Fire at Apex Homes Destroys Frame Shop

By Kay Poeth

Fire crews responded to a blaze at Apex Homes of PA, a custom modular manufacturer, located at 7172 Route 522 in Middlecreek Township on Saturday, May 3, 2025. The fire caused an estimated \$5 million in damages.

A driver passing the area reported the blaze at 7 am. The call came in as a building fire at facility. When Kreamer Fire Department Chief Shannon Moyer arrived on the scene he reported "flames through the roof" of the facility's 50-foot by 100-foot frame shop that was attached to the main production and office area.

Kreamer Fire Department crews sprang into action. They set up for aerial master stream operations. Reliance Hose Company advanced attack lines into the structure. The remainder of the first alarm crew assisted with fire attack, ventilation, water supply, and aerial operations.

A second alarm was requested for additional tankers and two additional Engine Companies.

Fortunately, no one was working at the facility when the blaze occurred. Lynn Kuhns, President of Apex Homes, arrived at the manufacturing plant during the firefighting efforts.

The frame shop was destroyed. According to Chief Moyer, the fire spread 30 feet into the main building,

causing smoke damage throughout the building.

In addition to Kreamer Fire Department, approximately 100 fire fighters from Middleburg, Beavertown, Selinsgrove, Freeburg, Fremont, Hummels Wharf, Shamokin Dam, Port Trevorton, Kratzerville, New Berlin, Mifflinburg and Milton battled the blaze.

"With the help of our mutual aid partners the fire was held to the building of origin (frame shop) and approximately 30 feet of the production area," stated the Kreamer Fire Department.

Milton Fire Department posted "Apex Homes of PA LLC, we are deeply sorry you and your employees have to experience this situation. The initial units on the scene did a tremendous job setting up the operational

plan and executed it perfectly. We are glad to help out fellow fire departments any time they call for us. I would agree a total team effort was able to contain the loss to a small portion of your operation."

Apex Homes of PA LLC acknowledged all the fire fighting efforts, posting on Facebook, "We are forever grateful for all the fire fighters and members who helped today! Their team did a phenomenal job today! Everyone worked great as a team! Thank you for containing the fire as quickly as they did! Yes, we lost one building, but they were able to save our main facility and offices and no one was injured!! Thank you from the bottom of our hearts!" The facility was closed on Monday, May 5 for an electrical inspection but reopened the next day.

Susquehanna Trail subsequently proceeding without clearance through the intersection. As Martin's Subaru Legacy proceeded through the intersection, it was struck by a 2014 Subaru Legacy driven by Madison C. Lebkicker, 19, of Centerville, MD, who was traveling south on N. Susquehanna Trail. Lebkicker's Subaru Legacy came to rest facing south on N. Susquehanna Trail, upon arrival, where it was then driven to the shoulder of N. Susquehanna Trail. Martin's Subaru Legacy came to rest facing north on N. Susquehanna Trail in the right turn lane, upon arrival, where it was driven to a nearby parking lot. Martin was issued a warning for failure to stop at red signal.

Crash 2:24 p.m. May 1, on SR 35 near its intersection with Wedgewood Garden, in Penn Township. A 2020 Jeep Wrangler driven by Jamon L. Folk, 51, of Beaver Springs, and a 2018 Bluebird International BB Conventional driven by Michael M. Kline, 71, of Winfield, were traveling south on SR 35. Folk was not paying attention to the roadway and struck the Bluebird International BB Conventional. The Bluebird International BB Conventional was stopped in the roadway waiting to make a left turn onto Wedgewood Garden. Both vehicles came to rest immediately after impact. Multiple injuries were reported. Folk was cited for following too closely.

Crash 7:15 a.m. April 26, on N. Market Street at its intersection with W. Pine Street, in Selingsgrove. A 2012 Ford Fusion driven by Elizabeth A. Foreman, 57, of Liverpool, was traveling north on N. Market Street, when Foreman failed to stop at a red traffic light at the intersection with W. Pine Street. As Foreman proceeded through the intersection without clearance. Foreman's Ford Fusion was struck by a 2013 Chevrolet Silverado driven by Paul E. Heintzelman, 74, of Selingsgrove, in a t-bone style collision. This impact caused Foreman's Ford Fusion to then hit a traffic signal support at the the front end of the vehicle, and came to final rest facing north against the traffic signal support. Heintzelman's Chevrolet Silverado came to rest facing southeast on E. Pine Street. There were not related injuries. No injuries were reported. Foreman was cited for obedience to traffic control device.

The Chevrolet Silverado came to a controlled rest on the berm of the roadway. Minor injuries were reported. Hamlin was issued a warning for driving on roadways laned for traffic(single).

The two best words in sports are "Game Seven." Playoff Game 7's are so exciting, especially hockey. I hope you saw the end to the Winnipeg Jets/St Louis Blues Game 7. It was an incredible finish as the Jets tied the game with less than two seconds left before winning it in the second overtime.

Basketball had a few Game sevens as well but a basketball game doesn't carry the same thrill as hockey does. One goal counts much more than a three-pointer and there are far fewer timeouts and breaks in the action on ice. It doesn't even matter who is playing in a Game seven hockey game... I'm tuning in.

