Head Start fills a critical gap. For example, a single parent in a rural area might not work without available or affordable childcare—Head Start's free services can mean the difference between unemployment and a steady job. Parents of Head Start children report higher workforce participation and financial stability.

National, State and Regional Head Start Associations have strong advocacy teams. They are working to help us protect and defend Head Start. You can call the U.S. Capitol switchboard at (202) 224-3121. Ask for your Congressional or Senate office to let them know how important Head Start is to children, families, and our economy.

Happy 100th Birthday, WWII Veteran Robert Napp!

By Kay Poeth

Betty and Bob Napp are honored by Rep. David Rowe (R-85), Selinsgrove VFW Post 6631 Quartermaster Harold Aucker, Rep. Stephanie Borowicz (R-76) and Sen. Lynda Schlegel Culve.

Betty and Bob Napp are surrounded by their family as they celebrate Bob's 100th Birthday.

Selinsgrove VFW Post 6631 was filled with 140 family and friends celebrating Bob Napp's 100th Birthday and honoring his service to our nation. Bob and his wife Betty were married on August 28, 1948. They have been married for 77 years. While Bob turned 100 in April, his wife turns 93 next month. The couple lives in Winfield. They have three children-Larry, Jim, and Kay. They also have numerous grandchildren and great-grandchildren.

Larry Napp's son Robert Napp and wife Beth and grandson Joshua traveled from Omaha, Nebraska to celebrate this milestone birthday and recognition. Larry's son, Brian Napp, was born in 1971 while Larry was serving in Vietnam. His family including his wife Lisa and daughter Hayleigh also traveled from Omaha.

Jim Napp has two children- Jeremy Napp of Winfield and Jaime (Napp) Miller and her husband Glenn of Mifflinburg. Jaime has three children. Her two sons are Jarrett and Mason and a daughter Lainey.

Kay (Napp) Bolduc's children are daughter Angelina (Brown) Gronlund and her husband Geoff of Maine. Geoff and Angelina have a son Ezra and daughter Silvie. Kay also

has two sons, Ryan Brown of Montandon and his partner Courtney, and son Clint Bolduc of New Berlin. Clint has a son Tristen and daughter Jolene.

"As a child, I asked my Daddy to live forever. He has done a pretty good job," said his daughter, Kay (Napp) Bolduc. "He would take me on the mail run with him. He would hand me the letters and I would put them in the box."

"They had a sense of adventure when they were young. They traveled a lot and tried new foods. Betty even went parasailing," said daughter-in-law, Jeanette Napp.

Frank and Carmen Whalon live about 10 miles from the Napps. "We do a lot of things with Bob and Betty. We go out to eat and other things." Frank added, "Bob was a Navy cook during WWII. He served on a PT boat like President John F. Kennedy did. He is a wonderful man. He can remember things. His mind is sharp."

Bob served in the Navy during World War II. He spent three years in the Philippines on a torpedo boat. After the war, he was transferred to the Bake Shop.

Selinsgrove VFW Post 6631 Quartermaster Harold Aucker presented a certificate to Robert Napp in honor of his 100th Birthday. The Pennsylvania Veterans of Foreign Wars acknowledged Bob's service to his nation. "Napp was a 3rd Class Baker who served in World War II until his discharge on June 22, 1946. He truly represents the 'Greatest Generation', and we wish to commend him for his service. Thank you for defending our nation in the hours of its greatest need."

Rep. Stephanie Borowicz wanted to honor this local hero. "Bob and his wife have been married 77 years and their service from the 'Greatest Generation' will never be forgotten. What an amazing day to turn 100, on the 250th anniversary of the Shot Heard Round the World, and during Resurrection Sunday weekend! Psalms 91 says 'With long life I shall satisfy him and show him my salvation.' Thank you for being that example, Bob and Betty Napp."

Born on April 19, 1925, Mr. Napp has demonstrated the highest ideals of citizenship throughout the years and truly deserves special recognition. He served this country with honor and distinction as a member of the United States Navy for three years, and he later worked in road construction.

"What an honor to be with World War II Navy Veteran Bob Napp and his wife and family in Snyder County to celebrate his 100th birthday! Mr. Napp epitomizes the 'Greatest Generation' and I am so grateful to him, his wife of 77 years, and their entire family for inviting me to join them to celebrate Robert and his century of contributions to our community and our country. Happy birthday, Bob! Thank you for serving!" said Rep. David Rowe.

The Senate Citation presented to Bob also recognized his service. "He served his country with honor and distinction as a member of the United States Navy during World War II from 1944-1946. For his service he was awarded the Pacific Theater Ribbon, the American Campaign Medal, the World War II Victory Medal and the Philippine Liberation Medal."

"It was a profound honor to present Bob Napp with a citation recognizing his 100th birthday. His distinguished service in the Navy during World War II, coupled with his lifetime of hard work, community involvement, and dedication to his family, truly exemplifies the best of the 'Greatest Generation' and our Commonwealth. We are deeply grateful for his contributions and wish him continued health and happiness surrounded by his loved ones," said Sen. Lynda Culver.

Selinsgrove High School Show Choir to Perform "Signed, Sealed, Delivered!"

By Kay Poeth

The Selinsgrove Area High School Show Choir

Signed, Sealed, Delivered!

Join the Selinsgrove High School Show Choir for an energetic evening of musical entertainment as they perform the dynamic "Signed, Sealed, Delivered!" show. The free performance will be held on Friday, May 9 at 7 pm at Selinsgrove Area Middle School. Donations will be gratefully accepted to help fund shows to the senior and care centers, as all of those shows are offered free, as an extension of honor and respect.

The Spring show, "Signed, Sealed, Delivered!", will feature cast members Hailey Beaver, Quinn Stanford, Lila Mohr, Brie Ulp, Elise Zimmerman, Troy Solowy, Hendrix Corbin, Joey Gonzalez, Cami Veliz, Violet Hummel, Cole Orner, and Logan McGranaghan. The audience will enjoy tunes from 50's and 60's Rock N' Roll, Retro Hits from the 70's and 80's, Songs from the Great American Songbook, Classic Americana, Country and Patriotic! The show includes fantastic vocals, professional choreography, and dazzling costumes.

According to Jay Muller, Director of Re-Creation for over 30 years, who directs, costumes, and choreographs the group, "The Show Choir's mission is to provide our local shut-ins with top-notch, personal entertainment that enriches the soul. Following in the footsteps of Re-Creation's service legacy, the kids of the SAHS Show Choir give up multiple weekends and evenings per semester to travel to area convalescent centers, state institutions, and nursing homes." He added, "The show is replete with ornate costuming, elaborate choreography, and dynamic music. But it's the personal touch that really engages! The students train diligently to impact our area seniors in a real and sincere manner!"

The May 9th show is designed to give back to the community. The SAHS Show Choir is also presenting school assembly programs for all the buildings in the district. This Spring, the performers are also singing at the Selinsgrove Senior Center, Nottingham Village, Selinsgrove Center, and Centre Care, in Bellefonte. These are service shows provided free to the care facilities for residents.

"The care center shows are the heart of our mission. I wanted to make sure our local shut-ins still had access to some sort of professional entertainment...and entertainment that was designed as therapy!" noted Muller. The students arrive hours before show time to set-up equipment. They visit and escort residents and patients to the show area and then perform for them!

Muller added, "The kids are giving up weekends in their amazingly-busy schedule to make sure we can serve as many facilities as possible. Their consideration is phenomenal!"