The Michigan football program is now facing the bully that is the NCAA. They have charged the Wolverines with six level 1 football violations related to the Conor Station's scouting scandal. Bully as defined by Merriam-Webster is "one who is habitually cruel, insulting or threatening to others who are weaker, smaller or in some way vulnerable."

The NCAA will deftly tiptoe through these infractions and dole out minor penalties as opposed to the way they steam-rolled Fordham basketball two weeks ago. Michigan has decided to suspend coach Sharron Moore for two games of their choosing this upcoming season. There's no better case of 'the tail wagging the dog' when it comes to the NCAA investigating a blue-blood school

I gotta be honest with you, soccer is a boring sport to watch. I have been hearing for twenty years now that the world's most popular sport will grow and prosper in The States. Soccer players are great athletes and have skills that are very entertaining to watch in a one minute highlight but 98% of a soccer match is a snooze.

Local Track & Field athletes are gearing up for their run to States. Lewisburg boys and girls teams remained undefeated by sweeping Milton. Baylee Espinosa won the 800, 1600 and 3200 and ran a leg of the winning 4x800 relay team. Jacob Gose won the shot and discus. Joel Langdon was a triple winner by taking the 110 high hurdles and high and triple jumps.

Selingsgrove boys and girls swept Shamokin. Carlos Stuter won the 110 high and 300 IM hurdles and helped clinch the meet by running a leg on the winning 4x400 relay team. Triple winners for the girls were Mikayla Martin in the high jump and both hurdles. Isabella Furgison won all three throws.

Mifflinburg track split with Mt Carmel. Jayda Tilghman swept the hurdles and Makena Fogle won both sprints in the girls wins. The boys, even though they don't have a full roster, have some pretty good athletes in Larry Murray and Chace Aikey. Larry won the 100 and long jump and Chace won both the discus and shot.

The Lewisburg girls took first place at the Altoona Mountain Classic small team title. Maddy Moyers took the 100, Teagan Osunde the javelin and Kate Batkowski won the 300 IM hurdles. The Dragon boys took sixth place in Altoona for large schools. I don't know why the two squads were in different classes. Jon Hess took gold in the 1600 and Gose won the shot put.

Our three other schools participated in the Blue Jay Classic at Central Columbia. Team finishes for the girls teams were Mifflinburg 5th, Selingsgrove 6th and Midd-West 18th. Wildcat Jazzy Doeblen set the school record in the 400 for the second time in a week! The boys order of finish were Selingsgrove 5th, Midd-West 10th and Mifflinburg 11th. Grove's Noah Walter took the 100 and 200 sprints. Midd-West took first place with Wyatt Nelson in the 800 and Ben Hummel winning the 1600. Grove won the 3200 relay and Mifflinburg's Chace Aikey took the discus.

Lewisburg's boys tennis team avenged their first loss in 43 matches to Danville. Alexey Rosenberg's singles match victory clinched the District 4 semi win over Danville. They then went on to beat Central Columbia to repeat as D4 champs. Canyon Swartzentruber closed the door again like he did last year for the District title.

The fast start Dragon baseball team is hitting their stride. The two Landon's...Bieber and Wagner got Lewisburg off to a 6-3 lead with two doubles against a 14-2 Danville nine. Unfortunately they couldn't hold on in an 8-6 defeat. Things got much better later in the week. They beat Muncy 10-5 after scoring the first 10 runs. Freshman pitcher Collin Shannon more than protected that lead pitching into the sixth inning. All nine starters had knocks and the three freshmen starters...Shannon, Lincoln Ayers and Landynn Bieber combined to go 4/10, three doubles and three runs scored.

Lewisburg ended the week with a huge rivalry win at Mifflinburg 4-2. Three runs in the first two frames was

enough as Bieber threw a four-hit complete game gem. Lewisburg softball continues to struggle in losing three games.

Don't look now but as I previously said a week or two ago the Midd-West softball team is on a roll and will be very dangerous in Districts. They went 3-0 for the week scoring 34 runs and allowing zero in wins over Milton, Shamokin and Lewisburg. Miley Beachel had 18 K's and allowed only three hits in their 6-0 win over Milton. Jayda Dunn and Cali Sauer each had two Rbi's. In the 10-0 shut-out over Shamokin, Beachel had an eight K no-hit perfect. Sauers stayed hot at the plate with two home runs and four ribs. Emma Wagner was 3/3 with a double, triple and five ribs against Lewisburg.

The Miff girls swept a double-header against Lewisburg and again beat a tough Central Columbia team 12-2. Taylor Stewart gave up just four hits and had three herself with two dingers and six ribbies.

Mifflinburg boys are in the midst of a four game losing streak. Southern Columbia shut them out 5-0 despite Nick Lloyd having two of the three Cat hits. Warrior Run (15-1) scored all of their twenty runs with two outs in a 20-7 win for the Defenders. You cannot have seven errors when playing a one loss team. Kaden Kmett was 2/3 with a double and four runs driven in.

Grove girls are struggling a bit in losing three games. Williamsport threw a no-hitter at them and a slow start stymied them in an 11-1 loss to Central Mountain. In the 10-6 loss to Shamokin, Sadie Bigger had a bigger day with two dingers a triple and three runs scored while driving in four.

Grove boys had a huge rivalry win over rival Shik 2-1 snapping a five game skid. Jonathan Neidig's two out single plated the game winner. Griffin Parker and Riley Romig combined on a one hitter from the bump. Strong pitching from Montgomery resulted in a 5-1 loss as the Seals were two-hittd and struckout ten times. Williamsport started the week by beating The Grove 7-2.

Two of the greatest coaches in professional sports have been in the headlines of late. Unfortunately Gregg Popovich formally announced his retirement due to having a stroke six months ago. It's also unfortunate that a once guarded 73 year old Bill Belichick is being embarrassed by his 24 year old girlfriend. I drove to Indiana and back this weekend looking for gas at \$1.98 a gallon. Most of what I saw was \$3.49 and the cheapest I saw was just west of Mifflinburg at \$3.09. As always, any suggestions and questions are welcomed at theviewfromhear74@gmail.com Until next time don't forget your Mother and enjoy the NHL and NBA playoffs Ron Bolt

Regional Engagement Center Announces Changes to Summer Programming

The Regional Engagement Center (REC) recently shared important news about the future of its summer programming for area youth. The REC is excited to announce that beginning June 2025, they will be expanding their signature "Free Drop-In Program" to the summer months as a year-round opportunity.

In staying true to the REC's mission of providing kids a safe and supervised place to be regardless of their ability to pay, the Board of Directors determined that extending the REC's signature after-school drop-in program to include the summer months would serve the needs of working families and their children during vulnerable months when school is not in session.

More than 335 students in grade 3-12 are currently registered with the REC's free afterschool Drop-In program that provides a meal, help with homework, leadership opportunities, clubs, recreation and more.

"We're excited to provide these same opportunities to these great kids during the summer," said Matt Santa, Program Director for the REC. "Seeing the growth in these kids and knowing they have a safe supportive place to be each day, well, it's the reason we're here." The REC hopes that extending the Drop-In Program to include the summer months will create a continuity of service for the families that already rely on the REC during the school year.

"The curriculum-based summer camp program we developed and operated over the past seven years served so many needs in our community," said Kelly Feiler, President of the REC. "Most importantly, it provided kids with a safe, enriching, educational, and supportive summer experience. To continue the program in that way without municipal tuition support, we would have to decrease the number of kids we could enroll and, at the same time, increase the cost to families, many of whom are already struggling. That just doesn't seem right to me."

By transitioning to a year-round free Drop-In program, the REC believes that they can continue to meet those needs for summer childcare while expanding the program to serve even more families in the community.

"The future of summer programming in Selingsgrove is shining bright!" said Kelly Feiler. The REC is a 501c3non-profit organization. A monthly \$10 donation is suggested from participants in the Drop-In Program to offset costs and help keep the doors open for everyone.

Selinsgrove had a Wild Night on Friday-Clinton County Rains Out

Middleburg's Dylan Yoder talks to his dad Jim Yoder after ending up on his lid after an 8 car crash in the Super Late Model Event on Friday night. No drivers were injured. Photo by Debbie Gastelu

Selinsgrove had three red flags in the two late model divisions of action last Friday night with some torn up racecars. Clinton County pushed their shows along but got everything but the features in which sets up four nights of make-up feature in the next month. Williams Grove was to have a World of Outlaws tune up race but the rain moved in and another show was lost. That is eight rain outs and one complete show for the Grove this year.

Friday night at Selinsgrove speedway it was a night of bad crashes. The first on a restart when a car came out of the pits in front of the field damaging several cars in the process. Randy Christine of Manchester, Pa., and Jim Bernheisel of Jonestown got the worst of it. In the second wreck Dylan Yoder of Middleburg, Pa., got upside down with other drivers like Danny Snyder, Nathan Long of Selinsgrove and Tim Wilson getting involved. Coleby Frye of Dover Pa., who works on Rocket chassis cars, will be busy this week trying to repair the cars of Tim Wilson (Lewistown), Randy Christine, Nathan Long (Selinsgrove) and Dylan Yoder. In the end, Gregg Satterlee of Indiana, PA scored the feature win and the \$5,000 first place money holding off one time winner Rick Eckert of York, Pa., and Jeff Rine of Danville, Pa.,

The Limited late model feature had a pile up early. Taken out was Tyson Mowery of Selinsgrove, Pa., Dan Zechman of Littlestown, Pa, and Daulton Bilger Mechanicsburg, Pa. The limited feature was won by Lane Snook of Mifflin, PA who drove to his third overall win of the season and first ever at Selinsgrove. Lane, a former go-kart racer, adds his name to the list of drivers that has won on the 1/5-mile Kart track and the big ½ mile during his career. Casey Steinhoff of Millville led a good part of the feature and settled for third, with Coleby Frye coming back from a flat tire to get second. Frye, who pulled double duty, ran with his super late model that ended with a flat tire. Andrew Yoder again did double duty but had problems with his super late model dropping out of the race early, while he placed fourth in the limited feature. Jason Geesaman of Annville PA stopped the two-race win streak of Brad Mitch in the roadrunner feature. After two races for the Supers, Rick Eckert and Gregg Satterlee are tied for the points lead with Gene Knaub and Hayes Mattern tied for second. Andrew Yoder leads the limited late model points over Ryan Zook of Mifflintown, PA by ten-point Lane Snook is third back by 70 on the leader Yoder. Brad Mitch leads the Roadrunners points over Nate Stroup, Keith Bissinger and Jake Jones.

Clinton County tried their best to get a complete program in but rain hit the speedway just as the 270-micros were on the track for their feature. The 270-micro feature will be made up this Friday May 9th. The event was a special for the Laurel Highland 305-sprints with time trials starting the night which went to Kasey Weaver of Everett, PA with a time of 12.623. Heat wins went to Jared Zionkowski of Wyalusing, PA, Weaver in heat two, John Braim of Turbotville, PA, third heat win with the consolation going to Kolby Weaver, Kasey's brother. The Nittany 40-lap feature will be made upon Friday May 23rd, that night will have two features for the 305-sprints, other features to be made up in the next couple of weeks for the Pro-stocks and four-cylinders.

Williams Grove, which lost the tune up show, will now set the stage for two days of WOO sprint car feature action this Friday and Saturday night. Friday night's feature winner will collect \$12,000 for the win while the Saturday winner will collect \$15,000. The bragging rights for the Morgan Cup will be on the line to see if the trophy stays at the Grove. TJ Stutts scored the win last year or will it head to North Carolina home of the WOO series. The Morgan Cup has been contested since the 2011 racing season. The WOO series drivers have won the cup seven times with six times for the PA Posse drivers. The race was not held during the 2020 racing season. David Gravel will lead the WOO series drivers into the Grove leading the points and having scored six series feature wins so far this year Logan Schuchart is second in

points with one feature win on the series, other drivers with wins on the series Carson Macedo and Michael Kofoid with two. Each single wins going to Sheldon Haudenschild, Gio Scelzi and Bill Balog. Anthony Macri leads the Grove standings with his two feature wins, getting two wins on the night of a make-up and regular feature.

No racing action for Port Royal this Saturday, they will come back in action on Saturday May 17th with the 410-sprints and a special for the super late models paying \$5,000 to win. Then the weekend of May 23-25 Port runs the three-day Bob Weikart Memorial for the High Limit sprint car series with the winner of Sunday May 25th racing collecting \$75,000 to win after two preliminary nights on Friday and Saturday. Limited late models are part of the Friday and Saturday show with \$1,500 to win Friday and \$2,000 to win on Saturday, with the wingless Sportsman car racing with the 410-sprints on Sunday. Big Diamond Speedway, which did not race last Friday they had a monster truck show. They will be back in action this Friday with the 358-Modifieds racing for \$6,000 to win along with the 602-crate sportsman Modifieds racing for \$3,000 to win and their Roadrunner class.

One other track that did beat the rain on Friday night was Bedford Speedway which ran a program of limited late models which was won by Devin Weyandt over Kyle Lear, and Brin Benton. Bedford will be back this Friday with a program for the super late models. The final run up before the WOO super late model's series rolls into town on Sunday May 18th for \$20,000 to win race. Two nights before that Marion Center Speedway will hold a two-day show with winners' payout of \$12,000 and \$30,000 to win races on Friday and Saturday May 16-17.

Congratulations Selinsgrove FBLA State Leadership Conference Competitors

By Kay Poeth

Congratulations to Selinsgrove Area High School FBLA Top Ten Finishers at the 2025 State Leadership Competition. Pictured here are Grace Bingeman, Lily Boyer, Matthew Stebila, Coy Arnold, Emma VanHorn, Malena Keller, and Kelsey Persons.

Congratulations to Kelsey Persons who is the FBLA State Champion in Business Ethics.

Kudos to Coy Arnold who is the State Runner Up for Introduction to FBLA.

FBLA is the high school division of Future Business Leaders of America. The Future Business Leaders of America (FBLA) strives to inspire and prepare students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences. The program focuses on Leadership Development, Academic Competitions, Educational Programs, Community Service, and Awards & Recognition. The Selinsgrove FBLA is a large group of active high school students who embrace these challenges and learning experiences.

"The 2025 State Leadership Conference was a huge success for the Selinsgrove seals! Our Selinsgrove chapter placed 8th in Largest State Project Contribution with over \$1600 donated to the American Red Cross. Our chapter also placed 7th in Largest Per Capital State Project Contribution with over \$34 per member." said Mr. Daniel Frake, the Selinsgrove Area High School FBLA Advisor, enthusiastically. "Students and teachers alike participated in networking opportunities, professional development sessions, and competed at the highest level in the state."

Congratulations Selinsgrove FBLA State Leadership Conference competitors! Kelsey Persons is the FBLA State Champion in Business Ethics! Kelsey placed in the Top 10 in three open events- 7th in Microeconomics, 5th in Consumer Skills, and 4th in Behavioral Economics. Well done, Kelsey!

"I really enjoyed competing in Business Ethics because it challenged me in so many ways! Unlike most other FBLA events, Business Ethics is three parts: an objective test, a written report, and a prepared presentation with a Q & A. This really pushed me to not only study my topic in detail, but I also had to be able to write/speak about it competently and answer questions on the spot under pressure from the judges. It was nerve-racking but rewarding," explained Kelsey Persons. "Even though I loved winning first in Business Ethics, my favorite part of FBLA states will always be getting to see how every Selinsgrove FBLA member supports the others by showing up to each other's presentations and cheering like crazy at the award ceremony!"

Additional Top 10 State Placement winners include Coy Arnold placed 2nd in Introduction to FBLA, Malena Keller placed 4th Human Resource Management, Emma VanHorn placing 5th in Introduction to Business Communication and is an alternative for Nationals, Matthew Stebila placing 7th in Spreadsheet Applications and Grace Bingeman and Lily Boyer placing 8th in Graphic Design. Great Job, everyone!

"The FBLA State Leadership Conference was a great opportunity to meet like-minded people and allowed me to gain valuable advice while having plenty of fun," said Emma VanHorn.

Malena Keller, Coy Arnold, and Kelsey Person have all qualified for Nationals in Anaheim California this summer and will represent Selinsgrove and Pennsylvania at the 2025 National Leadership Conference in Anaheim, California this summer! Good luck!

"Going to FBLA States was such a fun experience. It's very rewarding to see your hard work pay off while also gaining experience and meeting new people," said Malena Keller.

Matthew Stebila and Kelsey Persons were inducted into the 2025 National Business Honor Society. Continue aim high and strive to reach your goals.

Culver. “This legislation requires data for calculating CTE equipment grant funding to be set by June 1st prior to the school year in which the allocation will occur. This change allows schools to budget and make purchases strategically based on the funding they know is available, rather than having to estimate and be reimbursed – not always fully – for equipment already purchased.”

Culver noted that the change enacted by SB 315 aligns the equipment grant calculation timing with similar changes made for basic education, special education, and regular CTE funding as part of the 2024-2025 state budget.

The passage coincided with Career and Tech Ed Day events organized by Culver as Chair of the Senate Education Committee. More than 20 of the Commonwealth's CTE schools set up displays in the Capitol's East Wing Rotunda, with students highlighting their programs and skills. Earlier in the day, Culver and Senate Education Committee Minority Chair Sen. Lindsey Williams (D-38) hosted a press conference featuring a CTE student and administrator, followed by a public hearing exploring the importance of career and technical education for Pennsylvania's workforce and economy.

“It is incredibly fitting that Career and Tech Ed Day culminated with the Senate passing this important, bipartisan bill,” Culver added. “We heard directly from students and educators about the amazing work being done in CTE programs, and this legislation provides practical support they need. I know from speaking with CTE schools and PACTA how valuable this change is, and I thank my colleagues from both sides of the aisle for their affirmative votes.”

Senate Bill 315 now goes to the House of Representatives for consideration.

Arsonist Headed to State Prison for Jackson Township Barn Fire

District Attorney Heath W. Brosius has announced the sentencing of Jacob Robert Ciccolini (Pronounced "chick-o-lee-nee") by President Judge Lori Hackenberg on May 2nd 2025. Ciccolini was sentenced to fourteen (14) months to four (4) years in State Prison followed by six (6) years of supervision for the charge of arson which is a Felony of the 2nd Degree in Pennsylvania. The charges result from an incident which occurred at a farm along the New Berlin Highway on June 9, 2023 where a barn was completely destroyed by fire and some animals perished in the flames.

During the sentencing hearing, the victim who is also the owner of the farm gave an emotional statement and remarked "you can't have a farm without a barn." She spoke of the strain of waiting on the resolution of the criminal case and expressed appreciation that Ciccolini was being sentenced to state prison. Ciccolini made no statement at sentencing.

DA Brosius commented "I'm grateful to the victim for enduring the long stressful process to get this case to a resolution, what she has been through is unimaginable. I also want to compliment the Pennsylvania State Police and the first responders who helped secure the scene and ensure no further property damage, we are lucky to have these professionals serving our community."

Annual Farmstead Friends 4-H Club Meeting

The annual meeting for the Farmstead Friends 4-h club began with a report from Kate Kreamer on the profits and sales from the Krispy Kreme fundraiser. The club sold approximately 329 dozen donuts total and made a total of 1,974 dollars of profit. The club then discussed using the remaining funds from the old Go-go

goats 4-h club account to fund new pens for the market goats and lambs. The club voted in favor of this movement. The club leaders also reached out to a local Tractor Supply to request a time to have a baked goods sale and petting zoo. It was decided we would attend on May 3rd and 4th in Shamokin Dam and only accept donations. Club member Delilah Mull finished the night with a presentation on injections following quality assurance management practices. The club would also like to publicly thank Kate Kreamer and her husband Shane for both renting the trailer and driving to and from Krispy Kreme to collect all of the orders to hand them out. We would also like to acknowledge club member Finn Harris' american rabbit for winning Reserve in show at the American rabbit breeders assoc. nationals. Strikes and Strokes Croquet Tournament Returns to Selinsgrove in 2025

By Jamiee Joiner

Selinsgrove Projects, Inc. and Selinsgrove Area Recreation, Inc. are thrilled to announce the second annual Strikes and Strokes Croquet Tournament, set to take place on Saturday, June 7, 2025! This exciting event combines friendly competition with community spirit, all while supporting local non-profit organizations.

Building on the success of last year's inaugural tournament, Strikes and Strokes promises a day of fun, laughter, and maybe even a little strategic mallet action. Teams will compete in a croquet tournament with a twist: each team will play to benefit a designated local non-profit organization. This unique format allows participants to enjoy the thrill of competition while directly contributing to the vital work of local charities. Winning teams will earn between \$250 and \$1,000 for their chosen non-profit, making every shot count.

This year's event aims to be even bigger and better, and they need your support! Selinsgrove Projects, Inc. and Selinsgrove Area Recreation, Inc. are actively seeking local businesses and individuals to sponsor teams. By

sponsoring a team, you will not only be supporting the tournament but also directly impacting the chosen non-profit organizations.

"We were overwhelmed by the community's support for the first Strikes and Strokes tournament," said Rich Mease, Vice President of Selinsgrove Projects, Inc. and President of Selinsgrove Area Recreation, Inc., who is also the organizer of this event. "This year, we're hoping to expand our reach to the tri-county area of Snyder, Union, and Northumberland, and make an even greater impact. Sponsoring a team is a fantastic way to show your commitment to the local non-profit community or a local school sports team."

Various levels of sponsorship are available, offering a range of opportunities for businesses and individuals to participate. Whether you are looking for prominent visibility or a more personal contribution, there is a sponsorship level to suit your needs. Your generous support will help cover the costs of the tournament, ensuring that the maximum amount possible goes directly to the participat-

ing non-profits.

The Strikes and Strokes Croquet Tournament offers a unique opportunity to connect with the Selinsgrove community, enjoy a day of friendly competition, and support the organizations that make our town thrive. The Selinsgrove Pool is a summer staple that local families enjoy year after year, and Selinsgrove Projects, Inc. brings you a wide range of local events including, Brewfest, the Market Street Festival, the Selinsgrove Halloween Parade, the Selinsgrove Farmer's Market as well as the decorations downtown in the summer and around the holidays.

If you would like to sponsor the event or a team or form a team, please contact Rich Mease at (570) 898-7805 or by email at rpmease@ptd.net.

Mark your calendars for Saturday, June 7, 2025, and get ready for a day of Strikes and Strokes! Join in supporting the local non-profit community and making this year's tournament a resounding success.

SUN Tech Students Win at Welding Competition

Aiden Brininger, Wyatt Kobel, Brian Reeder, and Valon Gardiner are students enrolled in the Welding Program at SUN Area Technical Institute. In mid-January, they competed in a welding competition against Columbia Montour Vo-tech and Williamsport High School. This competition was sponsored by the American Welding Society and held at Pennsylvania College of Technology. On April 1st, Penn College held a welding banquet at the Le Juene Chef Restaurant to present the awards. The students had the opportunity to meet the current AWS President Dick Holdren, who was the guest speaker for the event.

SUN ATI Welding students took four of the six awards. Aiden, son of Jeremy Brininger and Alyssa Roush, both of Middleburg, took first place. Aiden received a Miller Multimatic 211 mig welder and welding tools. Wyatt, son of Barry and Mindy of Port Trevorton, placed third. Wyatt received Lincoln Electric Welding Gear Ready-Pak and welding apparel, valued at \$560. Brian, son of Jon Reeder of Winfield and Jessica Powell of Mifflinburg, finished in fourth place. He received an Evolution metal cutting saw, and welding apparel. Valon, son of Sean and Heidi of Sunbury, placed fifth. Valon received a Dewalt 4 .5” angle grinder, welding apparel. In addition to the prizes, all the place winners received plaques with their names and placing, along with their winning test plate and x-ray film.

SUN Area Technical Institute, located in New Berlin, is a full day Career & Technical Institute serving students in the Snyder, Union and Northumberland Counties. Additional Information about the programs offered may be found at www.sun-tech.org.

May’s Stitch of News

By Kay Poeth

Here are some local meetings to keep you in stitches during the month of May! For the February meeting, PQG welcomed Helene Basic as guest presenter. Her program, “From Index Cards to the Quilt Index,” focused on the importance of quilt documentation.

Memories fade over time and from generation to generation. Old photographs without subject information are frustrating when trying to identify people long gone. Quilts are no different. Many are handed down from mother to child – eventually, memories fade, and no one remembers who lovingly made the quilt or when. Helene stressed the importance of putting labels on the back of quilts that include the quilter’s name, year and for whom the quilt was made, and its title.

The Quilt Index, an on-line repository of almost 97,000 quilts, is maintained by Michigan State University and provides the user with the quilt image and available information about that quilt: maker, materials, pattern, size, and dating if known. Quilt and textile historians and pattern designers find this index invaluable. Access is free to the website at www.quiltindex.org.

The Piecemakers Quilt Guild (PQG) of Susquehanna Valley members will meet at 1:30 pm on Sunday, May 18 at the East Buffalo Township Building on Fairground Rd. in Lewisburg. Ricki Moler will

present a talk on crazy quilts. A scrappy quilt activity will follow. Join them for an opportunity to meet new quilting friends and learn more about quilting techniques.

Piecemakers Quilt Guild of Susquehanna Valley’s Stitch & Gab will meet at the Public Library for Union County on Monday, May 19 from 10 am to 3 pm, located at 255 Reitz Blvd. in Lewisburg. Members work on service or individual projects and offer quilting advice and help. New participants are welcomed.

Headache Help

Headache disorders are the most prevalent neurological disorders, affecting more than 90% of all Americans.

Migraines are severe, disabling headaches that typically occur on one side of the head, with throbbing or pulsating pain that is rated moderate to severe. The pain can be worsened through regular activities and is accompanied either by light and sound sensitivity or nausea. These headaches typically last anywhere from four to 72 hours. Frequent migraines may be a sign of something more serious. If you experience migraines, it’s important to speak with your physician to rule out underlying issues.

Tension headaches produce a global pressure sensation and are commonly what people refer to when experiencing a headache. These headaches are mild to moderate in severity and usually go away within four hours. This pain is more of a squeezing type of pain, like a band around the head. Most often, they do not have additional symptoms and are rarely a sign of more serious illness.

Cluster headaches typically occur multiple times per day over several days to weeks during a cluster period. Cluster headaches are often described as a sudden, sharp, severe pain behind one eye. These headaches reach their peak in one to three minutes and generally last 15-90 minutes each. Cluster headaches are not life-threatening.

Although headaches may indicate an underlying medical problem, more often lifestyle is the culprit. An initial tool for a headache-sufferer is a headache diary to record events before, during, and after each headache. This information helps determine significant patterns and triggers and helps the physician create a personalized treatment plan.

Anytime headaches or series of headaches interfere with the quality of your life, you should see your doctor. If you suddenly feel like you’re having the worst headache of your life, call 9-1-1 immediately. This could be a medical emergency.

Drew Bobb’s Eagle Scout Project Enhances the Veterans Memorial in McClure

By Kay Poeth

The front side of the memorial proudly displays the seals of the Armed Forces. Underneath the seals the words, “Our Country Called, Our Town Answered.”

The wording on the monument states, “A Grateful Community Remembers Those Who Serve And Have Served In The Armed Forces” with two seals representing KIA*WIA and POW*MIA above the wording. Benner notes that these words are “a testament to the enduring impact of service and the deep respect owed to those who dedicate themselves to a greater cause.”

Drew Bobb’s completed Eagle Scout project enhances Veterans Memorial in Station Park, McClure. It is the latest Boy Scout Eagle Scout project to honor the hometown heroes. The McClure Veterans Memorial is one of the patriotic treasures of this town.

Drew Bobb undertook a patriotic project to both honor our nation and to create a legacy at the Veterans Memorial in Station Park in McClure. The monument serves as a reminder of those who have served our country. Drew chose this project because he wanted something that would have profound meaning and that would last a long time. Drew demonstrated his dedication to both community service and honoring our nation.

Drew attended a McClure Borough Council meeting to discuss what meaningful projects needed to be performed. Drew chose to complete a patriotic project for the Borough. Drew coordinated with the McClure Borough Council throughout the project, planning with them in the

choice of stone. The stunning, black granite stone was imported from India. They also partnered together on the wording to be engraved on the stone.

Andrew Benner, McClure Borough Council President, explained the meaning behind the words chosen for this monument. The front side of the memorial proudly displays the seals of the Armed Forces: United States Army, United States Navy, United States Air Force, United States Space Force, United States Marine Corps and United States Coast Guard. Underneath the seals the words, “Our Country Called, Our Town Answered” are engraved. These words are “a reminder that true leadership is about stepping up when duty calls, serving others selflessly, and answering challenges with courage.”

Engraved on back side of the memorial are the words “A Grateful Community Remembers Those Who Serve And Have Served In The Armed Forces” with two seals representing KIA*WIA and POW*MIA above the wording. Benner notes that these words are “a testament to the enduring impact of service and the deep respect owed to those who dedicate themselves to a greater cause.”

Five inner flags representing the five branches of the military service and an outer row of flags flutter around the perimeter of the memorial adding to the display. A dusk to dawn spotlight showcases the flags in another Eagle Scout project performed by Cameron Klingler.

After planning and ordering the stone through the Borough, Drew worked with his father, Scoutmaster Andy Bobb, Asst. Scoutmaster Norm Rigel, and other members of Troop 408 to prepare the ground so that a half-moon shaped concrete pad could be poured. The ground had to be dug to a depth of 3 feet to be able to hold the 2-ton monument. Drew oversaw the placement of the stunning, black granite stone by a crane to create a monument at the memorial.

“This place of tribute, marked by its striking black granite stone—sourced from the other side of the globe—serves as a powerful reminder of service, sacrifice, and lasting impact. It symbolizes the dedication of those who came before us, much like the journey of an Eagle Scout—a path built on commitment, leadership, and a desire to leave a meaningful legacy,” said Andrew Benner. The key points of any Eagle Scout project are Service,

Leadership, and Community. This project is not only for the enjoyment of the community but also honors our veterans.

Drew is the son of Scoutmaster Andy Bobb and Kelly Bobb. “We are so proud of him for choosing such a meaningful and patriotic project. Scouting has taught him many things that will be useful for the rest of his life. The journey with his dad as a Scoutmaster is something that he will remember and treasure for the rest of his life. It was a memorable experience to spend quality with his dad and brother on his scouting journey.”

Drew is currently working at Remmey-ThePallet Company in Beaver Springs. He enjoys fishing, hunting, snowboarding, playing video games, and spending time with his family and friends.

Shamokin Man Sentenced to State Prison for Retail Theft

District Attorney Heath W. Brosius has announced the sentencing of Donald J. Ponatoski of Shamokin by President Judge Lori Hackenberg on May 2, 2025. Ponatoski pled guilty to Retail Theft by Under-ringing for five (5) different incidents at Wal-Mart in Monroe Township between February and April 2024. Ponatoski purchased several sets of sports cards while scanning a separate bar code taped under his finger. The separate bar code was for items of lesser value. This is the crime of Retail Theft by Under-Ringing Merchandise in Pennsylvania. Ponatoski was able to steal over \$900 worth of merchandise from Wal-Mart utilizing this method of theft, but he paid the entire amount back prior to his sentencing.

During the sentencing hearing, Ponatoski apologized for the thefts, identified a drug problem in his past, and told Judge Hackenberg he was using this conviction as a turning point in his life. He also explained his prior criminal offenses as not representing the man he was today. He requested the Court sentence him to a period of probation, which was within the standard sentencing guidelines for this offense, instead of a term of incarceration.

Judge Hackenberg highlighted that this retail theft occurred at a time when Ponatoski was on supervision for different crimes committee. She then sentenced him to one (1) month to twenty-four (24) months in State Prison.

DA Brosius commented “Retail theft crimes are taken very seriously in Snyder County by law enforcement and the Court. There may be places in this Commonwealth where people convicted of retail theft never see jail time and may not even be prosecuted, Snyder County is not one of those places.”

Sunbury City Band to Host Spring Concert

Edited by Kay Poeth

The Sunbury City Band invites you to its Annual Spring Concert at 3 pm on Sunday, May 18 at the Zion Lutheran Church, located at Market and 5th Streets, Sunbury.

The band, directed by Thomas Gegenheimer, will perform the entire Symphony No. 1 “The Lord of the Rings” by Johan de Meij. The five movements of this symphony were inspired by the classic fantasy novel by J. R. R. Tolkien. The movements- ‘Gandalf’, ‘Lothlorien’, ‘Gollum’, ‘Journey in the Dark’, and ‘Hobbits’ - feature unique tones of musical instruments to illustrate characters or episodes of the book. This symphony has been recorded by famous symphony orchestras, European military and brass bands, as well as “The President’s Own” U. S. Marine Band. To round out the concert, the Sunbury City Band will play several other numbers of different genres; everyone in the audience is certain to be entertained.

The Sunbury City Band, composed of residents of the Central Susquehanna Valley, performs concerts at churches, retirement communities, nursing homes, and community parks throughout the summer. The Sunbury City Band is always looking for new members. Their talent level ranges from seasoned musicians to those who haven’t picked up an instrument in years. People of all ages from high school to retirees are invited to join. Director Tom Gegenheimer provides a welcoming atmosphere while maintaining a high standard of musicianship. The mission of Sunbury City Band is to provide and promote musical excellence in a community setting.

The band will begin its summer series of outdoor concerts in June. Bring a lawn chair and plan to attend some of these upcoming concerts: Fort Augusta, Sunbury at 1 pm on June 14, St. John’s Lutheran Church, Northumberland at 7 pm on June 16, Mid-Penn Band Festival, Central Oak Heights, West Milton at 7 pm on June 21, White Deer Community Park, New Columbia at 6 pm on June 28, Cameron Park, Sunbury at 7 pm on July 1, Trinity U.M. Church, Middleburg at 7 pm on July 7, Central Oak Heights, West Milton at 7 pm on July 12, and Bloomsburg Town Park, Bloomsburg at 7 pm on July 23, and Northumberland Gazebo, Northumberland at 7 pm on August 4. Check the band website for additional concerts that may be added later. For more information visit www.sunburycityband.org or follow SCB on Facebook.

“We here at Midd-West are so excited to begin your child’s educational journey!” state the district officials. The purpose of summer Kindergarten Camp is to welcome incoming kindergarten students to the school and academic routines, while promoting a positive learning environment. Kindergarten Camp provides an introduction to routines, social play, learning activities, and fun!

According to Middleburg Elementary Principal Sarah Brubaker, “While with us, the children will participate in read-alouds, crafts, letter and number activities, recess, and snack.”

Kindergarten Camp is being held on June 2 and 3 from 9:30-11:45 am each day at both Middleburg El-

ementary and West Snyder Elementary.

Parents are encouraged to send their child for both days. However, if only one day is possible, parents are encouraged to please send them. Even one day can help with the acclimation process.

At the end of the two days, staff will be creating class lists and parents will be notified who their child’s kindergarten teacher will be. On August 14, parents and their children are invited to attend Kindergarten Orientation where each family will get to meet their child’s new teacher and visit the classroom.

To register your child for Kindergarten Camp use the QR Code below or the link on the district website by May 11. This information will help the staff to plan accordingly and arrange transportation, as it will be provided, if you choose.

Haven’t registered your child for kindergarten yet? Please do so as soon as possible. Make sure all kindergarten registration forms have been submitted to your child’s neighborhood school before the start of Kindergarten Camp. Copies can be made at the school office. Call (570)-837-0046. Press 4 for Middleburg Elementary and Press 5 for West Snyder Elementary.

During Kindergarten Camp students will be able to meet all of the kindergarten teachers, title reading teachers, paraprofessionals, and special education teachers. They will make new friends. The goal of Kindergarten Camp is “to build relationships with students and families early on, reduce anxiety and tears on the first few days, and acclimate students to the building and staff without the older students present, and create balanced classes,” explains Principal Brubaker.
